A man like none other and the man decree (chinese) Chapter 1191-1192

Chapter 1191

Ning Zhi suddenly waved the long sword in his hand!

The blade of the sword slid across the throats of the three servants.

The three of them didn't even have a chance to make a sound, so they fell straight down.

Looking at the three dead, Ning Zhi wiped the blood on the sword.

"Don't blame me, I don't want anyone to know about this, so only the dead will keep it a secret..."

After Ning Zhi finished speaking, he dragged his injured body and rushed back to the Ning family!

The reason why he killed all the servants of his own family was to get rid of the things that framed Kai.

No one will know except him.

When Ning Zhi returned home, he didn't stop, and sent someone to collect the bodies of Luo Xiang and those of the Luo family's servants. He personally drove the bodies to the Luo family.

.....

The next day, after Kai followed Gu Linger's reluctant farewell, he followed Long Wu to the Valley of the Wicked.

From a distance, it looks like a thin line of sky, very small.

But when you walk in, you will find that the space is very large, and there are many natural stone caves.

The environment in the Valley of the Wicked is much worse than that in the Valley of the Medicine Gods, and most people live in caves.

Kai and the others have been walking for three days, and only then did they reach the boundary of the Valley of the Wicked!

On the other side, Ning Zhi had already rushed to Luo's house with Luo Xiang's body!

You must know that in Mobei, the Luo family is also one of the largest families.

As the head of the family, Luo Jinyou has reached the strength of Marquis Wu.

However, Luo Jinyou is a martial idiot. Even if his strength is invincible in Mobei, Luo Jinyou is still cultivating.

He has been in retreat all year round, so it is not easy for Luo Xiang to see his father.

The Luo family's affairs, both large and small, were handed over to Luo Jinyou's younger brother Luo Jinzuo.

"Second Master, someone is asking to see you outside the door!"

At this time, the butler of the Luo family walked into the hall and said to Luo Jinzuo.

"Who?" Luo Jinzuo asked the housekeeper impatiently.

"He said it was Ning Zhi of the Ning family in Jingjing, who sent the young master back."  
The

butler said hurriedly.

Hearing this, Luo Jinzuo got up in a hurry, and then said angrily: "This Luo Xiang, runs around all day, and can't even be seen by anyone.

" God, I haven't been able to see him!"

"I have to teach him a good lesson this time."

Luo Jinzuo followed the housekeeper and hurried out.

When Luo Jinzuo just walked out, he saw a lot of people around the car.

"Get out of the way, get out of the way, the second master is here..." The

housekeeper shouted loudly, and everyone hurriedly made way out of the way.

At this time, Ning Zhi got out of the car and met Luo Jinzuo.

"Second Master, this is Ning Zhi of the Ning family in Jingjing..." The

housekeeper said to Luo Jinzuo.

Luo Jinzuo stretched out his hand, followed Ning Zhi and shook hands, and then asked, "Mr. Ning, where is Luo Xiang? Let him get down."

After hearing this, Ning Zhi's eyes suddenly turned red, and tears began to flow. down.

"Uncle Luo, it's my fault, it's my failure to protect Young Master Luo..."

Ning Zhi suddenly said this, which instantly made Luo Jinzuo stunned on the spot.

Immediately afterwards, Luo Jinzuo suddenly opened the car door and saw Luo Xiang, who had long been dead, lying on the back seat.

"Nephew..."

Seeing the dead Luo Xiang, Luo Jinzuo roared, his eyes suddenly darkened and he passed out.

"Second Master..." The

housekeeper hurriedly carried Luo Jinzuo into the room.

The bodies of Luo Xiang and the servants of the Luo family were also carried in together.

After a while, Luo Jinzuo woke up leisurely. When he saw Luo Xiang's body lying in the hall, he began to cry.

Chapter 1192

"Nephew, nephew..."

Luo Jinzuo cried while holding Luo Xiang's body.

Luo Xiang is dead, this is the only seedling of their Luo family, and the future Luo family will be extinct.

And Luo Jinzuo knew that after his brother left the customs, he would definitely go crazy when he saw his son being killed, and he would be unlucky.

After crying for a while, Luo Jinzuo slowly got up, exuding a majestic murderous aura.

His eyes were wide open, and he looked at Ning Zhi coldly.

"Who killed my nephew?"

Roginzo asked through gritted teeth.

Seeing Luo Jinzuo's appearance, Ning Zhi's heart trembled, but he quickly calmed down and said, "Young Master Luo, was he killed by Kai?"

"Kai?"

Luo Jinzuo had never heard of Kai. Name, I don't know who Kai is.

At this time, the housekeeper whispered a few words in Luo Jinzuo's ear, probably telling Luo Jinzuo about Kai's information.

After listening, Luo Jinzuo frowned: "My nephew follows that Kai without any grievances, why did he kill my nephew?"

Luo Jinzuo did not believe it, why did Kai kill Luo Xiang.

Ning Zhi hurriedly told everything.

From what he told Luo Xiang Town Magic Tower, to Luo Xiang looking for Kai, and the matter of going to Ning's house to borrow people, they all followed Luo Jinzuo one by one.

And everything was told truthfully, but there was only one thing that was not truthful, that is, Luo Xiang was murdered by him.

Ning Zhi knew that the Luo family would definitely investigate and would not listen to his side words.

Before he came, Ning Zhi had already thought about it and told everything truthfully.

No matter how the Luo family investigates, what Ning Zhi said is the truth.

After listening to Kai's words, Luo Jinzuo turned to look at the housekeeper.

The housekeeper nodded and said, "Second Master, when the young master left home, he did mention this, and also mentioned Kai's name."

"They went to Kyoto. I contacted me once, and the young master said that he would stay in Kyoto for a few days. , I didn't dare to ask more!"

Luo Jinzuo's face became extremely gloomy after listening to the housekeeper's words.

"Go check it out for me, no matter that Kai escapes to the ends of the earth, I will let him die without a burial..."

Luo Jinzuo roared, scaring everyone in the Luo family.

"Uncle Luo, before I came here, I had already sent someone to investigate the whereabouts of Kai. Now I think there is news, I will ask right away!"

Before Ning Zhi came to Mobei, he had already sent someone to inquire about Kai's whereabouts. .

He knew that the Luo family would definitely seek revenge on Kai, and he would just report Kai's hiding place at that time.

Ning Zhi took out his mobile phone and then dialed a number to go out.

After a while, Ning Zhi walked back with an ugly face.

"Master Ning, have you asked? Where is Kai?"

Luo Jinzuo asked.

Ning Zhi nodded: "Uncle Luo, then Kai knew that he had made a big disaster and went to hide in the Valley of the Wicked."

"The Valley of the Wicked?"

When Luo Jinzuo heard this, he was stunned. , What does Kai have to do with the Valley of the Wicked?

"Is this Kai related to the Valley of the Wicked?"

Luo Jinzuo asked.

"I'm not very clear, but I think it's impossible for the villain's valley to follow the Luo family as an enemy for that Kai."

Ning Zhi was very afraid that Luo Jinzuo would not dare to seek revenge for Kai when he heard about the villain's valley.

After all, the Valley of the Wicked is notorious, and all the four villains play their cards unreasonably.

So no one wants to provoke the Valley of the Wicked.

"Hmph, even if the Valley of the Wicked protects Kai, my nephew can't die in vain. If it's a big deal, I will destroy the Valley of the Wicked together..."

Luo Jinzuo flashed a cold light, and clenched his fists tightly together.

"Second Master, the strength of this villain's valley is extraordinary, should we wait for the master to discuss it after he leaves the customs?" The

butler persuaded Luo Jinzuo.

Luo Jinzuo said with a cold face: "You call people immediately, follow me to the Valley of the Wicked, and send someone to guard at home. Just tell him when you go out." The

housekeeper wanted to persuade him, but he didn't say anything after seeing Luo Jinzuo's appearance.

Soon, Luo Jinzuo set off with a mighty force towards the Valley of the Wicked.

Ning Zhi watched Luo Jinzuo lead someone to find Kai, and a sneer appeared on the corner of his mouth.

