A man like none other and the man decree (chinese) Chapter 1219-1220

Chapter 1219

"That's right, I want to see which sects and noble families are following the Ning family, then I will take action against them one by one!"

Kai said with a cold expression.

Zao Wou-Ki saw that Kai was determined and it was not easy to persuade him, so he hurriedly left and went to find Mr. Shi.

Kai alone against so many families, that is sure to lose!

What Zao Wou-Ki didn't know was that Kai's strength at this moment was far from what it used to be.

Step towards the Ningjia Villa!

As soon as he arrived at the door, Kai was stopped by the guard at the door.

"Hello, do you have an invitation?" the

guard asked Kai.

Kai shook his head.

"You can't enter without an invitation, get away..."

Seeing that Kai had no invitation, he was about to go inside, and the guard's face suddenly turned cold.

"I'm giving you a gift, Young Master Ning."

Kai said lightly.

"Gift? What?" The

guard saw that Kai's hands were empty, and he didn't bring a gift at all!

"Send the head!"

After Kai finished speaking, he reached out and grabbed the guard, then twisted the head off.

Walking into the hall of the villa, Kai threw the head out of his hand.

Whoa.....

The head rolls on the table in the middle, planning a lot of cups.

Everyone was taken aback by this sudden scene.

But after all, they are all the people of the major sects and families, and what kind of scenes have never been seen.

Soon the scene calmed down.

Ning Zhi's face was full of anger, and he looked towards the door.

When he saw Kai's figure, his eyes narrowed slightly.

"Kai?" Ning Zhi was a little surprised: "I didn't expect you to come out. Now that you are out of the customs, if you don't run for your life, you still dare to come here to find death?"

"Where are the four villains?"

Kai asked coldly.

"It turns out that you are looking for the four villains. I can tell you that they are in the water prison of my Ning family. Do you want to accompany him?"

Ning Zhi smiled lightly.

"Stop talking nonsense, either make friends or die..."

Kai's voice was extremely cold, with Sen Han's killing intent.

"Hahaha, are you fucking out of your mind, and you don't even look at who I am here."

"You alone dare to come to my Ning family to ask for someone?"

"I think you are tired of living. Now ."

Ning Zhi laughed, he didn't think Kai had the ability to kill himself in front of so many masters.

"It's all a mob. If you don't want to die, leave the Ning family immediately. If you stay, I will make you disappear from Kyoto one by one."

Kai glanced at the crowd.

Kai's words instantly annoyed everyone. You must know that these people are the patriarchs of aristocratic sects. How could they have been so humiliated.

"You are Kai, you are young, and your tone is not small. Today I will let you taste my methods!"

The Sect Master He of Dingtianmen shouted angrily, his body exuding tyranny.

"Just you? A lackey, also worthy of fighting with me?"

Kai smiled coldly, and his breath burst out instantly.

"I killed you..."

The Sect Master He was furious. Although their Dingtian Sect was attached to the Ning family, they were directly called lackeys. How could this be tolerated.

Sect Master He shot towards Kai with a palm, and the overwhelming energy swept towards Kai.

The strength of Wuzong's peak is also not to be underestimated.

Kai's body exuded golden light, that terrifying aura, which made everyone feel that their breath was tight in an instant!

"Sect Master He, don't be reckless..."

Seeing this, Ning Zhi hurriedly wanted to stop him.

It was a pity that it was too late, and the Master Hemen rushed out and went straight to Kai.

"That's it?"

Kai raised the corner of his mouth, and then smashed it out with a punch.

Above the fist, a dazzling golden light shone directly on the chest of Sect Master He.

boom!

I saw Kai's punch directly penetrated the body of He Sect Master.

Blood splattered everywhere, and the bloody aura gushed out at once.

He opened his mouth slightly and wanted to say something, but he didn't say a word, and then he tilted his head, and there was no breath.

Kai threw it hard and threw the body of the Sect Master He out.

It's like throwing a dead dog at random.

"Who else?" Kai glanced coldly.

When everyone saw this, their hearts sank. They didn't expect Kai's strength to be so abnormal.

Even if Kai defeated Long Xiao and killed Guo Wei some time ago, he still tried his best.

But now, both at the peak of Wuzong, this Sect Master He was beaten to death without even having time to touch Kai.

Such strength is simply too terrifying.

Ning Zhi's face became a little ugly, and he stared at Kai: "I didn't expect that in a short period of time, your strength has increased again."

"It seems that those treasures on your body have indeed benefited you a lot."

During this time, Ning Zhi witnessed the rapid growth of Kai's strength!

However, Ning Zhi doesn't think that Kai's talent is strong, but thinks that the reason why Kai's strength grows so fast is because of the treasure in his hand.

"Didn't you always want to get my treasure? Now I'm here, come and get it if you have the ability!"

Kai stimulated Ning Zhi with words.

As long as Ning Zhi shoots at him, Kai will kill Ning Zhi immediately.

It's just that Ning Zhi is very thoughtful. He knows that he is fighting alone and is definitely not Kai's opponent, so it is impossible for him to attack Kai.

"Hmph, Kai, no matter how strong you are, with so many of us, it's easy to kill you!"

After speaking, Ning Zhi said to the crowd, "Everyone, Kai's strength is no longer a match for one person. Let's kill him together."

Everyone nodded, and then a terrifying aura erupted from their bodies.

"Kai, this time, you are dead..."

Ning Zhi sneered.

"It's just a bunch of garbage..."

Kai clenched his fists, and then golden scales began to grow on his body!

The indestructible golden body was brought to the extreme by Kai.

Although Kai demeaned everyone and looked down on these people, it did not mean that Kai would really despise these people.

So many Wu Zong shot together, the power is comparable to a bomb.

No one dares to ignore it.

In an instant, one after another ray of light died, followed by countless energy techniques moving towards Kai.

With so many strength techniques, the entire void began to tremble, and the entire villa collapsed directly.

Smoke and dust are everywhere, but these people are Wu Zong, and the collapse of small bricks, stones and tiles will not hurt them at all.

Chen Pingping faced these people, waved his hand, the Dragon Slaying Sword appeared, and the raging fire burned, reflecting half of the sky red.

"Driving the knife and breaking the water..."

The Dragon Slaying Sword in Kai's hand waved instantly.

One after another, fiery red sword qi shot out directly, and then was confronted by those strong qi spells.

Bang bang bang ... The

explosion sounded like a century war.

So many people were born together, even if Kai blocked some of the attacks, there were still a lot of strong qi spells hitting Kai.

Kai's body burst out with golden rays of light, and under so many attacks, even if there is an undamaged golden body, the scales on Kai's body began to fall off and disappear.

Kai did not flinch, his eyes became scarlet, and the invincible fighting spirit on his body made everyone terrified!

"Kill!"

Kai took countless attacks and slashed his sword fiercely.

The fierce sword qi instantly split a sect master in half, and blood splashed, turning many people into bloody people.

Such a terrifying scene made many people cry out in amazement!

A man like none other and the man decree (chinese) Chapter 1221-1222

Chapter 1221 Kill

With so many people attacking Kai alone, even if it was copper and steel, it would have vanished long ago.

But at this time, Kai, although injured, was not fatal.

One can imagine how terrifying Kai's body is.

"Everyone, we can't be frightened by this Kai, just hold on, this kid will die..."

Ning Zhi saw that some of these people actually wanted to retreat, so he jumped up with his sword.

He can't let these people have the mentality of retreating.

If someone escapes at this time, the common line of defense established by these people will collapse at that moment.

The Luo family took the Mobei martial arts world and failed to destroy the Valley of the Wicked because of this.

So Ning Zhi didn't want to let this scene happen to him!

Ning Zhi's shot made the others instantly raise their fighting spirit.

Showing their unique skills one by one, they kept bombarding Kai.

Kai held the Dragon Slaying Sword and was covered in blood, like a god of killing, and he didn't care about his own life at all.

Every sword swing will take the life of a sect master!

The golden scales on Kai's body have disappeared.

The undamaged golden body is broken, and Kai can no longer use it for a short time.

Relying only on the flesh, Kai still gritted his teeth and carried it hard.

There are scars and blood holes everywhere, and Kai's body is no longer intact.

But at this moment, Kai completely ignored it. At this moment, there was only one thought in Kai's mind.

That is "kill..."

Finally, everyone's psychology was defeated, and they all started to retreat!

Because they don't know whose life Kai's next sword will take away.

Everyone is in awe.

The killing intent on Kai's body, the momentum that erupted, also made these people terrified.

They had never seen such a person.

So many people attacked together, not to mention a Martial Sect, even a Marquis, I am afraid that they would not be able to resist.

But Kai, obviously only in the realm of Wuzong, showed the strength of Wuhou.

"Master Ning, this Kai is simply a devil. If this goes on, we will be killed and injured countless times!"

Someone couldn't bear it and began to say.

"Yeah, why does this guy seem like he can't be beaten to death?"

"I'm running out of energy now, and I'm afraid I won't be able to support it for long!"

"Mr. Ning, it's not that we fled, it's just that this Kai is too perverted. "

Someone couldn't take it anymore and started to pull back.

As a result, more and more people retreated, and the pressure on Kai became less and less.

The Dragon Slaying Sword in his hand is even more ferocious!

In the end, only Ning Zhi was left to face Kai, while the others stood behind Ning Zhi.

Ning Zhi's face became extremely ugly.

He didn't expect that these guys were so unreliable.

What's more, Kai's strength has exceeded his expectations by too much.

Kai held the Dragon Slaying Sword, and his whole person had already become a bloody man, and many bones were exposed in many places, and his appearance was very terrifying.

"Make someone else, or die..."

Kai narrowed his eyes, the bright red blood made his vision blurred.

However, Kai still gritted his teeth and insisted!

Ning Zhi's face changed and changed, even if Kai in front of him was seriously injured, Ning Zhi did not dare to fight alone.

At this moment, Ning Zhi's heart was already shocked by Kai's behavior, and he didn't dare to take action.

Ning Zhi felt a little regretful, he shouldn't have let go of the masters of the Ning family that he had gathered.

Ning Zhi originally thought that with so many sects and aristocratic families already belonging to the Ning family, even if Kai leaves the customs, he can still kill Kai!

But he did not expect that under the threat of death, none of these people would really give their lives.

"Okay, I'll let him go, I'll go get the key..."

Ning Zhi said helplessly after a glint of light flashed in his eyes.

Chapter 1222: Copper Cymbals_

Kai looked at Ning Zhi coldly and did not speak.

And Ning Zhi turned around and went to another villa to get the key.

When he came to a room, Ning Zhi gently pressed his palm on the wall, and a hidden door opened.

Ning Zhi walked in, and then the door was closed.

In the room, there are a lot of magic tools, spirit treasures, this is the place where Ning Zhi's father, Ning Dahai, hid the treasure.

Ning Zhi didn't come to get the key, but to get the magic weapon and prepare to control Kai with the magic weapon.

Ning Zhi's eyes fell on a cymbal hanging on the wall.

This cymbal is the most precious magic weapon in Ning Dahai. It is said that this cymbal was used by a powerhouse at the peak of Wuhou.

After hundreds of years, the powerhouse at the peak of Wuhou has not been able to break through.

Finally died of depression.

However, he sealed a wisp of Wuhou's peak power in this cymbal.

