A man like none other and the man decree (chinese) Chapter 1171-1172

Chapter 1171

"That's it?" Kai watched Tibetan Qing turn into a huge stone man with disdain in his eyes.

Not to mention stones, even if it is an iron wall, Kai can now punch through it with one punch.

Seeing Kai's disdainful appearance, Zang Qing laughed and said: "Don't think that you can easily break the stone in my body. If you don't believe me, try it..."

After Zang Qing finished speaking, his fist like a hill, He smashed down at Kai fiercely!

Seeing this, Kai clenched his fists tightly, and the golden light on his body continued to flicker.

Then the body jumped up and punched together!

From Kai's point of view, this punch is enough to smash the body made of these stones into pieces!

But the result was beyond Kai's expectations!

After Kai's punch followed Tibetan Qing, he only felt a huge force coming from his arm, and then Kai's body fell rapidly.

Bang rumbling.....

Zang Qing's punch directly smashed Kai into the ground!

A deep pit of several meters appeared on the ground, and Kai's body was buried in the pit by rubble.

"Hahaha, ignorant child, do you really think I'm wearing some rotten stones?"

Seeing Kai being smashed into the ground by himself, Tibetan Qing laughed arrogantly.

Seeing this, Xing Jun at the foot of the mountain frowned deeply!

He did not expect that Tibetan Qing was so powerful, it seemed that Kai would be hard to resist.

"Prepare the net for me, I can't let this Tibetan green escape..."

Xing Jun whispered to his subordinates.

Soon, several subordinates took out the golden rope in their hands, ready to take action at any time.

Crash...

Kai's body stood up from the rubble, and looked at the Tibetan blue in disbelief.

Kai couldn't understand why his punch couldn't even hit some broken stones?

Seeing that Kai was unscathed, Zang Qing's face became a little unsightly.

"This Kai is really strong..."

Xing Jun couldn't help but admire Kai standing up.

"I don't believe it anymore..." A

cold light flashed in Kai's eyes, and then his body instantly turned into a golden light, coming behind Zang Qing, and then slammed into Zang Qing's back with a ruthless punch.

Tibetan Qing turned into a stone giant more than ten meters high. Although his size and strength increased, his speed would definitely be much slower.

Kai took advantage of this and made a sneak attack behind Tibetan Qing.

clang!

Kai punched down, and a scene that shocked Kai happened. I saw Kai smashed the back of the Tibetan blue with a punch. Not only did he not cause any damage to the Tibetan blue, but he was hit by a huge anti-shock force and flew out.

Kai's body was like a cannonball, instantly hitting the ground!

The whole mountain began to tremble, and Kai's body was embedded in the mountain again.

Zang Qing turned around and looked at Kai with a sneer: "Haha, don't waste your energy, you can't break my megalithic armor..."

Kai stood up again and stared at the ten-meter-high Tibetan Qing in front of him.

Frowning, he couldn't figure out, what exactly did this Tibetan Qing do on these stones, and why these stones were even harder than steel!

And there is a huge anti-shock force, and this anti-shock force does not come from the Tibetan blue, but from which stones.

Kai gritted his teeth, and then his body burst out from here, and the golden fist slammed into Tibetan Qing with the momentum of destroying the dead.

boom!

There was another loud noise, and the whole mountain shook a bit. This time, the Tibetan Qing didn't move, and was directly punched by Kai.

And Kai's body was shaken out again.

Kai's internal organs began to tumble.

"Hahaha, I look at your strength, and I can still support you to punch a few times. When your energy is exhausted, you will be at my mercy."

Zang Qing laughed.

Chapter 1172

"Captain, this Kai looks like he's going to lose. Such a high-intensity punch will consume a lot of energy."

A team member stepped forward and whispered in Xing Jun's ear: "This Tibetan Qing is too powerful. How can some rotten stones become indestructible on him?"

Xing Jun frowned slightly, watching everything on the top of the mountain, and said to the team member: "Don't talk, just watch..."

At this time, Kai looked at The arrogant Tibetan Qing gritted his teeth and remained silent.

The power of the dragon is all around, like a golden dragon circling the waste.

"Holy Light Fist..."

Kai stepped out, his fist hitting Tibetan Qing like a cannonball.

Bang bang bang ...

a dozen punches in a row, Kai did not stop at all, the power of the dragon in Longjing was constantly being swayed by Kai!

But even so, Tibetan Qing was still unscathed, but Kai's mouth was splattered with blood!

"Do you still have the strength?"

Zang Qing looked down at Kai with disdain and humiliation in his eyes.

Kai was panting, even with Longjing and Jindan, such a huge consumption still made the spiritual power in Kai's body almost exhausted!

Kai gathered his spiritual power again, and the golden light on his fist began to flicker and expand, just like the dazzling sun in the sky.

But when Kai was about to punch again, he was stopped by Xing Jun.

"Kai, stop..."

Xing Jun's figure was vertical, and the 100-meter-high mountain went straight to the top of the mountain!

Seeing Xing Jun rushing up, the corner of Zang Qing's mouth raised: "Why, do you want to deal with me together?"

At this time, Zang Qing was extremely arrogant. After all, Kai is now on the verge of collapse, which is nothing to worry about.

Xing Jun ignored Tibetan Qing, but looked at Kai and said, "Don't fight, even if you use great power, it's useless."

"Because you didn't hit him, you were following the whole mountain to fight..."

Xing Jun found out after Kai's recent observation that every time Kai punched Tibetan Qing, Tibetan Qing was fine, but the whole mountain was started shaking slightly.

Every punch was like this, which made Xing Jun suspicious.

"Follow the whole mountain?" Kai frowned, a little puzzled!

"This guy must have used some technique to connect his body to the whole mountain, so all the power you hit on these stones was transferred to this mountain."

"Every time you throw a fist, the whole mountain is They all trembled, and the huge anti-shock force came from this mountain."

Xing Jun followed Kai to explain.

At this moment, Kai suddenly realized that he suddenly understood.

And that Tibetan Qing frowned, he didn't expect Xing Jun to see his technique!

After knowing the secret of the azure blue, Kai slowly looked at him, and the power of the dragon that originally surrounded his fist also dissipated!

"Since you are relying on this mountain, then I will let you leave here and see what else you are relying on..."

After Kai finished speaking, he rushed up, and then grabbed Tibetan Qing's waist with both hands!

With a loud shout, Kai was turned into a navy blue that was more than ten meters high, and he was lifted up abruptly.

Immediately after a hard toss, Tibetan Qing's huge body drew a parabola in the air and fell fiercely from the top of the mountain!

Seeing this, Tibetan Qing exerted force and wanted to rush back to the top of the mountain.

However, the several tons of stone helmets around him made Tibetan Qing's actions very slow!

Rumbling.....

Tibetan Qing's body smashed under the mountain, instantly smashing a large pit with a diameter of tens of meters, like a meteorite falling.

With great difficulty, the clumsy body stood up.

Ka... Ka...

The stones on Tibetan Qing's body began to shatter, and finally turned into clumps of powder.

On the other hand, Zang Qing fell to the ground with an ugly face, and his body seemed to be severely injured!

Standing up with difficulty, Zang Qing looked at Kai with some panic in his eyes.

"What else do you have?"

Kai looked at Tibetan Qing and asked indifferently.

"I..."

Zang Qing opened his mouth, but found that facing Kai, he really had nothing to do!

He didn't understand that Kai's strength had not even reached the peak of Wuzong, but his strength was so terrifying.

And the body wants to have a steady stream of power transmission.

"Since you don't have any other skills, then I'll send you on your way..."

Xing Jun wants to go back and return to life. Now that Kai killed Tibetan Qing, how could he explain to Mr. Shi.

"I have to kill him today, whoever stops me will die..."

Kai looked at Xing Jun with a firm look in his eyes, and there was no room for negotiation.

"You..."

Xing Jun's face flushed with anger, but he was helpless.

If he really followed Kai, now he doesn't even know if he is Kai's opponent.

"Kai, you take my life, my Tianshamen is willing to respect you!" Zang

Qing began to beg Kai for mercy.

"Take me as your honor? I don't despise you evil cultivators, you evil cultivators who hurt others, damn it..."

Kai remembered the fate of dozens of Jin family members, and his eyes burst with murderous intent.