"Kai, do you want to fight with me? It's too tender!"

Ning Zhi finished speaking, and then asked a servant of the Ning family beside him, "I asked all the middle-level and above members of the family to gather together. Is it?"

"Master, most of them have gathered, but there are still some people who refuse to obey your orders without Master's orders!"

Ning Zhi cursed angrily after listening to it, "My dad from Mahle Gobi is in seclusion. , as the eldest young master of the Ning family, I can't control them anymore."

However, scolding, the middle-level or even higher-level people in the Ning family who Ning Zhi could order were still a few, and most of them only obeyed the orders of the Ning family's patriarch.

"It counts as much as you come, but if the Luo family and the villain's valley really want to fight, they will definitely lose both. Then it's time for my Ning family fisherman to gain."

Ning Zhi's eyes radiated greed.

The reason why he called these people is to wait for an opportunity to destroy Kai.

If the Luo family destroys Kai, those treasures will not fall into the hands of the Luo family. Ning Zhi has already calculated it.

Poor Luo Jinzuo didn't know that he had already fallen into Ning Zhi's trap.

..... The Valley of the

Wicked!

Long Wu took Kai to the entrance of the Valley of the Wicked.

"Who are you? This is a valley of villains. If you don't want to die, leave quickly..." The

two guards suddenly jumped out of the cover and shouted at Kai and the others.

"We're here to find Ding, please let me know!"

Long Wu said loudly.

"Can you see our boss casually?"

One of the guards snorted coldly: "You leave now, or don't blame us for being rude." The

two guards set up an offensive posture.

People in the Valley of the Wicked have always been reluctant to follow everyone in the martial arts world.

When the two guards saw Long Wu and the others, they should be from a certain sect family, so they didn't want them to enter the valley.

"You two, we are just here to find your boss to discuss something, please let me know!"

Kai stepped forward and said politely.

"Go away, I said it all, no see!"

One of the guards scolded angrily, and then slapped Kai with a palm.

Kai frowned. He didn't expect these people in the Valley of the Wicked to be so weird.

Kai saw that the guard slapped his palm, and then dodged away.

Seeing this, another guard also hurriedly attacked Kai.

Kai kept dodging, and the two guards could not touch Kai at all.

While fighting, Ding Busan came over.

"Who the hell dares to make trouble in front of our villain's valley?"

Ding Busan roared angrily.

But when he saw Kai and Long Wu, his eyes were stunned!

Then one jumped up, and then kicked the two guards away with both feet.

"Damn, you two little bastards, dare to be rude to the guests in the Valley of the Wicked, let me tell you, when Long Wu was in the Valley of the Wicked, there were no you little bastards!"

Ding Busan yelled at the two guards .

When the two guards heard this, they quickly retreated in fright.

"Brother Ding..."

Seeing Ding Busan, Long Wu hurried up to meet him.

Seeing Long Wu, Ding Busan happily patted Long Wu's shoulder.

But this shot almost knocked Long Wu to the ground.

Ding Busan was stunned: "Long Wu, what's wrong with you? Why did you lose all your skills?"

Long Wu smiled lightly: "Brother Ding, I'm an ordinary person now, and I came here to bring Kai along. Come here and let a few of you take care of it."

"Long Wu, eldest brother told me, that's why I came here to see, the affection of our brothers, this is still a matter!"

Ding Busan said, and took Long Wu. They were brought into the Valley of the Wicked.

Ding didn't see Long Wu and Kai coming, so he ordered a big banquet.

"Long Wu, our brothers, we haven't been together for 20 years..."

Ding Dao said to Long Wu.

"Brother, the more you live now, the more dashing you are, I'm just an ordinary person now."

Long Wu smiled a little lonely, and then continued: "This time, I hope the elder brother can take good care of Kai, this friendship. , I will never forget Long Wu."

"Long Wu, what are you saying, Kai is staying with me, and whoever dares to come here to make trouble, then ask me if Ding is not big or not."

Ding Dao patted his chest and assured.

Long Wu's eyes suddenly became wet. He didn't expect that after so many years, the Valley of the Wicked still treated him as a brother, and helped him and gave him face.

But Long Wu didn't know, Ding Dabuguai promised this because the villain Gu was originally a hall of the Tianlong Temple and was Kai's subordinate.

After eating in the Valley of the Wicked, Long Wu didn't wait long and went back.

When Long Wu walked back, Ding Bu Da let everyone leave, and then he took Ding Buer, Ding Busan, Ding Busan, and four people to kneel in front of Kai.

"Villain of the villains, the four villains, welcome the Lord of the Palace..." The

four villains bowed to Kai in unison.

Such a scene, if other people see it, I am afraid that I will be shocked to death.

Kai waved his hand and made all the four villains stand up.

"Ding is not big, what is our current strength in the Valley of the Villains? Compared with the Kyoto Martial Arts Alliance, can we have the power to fight?"

Kai asked Ding.

Kai wanted to see the strength of the Valley of the Wicked. If he could use the strength of the Valley of the Wicked to rescue Su Yuqi, that would be fine.

After Ding didn't hear it, his face changed slightly: "Palace Master, although our villain valley is quite strong, it is still a little far behind the Kyoto Martial Arts Alliance."

"After all, the Martial Arts Alliance has shown its strength. In addition, there are many aristocratic sect families, if these sect families are united, our villain's valley has no power to fight back."

Ding Dao said it is very objective, if you only follow the martial arts alliance, the villain's valley will be worse. It's not much, it's a big deal to lose both.

But when it comes to life and death, the Martial Arts Alliance will unite with those sect families, and then the Valley of the Wicked will not have the slightest chance of winning.

After hearing this, Kai fell into silence. He also knew that if he fought with the martial arts alliance, it would be against more than half of the sect family in the entire Kyoto martial arts world.

Even if Kai folded all the Tianlong Palaces he found together, he would not be the opponent of the Martial Arts Alliance.

Kai took a long sip. Now he can still find a way to improve his strength as soon as possible, and then he can find a few more eloquence in the Tianlong Palace.

However, Kai didn't know where the other Tianlong Halls were, and what he could do now was to cultivate.

"Ding, find me a quiet and spacious place. I need to practice for a while. Don't let anyone disturb me during this time..."

Kai said to Ding.

"Palace Master, we have a place in the Valley of the Wicked, it's just...just..."

Ding didn't hesitate to say anything.

"Just say anything!" Kai said.

"It's just that our Valley of the Wicked hardly communicates with those sect families. After so many years, the resources in the valley are almost exhausted. I'm afraid that we won't be able to get much resources and let the hall master practice!"

Ding Dao said with a look of shame.

After Kai heard this, he immediately laughed.

Zhang:

It turns out that Ding Bubu has no cultivation resources. Whether it is medicinal herbs, medicinal pills or spar, there is no such thing in the Valley of the Wicked.

"Don't worry, I don't need any resources for cultivation, I brought it myself, you can just take me to a quiet and spacious place!"

Kai said with a slight smile.

"That's easy to say!" Ding Bubu immediately walked towards the depths of the valley with Kai.

Soon, Ding did not find a quiet and spacious place.

"Palace Master, can you take a look here?"

Ding Dao said.

Kai looked at it, and then nodded: "Yes!"

After finishing speaking, Kai took out the Demon Suppression Tower from the storage ring.

Then the Demon Suppression Tower was thrown in the air, and then the Demon Suppression Tower instantly became larger and stood directly in that spacious place.

Looking at the sudden appearance of the pagoda, the four villains were suddenly shocked.

"This is called the Suppression Tower. The tower is full of spiritual energy, so I don't need other resources after repairing it!"

"In addition, you send someone to go to Yaoshen Valley, and then let Yaoshen Valley regularly prepare resources for the Valley of the Wicked!"

Kai confronted Ding didn't say much.

"Yaoshengu?" Ding Dabuyue was stunned: "The medicinal pills in Yaoshengu are very expensive, and we are afraid of..."

"Don't worry, I won't ask for a penny, I am from Yaoshengu now. Valley Master!"

Kai smiled lightly.