Such power is enough to kill everyone in the Kyoto martial arts world in seconds.

But this cymbal can only be used once.

After Ning Dahai got this magic weapon, it has always been regarded as the treasure of the town house. With this thing, no one dared to provoke the Ning family easily.

"Kai, this time, I will definitely let you die without a corpse..."

Ning Zhi's eyes flashed coldly, and he reached out and took off the cymbal.

At this moment, Ning Zhi has completely disregarded the consequences!

Putting the cymbal in his arms, Ning Zhi walked out of the secret room and then walked towards Kai.

"Have you got the key?"

Kai looked at Ning Zhi and asked.

"I got it, you're optimistic..."

Ning Zhi stretched his hand into his arms, and then took out the cymbal.

When the cymbals appeared, an extremely powerful and simple atmosphere was exuded.

When this breath dissipated, Kai's brows instantly wrinkled!

Everyone was surprised when Ning Zhi took out the cymbal.

"This...is this the treasure of the Ning family's house?"

"It should be, I've heard of it, but I haven't seen it before. This aura is too powerful."

"What kind of magic weapon is this? I've never felt it before!"

"It's too terrifying, it's more powerful than the fifth-grade Marquis."

Everyone was talking.

And Kai's face changed slightly, and he instantly exerted the spiritual power in his body to the extreme.

In the dragon crystal, the power of the dragon continued to spread, wrapping Kai's whole body.

The undamaged golden body cannot be used now, and Kai has to rely on his own body to resist the next attack.

And this unknown aura made Kai feel the danger in his heart.

Because this breath is too fast and powerful.

Seeing Kai like that, Ning Zhi smiled proudly: "Kai, this cymbal contains the peak power of Marquis Wu. If you want to kill you in seconds, you will be left with no slag!"

Kai listened to this. , his face became even more ugly.

Although he knew that the power contained in the magic weapon, even the power of the peak of Wuhou, would never reach the true strength of the peak of Wuhou.

But even if you can't reach the peak of Wuhou's strength, it's easy to kill yourself in seconds!

Kai's body was wrapped by the power of the dragon, emitting a faint light!

"Kai, you kneel down and kowtow to me now, admit your mistake, hand over all your treasures, and I may spare your life!"

Ning Zhi looked at Kai and said, "I am a cherished talent, you are a genius, just It's such a pity to die like this!"

Ning Zhi was not a pity that Kai died, but was afraid that a blow from the peak power of Marquis Wu would damage all the treasures on Kai's body.

Especially the town magic tower, that is simply a rare treasure.

With the Suppression Pagoda, it is more effective to practice with less effort, and Kai is a living example.

Ning Zhi thought that if Kai didn't have the Demon Suppression Tower, it would not have been possible for his strength to grow so fast.

"Kneel down and admit your mistake?" Kai smiled coldly: "Are you worthy of this?"

Kai burst out with fighting intent, even in the face of Wuhou's peak power, Kai would never compromise.

"If that's the case, then let's die..."

Ning Zhi didn't talk nonsense.

His fingers were lightly placed on his forehead, and a drop of blood essence dripped, and then dripped onto the cymbal.

In an instant, the unremarkable copper cymbal radiated light for a while, and bursts of extremely terrifying murderous intent spread out from the copper cymbal.

Feeling the pervading murderous intent, Kai gritted his teeth and maximized the power of the dragon.

In the face of such a magic weapon, Kai did not dare to be careless.

Looking at Kai like that, Ning Zhi raised his mouth slightly: "It's useless, in front of my magic weapon, you are not even as good as ants."

Come on, Ning Zhi threw the cymbal in his hand towards Kai.

Soon, the cymbals became larger in mid-air, and rays of light emanated from the cymbals, shining directly on Kai's body.

In an instant, murderous intent filled the air, and everyone looked at it in astonishment.

Kai gritted his teeth and looked at the cymbal that was pressed towards him, Kai punched it out.

"Holy Light Fist..."

A golden light burst out from Kai's fist.

Hit the cymbal directly and savagely.

It's a pity that this punch didn't see the slightest change on the cymbal.

Rumbling.....

The brass cymbal directly pressed Kai inside.

And within the cymbals, the power of killing one after another continuously passed over Kai's body.

"The treasure of the Ning family's house is so powerful that Kai has no room to resist."

"No, Kai was so arrogant at the beginning, so many of us are not afraid, and now he is directly suppressed inside."

"Wait . Wait and see, in less than a quarter of an hour, Kai is estimated to have become a piece of meat!" When

everyone saw that Kai was suppressed, they all breathed a sigh of relief and discussed in a low voice.

Ning Zhi looked at the cymbal and felt distressed, the mana of this cymbal can only be used once.

So after this time, this cymbal has become an ordinary thing, not a magic weapon.

It's just that people from other sect families don't know about this.

Now seeing that the Ning family still has such a powerful magic weapon, they all became more loyal to the Ning family.

"Everyone, I was disturbed by Kai today. Let's move to other villa halls, and the banquet will continue..."

Although these sect families just fought against Kai, they all had the intention of retreating.

But Ning Zhi couldn't take this to get angry. After all, these people had just joined the Ning family, so Ning Zhi wanted to win over these people.

However, just when Ning Zhi was about to take people to other halls to continue the banquet.

Suddenly there was a sound in the cymbal!

Boom...boom...boom...

Kai seemed to be in the cymbal and began to struggle desperately.

"What sound, is that Kai still resisting?"

Someone looked at the cymbal.

"Don't worry, no matter how much he resists, he won't be able to break free. After ten minutes, he will become a jerk."

Ning Zhi said without any worries.

"This Kai is too perverted. It doesn't matter if he can't break his golden body. His body is also so strong."

"If it is an ordinary Wuzong, I'm afraid he won't be able to stay in this cymbal for two minutes."

"Only It's a pity that Kai is stubborn, if he can bow his head and join the Ning family, we people will have the power to fight with the martial arts alliance."

Everyone was discussing, regretting...

But just as people were discussing, the cymbals The voice inside got louder and louder.

Not only was there a sound, but the cymbals actually appeared one after the other.

It's like being smashed out from the inside.

This time, everyone was stunned.

And Ning Zhi's face became even more ugly.

At this moment, Ning Zhi couldn't express his feelings in his heart.

If Kai can really break the cymbal, Ning Zhi's face will be beaten.

And other people are even more afraid to confront Kai.

Just when everyone was watching.

Suddenly there was a deafening sound.

The cymbal directly broke a gap, and then Kai walked out slowly.

At this moment, Kai had a golden light flashing on his chest.

In Kai's body, a dragon could faintly be seen circling.

Kai's body has no intact parts, and he is full of scars!

"This...how is this possible?"

Ning Zhi looked at him in disbelief.

The others were also shocked and stepped back.

The power of Wuhou Peak could not kill Kai.

What else can they do?

Kai looked at Ning Zhi with scarlet eyes, even though Kai was already scarred and sluggish at the moment, the killing intent on his body never diminished in the slightest.

"Long Jing, it's really a good thing. It can resist the power of Wuzong's peak."

"But even if you are still alive, you have no ability to resist. Now I can kill you with one finger!"

"You don't have to . Afraid, look at what he looks like now, what else is there to be afraid of."

Ning Zhi said to the crowd.

This time, everyone regained their confidence and stood behind Ning Zhi.

"This Kai is just the end of the shot, I will kill him!"

At this time, a noble family head shouted angrily and walked towards Kai.

This is an opportunity to make a name for himself. Who can kill Kai, if this is spread out, it will definitely increase his popularity.

And this is what the family head thinks.

Kai is now at the end of the shot, and can be killed with just one palm.

He didn't want to miss this opportunity.

I saw the aristocratic patriarch jumped high and slapped Kai with a palm.

Kai looked at the man coldly, and suddenly his eyes flashed coldly, and the looming golden dragon on his body began to become clear.

Then, a dragon roar sounded!

The golden dragon soared into the sky.

They collided directly with the noble family head.

No violent explosions, no loud noises.

The golden dragon seemed to penetrate the body of the aristocratic family head.

Then, the patriarch of the aristocratic family fell heavily from the air.

Blood spurted out, and even the internal organs ran out.

And the golden dragon around Kai's body is getting lighter and lighter and slowly disappearing.

At this moment, Kai's aura was extremely sluggish!

The Dragon Slaying Sword in his hand was firmly planted on the ground, which could support Kai to stand.

Although Kai looks weak, no one dares to try!

The corpse of the aristocratic family owner was still lying on the ground.

No one wants to take this risk!

For a while, the two sides fell into silence and stalemate.

Ning Zhi looked at Kai gloomily, his eyes full of greed.

Whether it's the Demon Suppression Tower or the Dragon Crystal in Kai's body, it's a rare treasure.

If you get any one, you will be able to improve your strength by leaps and bounds!

At this moment, Ning Zhi, although he didn't dare to take the risk and stepped forward to test Kai, he immediately thought of a person.

After summoning a servant, Ning Zhi whispered a few words in the servant's ear.

The servant left in a hurry.

After a short time, the next person returned, but brought a person behind him.

The person who brought it was Dong Liqun, the head of the Dong family!

When Dong Liqun saw the tragic situation at the scene, after seeing Kai's embarrassed appearance, his face was full of surprise.

Chapter 1225

"Master Ning..."

Dong Liqun walked in front of Ning Zhi and shouted respectfully.

Seeing this scene, Kai's eyes were full of incredible.

In any case, the Dong family and the Ning family are both big families in Kyoto, and they are also on an equal footing.

Besides, Dong Liqun's seniority is also higher than Ning Zhi, so he shouldn't be so respectful to Ning Zhi.

"Go kill that Kai, remember to keep the whole body, he still has what I want!"

Ning Zhi ordered to Dong Liqun.

Dong Liqun was stunned for a moment, then slowly looked at Kai with a complicated expression on his face.

"What? You want to disobey my order?"

Ning Zhi saw Dong Liqun's hesitation, and his face became cold: "Don't forget your current identity."

Ning Zhi's words were arrogant. What he needs now is to be in front of many aristocratic families, showing their rights.

The Dong family, a wealthy family in Kyoto, are so obedient, how can other families dare not to obey.

The anger in Dong Liqun's heart was rising, but because Dong Jiahao was in Ning Zhi's hands, Dong Liqun didn't dare to say anything, so he could only swallow his voice.

"Don't dare!"

Dong Liqun was very obedient, and after speaking, he slowly walked towards Kai.

Kai looked at Dong Liqun with surprise.

He couldn't believe that the head of the Dong family would surrender to a junior like Ning Zhi.

"Kai, don't blame me, I have no choice but to!"

"When you go to hell, I will burn you some paper money."

After Dong Liqun finished speaking, his breath exploded!

Marquis Wu's aura burst out, but it was not something that Wu Zong could compare with.

Feeling the breath of Dong Liqun, Kai's heart sank!

He knew that he was doomed.

If he was not seriously injured, he might be able to fight with Dong Liqun.

There are even many who almost defeated Dong Liqun. After all, Kai's strength has increased dozens of times.

But now, let alone Marquis Wu, even an ordinary master could kill Kai.

Looking at Dong Liqun in front of him, Kai slowly closed his eyes, waiting for death to come!

Dong Liqun raised his palm slowly, he didn't want to shoot, because he knew that after he killed Kai, if Dong Jiahao knew, he would never forgive him.