After Kai finished speaking, he grabbed a claw towards Zang Qing, and Zang Qing struggled to block, but unfortunately Kai's grab changed direction and stabbed into Zang Qing's chest fiercely!

Kai's hand penetrated directly into Tibetan Qing's chest, and then a huge force shattered Tibetan Qing's dantian!

However, the dark blue, whose dantian was completely broken, suddenly stretched out his hand and held Kai firmly, followed by a huge suction force that began to absorb the spiritual power of Kai!

"Hahaha, do you think that if I break my dantian, I will become a cripple?"

Zang Qing suddenly burst out laughing, and the panic just disappeared.

Kai frowned, a little unbelievable, this Tibetan blue dantian has been broken, how could it still absorb his own spiritual power?

Even if it is absorbed into the body, spiritual power is useless without Dantian storage!

Soon, Kai found that after his spiritual power entered the body of the Tibetan Qing, there was a light on the upper part of the abdomen of the Tibetan Qing.

This light penetrates the dark blue skin and is very dazzling!

"So you still have a golden pill in your body?"

Kai realized instantly that this navy blue absorbed all the spiritual power and stored it in the golden pill.

"Golden core? What is golden core?"

Zang Qing was a little surprised. He was not a cultivator, so how could there be golden core.

Looking at the appearance of Tibetan Qing, Kai knew that this Tibetan Qing couldn't contain a golden elixir, because only a cultivator could cultivate a golden elixir.

Since it is not a golden pill, it must be a kind of orb, beast pill or the like.

Just like the dragon crystal in Kai's body.

Kai's palm suddenly stretched upwards and directly grabbed the bead in Tibetan Qing's body.

The navy blue face instantly became extremely ugly, and his eyes were full of fear!

"You...how can you still move?"

Zang Qing said in shock.

Kai ignored him, but directly pulled the beads out of Tibetan Qing's body.

Moreover, when the Concentration Technique was running, the spiritual power that had entered Zang Qing's body was rapidly rushing back to Kai's body, and even Zang Qing's own energy was rapidly draining.

"This...this..."

Zang Qing's eyes widened, looking at Kai incredulously, the breath in his body was quickly disappearing.

Chapter 1174

Soon, Tibetan Qing's whole person became sluggish, as if he was ten years old in an instant!

Looking at the scene in front of him, Xing Jun's expression became extremely complicated.

In his opinion, only evil cultivators can do this kind of exercise that absorbs the power of others. Could it be that Kai is also a cultivator?

But Kai is obviously not an evil cultivator, but how could Kai have such a practice?

Xing Jun fell into confusion... Zang

Qing knelt down on the ground, his body curled up with only one breath in support.

Kai looked at the beads taken out from Tibetan Qing's body. It looked like a kind of spiritual bead, not a beast pill.

"This thing was given to..."

Kai threw the Lingzhu in his hand directly to Xing Jun, and then continued: "This guy still has a breath, you can take it back for business."

Xing Jun took the Lingzhu, His eyes were full of complexity and shock.

This kind of spiritual bead is invaluable at first glance, but Kai gave it to himself easily.

Xing Jun was about to follow Kai to thank him, but saw that Kai had already walked towards the distance.

Xing Jun put away the spirit bead and grabbed it towards the Tibetan blue.

But who knew that before he could touch Tibetan Qing, his body fell to the ground with a thud.

There was no sound for a moment.

When Zangqing died, Xing Jun sighed and didn't even look at him, while the rest of the law enforcement team arrested the other disciples of Tianshamen brought by Zangqing at the moment when Zangqing fell.

Looking at these disciples of Tianshamen, Xing Jun knew that he had to be busy later, and he had to eradicate this Tianshamen.

In order to eradicate these evil cultivators, only their law enforcement team can take action. Zao Wou-ki and his law-enforcement pavilions can only maintain law and order.

The news spread instantly.

This time, Kai was pushed to the cusp of the storm.

Many aristocratic sects that were still paying attention to Kai died in an instant, and there was no news!

Even the Tibetan Qing of Tianshamen is not Kai's opponent. If an ordinary sect family wants to trouble Kai, wouldn't that be hitting the stone with an egg?

"I think this Kai, only Marquis Wu can cure him."

"The entire Kyoto martial arts world, the leader of the younger generation, I am afraid that it is Kai."

"Not to mention the capital, even the entire Great Xia . In the martial arts world, Kai's strength and age are considered to be among the best."

Just when everyone was talking about it, suddenly a top comment jumped. come out.

This time, there are a lot fewer comments on the forum scrolling in an instant.

Obviously, this comment was sent by Xin Pengfei, who is the No. 1 auctioneer on the Happy List.

A year ago, Xin Pengfei had reached the strength of a half-step Wuhou, but this year, there was very little news about him.

No one knows his true strength now.

However, the Happy List is not an official list after all, and there are not many people who follow it, most of which are young people.

Now Xin Pengfei suddenly appeared, and after a brief period of consternation, many people began to boil.

"Boss Xin has appeared, you will always be our boss!"

"No. 1 on the Free and Easy List, Brother Fei who has dominated the list for many years has finally appeared."

"Who said just now that Kai can rush to No. 1 on the Free and Easy List, are you saying something?"

After all, Xin Pengfei became famous early, and he was the most talented person of the younger generation.

All kinds of auras are added to the body, and there are countless fans!

And Kai has only recently gained some popularity.

"I'm looking forward to it, Brother Fei can follow Kai to a match, so that we can know who is the best."

This sentence once again instantly exploded the entire forum.

"Yes, yes, let them compete, and you will know who is more powerful."

"Brother Fei has been famous for many years, and he was already a half-step Wuhou a year ago, so he can still use it to compare with Kai?"

"I think Kai's ability is not small, if Xin Pengfei dare not compare, I guess he is afraid, afraid of falling to the altar."

This time, the two people who were originally irrelevant were instantly turned into enemies by those people on the forum.

Looking at the increasingly out-of-control remarks on the forum, Xin Pengfei's face behind the screen was extremely gloomy.

For a whole year, he had been in seclusion for a year, and he had just been promoted from the half-step Wuhou to the realm of Wuhou.

At this level, Xin Pengfei really wanted to find someone to play against, and by the way, let everyone know that he was still very strong after not seeing him for a year.

And now, Kai is the best person to accompany him to practice.

"In the Gregorian calendar year, I will compete with Kai. Whether he dares to fight or not, I will not be able to control it."

After Xin Pengfei finished speaking on the forum, he turned off the computer.

Soon, news spread that Xin Pengfei challenged Kai by pendulum.

However, at this time, Kai didn't know about it at all.

He didn't expect that he would have an additional enemy for no reason.

At this time, Kai was on his way to Kyoto.

Chen Pingyuan thought that there would be a lot of resistance on his way to Kyoto. After all, many aristocratic sects were staring at him.

But contrary to Kai's expectations, the road was surprisingly quiet.

No one attacked Kai.

Even Luo Xiang of the Luo family in Mobei seems to have no news.

But Kai didn't know that Luo Xiang had already been in Kyoto for many days at this time.

It's just that he has never heard from Kai.

However, when he knew that Kai had killed all the masters of Tiansha Sect, he was obviously a lot more cautious.

On this day, Luo Xiang found the Ning family in Kyoto!

To deal with Kai, Luo Xiang needs the help of the Ning family.

Although Luo Xiang had some festivals with Ning Zhi, he believed that the enemy of the enemy was the friend.

Ning Zhi also hated Kai, as long as the two of them united, Kai would definitely die!

But Luo Xiang had been at the Ning's house for an hour and had been drinking tea in the living room, but no one of the Ning's stewards came forward.

Ning Zhi didn't even show up.

"Eldest young master, this Ning family obviously doesn't give you face, why are we still waiting here?"

A servant behind Luo Xiang said in unison.

"Then Ning Zhi deliberately left me, I know, but if it's a big deal, let's just wait here!"

Luo Xiang picked up the teacup, took a sip, and started drinking tea.

I don't know how many glasses he drank.

In the back of the living room, Ning Zhi looked at Luo Xiang quietly through the crack of the door.

The Ning family and the Luo family had no intersection, and when they were in Xichuan, Luo Xiang didn't give any face.

Now that we are in the capital, Ning Zhi has to give Luo Xiang a slap in the face.

Originally, Ning Zhi thought that Luo Xiang couldn't stand the humiliation and would take the initiative to leave, but he didn't want Luo Xiang to sit still after an hour had passed.