This time, the four villains were even more shocked and looked at Kai in disbelief.

Looking at the shocked four people, Kai continued: "I'm going to practice now, there is nothing particularly important, don't disturb me, and don't let people come here, I will set up a formation here. !"

Kai told Ding not big, when Kai practiced, he would set up a killing formation around him.

If people in the Valley of the Wicked, accidentally break in, they will die.

"Don't worry, Hall Master, no one would dare to come here without our order,"

Ding said.

Kai walked into the Devil Town Tower, and then the gate of the Devil Town Tower slowly closed.

The four wicked men turned and left.

"Brother, have you noticed that the aura on the hall master is very similar to the benefactor who saved us in the Valley of the Wicked!"

"Yes, I also feel the same way, but the hall master is only in his twenties, so it is impossible for him to be born. Can you save us in the Valley of the Wicked?"

"Could this be the benefactor's child back then?"

Several people discussed.

"Okay, don't guess. In the future, we will strengthen the defense of the Valley of the Wicked. I estimate that someone will come to the door soon."

Ding Dao said to the other three.

.....

The next morning!

The four wicked men are rearranging the defenses of the Valley of the Wicked, and they have also sent people to the Valley of the Medicine God.

For so many years, the resources of the Valley of the Wicked have been lacking, and many people's strength has been very slow to improve.

Although in the eyes of the outside world, the Valley of the Wicked is still powerful.

But only they themselves know that if this continues, the Valley of the Wicked will become someone else's meal sooner or later.

"Boss, there is a person outside the door, claiming to be from the Mobei Luo family, asking to see the boss..."

A guard ran in and said to Ding Budian.

"Mobei Luo Family?"

Ding Dao frowned slightly.

"Could it be that he came to find Mr. Chen?" Ding Busan also asked in doubt.

"If they really dare to trouble Mr. Chen, then don't even think about going out of the Valley of the Evil!"

Ding Bu clenched his fists four times.

"Don't be impulsive and see what's going on. It stands to reason that Mr. Chen can't have anything to do with the Mobei Luo family!"

Ding said.

After all, Mobei is still a long way from Kyoto, so how could Kai have any holiday with Mobei's family?

"Invite people in!"

Ding Dao said to the guard.

Soon, Roginzo led people to the hall.

"I want someone named Kai." Luo Jinzuo mentioned Kai, his eyes flashing with anger: "He killed him. I lost my nephew and fled to the Valley of the Wicked, I hope the owner of the valley can hand over that Kai to me."

Ding didn't expect that Kai really had a holiday with the Mobei Luo family. , but also a vengeance.

"I haven't heard of this person you mentioned, and we don't have this person in the Valley of the Wicked!"

Ding Bubu said lightly.

Seeing this, Luo Jinzuo's face turned cold: "Gu owner, someone has seen that Kai escaped to your villain's valley, how could you have not seen it? The valley owner will not be an enemy of my Luo family for that Kai. Right ?"

"I have to take away that Kai today, if the owner of the valley doesn't give him someone, I will bear the consequences..."

Hearing Luo Jinzuo's words, Ding didn't look angry.

Ding Busan, who was on the side, couldn't take it anymore, and immediately scolded: "What the hell are you Mobei Luo family? Dare to threaten our wicked valley?"

"Mr. Chen is in our wicked valley. How

's it going?" "f\*ck the consequences, what are the consequences, come and tell me, I think you don't want to leave..."

"I said, give it to your mother, what do you want?"

Ding Busan roared.

Luo Jinzuo was furious and immediately clapped the table.

The hard huanghuali table was instantly shattered.

The members of the Valley of the Wicked who heard the movement rushed in in an instant and surrounded Luo Jinzuo and the Luo family.

Luo Jinzuo looked at the people who rushed in, and said with a gloomy face: "You guys have thought about it, if you dare to do something to me, you will be immortal, our Mobei Luo family, and even the entire Mobei martial arts world, I will never let it go."

Ding Dabu sneered: "You are just a dog of the Luo family, the real master of the house is your elder brother, don't think I don't know."

"You are not qualified to say this now!"

Luo Jin If Zuo Ding was not big, he hit the sore spot in an instant. In the Luo family, the real head of the family is his eldest brother, and he himself is just an agent.

Luo Jinzuo's eyes narrowed slightly, his face became extremely ugly, and he stared at Ding Budai.

He didn't expect that the Valley of the Wicked would not hesitate to offend their Luo family for the sake of Kai, and even start a war!

"Don't think I'm afraid of you in your wicked valley. Are you going to pay someone or not?"

Luo Jinzuo burst out with murderous intent, and a terrifying aura instantly permeated.

"Paralyzed, come on..."

After Ding Busan stopped, he waved to Luo Jinzuo.

Ding Buayi stretched out his hand and stopped Ding Busan: "Young San, you step back, I'm coming, I don't know the details of this guy yet!"

Ding Busan was eager to try.

Luo Jinzuo did not this time . What are you talking about, just a small palm from Ding let him know the gap between himself and the Valley of the Wicked.

"Hmph, you wait, my Luo family will never give up..."

Luo Jinzuo looked at the four villains viciously.

"Paralyzed, you dare to threaten us, I think you don't want to leave..."

Ding Busan was not used to Luo Jinzuo, so he jumped up and stopped at the door.

Seeing this, Luo Jinzuo's face instantly became embarrassed.

He just wanted to say a few harsh words and find himself a step down.

But I didn't want this Ding Busan to really stop them.

If the Valley of the Wicked really wants to keep them, Luo Jinzuo knows that none of them can leave.

"The third child, come back..."

Ding Budao said to Ding Busan.

Seeing this, Ding Busan could only glared at Luo Jinzuo, then backed away.

When Luo Jinzuo saw Ding Busan dodged, he immediately took someone away.

"Damn, I must destroy the Valley of the Wicked!"

Luo Jinzuo said angrily after walking away.

"Second Master, don't worry, let's go back and talk about it!" The

housekeeper said to Luo Jinzuo.

Luo Jinzuo nodded, and now he underestimated the strength of the Valley of the Wicked, and the people he brought were obviously not enough.

So go back and rearrange people.

Just after Luo Jinzuo took the people away, a person came out of the concealed place, looking at the leaving Luo Jinzuo, and left quickly.

As for the Ning family in Kyoto, Ning Zhi got the news right away!

"Master, then Luo Jinzuo left the Valley of the Wicked. It looks like he was beaten and his face was swollen!"

The servant of the Ning family reported to Ning Zhi.

When Ning Zhi heard this, he slapped the table angrily and said, "Damn, this Luo Jinzuo is a fucking waste. He was slapped and left, do you have any guts? I thought that their Luo family would follow the wicked Gu Yu to death! "

Ning Zhi had already assembled the manpower, and he was leading people in while waiting for the fish to die and the net to break.

"Young master, you don't have to worry, the Luo family will not let it go. I believe this time, when the Luo family returns to Mobei, they will definitely gather more people."

The butler of the Ning family stepped forward and persuaded Ning Zhi.

"I'm afraid that the Luo family is not the opponent of the villain's valley at all. When the time comes, I will be afraid, and my plan will be in vain..."

Ning Zhi was afraid that Luo Jinzuo would be discouraged and did not dare to go to the villain's valley.

"Young master, no, the Luo family is also the largest family in Mobei, and its strength is very strong, and almost all the sects in the entire Mobei are led by the Luo family."

"This time Luo Jinzuo will go back, for sure. More people will be called, so be patient..."

Chapter 1198

In the Valley of the Wicked!

After Luo Jinzuo left, Ding Buoyue strengthened the defense of the Valley of the Wicked.

"Third, you sent someone to guard the place where Mr. Chen practiced at the back."

"No one is allowed to approach or disturb!"

"You go and take someone to guard it yourself, no matter what happens in front of you, you are not allowed to move!"

Ding Budao said to Ding Busan .

Ding Busan nodded, and then took a few relatively powerful people from the Valley of the Wicked to guard around the Demon Town Tower.

At this moment, Kai was sitting cross-legged in the Demon Suppression Tower.