But if he didn't do it, then Ning Zhi would definitely not let his son go, Dong Liqun had no choice.

He never thought that he would be reduced to this point.

Maybe this is God's retribution for him!

"Kai, do you have any last words?"

Dong Liqun raised his palm, did not drop it for a long time, and said to Kai.

"Let's do it..."

Kai didn't open his eyes, and his last words were meaningless.

"Hurry up..."

Ning Zhi frowned and shouted loudly.

Dong Liqun had no choice, a faint white mist flickered on his palm, and then he slapped Kai's head with his palm.

The howling wind rang in Kai's ears.

Kai knew that he was going to die soon.

But just when Dong Liqun's palm was about to slap Kai's head, suddenly an unquestionably comparable energy hit.

Kai opened his eyes, but found that Dong Liqun in front of him flew upside down like a kite with a broken string.

This time, everyone's eyes widened in shock.

You must know that Dong Liqun is Marquis of Wu.

A Marquis of Wu was so easily repulsed.

"Who is it? Get out?"

Ning Zhi roared with an ugly face.

"Is the current martial arts world so rampant? Don't take our officials seriously!"

Slowly, Mr. Shi walked out, followed by Zao Wou-Ki.

Seeing that Mr. Shi was here, everyone was shocked.

"I didn't know it was Mr. Shi, please forgive me..."

Ning Zhi was crazy, but in front of Mr. Shi, he didn't dare to have the slightest temper.

He quickly lowered his posture and said.

"Mr. Shi..." The heads of the aristocratic

sects all shouted respectfully.

What sect family, in front of the official, is nothing.

Zao Wou-Ki looked at Kai's tragic state and hurriedly stepped forward to support Kai!

At this moment, Kai was relieved, and a mouthful of blood spurted out.

"Mr. Chen, Mr. Chen..."

Zao Wou-Ki looked panicked!

"Don't worry, he won't die..."

Mr. Shi said lightly after taking a look at Kai.

"Pavilion Master Zhao, I'm fine!"

Kai smiled at Zhao Wuji.

"Mr. Shi, Kai broke into my banquet and killed my Ning family. I'm going to teach him a lesson!"

Ning Zhi looked at Mr. Shi and said humbly.

"I'll take them away and let everyone else get out of the way..."

Mr. Shi said calmly.

Ning Zhi frowned when he saw that Mr. Shi was going to take Kai away.

You must know that Kai is now a lamb to be slaughtered. If Kai is released at this time, I am afraid there will not be such a good opportunity in the future.

"Mr. Shi, this Kai destroyed my Ning family villa and killed my Ning family members, you just take him away like this, I..."

Slap!

Before Ning Zhi finished speaking, he felt a strong wind blow, and then he fell heavily to the ground.

Mr. Shi looked at Ning Zhi with a cold face, and his eyes were slightly condensed: "You didn't hear what I said?"

Ning Zhi slowly got up, his face full of horror!

The other members of the sect family were so frightened that they didn't dare to breathe.

No one could see how Mr. Shi made his move, but Ning Zhi was directly swept away.

"I heard, everything is arranged by Mr. Shi!"

Ning Zhi did not dare to refute in the slightest.

"Let's go!" Mr. Shi said to Zao Wou-Ki.

Zao Wou-Ki hurriedly supported Kai and planned to leave.

But Kai broke free from Zao Wou-Ki, then shook his head and said, "Today I have to rescue the four villains, or I will die here."

"Mr. Chen, in your current situation, where are these people's opponents, leave first. Let's talk about it!"

Zao Wou-Ki persuaded Kai.

"If I don't rescue them, I won't leave, even if I die..."

Kai's eyes were firm.

Zao Wou-Ki looked at Mr. Shi helplessly.

Although Mr. Shi's face was displeased, he still turned to look at Ning Zhi.

"Where are the four villains?"

Mr. Shi asked lightly.

Ning Zhi hesitated for a while, but finally said, "Locked up in the dungeon!"

"Take me there and let them all go..."

Mr. Shi's tone was tough, which was an order.

Ning Zhi nodded, he did not dare to go against Mr. Shi's wishes.

Even if their Ning family is in cattle, they are not official.

Ning Zhi took Mr. Shi and Kai to the dungeon!

The Ning family's dungeon was very dark, and the four wicked men were locked inside.

Everyone gets a clavicle with a special hook that prevents them from escaping.

In the next room, Dong Jiahao was locked.

After being locked in the dungeon for this period of time, Dong Jiahao's hair was disheveled and his expression became much duller.

"Son..."

Dong Liqun burst into anger when he saw that his son was locked in the dungeon by Ning Zhi and turned into this state!

"Ning Zhi, I fucking killed you, how did you promise me?"

Dong Liqun burst out with killing intent, and slapped Ning Zhi with a palm.

Dong Liqun always thought that Ning Zhi just put Dong Jiahao under house arrest, but in terms of food, clothing, housing and transportation, it should not be too harsh.

But who knows, this Ning Zhi actually locked Dong Jiahao in the dungeon.

Ning Zhi panicked, and quickly retreated!

As soon as Dong Liqun made his move, Mr. Shi waved his palm, and Dong Liqun was instantly controlled by the wall, unable to move.

You must know that Dong Liqun is Marquis of Wu, and in front of Mr. Shi, he is so unbearable!

It can be seen how strong this Mr. Shi is.

"Is this when I don't exist? Whoever dares to do it again, don't blame me for being ruthless!"

After Mr. Shi finished speaking, his energy recovered, and Dong Liqun fell to the ground.

Chapter 1227

Everyone looked at Mr. Shi and didn't dare to let out the air.

Dong Liqun got up, and opened the iron gate in front of him with one palm, saving Dong Jiahao.

Seeing Dong Liqun, Dong Jiahao burst into tears.

During this time, he did not know how much he suffered!

At this moment, Kai looked at the four wicked men who were suspended in midair like an animal, and the anger in his eyes was burning.

Kai slowly grabbed the iron gate and fence in front of him with both hands.

Immediately afterwards, a faint blue flame began to burn.

The hard iron fence began to slowly melt.

Kai's eyes were scarlet, and he gritted his teeth, using the last bit of spiritual power in his body that could be mobilized.

When the door was opened, Kai spat out a mouthful of blood!

"Mr. Chen..." The

four villains all exclaimed when they saw Kai spit out blood.

Zao Wou-Ki stepped forward to help Kai, but Kai waved his hand to stop him.

Dragging his extremely tired body, Kai stepped forward and rescued the four evil men from the iron hook.

Freed from the iron hook, the strength of the four villains instantly recovered.

Ding Bubu stepped forward to support Kai, his eyes full of shame and said: "Mr. Chen, I'm sorry..."

Kai looked at the two blood holes on the shoulder armor of the four villains, his eyes full of self-blame.

They suffered so much because they protected him.

Ding didn't see the self-blame in Kai's eyes, so he immediately said: "Mr. Chen, this little injury on our bodies is nothing, but you are too weak now!"

"Mr. Chen, our four brothers, what is the scene? It's all gone, this injury is nothing!"

Ding Busan said carelessly.

"Let's go!"

After Kai finished speaking, he was supported by Ding Dabu and walked out slowly.

When passing by Ning Zhi, Kai suddenly stopped and looked at Ning Zhi fiercely:
"Remember, within ten days, I will make your Ning family disappear..."

After speaking, Kai glanced at Ning Zhi. He glanced at the people from the sect family behind Ning Zhi: "And you, all the people who belong to the Ning family are going to die..."

Ning Zhi narrowed his eyes and stared at Kai, but he didn't say a word. Instead, he finally looked at Mr. Shi and said, "Mr. Shi, Kai, in front of you, threatens me like this, isn't it too disrespectful to you?"

"Kai, if you dare to make trouble in Kyoto, don't blame me. Take you to the Heavenly Prison..."

Mr. Shi said with a serious face.

Kai did not speak, but turned around and walked out of the dungeon.

Dong Liqun also walked out with Dong Jiahao.

When leaving the Ning family, Dong Liqun's eyes were filled with ferocity and murderous intent.

This time, the Dong family and the Ning family will be deadly enemies.

"You should leave the capital recently. I can't protect you all the time."

"If I didn't show up today, you would be a corpse now."

"Your strength is really good, but you are not enough to challenge many families. The point!"

After leaving the Ning family, Mr. Shi said to Kai.

Kai did not speak, his eyes still had killing intent, and it seemed that the Ning family would not be destroyed, and he probably would not leave the capital.

Seeing Kai like this, Mr. Shi shook his head and left.

Kai followed the four villains back to the Valley of the Villains.

And Kai asked Zhao Liguo to directly relocate the entire Wuying Villa to the Valley of the Wicked.

In this fierce battle in the Valley of the Wicked, there were almost no casualties.

Kai decided to rebuild the Valley of the Wicked. In addition, Shadowless Villa is in Kyoto, criss-crossing with the forces of the major families, and it is easy to be attacked!

Relocating Shadowless Villa to the Valley of the Wicked is better geographically and safer.

There is also Shadowless Villa and the Valley of the Wicked, which are both a hall of the Tianlong Temple, and it is not inappropriate to merge them together.

Chapter 1228

Three days later!

With the blessing of the Demon Suppression Tower, Kai's injury has been healed, and the spiritual power in his body is also full of incomparable!

The four wicked men were all arranged by Kai to enter the Demon Tower for training and healing!

However, the healing speed of the four villains is much slower than that of Kai.

It would take at least ten days and a half for the four of them to recover to their peak.

When Kai came out of the Demon Suppression Tower, he found that Zhao Chuang led people around him.

These tower guards are all the most elite people in Shadowless Villa.

"Brother Chen..."

Seeing Kai coming out, Zhao Chuang hurried up to meet him.

"Zhao Chuang, how long have I been in the tower?"

Kai asked Zhao Chuang.

Inside the tower, he had no way of estimating the time.

"Three days, I didn't expect your body to recover so well in three days!"

Zhao Chuang said, looking at Kai.

Kai was also a little surprised. He did not expect that within three days, his body would recover, and his spiritual power became extremely full.

"You practice well in the valley, I'll go out..."

Kai patted Zhao Chuang on the shoulder and said.

"Brother Chen, what are you going to do?"

Zhao Chuang asked in confusion.

Kai's eyes showed killing intent: "I will destroy the Ning family and avenge the dead brother..."

After speaking, Kai walked out.

"Brother Chen, it's too dangerous for you to go alone. I'll go tell my dad and let him take someone with you!"

Zhao Chuang said to Kai quickly.

"No, you stay in the valley, no one can leave."

After that, Kai disappeared in the valley.

Kai was dressed in black with a black hat on his head.

If you don't look closely, it's hard to tell it's him.

When Kai went to the boundary of Kyoto, the cold light in his eyes flashed instantly.

When Kai stepped into the capital, the first thing he did was to call Zao Wou-Ki.

He and Zao Wou-Ki asked for all those sect families that were attached to the Ning family.

Kai said that he was going to destroy the Ning family!

And those sect families that were attached to the Ning family also belonged to the Ning family's forces.

Although Zao Wou-Ki didn't know what Kai was going to do, he still gave Kai the list.

Looking at the sect families on the list, the killing intent on Kai rose!