"Master, do you want me to drive them away?" The

Ning family's housekeeper whispered to Ning Zhi.

Ning Zhi waved his hand: "No, since this Luo Xiang is so sincere, then I will meet him."

Ning Zhi finished, tidied up his clothes, and then walked out.

Chapter 1176

I don't know, I can't see it at all, some time ago, the two almost clashed.

"Young Master Ning, I take the liberty to interrupt!"

Luo Xiang stood up and folded his fists.

Ning Zhi sat on the main seat and asked, "I wonder if Young Master Luo came to my Ning's house from Mobei, is there something wrong?"

Luo Xiang looked at Ning Zhi, in fact, Ning Zhi knew better than anyone else. But since Ning Zhi asked this, Luo Xiang didn't hide it, and said, "Mr. Ning, then Kai destroyed the Demon Town Tower and escaped from Xichuan. I chased after him all the way."

"It's just that I lost him recently . The whereabouts of Kai, now that Kai has appeared and killed the Tibetan Qing of

Tianshamen, I believe you also know." "I know that Ning Gongzi also hates Kai, so I want to join forces with Ning Gongzi to get rid of that Chen together. Ping!"

"Destroyed the Demon Suppression Tower?" When Ning Zhi heard this, his brows furrowed deeply: "That Demon Suppression Pagoda is an ancient thing. No matter how good Kai is, he can't destroy it."

Ning Zhi was Tinggu . The big housekeeper of the family said about the origin of this town magic tower, how can such a treasure be destroyed if it is destroyed?

Kai should not have that ability.

"Young Master Ning doesn't believe me?" Luo Xiang was startled for a moment, and then explained: "The Devil Town Tower has indeed collapsed, and now it's a pile of ruins!"

Ning Zhi also knew that Luo Xiang couldn't lie to him, but the town The magic tower was destroyed like this, and Ning Zhi would never believe it.

After thinking for a while, Ning Zhi suddenly said: "I see, then Kai must have taken the treasure of the town tower in the town, so the town suddenly collapsed!"

Since the town is so magical, There must be treasures in the tower, and Kai took the treasures, so the Demon Town Tower collapsed.

"Oh?" Luo Xiang's eyes lit up: "What kind of treasure?"

Ning Zhi shook his head: "How do I know, but I'm sure that Kai must have gotten the treasure from the Devil Town Tower!"

"Master Ning, now Kai has many treasures. As long as we join forces and kill Kai, those treasures will be ours."

Luo Xiang said to Ning Zhi.

But who knew that Ning Zhi sighed: "Then many people in Kai want to kill him to win the treasure, but it's a pity that besides his own strength, even Mr. Shi from the law enforcement team is partial to him."

"Zhu Zhishan of the Martial Arts Alliance If we take action against Kai, Mr. Shi will definitely be unhappy."

"Mr. Ning, my Luo family is far away in Mobei, I am not afraid of any law enforcement team, I can come forward to deal with that Kai, It's just that I brought too few masters this time, as long as Ning Gongzi is willing to lend me some people, after killing Kai, the treasures will be divided equally!"

Luo Xiang still persuaded Ning Zhi.

Ning Zhi fell into deep thought, and after thinking for a while, Ning Zhi nodded: "Okay, I'll lend you two masters of the peak of Wuzong, I hope you can also speak your mind!"

"Of course, in this place in Kyoto, I Dare to deceive you, unless I don't want to go back to Mobei."

Kai frowned slightly when he heard this.

Then Dong Jiahao has been looking for him many times, nothing will happen, right?

When Dong Jiahao received a call from Kai, he was overjoyed and asked Kai to wait for him at the Law Enforcement Pavilion, while Dong Jiahao drove directly to the Law Enforcement Pavilion.

At this moment, there is a sumptuous banquet in the Dong family!

Dong Liqun raised his mouth, then took out a pill, which was crystal clear and very beautiful.

"Master, what is this?" the

"This is called Qi Control Dan. As long as you eat this thing, no matter how great you are, you can't use it. Then Kai will let us slaughter it!"

Dong Liqun said lightly.

After hearing this, the housekeeper hurriedly said: "Master, I heard that Kai is very familiar with Yaoshengu, and there are rumors that Kai is the owner of Yaoshengu."

"In this way, if we give him medicine, why not? Wasn't Guan Gong playing a big sword in front of him? He would definitely find it."

Dong Liqun glanced at the housekeeper: "I tell you, this Qi Control Pill is colorless and odorless, it dissolves in water, and you can't see it at all, even if Kai is really the Valley of Medicine God. Gu owner, he can't find it either!"

"So it is!" The butler nodded, but then asked again: "Then we have controlled Kai, what about the young master? If he knew, he would definitely disagree."

"I will find an excuse to let Jiahao leave. As long as we control Kai, it won't take long before the dragon crystal on his body is mine."

Dong Liqun's eyes were full of greed.

"But we killed that Kai, if Mr. Shi knew, we would be in trouble..." The

housekeeper shrank his head and reminded Dong Liqun in a low voice.

Dong Liqun's face was flushed with anger, and he turned towards the butler's head suddenly: "How the hell did I find a butler like you, even if we kill Kai, we can't say that we killed it, it happens to be that kid from the Ning family. If we have a grudge against Kai, then we will be the hands of the Ning family."

"Then Mr. Shi will blame the Ning family as well. It would be good to bring the Ning family down. Then in Kyoto, we will One less opponent!" The

butler didn't dare to speak, and closed his mouth.

Dong Liqun took the teapot, put the Qi Control Dan in it, and shook it a few times.

Finally, I opened it and smelled it, and nodded with satisfaction.

He is now waiting for Kai to arrive, and then let Kai drink the tea.

Dong Jiahao personally drove to pick up Kai.

After seeing Kai, Dong Jiahao gave Kai a big hug.

"Brother Chen, you are so arrogant that you even killed Zang Qing, the sect master of Tiansha Sect. In the future, the younger generation will take you as the leader in the entire Kyoto martial arts world."

Dong Jiahao's eyes were full of envy.

"Brother Dong has passed the award!"

Kai smiled lightly: "I don't know if Brother Dong is in a hurry to find me?"

"Oh, it's nothing urgent, it's just that my dad wants to see you. In addition, during this period of time, many sect families in Kyoto Eyeing you, my dad wants you to hide in our house."

Dong Jiahao said.

"You thank the Dong family for me. As the saying goes, you can hide for a while, but you can't hide for a lifetime. Those who should come will still come."

Kai didn't want to go to the Dong family to hide. He planned to go to Yaoshen Valley to see the dragon. Wu them, by the way, let Long Wu take him to the Valley of the Wicked.

Now that the new year is approaching, if Kai cannot rescue his mother and Su Yuqi with his own strength, he will use the power of the Valley of the Wicked.

It's just that he doesn't know what the strength of the Valley of the Wicked is.

"My dad has prepared food and drinks at home. If you don't want to stay at our house, you can always have a meal in the past, right?"

"In this way, it can prove that you have a good relationship with our Dong family. Your idea should also be weighed

against the strength of my Dong family." Dong Jiahao invited Kai.

Kai saw that Dong Jiahao had said this, so it was not easy to refuse. After all, it wouldn't take long to eat a meal.

After getting in the car, Kai followed Dong Jiahao towards Dong's house.

When he arrived at the place, Dong Liqun actually came out to greet him!

"Hahaha, I heard Jiahao mention you a long time ago. When I saw you today, it really lives up to its reputation. Mr. Chen is now famous!"

Dong Liqun very politely followed Kai and shook hands.

"Patriarch Dong has won the award..."

Kai said with a smile.

Soon, a few people were seated, and the table was full of delicacies from the mountains and seas.

"Mr. Chen, when you're here, it's like you're home. Don't be polite."

"I'm relieved to have a friend like you in our family.

"The younger generation in the martial arts world in Kyoto is stronger than him!"

Dong Liqun said, and gave Dong Jiahao a helpless look.

"Dad, why do you talk about me all day long? I think I

work very hard." "There are a few young people with talent like Brother Chen, who are famous at a young age!"

Dong Jiahao looked at himself dissatisfiedly. 's father.

"Look, I'm not happy to tell you a word!"

Dong Liqun glared fiercely.