The surrounding aura formed a small vortex around Kai's body.

The Heart Condensation Art was running fast, and Kai's dantian was thirsty to absorb the spiritual energy.

In the blink of an eye, three days passed.

Luo Jinzuo has rushed back to Mobei.

It's just that Luo Jinzuo doesn't know when his brother will go out.

If he waited for his brother to go out, and then went to the Valley of the Wicked, I'm afraid that Kai would have disappeared without a trace.

"Butler, post to all the aristocratic sects in the Mobei martial arts world who have cooperated with our Luo family!"

"I want to unite with these people and give him the Valley of the Wicked, I don't believe they don't make friends!"

Luo Jinzuo Said with a gloomy face.

"Second Master, should we wait for the master to leave the customs?" The

housekeeper reminded carefully.

"I fucking told you to go, just go, don't you listen to me?"

Luo Jinzuo roared at the housekeeper.

Seeing this, the butler hurried to inform.

In just one day, almost all the sect families in the Mobei martial arts world gathered in the Luo family.

After all, in Mobei, the Luo family is the largest family, and no one dares to provoke them.

What's more, Luo Jinyou, the patriarch of the Luo family, is a martial idiot, and only cultivation is cultivation.

The strength has long been incomprehensible.

Luo Jinzuo sat on the main seat and looked at the representatives and heads of the dozens of major sect families below, Luo Jinzuo was very happy.

"I called everyone together today because I wanted to ask you for something."

Luo Jinzuo said to everyone.

"Second Luo, if you have anything to do, just say it, we can do it, we will do it!"

said one of the old men in white training clothes.

"Yeah, the Luo family's business is our business. If we in Mobei hadn't had the Luo family in front, I don't know how many people would have attacked us here.

" Agreed, Second Master Luo said, we will do whatever!"

Everyone below praised the Luo family.

This made Roginzo swell in an instant, and his face was full of pride.

"Since you all look down on my Luo family, then I won't beat around the bush."

Luo Jinzuo drank a cup of tea, and then continued: "To tell you the truth, a few days ago, my nephew was assassinated, and now the body has been murdered. Sent back."

Luo Jinzuo just finished speaking, and everyone gasped.

The son of the Luo family dares to be killed?

That's just dead.

"Second Master Luo, who is it that killed Luo Xiang? This is simply courting death..."

A sect master asked Kai.

"It's Kai!" Luo Jinzuo said.

"Kai?"

Many people looked blank, not knowing what this Kai looked like.

However, someone was shocked when they heard Kai's name.

"I know this Kai, he has been in the limelight recently."

"Not only did he defeat Long Xiao, but he also killed Guo Wei. Some time ago, he also killed Zang Qing, the master of the Tiansha Sect who was chasing him

."

Although the speaker was only in his early thirties and looked very young, he was already the head of a certain sect in Mobei.

When everyone heard it, Kai was so arrogant that he not only offended the Long family, but also offended the Kyoto Martial Arts Alliance.

Now even the largest family in Mobei has become a mortal enemy along with Kai!

"Okay, then we can set off. I will send a letter to the wicked valley right away. If they dare to cover up Kai, then they will have to pay the price!"

Luo Jinzuo saw that so many people supported him, and he suddenly came to the fore. .

"Second Master, I think we should discuss it from a long-term perspective and wait for the Master to come out!" "After all, we

have traveled thousands of miles from Mobei to the Valley of the Wicked, plus it is the capital of the capital!"

When the official comes forward, it will be difficult to handle." The

housekeeper reminded Luo Jinzuo in a low voice.

"I've said it all, give the wicked valley a gauntlet. This is a normal way for us to resolve our grievances. How can the official control it!

". "

Luo Jinzuo said with a disgusted look at the housekeeper.

Seeing this, the butler didn't dare to say anything, and could only pray that Luo Jinyou would be able to leave the customs as soon as possible.

Soon, Luo Jinzuo publicly published the gauntlet on the martial arts forum.

The Mobei Luo family united with the entire Mobei martial arts world to publicly declare war on the Valley of the Villains, unless the villains were able to hand over the murderer Kai.

Otherwise, the Valley of the Wicked will be washed with blood, and none will be left!

In the entire Mobei martial arts world, it is a big deal to declare war on the Valley of the Wicked!

The Valley of the Wicked is quite strong, but facing the entire Mobei martial arts world, I am afraid it is even weaker.

"Why did the Luo family in Mobei compete with the wicked valley? There is no festival between the two families!"

"Didn't you see, it's for that Kai, I heard that Kai killed the eldest young master of the Luo family, you Can the Luo family not get angry?"

"What does that have to do with Kai and the Valley of the Wicked, the Valley of the Wicked actually fought with the entire Mobei martial arts world in order to protect Kai!"

"Wait for a good show, such a big battle! , haven't appeared for many years."

Everyone on the forum was discussing and paying attention to the upcoming battle.

Such a battle must be bloody.

Kyoto Ningjia!

Ning Zhi also saw the news on the forum, and there was an imperceptible smile on the corner of his mouth.

"Master, the Luo family has already set off with many aristocratic sects in Mobei, and it is estimated that they will be able to reach the Valley of the Wicked in three days!"

At this time, the butler of the Ning family hurriedly said.

"Haha, I really didn't expect that the Luo family's appeal is really good, and it can really gather the entire Mobei martial arts world!"

"Now I see how the Valley of the Wicked can resist, and that Kai will surely die. It's ..."

Ning Zhi smiled wickedly.

"Master, what should we do next? If the Luo family uses the entire Mobei martial arts world, then we won't be able to intervene." The

housekeeper asked.

"Don't worry, let everyone stand by. After this time, our Ning family may be able to become the leader of the Mobei martial arts world.

"The power in Kyoto."

"Let me see who can compete with my Ning family? As for the Dong family, I will destroy them sooner or later!"

"Hahaha...haha..."

Ning Zhi raised his head and laughed proudly stand up.

Ning Zhi's ambition is getting bigger and bigger, and he wants to replace the Luo family and become the boss of the Mobei martial arts world, but this time, if the Luo family or even the entire Mobei martial arts world is severely damaged, it will be an opportunity.

After Zao Wou-Ki saw the message posted by the Luo family on the forum, he immediately found Mr. Shi.

This kind of big battle between sect families is bound to cause countless casualties.

As officials, they have a responsibility to stop it.

Before Zhao Wuji finished speaking, Mr. Shi waved his hand.

"I already know!"

Mr. Shi interrupted Zao Wou-Ki.

"Then what should we do? Should we send someone to stop it in time?"

Zao Wou-Ki asked.

"No, let them go!"

Mr. Shi said lightly.

"Mr. Shi, if we don't show up in this large-scale fight, wouldn't it be..."

"I said, let them go!" Mr. Shi suddenly raised his head and set his eyes on Zao Wou-Ki.

Zao Wou-Ki trembled slightly, and he stopped talking immediately, and he no longer mentioned the matter of the Luo family's fight with the villain's valley.

Seeing that Zhao Wou-Ki didn't speak anymore, Mr. Shi slowly continued: "How come the entire martial arts world in Daxia has settled down for too many years, especially the Kyoto martial arts world, and now it needs to be reshuffled..."

Zhao Wou-Ki I don't understand what Mr. Shi said, but as the pavilion owner of the Dharma Protector Pavilion, he can only obey orders.

.....

In the Valley of the Wicked!

Ding Dao also saw the information on the forum. When he saw that the Luo family took the entire Mobei martial arts world to openly challenge the Valley of the Wicked, Ding Dao's brows slightly wrinkled.

"Big brother, it seems that the Luo family is determined to want Mr. Chen."

Ding Bu'er whispered.

"No matter what, even if we take all of my villain's valley, we must not let them take away Mr. Chen!"

Ding Dabuo's eyes were firm: "I immediately inform everyone in the villain's valley that they must show their determination to die and fight to the end. ."

"Brother, why don't I go out and find some helpers?"

Ding Busi said.

"What kind of help can we find in the Valley of the Wicked?"

Ding Dao laughed at himself.