Xuanyang Sect is a small sect in Kyoto!

The Yang Sect Master of Xuanyang Sect is only a sixth-rank martial sect.

Many times, Xuanyangzong applied to join the Martial Arts Alliance, but because of insufficient conditions, he was not able to join.

Such small sects are all over the capital, so Xuanyang Sect hopes to find a backer.

Only in this way can I live in Kyoto safely.

Since he could not join the Martial Arts Alliance, Xuanyang Sect chose to be attached to the Ning family when the Ning family had a great reputation.

And that night, Sect Master Yang of Xuanyang Sect was in his room, sleeping with his newly married concubine.

But in the sect, a black shadow has entered!

Soon, the entire Xuanyang Sect was mourning, and the fire was soaring into the sky!

Sect Master Yang of Xuanyang Sect was also awakened and walked out with a weapon inside.

When he saw the corpses all over the ground and the entire sect was almost slaughtered, he was stunned.

"Who are you?"

Sect Master Yang roared as he looked at the man dressed in black in front of him.

And Kai slowly turned around after killing the last disciple of Xuanyang Sect...

When Sect Master Yang saw Kai, he was shocked.

"Chen...Kai?"

Sect Master Yang showed panic in his eyes!

When Kai was besieged that day, he was also there.

Kai looked at Sect Master Yang coldly, waved his hand, and a strong wind rushed out!

Sect Master Yang's head was chopped off by the strong wind.

Kai slowly bent over and lifted the head up. At this moment, in Kai's eyes, he could not see the slightest emotion.

Like a killing machine!

Just one night!

Six sect families in Kyoto were destroyed!

Without exception, these sect families are all attached to the Ning family.

In Kyoto, everyone dared to do this and had a clear goal. Everyone immediately pointed the finger at Kai.

"This Kai is really a man. It's only been three days, and he has returned with revenge!"

"This time, it is estimated that the Ning family will have a headache."

"Let's wait and see today, many sect families will issue statements, Leaving the Ning family!"

Everyone was talking about it!

And at this moment, in the Ning Family Hall!

Ning Zhi's face flushed with anger, and he smashed the coffee table in front of him with one palm.

Ning Zhi's whole body was trembling with anger. He didn't expect that the Ning family, which was so beautiful a few days ago, became a joke at this moment!

Even though Ning Zhi's mind was meticulous and he didn't like it, he was mad at the moment.

"Go and call back all the middle and high-level members of the Ning family. Then Kai will definitely come here. I will wait for him here. This time even if the king of heaven comes, I will kill him!"

Ning Zhi gritted his teeth. .

Soon, the middle and high-level powerhouses outside the Ning family were all called together again.

These are the main forces of the Ning family, but now that they are all called back, the forces outside the Ning family will definitely be affected.

This time the meeting was different from the past, because there were a few more people wearing black clothes and covering their faces with black scarves at this meeting.

When they saw these people, the heads of the major families were all slightly taken aback.

Because in the Martial Arts Alliance, I have never seen these people before.

"I called you here today to talk about Kai. Have you heard about what happened last night?"

Zhu Zhishan asked slowly.

"I heard that Kai destroyed six sect families overnight, all of them attached to the Ning family."

Someone replied.

"This Kai's courage is indeed beyond my expectations. The more this guy is like this, the more we have to treat it with caution!"

"Especially Mr. Shi, who has been taking special care of this Kai!"

"If it weren't for Mr. Shi Come forward, Kai has long since died in the Ning family!"

"It seems that we want to deal with Kai, and we have to come up with a foolproof strategy, so that Mr. Shi can't grab the handle!"

Zhu Zhishan said with a slight frown.

"Let's just send someone to assassinate Kai. Who can find out?"

said a family owner.

"How can it be so easy, don't take the official so badly, maybe Mr. Shi can see our every move!"

Zhu Zhishan said.

"Then what should we do? Send someone to challenge Kai? But now the younger generation, there are very few people who can compete with Kai."

"If we old guys come forward to challenge, then we will become the entire martial arts world. It's a joke."

Long Jingguo asked.

"Of course there is a way, we can't come forward to kill him, but someone can come forward..."

After Zhu Zhishan finished speaking, he glanced at a few men in black, and said slowly, "These people are here to deal with Kai, so you need to cooperate with them and provide information!"

The patriarchs of several big families Looking at the man in black in front of him, they looked at each other, wanting to say something, but no one said anything.

"I wish the alliance leader, who are these people? They won't be evil cultivators, right?"

Long Jingguo asked.

None of them expected that Zhu Zhishan would so happily admit that these people were evil cultivators.

And don't hide it from them!

"I wish the alliance leader, what do you mean? Don't you know the consequences of colluding with the evil cultivator?"

"If this is known to the authorities, we will all be out of luck!"

Long Jingguo said solemnly.

"Do you think we won't be unlucky if the officials don't know about it?"

Zhu Zhishan snorted coldly: "Let me tell you, now the entire Kyoto martial arts world is going to be reshuffled. It won't take long for many aristocratic sects They will all disappear!"

"And those evil cultivators and masters who are hiding in the dark will slowly surface!"

"Don't be naive to think that those evil cultivators have really been eliminated, in fact, they are all hidden in the dark. You can even hide it beside you and me."

"Mr. Shi condones Kai so much now, and a large part of the reason is that he wants Kai to muddy the water in the martial arts world, and then the officials will use trumped-up charges to punish us people. All at once!"

"We can only do it first, let these evil cultivators kill Kai, and Mr. Shi will not suspect us at that time."

Zhu Zhishan's words made several patriarchs fall into contemplation.

"I wish the alliance leader, that day, the sect master of the evil gate, the Tibetan Qing, was also sent by you to kill Kai?"

Long Jingguo remembered that some time ago, on the high-profile road, the Tibetan Qing who wanted to kill Kai came.

These evil cultivators are all hidden in the dark, who follow Kai without any grievances, but suddenly show up in a high-profile manner and want to kill Kai, there must be someone directing him!

"Yes, I ordered it!"

Zhu Zhishan nodded: "It's just that this guy is too weak to be killed by Kai."

Several patriarchs looked at Zhu Zhishan in surprise, wondering what kind of ability Zhu Zhishan had. Can command those evil repairers.

"I wish the alliance leader, who are you? Why do those evil cultivators listen to you?"

Long Jingguo asked his own question.

"You don't need to ask about these, you just need to remember that we are grasshoppers on a rope now, and no one can run away. Since I chose Gao to tell you this, I'm not afraid of your nonsense, understand?"

Zhu Zhi After Shan finished speaking, behind Zhu Zhishan, a terrifying aura suddenly enveloped the entire conference room.

Feeling this breath, whether it was Long Jingguo or the other patriarchs, their eyes were wide open and their faces were full of horror!

They have never felt such a powerful breath!

This time, Ning Zhi was also considered to be breaking the boat, exposing all the forces of the Ning family.

It is this exposure that shocked many people in the Kyoto martial arts world!

They didn't expect the Ning family to secretly cultivate so many masters.

However, according to Ning Zhi's temperament, secretly cultivating power is also in line with his character.

Ning Zhi waited for Kai for a whole day, but Kai did not appear.

Not only Ning Zhi, but also other aristocratic families in the martial arts world of Kyoto are waiting for Kai to appear in the Ning family!

No matter who wins or loses, these people are just hilarious!

But they were all disappointed, Kai didn't show up at Ning's house!

"Is this Kai cowardly? Why didn't you go to the Ning family?"

"The Ning family suddenly revealed such a strong strength. I think that Kai ran away."

"No one thought that the Ning family would develop secretly. With such great strength, there are more than ten Marquis in just half a step."

After waiting for Kai for a day, Kai didn't come, and Ning Zhi was a little tired.

"Who is it? Crowding into Ning's house at night?"

At this moment, an angry shout from outside woke Ning Zhi up.

Ning Zhi suddenly opened his eyes, and his body rushed out quickly.

Under the moonlight, Ning Zhi saw Kai at a glance.

And in Kai's hand, there are several heads, all of which Kai killed last night.

Everyone is attached to the Ning family.

"Kai, you are still here, I've been waiting for you for a day!"

Ning Zhi's eyes narrowed slightly.

"Of course I will come. I said that if I want to kill you, I must kill you..."

Kai threw the head in his hand directly at Ning Zhi's feet.

Ning Zhi's eyes flashed coldly, but he didn't even look at the dead people.

These aristocratic sects attached to their Ning family were no different from dogs to Ning Zhi.

Only a few dogs died, Ning Zhi would not be moved by this!

At this moment, the Ning family was already brightly lit, and Kai was directly surrounded.

"Kai, you are too crazy, don't think that if Mr. Shi protects you, you can be unscrupulous!"

"Today even if the king of heaven comes, I will kill you, this time I called a dozen half-step Wuhou, I see how you can escape..."

Ning Zhi looked at Kai coldly and said.

The corner of Kai's mouth was raised, and his eyes were full of contempt: "If I kill you today, even a dozen half-step Marquis will not be able to stop it..."

"Hmph, shameless..."

Ning Zhi finished speaking and turned towards the Ning family. Those masters winked.

In an instant, more than a dozen half-step Wuhou masters burst out with horrified auras.

"Kai, you kneel on the ground now and hand over the treasure. I may make you feel better..."

Ning Zhi was still thinking about the treasure on Kai's body.

"As I said, you are unworthy, you will never be!"

After that, Kai's golden light began to permeate his whole body.

A terrifying aura also radiated from Kai's body.

Feeling the breath on Kai's body, Ning Zhi frowned slightly.

He did not expect that Kai, who was seriously injured, would be able to recover in such a short period of time.

This is simply too perverted.

"Go ahead, arrest him for me..."

Ning Zhi did not order Kai to be killed, but wanted to arrest Kai.

He needs to get all the treasures on Kai's body in order to let Kai die.

Especially the dragon crystal, that is what Ning Zhi has always dreamed of.

And in Ning Zhi's opinion, that Long Jing should have been his own.

The two half-step Wuhou looked at each other, and then jumped up, the energy in their hands was pushing Kai away.

boom!

The two energy roared out, and the strength of the half-step Wuhou was extraordinary.

"Two people dare to shoot..."

Kai snorted coldly, his fists flickered with golden light, and the power of the dragon was condensed on his fists.

"Holy Light Fist..." As soon as

Kai shot, it was Holy Light Fist.

In the face of so many masters, Kai despised each other, but it did not mean that Kai would be really careless.

boom!

Kai's fists and two golden beams shot out, and the fist wind burst, colliding with the two masters of the Ning family.

Almost at the moment of the collision, the bodies of the two masters of the Ning family were instantly blown away.

And Kai's figure just swayed.

"How is that possible?"

Ning Zhi's face was full of astonishment.

It seems that Kai's strength is more than half a step Wuhou?

Could it be that Kai is already in the realm of Marquis of Wu?

Ning Zhi couldn't believe it, he didn't believe Kai's strength had improved so fast!

After Kai kicked back the two masters of the Ning family, the golden light on his body became even stronger, and his eyes were full of killing intent.

"Let's go together..."

After saying that, Kai jumped up and bombarded Ning Zhi.

This time, the masters of the Ning family blocked it together, and no one dared to despise Kai.

In an instant, the sky was dark and the earth was dark, and rays of light blasted towards Kai.