"Patriarch Dong, in fact, Brother Dong is very good, and Brother Dong is outspoken and has no intention of harming others. Such a character will definitely not be bad in the future..."

Kai hurriedly helped Dong Jiahao with good words.

Just when Kai said the words “harmful heart”, no one noticed that there was a trace of embarrassment in Dong Liqun’s eyes.

“It is precisely because he is outspoken that I am afraid that he will suffer in the future, and I hope Mr. Chen will help him a lot in the future!”

Dong Liqun said with a smile.

“Brother Dong and I are friends, so of course help!”

Kai nodded.

“Housekeeper, go and bring my collection of Pu’er tea...”

Dong Liqun glanced at the housekeeper and winked at the housekeeper.

“Yes!” The

butler turned and left.

“Brother Chen, you have a good taste. My dad’s Pu’er tea is a special offering. I don’t even drink it. Today, I’m going to touch you.”

Dong Jiahao said to Kai.

Kai smiled lightly: “Patriarch Dong is so polite.”

Kai had no doubts about Dong Liqun’s enthusiasm.

After all, Dong Jiahao is a person, and Kai sees it in his eyes, so he thinks that Dong Liqun, who is a father, will not be too bad.

Chapter 1179

Soon, the tea was brought, and Dong Liqun poured a cup for Kai himself.

"Mr. Chen, how about you try it?"

Dong Liqun made a gesture of invitation, and then tried to keep himself calm!

He can't show his flaws at this time.

"Thank you, Patriarch Dong."

Kai thanked him, then picked up the teacup and took a sip.

"Yes, but I don't know much about tea!"

Kai said embarrassedly.

"Haha, in fact, I don't know much about it. Since it's good, then drink more..."

Dong Liqun laughed.

Kai held the teacup and drank it all in one go!

At this moment, Dong Liqun breathed a long sigh of relief.

Dong Jiahao also drank with Kai, but Dong Liqun did not stop him.

He has an antidote on him, so Dong Jiahao will be fine if he drinks it!

"Mr. Chen, all the major sects and families in Kyoto are now staring at you. If you don't dislike it, then stay in our Dong family, just to be a companion with Jiahao!"

Seeing that Kai was about to leave, Dong Liqun faced Kai. Ping said.

"Thank you, Patriarch Dong, for your kindness. I still have a lot of things to deal with, so I won't bother you any more!"

Kai politely declined.

"Mr. Chen, you stay here first, I still have something to ask you!"

Dong Liqun kept Kai, then looked at Dong Jiahao and said, "Jiahao, your mother just called and asked you to pick her up, hurry up. Let's go!"

When Dong Jiahao heard this, he could only pick up his mother, so he looked at Kai apologetically: "Brother Chen, then I'm sorry."

"Brother Dong, you're welcome, go!"

Kai smiled slightly.

Dong Jiahao left, and Kai looked at Dong Liqun and asked, "Master Dong, I don't know if you have anything else to ask?"

"Mr. Chen, I heard that you have a lot of treasures on your body, and there is also a fusion one. Long Jing, can generate the power of the dragon, I don't know if it's true?"

Dong Liqun asked.

Kai was stunned for a moment, but still nodded: "Yes, it's true!"

Seeing Kai's personal admission, Dong Liqun's eyes flashed with excitement, and his face was full of excitement.

Seeing Dong Liqun's expression, Kai was slightly shocked.

"Mr. Chen, then I'll open the skylight and say something bright. Your current strength, even if you're not as strong as Long Jing, can still rank among the best in the martial arts world of the younger generation.

" Now , the strength is poor, and you don't need to work hard, let alone on the Free and Easy Ranking, even the younger generation in the Kyoto martial arts world is stronger than him."

Dong Liqun sighed, looking like he hated iron.

"What does Patriarch Dong mean?"

Kai frowned slightly at this moment.

"Nothing else. I think you and Jiahao are also friends. Can you give Longjing to Jiahao, and I can exchange other treasures with you!"

Dong Liqun said.

When Kai heard this, his face immediately turned cold: "I'm sorry, if it's something else, I will definitely help, but this Longjing, I can't give it away..."

"I have something to do, I'm leaving..."

Kai got up and went out Walking, he found that this Dong Liqun did not want to be what he imagined.

But just as Kai walked to the door, he was stopped by the housekeeper.

Kai turned his head to look at Dong Liqun: "Patriarch Dong, what do you mean?"

At this time, Dong Liqun showed his true colors and said with a cold smile: "No other meaning, since you don't want to give it, then I can only do it myself. come and get it."

Kai's eyes narrowed, his eyes filled with coldness.

"Looking at Brother Dong's face, I don't want to start killing people in the Dong family, don't force me..."

Kai's face was gloomy.

"Hahaha!" Dong Liqun laughed loudly: "Open up the killing ring? Do you think you can still exert your strength now? You have already hit my Qi control pill, and now you are a waste."

Chapter 1180

When Kai heard this, he was taken aback, and then his qi sank into his dantian.

This temptation, Kai found that he had no influence at all.

As for the Qi Control Dan that Dong Liqun said, Kai had no idea what it was.

"Could it be that the Qi Control Pill only has an effect on warriors and has no effect on immortal cultivators?"

Kai thought to himself.

However, Kai did not show it, but frowned tightly, pretending that he had lost all his skills.

"How is it, have you figured it out? If you hand over Long Jing obediently, you will save me from doing it."

Dong Liqun looked at Kai with a sneer.

"You're dreaming..."

Kai looked at Dong Liqun with a sullen expression on his face.

"In that case, don't blame me for being rude."

Dong Liqun waved his hand after finishing speaking.

A servant of the Dong family who stopped in front of Kai instantly shot at Kai.

Even the servant of the Dong family is a Wuzong!

But when the servants of the Dong family were pressing towards Kai, they saw Kai shoot it with a palm!

puff!

There was a sound of a rotten watermelon being stepped on.

I only saw that the head of the servant of the Dong family burst instantly, and the whole person flew directly more than ten meters away.

Seeing that Kai still has such strength, Dong Liqun was shocked.

His eyes were full of incomprehension. He spent a lot of money on the Qi Control Pill, and it was absolutely 100% effective.

Why didn't it work on Kai?

Is it because the time is too short?

Dong Liqun was a little confused.

But now that his face has been torn apart, no matter what, it is impossible for him to let Kai leave.

"Take him to me!"

Dong Liqun ordered the housekeeper.

The butler nodded, and then light lingered on his fists.

In a moment, the two tiger heads covered the butler's fist, and a tiger roared loudly!

This is the stunt of the housekeeper. To be the big housekeeper of the Dong family is naturally an extraordinary ability.

"Kai, do you still want to resist?" the

All are hypocrites.

Seeing this, the butler stopped talking, but exploded with energy, and then stepped towards Kai.

The huge boxing shadow with a sound of tiger roar, as if two fierce tigers rushed towards Kai.

The sound of breaking the sky resounded in the sky!

Kai didn't move at all, and a dazzling golden light flashed from his fists!

The power of the dragon lingered on his fists, turning into two golden dragons circling.

Facing the butler's attack, Kai also punched out!

With the sound of a dragon roar, Kai's fist strength also turned into a golden dragon and greeted him.

boom!

The two dragons and two tigers collided, and the huge energy exploded in an instant. The whole house began to tremble, and the tables and chairs in the room instantly turned into powder.

Looking at the butler, he was directly knocked out and fell heavily to the ground, spitting blood.

"You... you were not charged with Qi Dan at all, you controlled your power?" The

butler looked at Kai in disbelief.

On the other hand, Kai raised the corner of his mouth and did not answer, but jumped up and ran out of the courtyard.

The current Dong Liqun is at least a Marquis of Wu.

As for Kai's current strength, it is still a little difficult to fight against a Marquis. If you add other people, you will definitely lose!

So Kai wanted to escape, but Dong Liqun seemed to have expected Kai to escape.

Just when Kai jumped up, his hands instantly waved in the air!

A giant net woven with strength blocked Kai's way.

Kai throws a punch!

boom!

Several rays of light flickered, the giant net instantly turned into a spot of light, and Kai's body was directly repelled at this moment, and fell heavily to the ground!

Seeing this, Kai knew that if he wanted to escape, he had lost his best chance.

At this time, perhaps offense is the best defense.

Thinking of this, Kai let out a loud cry, the power of the dragon was fully mobilized, the undamaged golden body was activated, and the scales on his body began to grow rapidly.