Ding Busi stopped talking. Over the years, the Valley of the Wicked has not had any friends, nor did he have any contacts with other sects and families. He has always been alone!

At this moment, a villain valley guard suddenly hurried in.

"Boss, suddenly a lot of people came outside and said they were looking for you." The guard said with a flustered expression.

"It's impossible for the Luo family to come so quickly, right?"

Ding Dao frowned.

Soon, Ding Dao took people outside the valley. Sure enough, he saw hundreds of people outside, standing at the gate of the Valley of the Wicked.

Ding didn't take a glance and found that he was not very familiar with these people.

"Master Ding Gu, Zhao Ligu of Shadowless Villa took the liberty to disturb him!"

At this time, Zhao Ligu stepped forward and bowed his hands to Ding Dao.

"I don't know that Zhao Zhuangzhu suddenly brought so many people to my villain valley, what's the matter?"

Ding looked at Zhao Ligu cautiously and asked.

"Master Dinggu, I know that the Luo family in Mobei has issued a gauntlet and is going to take away Mr. Chen, so I specially brought someone here to help the wicked valley to defend against the Luo family and protect Mr. Chen."

Zhao Ligu hurriedly explained. .

Seeing that Zhao Ligu was here to help, Ding Dao's heart was relieved.

As the so-called drum beats thousands of people.

Ding was not afraid that some aristocratic sects would take advantage of the opportunity of the Luo family to challenge the Valley of the Wicked, and they would also attack the Valley of the Wicked.

At that time, the Valley of the Wicked was simply unable to withstand it.

However, Ding did not look at the people that Zhao Ligu brought, as well as Zhao Ligu's own strength, and said with a faint smile: "Zhao Zhuangzhu, thank you for your kindness, but the strength of you people, staying here is also a disciple. It's just an increase in casualties."

"Master Dinggu, I know that the people I brought are not very strong, but we are not afraid of death. If Master Dinggu thinks that we are a burden, then we will be stationed outside the valley!"

"Luo The family has brought people, we must kill all of us before we can enter the valley of villains, even if we can buy Mr. Chen a minute and a second, our death is worth it!"

Zhao Ligu said with a firm expression.

A man like none other and the man decree (chinese) Chapter 1201-1202

Chapter 1201 Unfathomable

Seeing Zhao Liguó's firm expression, Ding Dabuo was slightly taken aback. He seemed to see himself just now in Zhao Liguó's eyes.

Just now, he also had this kind of firm eyes, holding the determination to die.

Could it be that this Shadowless Villa is also an entrance to the Tianlong Temple?

Ding Bu Dao doubted in his heart. After all, there are thirteen hall entrances in Tianlong Palace, and there is no connection between each hall entrance, let alone knowing each other.

"Zhao Zhuangzhu, I can take the liberty to ask, what is the relationship between you and Mr. Chen?"

Ding asked Zhao Liguó curiously.

Zhao Liguó hesitated, then shook his head: "Master Ding Gu, forgive me for not being able to tell you, but I am willing to go through fire and water for Mr. Chen..."

Ding didn't see that Zhao Liguó didn't say anything, so he didn't ask anymore, so he said "Since Zhao Zhuangzhu is so sincere, please come in!"

Ding Dabu invited Zhao Liguó into the Valley of the Wicked, but just when they were about to enter the Valley of the Wicked, they saw a group of people hurried over.

When he saw the person coming, Ding Dao knew him at once, and hurried up to meet him.

"Master Ding Gu, if you hand over that Kai now, I can open the door and spare you the wicked valley!"

Luo Jinzuo took two steps forward, and then sneered.

"Don't talk nonsense, this is the territory of our Valley of the Wicked. You came all the way, didn't you hear the saying that Qianglong can't suppress the local snake?"

Ding Busi pointed at Luo Jinzuo and shouted.

"Hmph, I'm afraid you can't even count as a local snake?"

Luo Jinzuo snorted coldly, and then said contemptuously: "I'll give you two minutes now, if you don't hand over that Kai."

"I will definitely Let the blood flow into the river here..."

"Just rely on you shrimp soldiers and crab generals? Dare to make trouble?"

Ding Bu's eyes narrowed.

"Ding Busi, since that's the case, let me teach you what you can do..."

At this moment, behind Luo Jinzuo, the young sect master in his thirties jumped up.

Ding Busi looked at the young man who suddenly rushed up, and couldn't help sneering: "Is there no one in the Mobei martial arts world? Send a little boy to die?"

The young man looked at Ding Busi coldly: "I'm Fang Xingyue, the head of Xingyue Gate, Let me learn today whether the four villains in the Valley of the Villains have gained a false reputation."

This young man signed up for the account himself, obviously wanting to use this opportunity to increase his popularity, and also to increase the popularity of his sect.

This made it much easier for him to recruit disciples.

"Are you here to advertise yourself?" Ding Busi said with a sneer.

"Stop talking nonsense, do you dare to fight with me?"

Fang Xingyue yelled.

"Even if you fight with you, it will be cheaper, but if you don't fight with you, I'm afraid you will never know that you are a waste!"

Ding Busi looked at Fang Xingyue coldly.

"What did you say?"

Fang Xingyue was furious, and then the energy in his body erupted, and the tyrannical energy condensed in Fang Xingyue's hand.

"Old thing, your era has passed, and today I'll let you taste my power..."

Fang Xingyue shouted angrily, and then slapped Ding Busi with her palm.

Fang Xingyue's aura was incomparably tyrannical, obviously reaching the strength of a half-step Marquis.

"I didn't expect that at such a young age, you've already reached the realm of a half-step Marquis!"

"Ding Bu Si has been in the position of Banbu Marquis, and he has stayed for more than ten years without breaking through. Such a Banbu Marquis cannot be compared to others."

Everyone mocked Fang Xingyue, making Fang Xingyue lose his face. exhausted.

"You Mobei martial arts world, the strength is only the same, do you still want to try?"

Ding Busi glanced at Luo Jinzuo and the others with disdain, and then continued: "If you don't want to try, then get out of the way, If you annoy us, don't even want to leave..."

At this time, an old man in a white training suit emerged from the crowd. walked out slowly.

Judging by the age, the old man was about the same age as Ding Bu Si, but the old man's hair and beard were all gray.

Even if it is not Wuhou's strength, it must have reached a bottleneck, waiting for an opportunity to break through.

Ding Bu faced the old man in front of him in all directions, obviously not his opponent.

"Ding Busi, do you want to do it? I happened to borrow your villain's valley to accompany me to practice my skills. Maybe it can help me break through!"

The old man jokingly said to Ding Busi.

Ding Busi's face was ugly, and he didn't move, because he knew that his shot was not the opponent of the old man in front of him.

"Since you don't do it, then I'll do it first..."

After the old man finished speaking, the breath on his body surged, and his gray beard and hair stood up.

Soon, the old man's body was surrounded by bursts of white mist.

The old man's whole person is like a fairy descending to earth, and his aura is rippling.

"Fourth, come back, I will meet him..."

Ding Busi stepped forward and called Ding Busi back.

Ding didn't dare to be careless when facing the old man, and the majestic aura on his body also began to condense.

Ding Buoyue was a real Marquis of Martial Realm, and the entire Valley of the Wicked was able to become famous because of Ding Buoyue's strength.

"I'm in my sixtieth year, but I'm only a half-step Marquis. What can I do?"

Ding Bu Dao sneered at the old man.

"Looking for death..." The

old man was furious, and then his energy exploded.

He hates people saying that about him the most. For so many years, he has been staying at the peak of half-step Wuhou, and he was almost able to break through Wuhou, but unfortunately he couldn't break through.

Now that Ding Bu Dao directly stabbed the wound in the bottom of his heart, the old man was furious.

Immediately after the old man took a step forward, the whole person was in front of Ding Dabu instantly.

Then the fists were swung out, and the wind of fists roared.

The weather is clear and clear, and at this moment, there is a sudden gust of wind, flying sand and rocks!

The old man used all his strength.

He knew that facing the Marquis Ding Dabu, he had to go all out.