Kai was not in a hurry, relying on his undamaged golden body, Kai not only blocked the attacks of these people.

Even if one fights ten, Kai has no fear at all.

At this moment, he became more and more brave, and the breath of his body continued to erupt.

More than a dozen half-step Wuhou masters joined forces, but Kai couldn't do anything for a while.

In the end, the dozen or so half-step Wuhou all sacrificed their magic weapons and wanted to use them to smother Kai.

It's a pity that they were wrong. Even Ning Zhi's copper cymbal, which had the power of Wuhou's peak, could not restrain Kai.

As soon as Kai stretched out his hand, he held the Dragon Slaying Sword tightly in his hand, and the Dragon Slaying Sword was burning with flaming flames.

The Dragon Slaying Sword in Kai's hand swung out.

A fire dragon roared out.

And the magic tools of the masters of the Ning family, under the fire dragon, instantly cracked.

"Come on, let me go together..."

Ning Zhi roared, letting everyone go together.

More than a dozen half-step Marquis, plus those at the peak of Wuzong, besieged Kai together.

Kai's eyes were red and he held the Dragon Slaying Sword, like an undefeated god of war.

Kai was already covered in blood, and he couldn't tell whether it was his own or the enemy's.

However, although Kai is very brave, but under the siege of so many Ning family masters, Kai began to show a decadent trend!

Seeing that Kai had already shown his defeat, a smile appeared on Ning Zhi's mouth.

"Kai, you came to die yourself, no wonder I."

"You are so arrogant, you dare to break into my Ning's house alone..." Ning

Zhi looked smug.

Kai looked at Ning Zhi, gasping for breath, but with a calm smile on his face.

"Who said I came alone?"

Kai said slowly.

Ning Zhi was stunned, looked around randomly, and found that there was no one else.

But just as Ning Zhi was about to speak, there was a sudden sound of footsteps.

"Kill..." A

burst of deafening shouts of killing came.

Then dozens of people rushed into the Ning family's villa!

And these people are led by Dong Liqun of the Dong family, and Dong Jiahao is also among them.

The people who rushed in were all from the Dong family.

"Brother Kai..."

When Dong Jiahao saw Kai, he immediately walked over with his sword, and several Dong family masters tightly protected Dong Jiahao.

At this time, Dong Liqun also came over, and when he saw Kai, Dong Liqun looked a little embarrassed.

He didn't know how to follow Kai.

"Patriarch Dong, thank you..."

Seeing Dong Liqun, Kai also expressed his thanks.

"Mr. Chen, don't be like this, you are like this, I'm even more ashamed..."

Dong Liqun looked ashamed.

And Ning Zhi looked at everything in front of him, his face became very ugly.

If there is only one Kai, Ning Zhi has absolute confidence to kill Kai.

But now Dong Liqun brought people from the Dong family. Besides, Dong Liqun was Marquis of Wu. With Kai added, the people of the Ning family were not necessarily opponents.

Ning Zhi did not expect that Kai would bring the Dong family.

It turned out that Kai did not come to Ning's house recklessly. After knowing that Ning Zhi was anxious for many masters, Kai went to Dong's house.

He hoped that the Dong family could come forward to help him.

So Kai took advantage of this and went to the Dong family during the day, and Dong Jiahao was in it, so Kai and the Dong family soon reached a cooperation.

They joined forces to destroy the Ning family, just to avenge each other.

Although Kai is reckless at times, it does not mean that he is stupid.

"Ning Zhi, how did you treat me, today I want to repay it a hundredfold..."

Dong Jiahao looked at Ning Zhi with murderous eyes.

Ning Zhi's face was gloomy, and he gritted his teeth tightly, as if thinking about something.

"Kill me..."

Dong Liqun was full of anger for a long time. As the head of the Dong family, he was tricked by the junior Ning Zhi, and he lost face in front of many sects and aristocratic families!

This is something Dong Liqun cannot tolerate. This time, the Dong family has become the laughing stock of everyone in the martial arts world.

Today he is going to get his face back.

After an angry shout, everyone in the Dong family shouted in unison and killed the people in the Ning family.

On the other hand, Dong Liqun himself rose up violently, killing a half-step Marquis of the Ning family as soon as he made a move!

After all, there was an insurmountable gap between Marquis Wu and Marquis Banbu.

Seeing this, Ning Zhi's heart trembled: "Follow me, give me everything..."

Soon, several experts from the Ning family surrounded Dong Liqun, while the others started a melee with the Dong family!

Ning Zhi turned around and ran into the distance. He knew that these people from their Ning family would not be able to resist for long.

"Brother Kai, then Ning Zhi is going to run..."

After seeing that Ning Zhi was going to run, Dong Jiahao hurriedly reminded Kai.

Kai held the Dragon Slaying Sword, then jumped up and fell in front of Ning Zhi.

"You want to leave?"

Kai looked at Ning Zhi coldly and said.

Ning Zhi's face was extremely ugly. His current strength was not Kai's opponent at all.

"Kai, my dad is still in retreat. If you kill me now, my dad will definitely not let you go after he leaves."

Ning Zhi moved his father out and threatened Kai.

"You should be glad that your father is in retreat, or I will kill him together..."

Kai's eyes were full of killing intent, and he would not let Ning Zhi go.

Those who died in the Valley of the Wicked, Kai must avenge them!

Ning Zhi looked at the determination on Kai's face and knew what he said, and it was impossible for Kai to let him go.

A viciousness flashed in Ning Zhi's eyes, and suddenly there was a scarlet-black dagger in his hand, and then he stabbed at Kai.

Clang...

A crisp sound, followed by a splash of fire!

Ning Zhi used up all his infuriating energy, and this dagger was made of tungsten steel, extremely hard and sharp.

Unfortunately, when the dagger touched Kai's body, it was directly shaken into two pieces.

Chapter 1234

Looking at the broken dagger, Ning Zhi fell into a panic.

And Kai reached out and slapped Ning Zhi's face.

Snapped!

With a crisp sound, Ning Zhi's body rotated several times in mid-air, and finally fell heavily to the ground.

Kai's slap was so powerful that he almost vented all his anger.

I saw that half of Ning Zhi's face was bloody and bloody, and his bones were exposed, looking very terrifying.

Ning Zhi looked at Kai angrily, gritted his teeth, his eyes were full of anger and killing intent.

Although he knew that his strength was inferior to Kai, he would never bow his head.

Kai held the Dragon Slaying Sword and took it towards Ning Zhi.

Ning Zhi felt the terrifying sword energy and knew that he was doomed today, so he closed his eyes.

Swish!

The sword qi swept across, but Ning Zhi was not dead, but the severe pain in his leg made Ning Zhi cry loudly.

I saw Ning Zhi's legs were bleeding profusely, and his hamstrings were broken.

"Do you think I'll make you die so happy?"

Kai looked at Ning Zhi coldly, his whole being like a hell demon.

"Kai, if you have the ability, you can kill me, otherwise I will never spare you..."

Ning Zhi roared, he is now begging for death, he doesn't want to be fooled by Kai like this!

Kai squatted down slowly, and even stretched his hand directly to the wound on Ning Zhi's leg, and then suddenly exerted force.

A white hamstring with blood was pulled out by Kai.

"Ah..."

Ning Zhi was in pain, his face was pale, and his head was sweating profusely.

At this moment, Ning Zhi almost fainted from the pain.

It's just that Kai pressed Ning Zhi, and a spiritual energy penetrated into Ning Zhi's body, making him unable to faint at all.

Kai held Ning Zhi's hamstring, and then used it to beat Ning Zhi's body violently.

Every time, the skin is opened and the flesh is broken.

Ning Zhi screamed and looked at Kai with panic in his eyes.

He didn't expect that Kai would be so ruthless, he was simply a devil.

"Kai, you killed me, please kill me..."

Ning Zhi screamed and began to soften.

He now only hopes that Kai can kill himself.

"Eldest young master..."

A master from the Ning family rushed over to see Ning Zhi like this.

The palms rolled, and the energy whistled!

"Humph!" Kai snorted coldly.

With a wave of the Dragon Slaying Sword in his hand, a ray of fire blazed out.

Hit the Ning family master directly.

The flame instantly engulfed the master of the Ning family.

The screams sounded, and Ning Zhi watched helplessly as his subordinates were burned to ashes.

Kai tortured Ning Zhi for half an hour. At this moment, Ning Zhi could only breathe in one breath.

Can't see the human at all.

And the masters of the Ning family were almost slaughtered, and the battle was drawing to a close.

"Mr. Shi..."

Dong Liqun hurriedly shouted respectfully after seeing the person coming.

"It's so presumptuous, are you taking my words on your ears?"

Mr. Shi waved his palm lightly, and Kai's body flew out instantly.

No resistance at all.

"Remember, the martial arts world has the rules of the martial arts world, and the rules of the Kyoto martial arts world are made by me."

"If you don't have real skills . , just keep your mouth shut and be honest."

"You leave the capital of the capital now, at least a thousand miles away, if I'm watching you make trouble in the capital during this time."

"Kill Wushe....."

Mr. Shi Although the words were very light, it was extremely shocking to hear Kai's ears.

Kai did not speak, looking at Ning Zhi who was dying in front of him, the Dragon Slaying Sword in Kai's hand trembled slightly.

Dong Liqun was so frightened that he hurriedly left with the Dong family.

"Mr. Shi, why do you want to save that Ning Zhi? And let Mr. Chen stay away from the capital?"

At this moment, Zao Wou-Ki approached Mr. Shi and asked in a puzzled way.

Mr. Shi looked at Ning Zhi, who was dying, and then said, "It's not him that I saved, but Kai."

"If he stays in Kyoto, he will surely die..."

Zao Wou-Ki was stunned, feeling that Mr. Shi seemed to know something.

But he didn't dare to ask any further, there were some things that he should not know at this level.

After Mr. Shi left, some of the remaining servants of the Ning family hurriedly carried Ning Zhi into the room for treatment!

It's just that Ning Zhi's injuries were so severe that even if he didn't die, he was afraid that he would spend the rest of his life in a wheelchair.

As the eldest young master of a martial arts family and the only heir, if Ning Zhi spent the rest of his life in a wheelchair, he might as well die.

The servants were helpless, and in the end they could only wait for Ning Dahai to speak after leaving the customs.

There was only Ning Zhi left in the room, and the pain in his body made him faint several times.

Although he can't move now, the anger in his eyes is still burning.

Ning Zhi shouted, but unfortunately the sound was very weak no matter how hard he tried.

"Do you want to kill that Kai?"

At this moment, an old and distant voice suddenly sounded in Ning Zhi's ears.

"Who? Who is it?"

Ning Zhi hurriedly turned his head and saw a figure slowly appear in the room.

And this figure appeared out of thin air. Ning Zhi tried to open his eyes wide, but he still couldn't see what the figure looked like.

It was as if the person in front of him was not a person at all, but a shadow.

But why does the shadow speak?

"You don't need to care who I am, I can help you heal your body and kill that Kai!"

The figure said slowly.

"Then what do you want me to do?"

Although Ning Zhi was seriously injured, his thinking was not affected. He knew that there was no good thing in the world.

Since this person wants to help him, he must also want to get what he wants.

"Sure enough, it seems that I am looking for you, and I really found the right one!" The

figure smiled lightly: "What I need is your body."