Dazzling golden light surrounded Kai's body.

"Shengguang Fist..."

One after another boxing shadows moved towards Dong Liqun, and the monstrous momentum spread out in an instant, and the entire Dong family was shrouded in it.

Looking at this scene, a look of solemnity flashed on Dong Liqun's face. He did not expect that Kai's breath would be so terrifying.

He now has some doubts, whether it is worthwhile to offend Kai for Long Jing.

But now that the momentum was approaching, Dong Liqun waved gently, and the rays of light began to center on him, and then spread out.

In an instant, a powerful aura formed around Dong Liqun, which seemed to gather the power of heaven and earth.

Dong Liqun's strength should not be underestimated.

Otherwise, how could it be mixed in Kyoto!

All kinds of techniques and magical powers are also easily pinched.

Kai's Holy Light Fist, punching the powerful aura with one punch, was like sinking into the sea, and the terrifying power was instantly absorbed by the aura.

And Dong Liqun waved lightly, and a bunch of bright rays of light burst out of the aura!

The light turned into a huge fist and slammed into Kai fiercely.

When Kai saw this, his heart sank involuntarily. He found that this power turned out to be the Holy Light Fist he just punched.

It seems that this aura did not absorb Kai's power, but stored it and then bounced back.

boom!

Kai slammed out another punch, and the two collided with the same force, Kai's body took a few steps back.

A trace of blood flowed from the corner of his mouth.

With the punch at the beginning, Kai almost used all his strength, but he didn't want it to end up on him in the end.

"Kai, do you still want to resist?"

Dong Liqun looked at Kai coldly, his eyes extremely indifferent.

"Even if I die, I won't sit still."

Kai wiped the blood on the corner of his mouth, the breath on his body rose again, the world changed color caused by the terrifying breath, and the air roared.

A loud noise came, like a thunder in the sky!

Extending his right hand, the Dragon Slaying Sword instantly appeared in Kai's hand, and the fire burning on the Dragon Slaying Sword caused the surrounding temperature to increase sharply.

The golden light on Kai covered the sky and the sun, and the sky over the Dong family villa began to cover the sky.

This is a life-and-death battle, and Kai did not dare to be careless.

He was trying to summon the golden dragon in his body.

It's just that this golden dragon is not under the control of Kai, and when it appears, it is not something that Kai can control.

Looking at the Dragon Slaying Sword in Kai's hand, Dong Liqun's eyes were full of heat.

"I didn't expect you to have a lot of treasures on your body."

Dong Liqun said with a sneer.

Kai looked at Dong Liqun with contempt. He hated this hypocrite the most!

A hypocrite is not as good as a real villain, it is too hateful.

"Nine Shadow Swordsmanship..."

Kai shouted loudly, and then swung the Dragon Sword, his body instantly divided into two, two and three...

"A mere obscurity, showing off in front of me?"

Dong Liqun didn't care about Kai's Nine Shadows swordsmanship.

Kai didn't speak. He felt like a waste of energy when he said one more sentence now.

"Broken..."

Kai jumped up.

In the air, only six identical Chen Pings were seen, staying there like gods.

Then, two bright sword qi waved out!

In the end, they merged into one and directly attacked Dong Liqun.

This sword energy pierced through the sky, as if tearing a gap in time and space.

Above the sword energy, there is still a raging fire of spirit fire.

If the terrifying sword qi caused many people in the Dong family to flee, the spiritual fire above the sword qi alone would make everyone unbearable.

But such a terrifying sword qi slashed at Dong Liqun's aura.

The same scene appeared. After the terrifying sword energy touched the aura, it disappeared without a trace in an instant, as if it had never existed at all.

If it weren't for the residual heat remaining in the air, no one would believe that Kai had just waved such a terrifying sword energy.

"You are a mere martial sect, even if you have more magic weapons, it will be futile in front of me."

Dong Liqun said lightly.

After speaking, Dong Liqun used his hand as a sword and waved towards Kai instantly.

In the aura, a ray of light flashed in an instant.

The same terrifying sword energy attacked Kai.

Kai had just experienced it, so he had been prepared for a long time.

The figure flashed quickly, dodging the sword energy, but the sword energy was still swept across the back.

A golden light flashed, and a deep wound appeared on Kai's back.

Pieces of golden scales fell off, and finally disappeared!

Kai's body fell from the air, and his face became very ugly. Although he barely escaped the sword qi just now, it also made Kai embarrassed.

Kai stared at Dong Liqun, not daring to attack lightly.

Because every attack is equivalent to hitting yourself!

Seeing that Kai was no longer attacking, Dong Liqun looked at him with a sneer: "What? Just these two times? I really don't know where your confidence came from."

"It seems that I also overestimated you, causing me to waste a moment. A Qi Control Pill, but this Qi Control Pill turned out to be fake, I will find them to settle accounts sooner or later."

"Now hand over Long Jing himself, I can make you feel better."

"If you have the ability, just get it yourself. "

Kai's face was cold, and anger rose in his eyes.

"Okay!"

As long as he doesn't die, he will never give in!

Seeing Kai stand up again, Dong Liqun couldn't help but sigh: "What a good seedling, it's a pity that you are a tiger and can't be used by others, so you have to die."

After that, Dong Liqun flew up, suddenly in his hand A long sword appeared and slashed towards Kai's chest.

Chapter 1183 I Can't Die

He wants to take out the dragon crystal from Kai's body!

Kai stepped back again and again, but found that he couldn't escape Dong Liqun's sword shadow.

"Do you really want to die here today?"

Su Yuqi, Gu Linger, and Long Wu flashed through Kai's mind.

Then there are his own parents, and his biological mother whom he has never met.

"No, I can't die, I can't die..."

Kai shouted in his mind.

Suddenly, a dazzling light burst out from Kai's chest.

A screaming dragon roar sounded, and a golden dragon shot out from Kai's body.

A huge breath enveloped Kai's predecessor.

Dong Liqun was directly shocked by this breath and retreated.

Then he looked at the golden dragon that rushed out of Kai's body with a look of surprise!

"This..."

Dong Liqun's eyes widened, he had never seen such a scene!

The golden dragon hovered above Kai's head, and then directly wrapped Kai's body, and then turned into a pair of golden armor!

Endless power was continuously transported from the armor to Kai's body.

After Dong Liqun was stunned, he immediately reacted. He knew that this time Kai must not be allowed to escape, otherwise in the future when Kai grows up, the Dong family will surely suffer annihilation!

"Go to hell..."

Dong Liqun held a long sword, and sword flowers bloomed from Dong Liqun's hands.

Every sword flower contains the power of heaven and earth, like shackles, shrouded towards Kai.

When Kai saw this, the Dragon Slaying Sword in his hand shook instantly!

Countless sword shadows appeared and began to shoot out towards the sword flowers.

bang bang bang

A loud explosion sounded, and the Dong family villa began to collapse in this huge explosion.

At this time, Dong Liqun no longer has the ability to be distracted and protect his villas.

Seeing his home destroyed in ruins, Dong Liqun's eyes were full of anger.

The energy in Dong Li's group is constantly rising, and the breath is rippling, and he has completely ignored his own home.

Soon, the figures of the two people collided together, the swords in their hands collided, making a harsh sound, and the gold and iron horses fought in all directions!

The endless storm is centered on two people and continues to spread outward.

The Dong family's villas were completely ruined.

Even with many servants of the Dong family, unable to bear this force, they vomited blood one by one.

Dong Liqun became more and more frightened as he fought. Kai was not in the realm of Wuzong, yet he was able to fight with him for such a long time.

And the golden dragon that just burst out of Kai's body.

What exactly is that?

With Dong Liqun's strength, he could see that the golden dragon was by no means an illusion, but a real golden dragon.

In the blink of an eye, Kai and Dong Liqun had already fought for hundreds of rounds, and the two of them were evenly tied!

It's just that the aura in Kai's body became more and more unstable. It was obvious that the gap in the realm was difficult to make up. Even if the golden dragon appeared, it could only be resisted for a while.

Seeing Kai starting to run out of breath, Dong Liqun's mouth raised a smile.

Immediately after, he made a move to detect the dragon's claw and grabbed it towards Kai's chest, trying to take out the dragon crystal from Kai's chest.

Kai's figure retreated, but Dong Liqun ripped off a piece of his chest abruptly!