Even if he was close to the realm of Marquis, he was not Marquis after all, so the old man did not dare to be careless.

Ding didn't see it, and his fists lingered with golden light, and instantly greeted him.

Bang bang bang...

Everyone couldn't see the figures of the two people at all, and could only hear the sound of fists colliding.

boom!

Suddenly, a breath exploded with two people at the center.

In an instant, the mountain shook, the trees flew, and the mountain not far away also began to landslide, stirring up bursts of dust.

This kind of movement is like a sudden earthquake.

Many people watching the lively on the top of the mountain were all startled by this terrifying movement.

"Marquis Wu is Marquis Wu, this movement is too scary."

"I think we should stay far away, and we will be unlucky if it doesn't spread to us."

Many people began to hide in the distance, for fear of being affected.

From the center of the terrifying explosion, a figure flew out and then fell to the ground.

It was the old man with the gray beard.

I saw the old man's face was pale, and there was a trace of blood on the corner of his mouth, obviously injured.

When the smoke cleared, Ding Dabu stood in the same place with a calm expression.

"You either get out or die, there are two ways..."

Ding Dao glanced at Luo Jinzuo and other people in the Mobei martial arts world, and said indifferently.

Sweeping by Ding Dao's eyes, many people in the Mobei martial arts world began to retreat.

They didn't expect that Ding Dabu's strength was so powerful, and he was already in the realm of Marquis.

"Don't be afraid, everyone, this Ding is not in the realm of Marquis, and he has only just stepped into it. As long as we join forces, we will definitely be able to defeat him!"

"Let's all go up together!"

said the old man with the white beard.

"Okay, let's go together..."

Luo Jinzuo nodded.

Seeing Luo Jinzuo's words, those Zongmen families in the Mobei martial arts world could only rush up to the scalp.

"Kill..."

Seeing this, Ding Buer waved his arms!

The people from the Valley of the Wicked and Shadowless Villa and Medicine God Valley also swarmed up.

Hundreds of people on both sides scuffled together in an instant.

As a Wu Zong, Ding Dao was especially taken care of. The old man brought four half-step Wuhou masters to encircle and suppress Ding Dao.

Although Ding Dabuo was a Marquis, he could only cope with five half-step Marquis or even more powerful people.

Luo Jinzuo saw that Ding was not too entangled, so he led someone to rush towards the Valley of the Wicked.

He wants to arrest Kai and avenge his nephew!

Just when Luo Jinzuo was leading people towards the Valley of the Wicked, Ding Buer directly blocked Luo Jinzuo's way.

"Hmph, if you want to break in, you have to pass me first!"

Ding Buer's energy skyrocketed.

Looking at Ding Buer, Luo Jinzuo said with cold eyes: "I can't beat that Ding, but I can't beat you? Since you want to die, I'll do it for you!"

"Then try it and see who can do it. Who!"

Ding Buer was full of anger.

"The tone is not small, but I don't know if your strength is stronger than your elder brother!" Jin Yuande mocked.

"You will find out if you try it!" Before the sound fell, Ding Buer had already rushed up, and then slapped Luo Jinzuo's chest with a palm.

"Good job!" Seeing this, Luo Jinzuo smiled coldly, and shot it with the same palm!

boom!

With a muffled sound, the palms of the two slammed together firmly.

A strong air wave quickly spread out from the place where the two fought.

The two groaned, and each took three steps back!

This palm is evenly matched!

Luo Jinzuo and Ding Buer, both half-step Wuhou, were evenly matched under this palm.

"Although your strength is not as good as your eldest brother, it's not bad, but it's not that easy to kill me!"

Luo Jinzuo looked at Ding Buer coldly.

"Try it!" Ding Buer's killing intent rose, "I will kill you today!"

"You are so loud!" Luo Jinzuo was also furious.

"Eagle spreads its wings!" The

voice fell, and Ding Buer's body flew up like an eagle.

A condescending claw, grabbed directly at Luo Jinzuo!

Ding Buer's speed was extremely fast, and a white air stream could even be seen behind him.

Chi Chi Chi!

The iron claws cut through the air, with a terrifying sound of breaking the wind!

Everyone watched this scene, and there was no doubt that if this claw was caught, there would definitely be five blood holes on the top of Luo Jinzuo's head!

"The wind blows the clouds!"

Luo Jinzuo's palms made a mistake, and a terrifying palm wind shot at the opponent!

Whoohoo!

The wind howled, and suddenly there was a gust of wind!

It felt as if it could blow away all the clouds in the sky!

Incomparably domineering, incomparably fierce!

An incomparably terrifying aura surged over the two of them.

At this time, anyone who is careless may lose their lives.

Boo!

A soft sound!

The strong wind hit Ding Buer's claws.

The huge force directly caused Ding Buer's body to fly out.

After Ding Buer's figure flew out, he circled in the air, and then walked towards Luo Jinzuo again.

"Broken Mountain Palm!"

Ding Buer shouted loudly when the person was in the air, and then waved his palms in front of him!

Stab it!

Several almost transparent palm winds flew towards Luo Jinzuo.

This palm wind has a terrifying edge, and when it cuts through the air, it also emits a piercing scream!

In the blink of an eye, Zhang Feng crossed a distance of four or five meters and flew to Luo Jinzuo's chest!

"This Ding Buer is really getting better and better!"

"This palm, I'm afraid it can knock off a mountain, right?"

"As the name suggests, the Broken Mountain Palm is so terrifying! It's too powerful!"

Seeing this scene, everyone watching the mountain widened their eyes, their eyes full of shock.

You must know that the four villains in the Valley of the Villains have not taken action for a long time!

Now everyone sees Ding Buer's strength, and it has also improved a lot.

Luo Jinzuo looked at Ding Buer and shot it with another palm!

The white air wave, like a wave, slammed into the palm wind.

puff puff!

With a few soft sounds, the air wave and the palm wind collided together, and they both disappeared!

Ding Buer changed his moves very quickly.

As soon as his body fell to the ground, his heels stomped on the ground, and his body suddenly rushed towards Luo Jinzuo like a cannonball!

Judging from Ding Buer's speed, he didn't look like an old man who was over sixty years old.

"Breaking Soul Palm!"

Ding Buer shouted, and there seemed to be a black smoke covering his body!

His hand also turned pitch-black, looking like a ghost, extremely terrifying!

"Hmph, Ding Buer, you guys in the Valley of the Evil have always claimed that you have never practiced evil exercises, you are not an evil cultivator, are you revealing your secrets today?"

"You are not evil, what are you? If you kill the Valley of the Evil, it will also eliminate the evil in the martial arts world!"

Luo Jinzuo yelled loudly when he saw Ding Buer's Soul Breaking Palm.

"f\*ck your motherfucker, this is a trick I've been practicing for many years. How could it become an evil art? Today I'll show you whether my Soul Breaking Palm is an evil art!"

Ding Buer confronted Luo Jin Zuo cursed.

None of the four villains is easy to provoke. Although they are not young, they like to scold people.

And this Soul Breaking Palm is Ding Buer's unique trick!

Broken Soul Palm is extremely difficult to practice, both hands have been soaked with poison!

Not only powerful, but also extremely poisonous!

Broken Soul Palm, one move to break the soul, hence the name!

However, this Soul Breaking Palm is not an evil art, and Ding Buer is even less an evil cultivator.

If the Valley of the Wicked were all evil cultivators, how could the resources in the valley be exhausted, and everyone's cultivation slowed down a lot.

Evil cultivators can absorb the energy of ordinary people, or the energy of warriors, so as long as there are people, it is impossible to say that there is no shortage of cultivation resources.

Obviously, the Valley of the Wicked is not an evil cultivator, and for so many years, no one has heard that the Valley of the Wicked has harmed ordinary people.

It's just that the four villains have weird temperaments and like to scold people, so many people call them villains, and this place is also called the Valley of the Villains.

Chapter 1206

Although Luo Jinzuo showed disdain on his face, a terrifying aura erupted from his body.

He could feel that Ding Buer's palm was definitely not small.

Luo Jinzuo made a preemptive strike, shouted loudly, and then slammed out with a fierce palm!