When Ning Zhi heard it, he understood in an instant, but a sense of consciousness could have autonomous consciousness, showing how terrifying the strength of that body was.

"As long as I can kill that Kai for me, I promise you..."

Ning Zhi's eyes flashed viciousness, as long as he can kill Kai, he can do anything.

"Hahaha, don't worry..." The

figure burst out laughing, followed by a flash of white light.

Ning Zhi felt that something had entered his mind.

At this time, the old voice sounded in his mind: "The foundation is good, and with my guidance, you will soon be able to kill that Kai."

"I will heal your body first... .."

Soon, a faint white mist began to emerge from Ning Zhi's body, and the mist enveloped Ning Zhi.

After an hour, the white mist disappeared.

However, the injuries on Ning Zhi's body disappeared, and the whole person seemed to be uninjured at all.

Ning Zhi's face was full of excitement, and he hurriedly got up to check.

Chapter 1237

When Kai continued to walk forward for a certain distance, he suddenly found that the sky was much darker.

There is very little sunlight passing through the branches and leaves. It is obvious that the trees here are going to become tall and lush!

"In the same place, how come the trees here are lush?"

Kai was a little surprised.

After all, it is the same piece of land, and the growth of trees should not be so different.

A wisp of consciousness was released by Kai, and he began to feel the surrounding aura.

Soon, Kai discovered that there was a boulder not far in front. The boulder was more than ten meters high, and in the middle of the boulder, there was a hole more than two meters high!

Kai frowned slightly, but his body speeded up and quickly reached the boulder.

It is clear that there is an open space here, which has been artificially mined.

And the aura here is obviously stronger than other places.

"This stone must be weird!"

Kai looked at the opening of the boulder, and found that it was an ordinary hole. From one end, he saw the other end.

It doesn't seem to be anything special, but in this dense jungle, a boulder suddenly appeared, which is obviously a bit out of common sense.

But just as Kai's consciousness moved towards the boulder, he was directly bounced back by a huge anti-shock force.

"This boulder was actually casted by someone?"

Kai was very surprised.

Looking at the small hole, Kai got in without the slightest hesitation.

But when Kai just got into the hole, the scene in front of him suddenly changed.

I saw a large number of houses stacked with stones appear in front of me.

There are walls all around, and there is a gate tower with the three characters of Red Lotus Palace written on it.

Seeing this scene, Kai realized that this place was covered with illusions!

Ordinary people can't see the red lotus palace when they pass by, and the entrance to the red lotus palace is the entrance of the huge rock.

Passing through the hole, you can break through the illusion and see the Red Lotus Palace.

"This sect is a bit interesting. It is possible to set up such a large illusion formation. It seems that the strength of this palace master is not ordinary..."

Kai thought and walked towards the palace gate.

This place is very full of spiritual energy, and it is a good place for cultivation, so the ancestor of this Red Lotus Palace can choose this place, and his vision is absolutely good.

Just as Kai walked to the door, two girls in purple clothes appeared and stopped him.

"Who are you? Why did you trespass into my Red Lotus Palace?"

one of the girls asked Kai loudly.

And even a girl's breath burst out, her face was gloomy, and her eyes were full of hostility.

Seeing this, Kai hurriedly explained: "I didn't mean to offend, and I hope the two sisters don't take offense. I just came to play and entered by mistake."

"Since it was a mistake, then leave quickly, otherwise we will not You're welcome."

The breath of the two girls locked onto Kai.

And Kai smiled slightly, these two girls, that is, the level of the great master, even if Kai stood still, the two of them couldn't hurt Kai at all.

However, Kai had no intention of conflicting with the two girls, and he also entered other people's territory by mistake. Since people are not welcome, then he should just leave.

"Don't be nervous, you two, I'll leave right away..."

After Kai finished speaking, he turned around and was about to leave!

But just as Kai turned around, a girl in blue suddenly jumped down from the stone wall.

"Wait a minute..." the

girl shouted at Kai.

Kai turned to look at the girl in blue, and asked in surprise, "Is there anything else?"

Chapter 1238

The girl in the blue dress is only in her teens, but she is already in the realm of a great master, which shows that her talent is also extremely good.

"I ask you, is your name Kai?" The

girl in blue asked Kai.

Kai was stunned for a moment, then nodded: "Yes, how do you know me?"

Kai was very surprised, how could this girl hand over her name.

You must know that you have never been to this place, and since it is thousands of miles away from Hongcheng, Chen Pinghuo has never been here before.

And Kai was sure that he had never seen the girl in front of him.

"Sure enough, it's you, I just looked like it!" When the

girl saw Kai's admission, she immediately became happy, and hurriedly ran to Kai, looking at Kai with admiration: "I saw it on the martial arts forum. You, and you also defeated Long Xiao and killed Guo Wei, the director of the Kyoto Martial Arts Alliance."

"A few days ago, did you destroy several aristocratic sects in Kyoto and directly call the Banning family?"

"You are mine? Idol, I like you so much, I want to go to Kyoto to find you, but my sister won't let you..." The

girl looked at Kai with a happy face, and she was a little cautious in her happiness.

Kai was a little surprised. He killed the several affiliated families of the Ning family, and it was only a few days ago that the family was spread here?

It seems that he is really famous in the martial arts world.

But Kai doesn't know whether this is good or bad for him...

"I..."

Kai was speechless for a while, and now he seems to have a feeling that a star is sought after!

But looking at the teenage fan girl in front of her, fortunately she didn't go to Kyoto to find herself. If something happened on the way, Kai would be one of the culprits.

"Follow me, I'll take you to see my sister, my sister must be very happy to see you."

The girl stepped forward and took Kai's arm, walked towards the Red Lotus Palace, and said as she walked, "My name is Xiaomin, and my sister likes you too, she secretly reads your news on the forum, and also I saved your photo, I thought I didn't know it!"

Just like that, Kai walked forward helplessly, being pulled by Xiaomin.

Along the way, Kai saw many girls in purple clothes, and after seeing Xiaomin, they all showed respectful expressions.

Among these purple-clothed girls, there are also some white-clothed girls walking through them.

But there are very few girls who obviously wear white clothes.

Looking at the many girls, Kai sighed a little, whether he had entered the country of daughters.

And those girls also looked at him with surprised eyes, and then whispered timidly.

This made Kai a little embarrassed, so he could only lower his head slightly, not daring to look around, and followed Xiaomin all the way forward.

"Xiao Min, are you all women in the Red Lotus Palace?"

Kai asked curiously.

"Yes, our Red Lotus Palace are all female disciples. Zu Xun does not allow male disciples, and these female disciples must be innocent."

Xiaomin followed Kai without shyness.

Then Xiaomin began to introduce the Red Lotus Palace to Kai, and also told the history of the Red Lotus Palace.

He didn't treat Kai as an outsider. Xiaomin's trust and enthusiasm made Kai feel warm.

But looking at the girls in the Red Lotus Palace, and they are all innocent, isn't this a man's paradise?

Presumably there will be many men snooping here.

It's no wonder that the Red Lotus Palace will set up such a large illusion to hide the entire Red Lotus Palace. This way, it can save a lot of trouble.

Kai was taken by Xiaomin and soon came to a palace-like house.

Xiaomin walked in with Kai, but the guard at the door did not stop him.

After entering, Xiaomin knocked on the door of a room.

Chapter 1239 Announcement _

"Who is it?" A

woman's cold voice came.

"Sister, it's me!"

Xiaomin said loudly.

"You girl, didn't I punish you to guard the palace gate? Why did you come back?" the woman asked angrily.

"Sister, I'll bring you someone, I promise you'll die of joy when you meet me."

Xiaomin said excitedly.

"Don't play tricks on me, guard the palace gate for three days, even one less day." The woman said coldly.

"Sister, I really brought you someone you really want to see."

Xiaomin said anxiously.

"Then come in!"

Xiaomin took Kai to open the door and walked in.

Walking into the room, Kai glanced at him and saw a beautiful girl in red clothes, with a cold face and snow-white skin, sitting behind the desk.

It's just that there is a bit of sadness between the girl's eyebrows!

When the woman looked up and saw Kai, she was also slightly taken aback.

"Brother Chen, this is my sister, her name is Ji Ruxue, you can call her Xiaoxue, she is also the palace master of the Red Lotus Palace now!"

Xiaomin followed Kai to introduce.

"Palace Ji, hello! I accidentally broke into your Red Lotus Palace, I hope you don't take offense!"

Kai said very politely.

But that Ji Ruxue didn't say a word, and looked at Kai with straight eyes.

"Sister, Brother Chen is talking to you!"

After Xiaomin reminded him, Ji Ruxue responded,

"Hello, Mr. Chen, please sit down!"

Ji Ruxue politely got up, asked Kai to sit down, and Order tea.

"Xiaomi, go to guard the palace gate!"

Ji Ruxue said to Xiaomin after serving tea.

"Sister..."

Xiaomin glanced at Kai, obviously she didn't want to go, she wanted to stay with Kai for a while!

"Go, this is an order..."

Ji Ruxue's face turned cold, so scared that Xiaomin hurriedly left, and when she left, she didn't forget to look at Kai more.

After Xiaomin left, only Ji Ruxue and Kai were left in the room.

"Mr. Chen, did you come here after reading the announcement?"

Ji Ruxue took a sip of tea and asked lightly.

"Announcement? What announcement?"

Kai looked surprised: "I came to your Red Lotus Palace, I really did not intend to break in, and I hope Ji Palace Master will not misunderstand!"

Kai did not know what the announcement Ji Ruxue was talking about. He didn't understand what Ji Ruxue meant either.

Ji Ruxue looked at Kai like that, and found that Kai did not know, so she smiled lightly: "Mr. Chen, I have no intention of breaking into my Red Lotus Palace, it is also fate, since Mr. Chen is here, he should have entertained you well. "

It's a pity that our Red Lotus Palace has a lot of things in the past two days, so we can't entertain Mr. Chen, and I hope Mr. Chen doesn't take offense!"

"You can play in our Red Lotus Palace for two days, but after two days, Chen You must leave, sir!"

Kai was stunned for a moment, he didn't expect that he did nothing, and Ji Ruxue issued an expulsion order!

That Xiaomin also said that Ji Ruxue liked her and secretly collected her photos.

Now it seems that this Ji Ruxue doesn't have much enthusiasm for herself?

"Palace Ji, I didn't intend to break in. Since it's inconvenient, I'll just leave!"

Kai never thought about staying in the Red Lotus Palace for a long time.

"Mr. Chen, I'm really sorry!"

Ji Ruxue said apologetically.

"No, no, I took the liberty to break in, I'm sorry!"

Kai also felt a little reckless.

"Palace Master, several elders have arrived..."

At this time, a disciple of the Red Lotus Palace walked in and said.

"Mr. Chen, I'm sorry, I'm sorry!" Ji Ruxue got up and said apologetically, "Mr. Chen can just walk around and leave, I have already ordered, no one will stop Mr. Chen."

"Thank you, Palace Master Ji, you Please..."

Kai got up and said politely.

Chapter 1240 Pure aura

After Ji Ruxue left, Kai also walked out of the room, looking at the somewhat quaint Red Lotus Palace, Kai decided to take a walk around, appreciate it, and then leave!