Kai's chest was dripping with blood, looking very terrifying.

But for Kai, this injury is no different from being bitten by a mosquito.

The indestructible golden body on Kai's body has long since disappeared, and he can only carry it by simply relying on his hard body.

But the flesh is hard, and in the face of absolute strength, it is like a paper paste.

"Boy, you are really good. You are the first one of the younger generation who can fight with me for so long."

"It seems that I can't let you go today no matter what."

After Dong Liqun finished speaking, his body suddenly swelled in numbers inch, a lot taller in an instant, followed by a wave of both palms, and a huge pagoda appeared in the air!

Chapter 1184

A peaceful and soft light shines on Kai's body, which makes Kai's aura instantly weaken a lot, and Kai's consciousness also becomes dazed at the moment of exposure.

The pagoda fell from the sky, but at this moment, Kai's eyes flashed, his consciousness recovered, and the breath in his body also condensed!

"Stop..."

Just when the pagoda was about to suppress Kai, Dong Jiahao suddenly rushed out and stood with Kai at once.

Seeing this, Dong Liqun hurriedly waved his hand, and the pagoda in mid-air disappeared instantly.

"Dad, what are you doing?"

Dong Jiahao looked at his father puzzled.

And there was a middle-aged woman who came in with Dong Jiahao, who was Dong Jiahao's mother at first glance.

Looking at the destroyed home, Dong Jiahao's mother also looked at Dong Liqun blankly: "Liqun, what's going on?"

Dong Liqun's face became very ugly, and he said gloomily: "Don't worry about it, leave here immediately. "

Dad, why are you attacking Brother Chen? If you don't make it clear, I won't leave."

Dong Jiahao wanted to figure out, the two of them were obviously fine when they left, but why are they fighting now.

Dong Liqun's face was gloomy, but he didn't know how to tell Dong Jiahao.

He knows too well what his son's character is.

Otherwise, he wouldn't find an excuse to take Dong Jiahao away.

"Your dad wants the dragon crystal in my body, and then give it to you..."

Dong Liqun didn't say anything, Kai said aside.

When Dong Jiahao heard this, his face instantly became angry, and he looked at Dong Liqun: "Dad, is what Brother Chen said true?"

"Jiahao, what I do is for your own good, you are in the younger generation and have the lowest strength. , how many people's jokes and criticisms have been attracted."

"If it wasn't for me to stand in front, do you think that with your current strength, you can still show off your power in Kyoto?"

Dong Liqun roared at Dong Jiahao.

"I don't need it. My strength is high and low, and I cultivate by my own abilities. I don't need to snatch other people's things to increase my cultivation."

"What is the difference between this kind of behavior and evil cultivation? I am a well-known and decent person, and I disdain to follow those people in the Martial Arts Alliance."

"I think you are not as good as those people. Although those people are all villains, they are also better than you, a hypocrite.

"Let me call Brother Chen, take me away, and then attack Brother Chen?"

"You are too shameless..."

Dong Jiahao shouted at his father, his voice hoarse, his eyes full of anger.

"You bastard..."

Seeing his son, Dong Liqun dared to say that to himself, and immediately reached out his hand to hit Dong Jiahao.

It was just that Dong Jiahao's mother held him tightly.

"What do you want to do? If you dare to beat your son, I will never stop with you..."

Dong Jiahao's mother yelled angrily at Dong Liqun.

Dong Liqun looked at his wife, and his arrogance instantly faded.

In this society, no matter how noble one's status is, being afraid of a wife has almost become the norm.

"Brother Chen, I'm sorry, if I have the chance, I will apologize to you in person, let's go..."

Dong Jiahao looked at Kai with guilt on his face.

Kai looked at Dong Jiahao, didn't say anything, he didn't know what to say, turned around and prepared to leave.

Seeing that Kai was going, Dong Liqun hurriedly wanted to stop him.

"If you dare to stop me, I will die in front of you."

Dong Jiahao instantly took out a dagger and put it on his neck.

When Dong Jiahao's mother saw this, her face changed instantly with fright, and her body trembled in a hurry: "Son, listen to your mother, put down the dagger, don't be stupid."

"Let Brother Chen go, or I will die, let Dong The family will be forever cut off from children and grandchildren."

Dong Liqun's face flushed, he knew that if Kai was released at this time, he would never have a chance in the future.

Maybe there will be disasters for the Dong family.

But if he doesn't let go, his son and wife force him, which makes Dong Liqun very embarrassed.

"What do you want? Do you want me to die in front of you?"

Dong Jiahao's mother roared at Dong Liqun angrily.

Dong Liqun was forced to be helpless, so he could only close his eyes and waved his hand: "You go..."

Kai glanced at Dong Jiahao gratefully, turned around and left quickly without saying anything.

"Hey..."

Dong Liqun sighed helplessly as he looked at the ruins all over the place.

At this moment, Dong Liqun was full of anger and had nowhere to vent. He couldn't vent on his wife and children.

Now he can only vent his anger to the person who sold him the Qi Control Pill.

This happened because Dong Liqun thought that the medicinal pill was fake.

Otherwise, Kai would have waited for a long time, and the latter things would not have happened.

.....

After Kai left the Dong family, dragging his tired body, he rushed towards Yaoshengu.

He didn't dare to stay in Kyoto anymore. He originally thought that the capital was peaceful, but after today's events, Kai realized that his experience was still too shallow.

The seemingly calm Kyoto martial arts world may have already been surging, staring at themselves like a wolf like a tiger, looking for an opportunity to kill with one blow.

What Kai has to do now is to return to the Valley of the Gods of Medicine, and then let Long Wu take him to the Valley of the Wicked.

Now the most powerful card in Kai's hand is the Valley of the Villains.

If Kai wanted to practice peacefully, he had to have someone to protect the Dharma, and the four villains in the Valley of the Villains were the most suitable.

But just as Kai was rushing towards Yaoshen Valley, suddenly several breaths were galloping in his direction.

Kai frowned, and his face changed instantly.

"So fast? Could it be that someone from the Dong family is catching up?"

Kai pondered to himself, but he didn't stop and continued to speed up.

Kai was exhausted at the moment, and the spiritual power in his body had long been exhausted, and even the power of the dragon was almost exhausted, so he did not have time to repair and replenish.

Although he had a map of 90,000 miles of mountains and rivers in his hand, and the Demon Town Pagoda, both of them could help Kai to reply quickly.

But now Kai can't stop for a moment, and there is no chance to repair and reply.

Several breaths are getting closer and closer, and they have become surrounded by Kai!

Seeing this, Kai knew that he couldn't run away, so he stopped and quickly adjusted his breathing and state.

If you can't run away, then fight to the death.

Soon, several figures appeared, and they were getting closer!

"Kai, I didn't expect us to meet so soon. You are so gloomy that you made me find it easy."

Luo Xiang looked at Kai with a grin and said slowly.

When Kai saw that it was Luo Xiang, he felt relieved.

As long as Dong Liqun didn't catch up, this Ning Zhi was no match for Wu Zong's peak strength. Even if Kai was exhausted now, he would have no problem dealing with Luo Xiang.

"You dare to chase the capital from Xichuan, do you really consider the entire summer as your home?"

"When I was in Xichuan, I didn't fight you, but here, with your strength, can you kill me?"

Kai looked at Luo Xiang with disdain, his voice full of mockery.

Chapter 1186

"Haha, what are you pretending to be? You're exhausted right now. If I kill you, it's not impossible."

"What's more, I'm not the only peak Wuzong here..."

Luo Xiang finished speaking, surrounded by Kai's several people all burst out the breath.

Each of them turned out to be eighth-rank Martial Sects, and there were two of them at the peak of Martial Sect.

With such a lineup, Kai couldn't help frowning.

If you are full of spiritual power now, you are not afraid, even if you can't beat it, you can easily escape.

But now, the spiritual power in Kai's body has long been exhausted.

It's too late to replenish. In the face of so many opponents of the peak of Wuzong, I'm afraid it will be difficult to deal with.

Seeing Kai's face, Luo Xiang smiled even more proudly.

"Hand over all the treasures on your body, and I can spare you from dying."

"Did you also get the magic weapon from the Demon Suppression Tower? Otherwise, the Demon Suppression Tower won't collapse..."

Luo Xiang questioned Kai road.

Kai did not speak, but looked at the situation around him.