Whoa!

Everyone's ears seemed to think of the sound of the waves, like a shocking wave hitting the table, with a majestic momentum!

boom!

The palms of the two collided again.

"To even fight with my Soul Breaking Palm, you are courting death!" Ding Buer shouted angrily.

When Ding Buer saw that Luo Jinzuo was fighting recklessly with him, a hint of pride flashed on his face.

His Soul Breaking Palm is highly poisonous, and the palm wind is full of poisonous gas.

This Luo Jinzuo followed his palms, that is to find his own way.

But soon, Ding Buer was surprised to find that Luo Jinzuo's palm had a three-dimensional force!

A heavy is stronger than a heavy!

The first weight, instantly offset his palm strength!

The second level is to directly force the poison gas back!

The third, actually invaded the tendons of his arm, and then exploded!

boom!

A bang!

Ding Buer's arm instantly turned black!

The powerful force blasted his whole body out!

puff!

While the man was still in the air, Ding Buer spewed out a mouthful of blood and suffered internal injuries!

Ding Buer's strength is still inferior to that of Luo Jinzuo.

"Second brother..."

Ding Busi was fighting against others, and when he saw Ding Buer was injured, he rushed over and helped Ding Buer up.

"Fourth, I'm fine, I can't die!"

Ding Buer wiped the blood from the corner of his mouth.

The jet-black arm quickly recovered. After years of practice, Ding Buer became immune to the poison of the Soul Broken Palm.

Ding Busi planned to join forces with Ding Buer to abolish Luo Jinzuo first.

After all, the protagonist who led people to attack the Valley of the Wicked this time was Luo Jinzuo.

If Roginzo was defunct, the battle might have ended.

Ding Buer nodded, and instantly the two of them walked towards Luo Jinzuo.

But Luo Jinzuo also had several Luo family masters beside him, and they began to fight in an instant.

On the other hand, Ding Dabu fought against five half-step Marquis by himself.

With both hands casting Dao Dao magic, groups of purple flames surround him.

And the five half-step Wuhou also tried their best.

Everyone showed their trump cards, countless rays of light covered the sky, and a terrifying aura shrouded Ding Budai's head.

Rumbling rumbling.....

The whole gate of the Valley of the Wicked has become a purgatory, with broken limbs and broken arms, blood flowing into a river...

Whether it is the Valley of the Wicked, the Shadowless Villa and the Valley of the Medicine God, they are all desperately protecting Taniguchi.

Don't let anyone rush into the Valley of the Wicked to disturb Kai.

The battle was fought from dawn to dusk...

At this time, Ding Busan, with a few experts from the Valley of the Wicked, guarded around the Demon Suppression Tower, listening to the fighting outside, Ding Busan became anxious early in the morning.

"The third master, I don't know what happened to the boss, why don't we go out and see?"

a master from the Valley of the Wicked asked.

Ding Busan shook his head and said.

In fact, at this moment, Ding Busan summoned more than anyone else, and almost all the masters of the Valley of the Wicked were left to him.

Now the fighting outside has been from dawn to dusk, and there is still no intention to stop.

Ding Busan also wanted to know what was going on outside.

But he couldn't leave. He knew that all the fighting outside was for Kai, who was cultivating at the moment.

If he left and someone broke in, all the fighting outside would be in vain.

"Mr. Chen, I hope you can cultivate faster..."

Ding Busan looked in the direction of the Demon Suppression Tower and muttered to himself.

Chapter 1207 Retreat

.....In

the town of Demon Tower.

Kai had no idea what was going on outside, and in Kai's perception, it seemed that he had only come in for a few hours.

But Kai has been in for six days. During these six days, Kai has absorbed countless spiritual energy.

But there was still no change in the dantian.

If you want to break through the half-step Wuhou, I am afraid that it will take some distance.

Kai's Condensing Heart Art is running frantically. Fortunately, Kai Condensing Heart Art is an excellent cultivation art!

If it was replaced by a general technique, such a high-intensity far turn would have been too long.

Kai's whole body, countless water mists drifted away, making the entire first-floor tower surrounded by fairy mists.

These mists are all formed by the evaporation of sweat from Kai's body!

Fortunately, this Demon Town Tower can provide Kai with spiritual energy, otherwise, at the consumption rate of Kai, even the entire spiritual stone mine would have been absorbed.

The battle outside the Valley of the Wicked is still going on. The sun rises in the sky and it is a brand new day.

But the rising sun shines a bloody scene.

There are dead bodies all over the ground!

The smell of blood could be clearly smelled from miles away.

On the top of the mountain, there were not many people watching the battle. After a day and a night, the battle continued, and everyone was a little tired.

There was no enthusiasm at the beginning.

And both sides of the battle have reached the time of exhaustion!

At this moment, they are all supported by one breath!

Whether it is Ding, Ding is not two or Ding is not four, they are already scarred.

Zhao Liguang and Xu Changsheng were also covered in blood.

However, those people in the Mobei martial arts world were not much better, and almost everyone was injured.

Especially Luo Jinzuo, as the initiator, he received special care, and now the Luo family masters around Luo Jinzuo are almost dead and injured.

And Luo Jinzuo himself was seriously injured, his left arm was broken and he couldn't lift it up.

After such an almost desperate battle, the fighting spirit and enthusiasm of those in the Mobei martial arts world have also retreated a lot.

They didn't expect that the Valley of the Wicked was so powerful, and with so many of them, they just didn't attack.

Of course, the addition of Shadowless Mountain Villa and Yaoshen Valley was something they didn't expect.

In particular, with the addition of Yaoshen Valley, the people in the Valley of the Wicked and Shadowless Villa were injured and could be healed immediately.

Moreover, Xu Changsheng brought a lot of medicinal pills, which can restore physical strength in a short time.

This makes the Valley of the Wicked able to resist the attacks of these people in the Mobei martial arts world.

"Second Master Luo, we're afraid we won't be able to get into the Valley of the Wicked. Even if we do, there must be someone guarding it.

" Guard!"

"This time we are a little reckless, we retreat temporarily, and go back and make a long-term plan!" The

gray-bearded old man persuaded Luo Jinzuo.

Now that the fight is obviously going on, these people in the Mobei martial arts world are going to suffer.

After all, these people have no intention of fighting, and some people want to escape.

Especially that Fang Xingyue, who originally wanted to take this opportunity to make himself famous.

As a result, the battle became more and more tragic. As soon as it was halfway through, Fang Xingyue led people away.

He didn't want to let the sect he finally founded be ruined here.

Luo Jinzuo looked at the already exhausted crowd, and nodded unwillingly.

There was no way, Luo Jinzuo underestimated the strength of the Valley of the Wicked, and did not expect Shadowless Villa and Yaoshen Valley to desperately help.

"Ding is not big, you remember, if I don't catch Kai, my Luo family will never give up."

"When my eldest brother leaves the customs, it will be the time when your wicked valley will be destroyed!"

Luo Jinzuo looked at Ding with gritted teeth. Not much.

"I'm waiting!" Ding Dao said indifferently.

Luo Jinzuo snorted coldly, turned around and left.

Ding Buer wanted to chase and kill him, but was stopped by Ding Dabu's hand!

Chapter 1208: The thin dead camel is bigger than a horse

"Big brother, these guys are all at the end of the game, why don't you catch up?"

Ding Buer asked in a puzzled way.

Ding didn't speak, but after seeing Luo Jinzuo and the others walking away, he snorted and spit out a mouthful of blood.

"Big brother..."

Ding Buer quickly supported Ding Bu'er: "Big brother, are you okay?"

Ding Bu'er waved his hand: "It's okay, you immediately send someone to clean up the battlefield!"

"And send someone to guard Taniguchi closely!"

"Brother, are you afraid that Luo Jinzuo will come back?" Ding Buer asked.

Ding didn't shake his head: "The Mobei martial arts world will not be back for the time being, but I can't guarantee that other sects and aristocratic families will fall into trouble."

Ding Buer nodded.

"Master Ding Gu, the danger is temporarily lifted, I'll take someone back first!"