Before he knew it, Kai arrived at the back of the Red Lotus Palace, behind a rocky mountain with a clear stream flowing slowly at the foot of the mountain.

And these streams come together to form a small lake.

But these lakes contain a lot of spiritual energy.

Because of this, in the Red Lotus Palace, Kai felt full of spiritual energy!

"This stream actually contains spiritual energy, which is really rare!"

Kai bent down, took a sip of the stream, and drank it.

In an instant, a cool, sweet, and very comfortable feeling spread throughout the body.

"It's really weird..."

Kai looked at the clear stream, and then began to walk along the stream towards the mountains.

I don't know how far I have walked, but Kai finally reached the end of the stream, which is a cave in the middle of the mountain!

The stream water flows out of the cave.

And standing at the entrance of the cave, gusts of breeze blew from the entrance of the cave, and a strong spiritual energy rushed towards him, making Kai feel refreshed.

Looking at the dark entrance of the hole, Kai pinched the magic formula, and a ball of spiritual fire burned in an instant.

After lighting up the road inside, Kai got in without hesitation.

I don't know how long I walked, but I went straight to the bottom of the cave. There was no way ahead, and I was blocked by a boulder.

It's just that the stream water is still flowing slowly from the gap between the boulders.

In this way, there should be room behind the boulder!

Kai looked at the boulder in front of him, and golden light flashed on his fist.

Immediately after that, it was punched out.

It's a pity that under this punch, the boulder didn't move at all.

"how so?"

Kai frowned.

With his current strength, he could blow up a small mountain with one punch, but even the stone in front of him could not be broken!

Kai threw his fist again, but after dozens of punches, the boulder was still intact!

On the contrary, there are constantly falling gravel around the cave, as if it is about to collapse!

Seeing this, Kai didn't dare to take action. Maybe the cave collapsed and he would be buried in it.

Kai looked around and found that the surrounding area of the cave is also very ordinary, and there is nothing special about it!

But how did this rich spiritual energy come from?

Feeling the aura that was rolling in, Kai simply sat cross-legged.

Condensing the heart operation, the thick spiritual energy rushed in and poured into Kai's body.

Kai's eyes flickered, and he found that these auras were different from the auras he had absorbed in his previous cultivation.

Whether it's the aura drawn from the Demon Town Tower or the Nine Thousand Miles of Mountains and Rivers map, none of the aura is as pure as the aura here!

As for the spiritual energy obtained from those magical instruments and medicinal materials, it is even more incomparable.

The aura here is more like the natural formation of heaven and earth, like uncontaminated water, it is sweet and pleasant to drink.

Kai was overjoyed in his heart, maybe relying on these pure spiritual energy, he could break through to Nascent Soul, which is the realm of Marquis of Wu!

Not daring to have the slightest delay, Kai closed his eyes slightly and entered a state of cultivation.

As for Ji Ruxue's advice, if he had to leave the Red Lotus Palace within two days, Kai had already forgotten about it.

At this time, Ji Ruxue was in the hall, discussing something with several elders in white dresses.

Everyone's faces were very solemn, especially Ji Ruxue, who looked very ugly!

"Palace Master, it's only three days before the time given by Xiang Chong. If we can't find a helper, our Red Lotus Palace can only fight to the death."

An elder said to Ji Ruxue.

"In the past few days since our announcement was issued, has no one made a statement yet?"

Ji Ruxue asked.

Several elders looked at each other in dismay, and finally shook their heads.

Chapter 1241

One of the elders said: "Palace Master, although our offer is very attractive, Xiang Chong is famous and cruel, and no one dares to provoke him."

"What's more, behind this Xiang Chong is the Holy Beast Palace. People are willing to offend him!" Hearing this, Ji Ruxue frowned tightly: "Did I give up all of myself, no one dares to deal with that Xiangchong

head.

"Go, change the announcement, who can help me in the Red Lotus Palace to deal with that Xiang Chong, I, Ji Ruxue, can marry him..."

Ji Ruxue said through gritted teeth.

"Palace Master, it is absolutely impossible. If you are married, according to the ancestral instructions, you cannot be the Palace Master!"

An elder urged hurriedly.

"Then pass on the position of the palace master to Xiaomin. If not, all of us in the Red Lotus Palace will bury the hand of Xiang Chong!"

"Who he is, you know better than me, this guy is spying on my red The Lotus Palace has been around for many years."

"Now he has become the adopted son of the old beast in the Holy Beast Palace, and he is even more unscrupulous."

"How many girls have been destroyed in his hands? No girl can be completely destroyed in his hands. Just leave!"

"If I can exchange for the innocence of everyone in the Red Lotus Palace, it will be worth it..."

But several elders knew that there was nothing else to do except that, after all, Xiang Chong was the strength of a half-step Marquis.

Relying on Ji Ruxue, an eighth-rank martial sect, he was no match for Xiang Chong at all.

What's more, Xiang Chong is backed by the Holy Beast Palace!

I just don't know now, even if Ji Ruxue dedicates herself, it is still unknown whether anyone would dare to help the Red Lotus Palace!

Soon, two days passed.

Even though Ji Ruxue offered the condition that she promised herself, no one came.

In the entire south, the Holy Beast Palace is the number one sect, and no one dares to provoke it!

And the warriors in other places will not follow the Holy Beast Palace as an enemy for a woman. After all, the strong dragon can't suppress the local snake.

"Remember, at the last minute, no matter what, you must escort Xiaomin away, and give her the order of the master of the Red Lotus Palace. As long as Xiaomin is alive, the Red Lotus Palace will always be there!"

"And our Red Lotus Palace and others. His disciple, even if he commits suicide in the end, he mustn't be cheap to that beast Xiangchong!"

"Because it falls into his hands, life is better than death..."

Ji Ruxue explained to the elders with a solemn face.

Everyone's face was dignified and sad.

Because they are all women in the Red Lotus Palace, they act very low-key, just because they are afraid of being targeted by those who care.

Unfortunately, he was still caught.

Looking at a group of very beautiful little girls with skin like snow, which man would not be tempted.

Just then, a disciple of the Red Lotus Palace hurried in.

"Palace Master, someone outside is asking to see him, saying he is here to help our Red Lotus Palace,"

the disciple said.

Ji Ruxue stood up abruptly: "Let's go, let's have a look..."

Someone finally came to help.

However, it also showed that Ji Ruxue was going to devote herself to go out, but for the sake of the Red Lotus Palace, she had no choice.

The only thing Ji Ruxue is looking forward to now is that the person who comes here should preferably be a young and handsome guy.

If it is an old man in his seventies and eighties.

Ji Ruxue was afraid that she was going to die of nausea!

When Ji Ruxue brought people to the door, she found a man wearing navy blue clothes and sunglasses standing there.

It seemed that she was not too old, and she was good looking, which made Ji Ruxue a little relieved.

After seeing Ji Ruxue, the man was stunned and took off his sunglasses.

With his mouth slightly open, the harazi almost didn't flow out.

Seeing the man like this, Ji Ruxue's face changed slightly, and her impression of the man was also much worse.

Chapter 1242

However, the other party was here to help her, so Ji Ruxue couldn't show disgust, she could only smile and say, "I don't know, this son, is there anything wrong with coming to my Red Lotus Palace?"

The man looked straight at Ji Ru. Snow.

"Palace Master Ji really lives up to its reputation, she has fair skin and beautiful long legs, she is really beautiful!" The

man said, wiping his saliva and continuing: "My name is Chen Chen, I came here to help Ji after seeing the announcement from Palace Master Ji. Palace Master's."

Ji Ruxue looked at the man's debauched appearance, and the disgust in her eyes became even stronger.

But he still showed a smile and said, "Young Master Chen, since you saw the announcement, you know what our Red Lotus Palace is going to face. Do you really have the ability to deal with it?"

Ji Ruxue would not easily believe the man in front of her. , after all, that Xiang Chong's strength is not bad, and with the support of the Holy Beast Palace behind him, ordinary people simply don't dare to oppose Xiang Chong.

"Of course I know, isn't it just to deal with that color embryo Xiangchong? Let me tell you, when Xiangchong saw me, he would definitely kneel down and call him grandpa,"

"As long as I'm in the Red Lotus Palace, then Xiangchong will never dare to touch the red. Let's go to the Lotus Palace!" The

man looked confident, but then he changed the topic: "But I helped the Red Lotus Palace, I wonder if what Ji Palace Master promised is true?"

Ji Ruxue's face turned slightly red . , but still bit his lip and said: "If Chen Gongzi really saved our Red Lotus Palace, of course what I said is true, there is no deception!"

"Hahaha, that's good, as long as I'm here, Guarantee that the Red Lotus Palace is fine!"

Chen Chen looked at Ji Ruxue squintingly, and laughed.

"Young Master Chen, don't forget that Xiangchong is backed by the Holy Beast Palace. You need to..." "Do n't

worry, if you report your father's name, the Holy Beast Palace will also give you some face."

After Ji Ruxue finished speaking, Chen Chen waved his hand and said.

Ji Ruxue was stunned for a moment. She didn't expect that Chen Chen was still a son of a wealthy family. From the looks of it, their family must be very good.

"Master Chen, don't know who your father is?" Ji Ruxue wanted to know who Chen Chen's father was, and even the Holy Beast Palace gave him face.

"Palace Ji, don't ask, since I'll keep your Red Lotus Palace all right, that's fine!"

Chen Chen didn't want to talk, so Ji Ruxue didn't ask anymore.

"If that's the case, then Mr. Chen, please..."

Ji Ruxue bent down slightly and made a gesture of asking.

A smear of white snow on his chest was exposed, making Chen Chen's eyes straight, and his heart skipped a beat.

Chen Chen walked to Ji Ruxue's side, reaching out to grab Ji Ruxue's hand, but Ji Ruxue fluttered away. Chen Chen was stunned

for a moment, and then said: "Palace Ji, do you want to go back and regret it? Didn't you say that whoever helps you in the Red Lotus Palace, you will sleep with whomever?"

Blushing to the neck.

"Don't get me wrong, Young Master Chen, I said, if anyone saves our Red Lotus Palace, I will sleep with him, but Xiang Chong hasn't come yet.

", I naturally accompany Chen Gongzi..."

Ji Ruxue said a little embarrassedly.

"If that's the case, I really hope that Xiang Chong will come earlier!"

Chen Chen was a little disappointed, and followed Ji Ruxue into the Red Lotus Palace.

Looking at the female disciples in the Red Lotus Palace, Chen Chen's eyes were dazzled, and he wished he had a hundred pairs of eyes.

Ji Ruxue looked at Chen Chen like that, and she was already disgusted to the extreme.

"Palace Ji, as the so-called long night is long, since you can't accompany me, you can order any female disciple to accompany me."

"I heard that the female disciples of your Red Lotus Palace are all big girls..."

Chen Chen looked at With so many beauties, some couldn't help it and said to Ji Ruxue.

Ji Ruxue resisted the anger in her heart and said to Chen Chen, "Young Master Chen, don't be in a hurry. When you rush to the rush, my Red Lotus Palace will definitely thank you heavily. You can do whatever you want..."

Chapter 1243 Why Help You? _

Chen Chen's eyes lit up when he heard it, and he licked his lips: "Haha, so I'm going to die in a pile of women..."

Ji Ruxue gasped, gasping for breath, but she didn't dare not say anything.