Thinking about how to escape.

"You don't need to have any illusions. If you don't hand over your treasures today, don't even think about leaving!"

Luo Xiang knew what Kai was thinking, so he said coldly.

After Kai thought about it, he took out the Demon Suppression Tower directly from the storage ring.

"This is the Demon Suppression Tower, the tower that collapsed, but it's just a carrier..."

Kai said while holding the Demon Suppression Tower in his hand.

Seeing the Demon Suppression Tower in Kai's hands, Luo Xiang's eyes flashed instantly.

"Quick, give it to me..."

Luo Xiang urged Kai.

Kai took the Demon Suppression Tower and walked slowly towards Luo Xiang.

Kai didn't really give Luo Xiang the Devil Town Tower, he just wanted to hold Luo Xiang away when Luo Xiang relaxed his vigilance.

The moment Luo Xiang's hand touched the Demon Suppression Tower, Kai's eyes flashed coldly, and he suddenly grabbed Luo Xiang's wrist.

Luo Xiang was startled, and hurriedly turned back and retreated, but it was too late. He saw Kai clasping Luo Xiang's wrist, then he turned sideways behind Luo Xiang, and stuck his hand on Luo Xiang's neck.

Luo Xiang's face instantly became extremely ugly. He didn't expect Kai to give him this set.

"Let our young master go..."

Seeing this, several servants of the Luo family shouted.

"Let him go, you all lie on the ground for me, don't move..."

After Kai controlled Luo Xiang, he instantly relaxed a lot.

Several Luo family members looked at each other, not knowing what to do.

Kai exerted a little force on his hand, Luo Xiang suddenly felt difficult to breathe, and his face was flushed red.

"Your subordinates don't seem to be obedient!"

Kai said in Luo Xiang's ear.

At this moment, Luo Xiang, feeling the breath of death, hurriedly shouted: "Get down, get down quickly..."

Soon, those people were all lying on the ground.

"If you don't want him to die, then just lie down and don't move..."

Kai controlled Luo Xiang and began to slowly back away.

But just when Kai was about to control Luo Xiang to escape, a sharp breath suddenly hit.

Kai controlled Luo Xiang, turned around, and dodged the blow embarrassedly.

And the breath hit a tree not far away, and the big tree was cut off in an instant.

"Damn, are you really not afraid of death?"

Kai's face was full of anger. He didn't expect that he would control Luo Xiang, and those Luo family's servants would dare to attack from behind.

Kai exerted force on his hand, Luo Xiang's eyes were wide open, and his eyeballs turned red.

"Get down, you fucking lie down for me..."

Luo Xiang yelled.

However, the two people who attacked Kai did not listen to Luo Xiang's words, but said coldly: "We are not from the Luo family, why should we listen to you."

"Now we only need to get the treasure on Kai's body. That's alright, other people's lives and deaths have nothing to do with us!"

After hearing the words of these two people, Kai was a little stunned.

A man like none other and the man decree (chinese) Chapter 1187-1188

Chapter 1187

It turns out that these people are not all from the Luo family.

"You..."

Luo Xiang almost died of anger when he heard it.

"Hahaha, my people are right." At this moment, a burst of laughter came, and then Ning Zhi walked slowly with a few people: "Luo Xiang, you are the eldest young master of the Luo family, and you can How is it? Life or death, what does it have to do with my Ning family?"

Seeing that Ning Zhi came, Luo Xiang suddenly said angrily: "Ning Zhi, what do you mean? Didn't we agree? When the time comes, the treasure will be in hand. , one person and half?"

"Who the hell will divide it with you, this is Kyoto, my territory, you still want to divide it with me? It's just a daydream."

"I want all the treasures on Kai's body, and I want more His life..."

At this time, Kai understood that there were actually people from the Ning family among those brought by Luo Xiang.

I didn't expect the two to join forces to deal with themselves.

But it looked like Luo Xiang was being tricked by Ning Zhi.

Luo Xiang looked at Ning Zhi angrily: "Ning Zhi, don't regret it, my Luo family is not so easy to bully, even in Kyoto, I can make your Ning family disappear completely."

Luo Xiang's words instantly made Ning Zhi Belly laugh.

"You're so fucking funny, look at the current situation, do you still have a chance to survive?"

Kai looked at Ning Zhi gloomily, although this guy is not very strong, but he has a deep mind and is a difficult guy.

If it wasn't for Ning Zhi deliberately exposing his secrets on the martial arts forum, Kai would not have been targeted by so many sects.

"Kai, you let me go, as long as you let me go, I will write off all the grievances and grievances of Luo Xiang with you."

"I'm not spying on all your treasures, what do you think?"

Luo Xiang said to Kai. .

It's just that Kai didn't let go, because he didn't know if this was a play that Luo Xiang and Ning Zhi sang together.

If he released Luo Xiang and the two were uniting, then he would surely die.

Seeing that Kai didn't trust him, Luo Xiang was a little anxious. He was really afraid that Kai would kill him.

"Kai, you and I have no grievances and no hatred. It was I who lost my mind and was instigated by this Ning Zhi, and this is the only way to take action against you."

"I promise, after you let me go, I will never be your enemy. "

And the two of us can work together to deal with this Ning Zhi!"

"If you kill me, you won't be able to escape this Ning Zhi's poisonous hand!"

Luo Xiang said sincerely.

Kai looked at Luo Xiang, and finally let go of his hand slowly!

When Luo Xiang got out of Kai's control, Ning Zhi was also a little dumbfounded. He didn't expect that Kai would really dare to let Luo Xiang go.

Luo Xiang regained his freedom, and immediately glared at Ning Zhi: "Ning Zhi, today, I'm fucking killing you, you dare to play with me..." As he

spoke, Luo Xiang's aura continued to erupt, and then he slapped Ning Zhi with his palm. go.

Luo Xiang's strength has long been the peak of Wuzong, and he is about to break through to the point of half-step Wuhou, while Ning Zhi is just the peak of Wuzong who has just been promoted.

There is still a gap in the strength of the two, so when Luo Xiang punched him, Ning Zhi didn't dare to resist, and hurriedly ducked to the side.

Luo Xiang didn't stop, he turned sideways, followed by another punch.

The strong wind howled, and the huge impact directly knocked Ning Zhi into the air.

Ning Zhi's body slammed heavily on a tree, directly breaking the tree.

The servants of the Ning family hurriedly subdued Ning Zhi.

"Paralyzed, are you all dead? Give it to me..."

Ning Zhi roared at the servants.

Soon, the servants of the Ning family attacked Luo Xiang.

Although Ning Zhi brought many people, Luo Xiang was strong, his fists shone brightly and waved constantly.

It's hard to tell the winner for a while.

Seeing the situation in front of him, Kai turned around and ran away without any hesitation.

As for who can win Ning Zhi and Luo Xiang in the end, it has nothing to do with him.

Kai fled to Yaoshen Valley in one breath!

Long Wu and Xu Changsheng were all surprised when they saw Kai's embarrassed appearance.

"Kai, what's wrong with you? Where did you get hurt?"

Gu Linger hadn't seen Kai for nearly a month, and now she felt distressed when she saw Kai like this.

"It's okay, it's just too boring!"

Kai said with a slight smile.

Xu Changsheng hurriedly brought some Qi condensing pills and healing medicines to help Kai treat his injuries.

"Kai, beheading Guo Wei, and the matter of the sect master Tibetan Qing, are they all true?"

Long Wu asked Kai.

After all, all these things happened after Kai left Medicine God Valley. Although there are some similarities on the forum, none of these things are earth-shattering.

Therefore, Long Wucai had to confirm with Kai.

"It's true!" Kai nodded.

Seeing Kai admit it in person, Long Wu's face showed worry.

After giving Kai good medicine, Long Wu told everyone to leave, only he and Kai were in the room.

Kai looked at the worry on Long Wu's face, so he said with relief: "Uncle Long, you don't have to worry about me. Now my strength, except for the heads of those sect families, otherwise no one can do anything to me!"

After listening to Long Wu, he shook his head: "Kai, you still underestimate the strength of various sects, especially the martial arts alliance."

"You have killed Guo Wei now, and you have become a mortal enemy with the martial arts alliance, then Zhu Zhishan will not. Let go of you."

"And the Long family, I know Long Jingguo too well. Although the Long family has not troubled you during this time, it does not mean that Long Jingguo has let you go."