Zhao Liguu dragged his severely injured body and said to Ding Daobu.

"Zhao Zhuangzhu, thank you

very much for your kindness!" Ding Bu Dao clenched his fists towards Zhao Liguu.

Zhao Liguu took people away. There were dozens of people when they came, but now only a few people left!

This stop at Wuying Mountain Villa can be said to have hurt the muscles and bones.

Zhao Liguu also needs to rest and recuperate for a while!

"Master Dinggu, I'm going back too. The herbs and elixir I brought this time are all exhausted."

"I need to prepare when I go back. When I'm ready, I will order the herbs and elixir. Bring them all here!"

Xu Changsheng also followed Ding Dao at this time.

This time Yaoshengu had little damage to the personnel, but the herbs and medicinal herbs it brought were exhausted.

It was useless for Xu Changsheng and the others to stay.

After all, no matter how good a pharmacist is, it's hard to beat the cook without rice!

"Elder Xu, take care all the way..."

Ding Dabu clasped his fist towards Xu Changsheng.

After everyone left, Ding Dabu returned to the Valley of the Wicked!

He needs to heal and cultivate as soon as possible, and now his energy is exhausted and his physical strength is exhausted.

If people come again to offend the Valley of the Wicked, I am afraid that no one in the Valley of the Wicked can stop them. "Damn, it's all trash. Seeing that the Valley of the Wicked can't hold it anymore, someone ran away..."

On the way back, Luo Jinzuo kept cursing. Many people did not show loyalty and deserted halfway, which led to the current situation. Luo Jinzuo was full of confidence, the loss was so great, and he fought with the villain Gu. Now it's down to where it is now.

There is no other way, but to wait for Luo Jinyou, the head of the Luo family, to leave the customs. "Second Master, we have just fought in the Valley of the Wicked. It is indeed a bit reckless!" "Now almost everyone is injured. At this time, the sect family in Kyoto is going to deal with us, and we are afraid that we don't even have the strength to fight back."

Beside Luo Jinzuo, the only two servants of the Luo family said. At this stop, the Luo family also suffered serious losses, and no one from the other sect families tried their best to preserve their strength. Like Fang Xingyue of the Xingyuemen, he took people away halfway through. No fighting spirit at all, no desperate look. On the other side of the Valley of the Wicked, everyone has high fighting spirit and is not afraid of life and death! These people have a single belief that they cannot let any enemy rush into the valley of the wicked. In this way, the Mobei martial arts world, which had an advantage in its original strength, was finally defeated. "Our Luo family follows the Kyoto martial arts world and has no festivals, who would target us at this time!"

"Don't worry, the skinny camel is bigger than the horse. Even now, it is not just a sect family that can bully us."

Luo Jinzuo comforted the people under him.

But as soon as the voice finished speaking, they saw more than a dozen people wearing black tights and covering their faces appear in front of them.

Luo Jinzuo was stunned for a moment, but he did not expect that there would be robbery in places like Kyoto.

Although Luo Jinzuo is also seriously injured now, but to deal with a group of ordinary people blocking the road and robbing, it is also easy to catch!

Soon, all the servants of the Luo family were killed and injured, and only Luo Jinzuo was left to support.

In the end, Roginzo was kicked away and fell heavily to the ground.

An extremely sharp knife fell on Luo Jinzuo's neck.

Luo Jinzuo was quite a man. Facing death, he did not beg for mercy, but looked at the man in black coldly: "Who are you?"

"Even if you want to kill me, let me die. I understand and know who died in the hands."

"My Luo family has no feud with the Kyoto martial arts world."

Luo Jinzuo is still wondering who is going to kill him.

Could it be that the Valley of the Wicked is catching up?

Luo Jinzuo calculated in his heart, but quickly rejected the idea.

The Valley of the Wicked has also suffered a great blow, and may not be able to free up manpower to pursue them.

If you are from the Valley of the Wicked, you don't have to wear it so carefully, and there is a hood on your head.

"Master Ning?"

Luo Jinzuo was stunned when he saw the young man walking out.

Because the person here is none other than Ning Zhi.

"Mr. Ning, what the hell is going on?"

Luo Jinzuo asked in surprise.

After all, he came here to find Kai, and followed the Valley of the Wicked, all because of Ning Zhi.

Now that Ning Zhi suddenly appeared here, Luo Jinzuo frowned.

"It's okay, what I want to tell you is that it's me who wants to kill you?"

Ning Zhi smiled lightly.

Luo Jinzuo looked at Ning Zhi incredulously: "Why, why did you want to kill me?"

"It seems that there is no hatred between our two families!"

Luo Jinzuo couldn't understand why Ning Zhi wanted to kill him.

"There's no reason, because your nephew Luo Xiang was not killed by Kai, but me."

"I just want to kill Kai with the help of your Luo family!"

"I didn't expect your Luo family to kill that Kai!" It's so useless, it's just trash!"

"Since it's trash, there's no need to live!"

Ning Zhi grinned!

He didn't expect that he would be tricked by Ning Zhigai.

The entire Luo family, and even the entire Mobei martial arts world, paid so much.

In the end it was a trap.

"You... you are too despicable, shameless..."

Luo Jinzuo glared at Ning Zhi and gritted his teeth.

"Whether I am despicable or shameless, it doesn't matter anymore, the important thing is that you are going to die soon!"

Ning Zhi smiled slightly, and then ordered: "Do it..."

A cold light flashed, Luo Jinzuo's neck instantly Spit out blood!

In the entire valley of the wicked, almost everyone was injured.

Only Ding Busan, guarding the Demon Town Tower, and a few masters from the Valley of the Wicked were left intact!

Just when Ding Bu Dao sat down cross-legged and was about to recuperate, suddenly several terrifying breaths came from outside the valley.

Ding Bu's heart trembled, and then the whole person jumped up.

And at this moment, in the wicked valley Taniguchi.

Ding Buer is confronting the people brought by Ning Zhi!

"Who are you? Get out of the Valley of the Wicked..."

Ding Buer reprimanded loudly.

Ning Zhi held a folding fan and looked at Ding Buer with disdain.

If it was the Valley of the Wicked that didn't have the spirit of war, Ning Zhi wouldn't dare to ignore the four wicked men like that.

But now, the Valley of the Wicked is nothing but a giant who has long since collapsed.

With just a slight push, it will collapse.

"I'm here to find Kai. As long as you villains hand over Kai, then I'll leave immediately."

"If you don't hand over..."

Ding Buer's face became very ugly, it was impossible for Kai and the others to hand it over.

Otherwise, I wouldn't follow the Luo family to fight to the death.

"Who the hell are you? I don't know the Kai you are talking about!"

Ding Buer can only pretend not to know now.

With the current strength of the Valley of the Wicked, I am afraid that it will no longer be able to resist the next attack.

"Hahaha, when did the four wicked men in the Valley of the Wicked begin to pretend to be crazy and sell their stupidity?"

"Then Kai is obviously in the valley. Are you lying to the children by saying that you don't know?"

Ning Zhi laughed, his face full of is sarcasm.

Ding Fu was so angry that he would yell at him when he opened his mouth.

But thinking about the current situation in the Valley of the Wicked, I finally held back.

"Young Master Ning, how many people are you bringing with you, what are you doing here in the Valley of the Wicked?"

At this moment, Ding Dabu walked out of the valley.

He recognized Ning Zhi at a glance. The Ning family is one of the best sect families in Kyoto.

"Master Ding Gu, I just want to take Kai away, I have no other intentions!"

Ning Zhi said lightly, "As long as you hand over Kai, I will leave right away!"

"If that's the case, don't blame me for being rude!"

Ning Zhi instantly burst into murderous intent.

"Hey, don't treat me as a soft persimmon!"

Ding didn't finish speaking, and his body began to shine, and his breath continued to rise!

"Hahaha, stop pretending, you're seriously injured now, but you're just at the end of the shot."

"If I want to deal with you, I just need to wave my hand."

Ning Zhi looked at Ding Bubu's pretentious appearance, hahaha laugh it out.

"Is it the end of the crossbow, then try it..." On