"You have been in too much limelight recently. Now, on the martial arts forum, Xin Pengfei has already spoken, and he will compete with you on New Year's Day!" "In

the days to come, it will be difficult for you to practice cleanly!" After

stopping Long Wu's words, Kai looked bewildered. force.

"Uncle Long, who is Xin Pengfei?"

He didn't even know who this person was, so why did he suddenly want to compare himself with him?

"This person is ranked No. 1 on the Free and Easy List, because you killed the Tibetan Qing of Tiansha Sect, so many people on the forum think that your strength can be ranked No. 1 on the Free List, so Xin Pengfei wants to compete with you. ."

"What is this Free and Easy List?" Kai found that he didn't know much about the martial arts world.

"It's just a ranking list, which is filled with younger generation of warriors, voted by their strength."

"But the official is afraid that such a ranking list will cause unnecessary fights, so it is blocked."

"But now many young people , I'm still paying attention to this list."

Long Wu said.

When Kai heard this, he immediately smiled and said, "I'm not interested in this thing, so I won't compete. He wants to challenge me, so I shouldn't fight."

Kai doesn't care about fame and fortune, even if he ranks first ,so what?

He wants to rescue his mother and Su Yuqi now, and then the family will be reunited and live in peace.

"You don't care, but that doesn't mean that others don't care. You shouldn't fight at that time. Then Xin Pengfei has a way to force you to take action."

"You have now been pushed to the forefront, and it is difficult to land."

Long Wu expressed his concerns.

Kai also knew that during this time, he was really too pushy.

Chapter 1189

So much so that if you want to practice quietly, it has become a luxury!

Now she can only use the strength of the Valley of the Wicked to give herself shelter for a period of time.

Kai told Long Wu about his plans.

When Long Wu heard that Kai wanted to rescue his mother from the Long family and Su Yuqi from the Martial Arts Alliance when he was young, he immediately shook his head.

"Don't take things too simple. Whether it's the Long Family or the Martial Arts Alliance, it's not what you see now .

"

What is the purpose of condoning and protecting you?"

"He needs to use your hand to muddy the entire Kyoto martial arts world."

"Only when the water is muddy, some hidden things will slowly surface.

" Officials are like this, do you think you can fight against the Long Family and the Martial Arts Alliance by yourself?"

Long Wu hit Kai, he didn't want Kai to be too radical, and haste is not enough, if Kai is too radical, many Things are unpredictable.

Kai fell into deep thought after listening to Long Wu's words.

It may also be that he is really in a hurry, but watching his mother and girlfriend suffer, Kai can't help but be anxious!

Seeing that Kai didn't speak, Long Wu patted Kai's shoulder: "What you have to do now is to improve your strength. When you are strong enough, all problems are not problems.

" Stop thinking nonsense, or it will affect the progress of your cultivation!"

Kai nodded heavily, and then said: "Uncle Long, can you take me to the Valley of the Wicked?"

"Many people are staring at me now, I want to find Even though Yaoshen Valley is hidden, there are many people who know about this place."

"If someone finds this place, with the strength of Elder Xu and the others, they will not be able to resist."

"I want to rely on the strength of the Valley of the Wicked to help me fight for a period of time to cultivate!"

"This..." When Long Wu heard this, he fell into deep thought.

It's not that he didn't want to help Kai, but his relationship with the wicked was exhausted. At that time, when he asked the four wicked men to rescue Kai, he had already used up his face.

Now that Kai made such a request, Long Wu didn't know what to say.

That place in the Valley of the Wicked is not something that anyone can enter.

Moreover, the four villains have strange personalities, and it is estimated that it is difficult to agree.

However, since Kai came up with it, Long Wu decided to contact the Valley of the Wicked to try.

"Okay, I'll get in touch with the Valley of the Wicked and see if I can..."

Kai looked at Long Wu who went out, and did not tell him that the Valley of the Wicked was the entrance of the Tianlong Palace.

Just as Long Wu left, Gu Linger hurried in.

I haven't seen Kai for a while, and Gu Linger is very worried.

"Kai, are you going back this time?"

Gu Linger asked Kai.

Every time, Kai left within a few days.

Kai nodded: "Let's go, maybe tomorrow!" When

Gu Linger heard that Kai was leaving so soon, her expression suddenly became a little lonely.

"Where are you going? Now many people are staring at you outside. If you run around, it will be very dangerous."

Gu Linger also knows some things on the forum and Kai's current situation.

"If I stay in Yaoshen Valley, I don't think it will take long, and Yaoshen Valley will be full of smoke."

"I'm going to a hidden place to practice. When I'm strong enough, I'll go to the Martial Arts Alliance and put the rain down. Qi rescued her."

"She must have suffered a lot now..."

Thinking of Su Yuqi, Kai's eyes were full of self-blame.

"Then can I come with you? Otherwise, I'm always worried!"

Gu Linger wanted to follow Kai.

"No, it will be very dangerous for you to follow me, and I don't have the energy to protect you."

"You should hurry up and cultivate yourself. When your strength improves and you become strong enough, maybe I will want you to come. Protect."

Kai said with a slight smile.

"Well, Elder Xu will now refine a lot of medicinal herbs for me to practice, and I will work hard."

Gu Ling'er nodded heavily.

At this time, Kai opened the storage ring and took out the map of Jiuwanli Mountains and Rivers from inside.

"This is for you. It can help you practice. You should know how to use it!"

Kai handed the 90,000-mile map of mountains and rivers to Gu Linger.

"You keep this, don't you want to practice too?"

Gu Linger knew that Kai needed this thing more than himself.

"Take it, I still have other magic tools to practice now!" Kai said with a smile.

With the Demon Suppression Pagoda in place, Kai's practice is temporarily less than 90,000 miles of mountains and rivers, so it's just right for Gu Linger to practice.

Gu Ling'er did not refuse, but took over the map of 90,000 miles of mountains and rivers.

At this moment, Long Wu walked in with a happy face.

"Kai, yes, Ding Dao agreed, promised to let you go to the Valley of the Wicked..."

Long Wu did not expect that Ding Dao agreed so happily.

Kai smiled slightly: "Thank you Uncle Long."

"Why are you being polite to me, but I didn't expect Ding

Dao to agree so happily!" Long Wu said excitedly.

After chatting for a while, Long Wu left with Gu Linger, and let Kai have a good rest, and set off for the Valley of the Wicked tomorrow.

At this time, in a forest.

There are scorched trees everywhere, and the smoke is full of gunpowder!

There were several corpses lying on the ground, and Luo Xiang was covered in blood, leaning on a tree, panting heavily.

On the Ning Zhi side, it didn't get any better. Several people died, and the rest were wounded.

Ning Zhi's chest is even more bloody!

Ning Zhi didn't expect that Luo Xiang, who held such a vengeance, would fight with him directly!

"Ning Zhi, if you have the ability to kill Lao Tzu today, if you let me go back alive, I will definitely destroy your Ning family!"

Although Luo Xiang was seriously injured, his eyes were wide and his body was full of arrogance.

"Hmph, you are still stubborn when you die!"

After speaking, Ning Zhi took the sword and walked towards Luo Xiang.

Luo Xiang no longer had the strength to dodge, his eyes fixed on Ning Zhi: "If you kill me, the Luo family will definitely avenge me."

"Yes, of course I know that the Luo family will avenge you, but they won't come to me. To take revenge, go find that Kai."

"When I kill you, I will directly plant the blame on Kai's head."

"When the time comes when your Luo family is looking for Kai!"

Ning Zhi grinned. , It seems that he has already thought about it.

Luo Xiang was taken aback for a moment, he didn't expect this guy Ning Zhi's mind to be vicious.

If the Luo family really seeks revenge for themselves and goes to Kai, no matter who wins or loses at that time, for Ning Zhi, it's all to take advantage of the fisherman.

"You despicable villain, I won't let you go even as a ghost..."

Luo Xiang gritted his teeth.

But just after he finished speaking, the long sword in Ning Zhi's hand had already pierced his heart.

In the end, Luo Xiang has no life, his eyes are still wide open, and he can't rest his eyes...

"Take up the bodies of the people from the Luo family..."

After killing Luo Xiang, Ning Zhi said to the three remaining servants of the Ning family.

These people were also seriously injured, but when Ning Zhi spoke, they still followed suit.