After Chen Chen was settled down, Ji Ruxue smashed things desperately in the hall to vent her anger.

She had no choice but to vent her emotions like this.

"Palace Master, can that guy really help us rush to the Red Lotus Palace? Why do I look unreliable?"

An elder said with some doubts.

"Yes, I also see that the guy has no skills, and he looks so sullen, I really want to buckle his eyes!"

Another elder also said angrily.

Ji Ruxue calmed down and said slowly: "Can we, we can only pin our hopes on him now, you remember my words, at a critical juncture, run away with Xiaomin, leave me alone..."

"I won't leave my elder sister behind and walk alone..."

At this moment, Xiaomin suddenly broke in and looked at Ji Ruxue with teary eyes.

Ji Ruxue saw that Xiaomin rushed in and knew everything, so she waved her hand and let several elders go out.

"Xiao Min, don't be self-willed. My sister did this to protect the Red Lotus Palace. As long as you are still alive and hold the Palace Master's Order, you can rebuild the Red Lotus Palace."

"Silly child, you are also getting older, and it is the same without a sister."

Ji Ruxue also cried, why didn't she want to accompany her sister, she also knew that Xiaomin was still young, if she left her, life would be very hard.

But he had no choice but to plan for the worst.

"Sister, where is Brother Chen? Where did he go?"

At this moment, Xiaomin thought of Kai, so she asked Ji Ruxue.

"He left the Red Lotus Palace long ago..."

Ji Ruxue sent Kai away at that time, and he should have left the Red Lotus Palace long ago.

"No, I'm guarding the palace gate, and I haven't seen Brother Chen going out. He may still be in the Red Lotus Palace!"

"Brother Chen is very capable, so I can ask him to help us, isn't it okay?"

Xiaomin asked. Ji Ruxue

really smiled awkwardly: "Silly girl, it's not as simple as you think, and everyone is not as simple as you think. It's not a relative, so why should they help you?"

After a while, Xiaomin suddenly said: "I'm going to find Brother Chen, he must be still in the Red Lotus Palace, maybe he can really help..."

After Xiaomin finished speaking, she ran out, Ji Ruxue thought. He wanted to stop her, but found that Xiaomin had already run away.

"This silly girl, it's too easy to trust people..."

Ji Ruxue shook her head.

.....

The next day, everyone in the Red Lotus Palace was full of seriousness and tension.

Everyone was standing by, arms in hand.

They are waiting for Xiang Chong's arrival!

Life or death depends on today.

And that Chen Chen, when the sun was very high, yawned and walked out of the room.

As soon as he walked out of the room, he saw Ji Ruxue leading someone to wait for him at the door.

Chapter 1244

"Don't worry, as long as Palace Master Ji doesn't forget to promise me, I had a good dream last night..."

Chen Chen smiled charmingly.

"I won't forget..."

After Ji Ruxue finished speaking, she led her to the palace gate.

Chen Chen also followed behind.

Nearly noon, I saw that Xiangchong brought a few people to the gate of the Red Lotus Palace.

The people around Xiang Chong are all in the realm of Wuzong, while Xiang Chong himself is a half-step Wuhou!

With such strength, the Red Lotus Palace is not a rival at all.

"Palace Ji, what are you thinking? As long as you, the Red Lotus Palace, follow me, Xiang Chong, I promise to let you live in a drunken life."

Xiang Chong looked at Ji Ruxue and said.

"Hmph, Xiang Chong, you shameless beast, I, Ji Ruxue, will never give in to you."

Ji Ruxue said angrily.

Xiang Chong's face was cold, his eyes were slightly condensed, and his body was full of murderous aura: "Don't shame you, if you really want me to do it, then I will take you all the disciples of the Red Lotus Palace to the Holy Beast Palace and let me They are so cool..."

"I tell you, I also recruited helpers to come here specially. I'll deal with you..."

After Ji Ruxue finished speaking, she shouted back, "Young Master Chen, come out..."

At this time, Chen Chen walked out with square steps and looked at Xiang Chong coldly: "Xiang Chong, I'm here to see who of you dares to touch the Red Lotus Palace!"

Xiang Chong looked at Chen Chen, frowning slightly: "Who are you?"

Xiang Chong didn't know Chen Chen, but he saw that Chen Chen was not afraid of himself, and he said it well It's very tough, so some have no bottom in their hearts.

After all, if you dare to talk to him like this, there must be a lot of strength behind it.

"I advise you to get out of here, don't irritate me, none of you. Don't think about leaving!"

Chen Chen said arrogantly.

This time, he was stunned by Xiang Chong, who wanted to move out of the Holy Beast Palace, but who knew that as soon as he opened his mouth, he said that the Holy Beast Palace would also save face.

At this time, Xiang Chong put away his breath and said with a smile on his face: "Mr. Chen, forgive me for my clumsiness, I really don't know which family's son-in-law is Mr. Chen.

Seeing Ji Ruxue here, he was also relieved. If Xiang Chong was so afraid, then the Red Lotus Palace would be fine.

However, when she thought of sleeping with Chen Chen at night, Ji Ruxue felt nauseated in her heart.

At this moment, Chen Chen took the cigarette, put it in his mouth, and waited for Xiang Chong to light it.

And Xiang Chong hurriedly turned on the lighter, ready to light it up.

"Let me tell you, my father, Chen Erhe, is the Protector Pavilion of Yuzhou..."

Before Chen Chen could finish his words, he was stunned when he saw Xiang Chong, and the lighter in his hand went out.

Immediately after his face was full of anger, he slapped Chen Chen fiercely and slapped the cigarette out of Chen Chen's mouth.

"Xiang Chong, you fucking..."

Chen Chen roared at Xiang Chong, but before he could finish speaking, Xiang Chong kicked him.

Chen Chen flew out like a kite with a broken string, and then fell heavily to the ground.

Chen Chen vomited blood, and his face became very ugly.

This time, Ji Ruxue was a little stunned, why was Chen Chen so vulnerable?

Xiangchong angrily walked in front of Chen Chen, and then he said with another kick: "I fucking let your father, Chen Erhe, almost scare me."

"Damn, isn't your father the pavilion owner of the Dharma Protector? What am I pulling..."

Xiang Chong was about to die of anger, and stepped on Chen Chen's feet.

Chapter 1245

Chen Chen was beaten with blood from his nose and mouth, and then knelt on the ground begging for mercy.

"Stop hitting, please don't hit..."

Chen Chen didn't expect that Xiang Chong was not afraid of his father at all.

He relied on his father as the pavilion owner of the Yuzhou Protectorate Pavilion, and he often showed off his power and no one bothered him.

After seeing Ji Ruxue's announcement, I thought of coming over to take advantage of Ji Ruxue.

But how did he know that the pavilion master of a small local Dharma-protecting pavilion was considered a piece of shit in the eyes of a big sect family!

In the end, Chen Chen was beaten to the brink of death, but Xiang Chong did not kill him. After all, although the position of the pavilion master of the Dharma Protector Pavilion was not high, he was also an official, so Xiang Chong wanted to save face.

"Go away, if it wasn't for your dad's face, I would kill you today..."

Xiang Chong shouted at Chen Chen.

Chen Chen was so frightened that he rolled and ran, and he didn't even have the time to look at the beauty.

This made Ji Ruxue angrily stomping her feet. She didn't expect this Chen Chen to be a pretentious thing.

Knowing that his father was Chen Erhe, Ji Ruxue would not give him face.

"The Red Lotus Palace will be mine in the future, and the Holy Beast Palace will cover you, so I can let the Red Lotus Palace be mine. Become the second sect in the south!"

Xiang Chong slowly walked towards Ji Ruxue with a proud look on his face.

Ji Ruxue stepped back again and again, her expression extremely difficult to see.

"Xiang Chong, even if we die, we won't be cheap, you big pervert..."

With that said, Ji Ruxue took out her saber, ready to fight to the death!

And the disciples of the Red Lotus Palace are also ready to die.

At this time, Ji Ruxue was only worried about her younger sister, Xiaomin. At this time, she was very worried that Xiaomin was nowhere to be seen.

"Elder, there will be a fight later, you go to Xiaomin, be sure to take her away..."

Ji Ruxue said to the elder.

The first elder hesitated for a while, but finally nodded and said, "Don't worry, Palace Master, I will definitely take Xiaomin out!"

Ji Ruxue had no worries, and looked at Xiang Chong angrily: "Xiang Chong, it's not you today. Death means my death, come on..."

Upon seeing this, Xiang Chong instantly burst into a terrifying aura, and then he said to the hurried men behind him: "Give me a hand, but don't kill them, only living is useful! "

After speaking, Xiang Chong took the lead in rushing towards Ji Ruxue, and the others also fought in an instant!

However, because what Xiang Chong wanted was not to kill Ji Ruxue and the others, he did not let go of his hands and feet, which enabled Ji Ruxue and the others to fight with Xiang Chong and the others.

While fighting on this side, Xiaomin on the other side was still looking for Kai, she firmly believed that Kai must not have left the Red Lotus Palace.

Xiaomin has been searching all night, almost rummaging through the entire Red Lotus Palace, but there is still no sign of Kai.

Xiaomin reached the depths of the Red Lotus Palace and walked up the stream.

The mountain was the last place she wasn't looking.

Following the stream, Xiaomin soon discovered the cave.

Looking at the dark cave, Xiaomin was a little scared and didn't dare to go in. She seldom came here because Ji Ruxue stipulated that no one could come and go here casually.

"Is there anyone? Is Brother Chen inside?"

Xiaomin dared not enter the dark cave, so he could only shout at the entrance of the cave.

The voice followed the cave and soon reached Kai's ears.

Kai, who was cultivating, suddenly opened his eyes.

As soon as he heard it, he could tell that it was Xiaomin's voice.

Chapter 1246

At this time, Xiaomin was still shouting at the entrance of the cave, and after shouting twice, there was no movement, Xiaomin was a little lost...

But just when Xiaomin turned around to leave, he found a blue and faint fire in the cave, followed by a Dark figure!

This terrified Xiaomin and thought she had encountered a ghost!

"Ghost..."

Xiaomin screamed in fright and closed her eyes.

"Who do you think is a ghost?"

At this time, Kai had already walked up to Xiaomin and said with a slight smile.

When Xiaomin heard Kai's voice, she hurriedly opened her eyes and found that it was really Kai.

"Brother Chen, you didn't leave the Red Lotus Palace..."

Seeing Kai, Xiaomin was so happy that he almost jumped up.

"Xiaomi, is there anything you want to do with me?"

Kai was a little surprised, how could Xiaomin come here to find herself.

"Brother Chen, our Red Lotus Palace is in trouble, can you help us? My sister said I don't want to trouble you..."

Xiaomin bit her lip and looked at Kai pleadingly.

"What happened?"

Kai asked in a daze.

Xiaomin was about to open his mouth, but Kai reached out his hand, interrupting Xiaomin's words, but his expression was serious, and his brows were slightly wrinkled.

At this time, the sound of fighting had already reached here.

"Let's go..."

Kai pulled Xiaomin to him, and then performed a quick stride, quickly rushing to the door of the Red Lotus Palace!

"Sister..."

Xiaomin saw that Ji Ruxue was fighting with Xiang Chong.

Now Ji Ruxue was soaked with sweat, her clothes were soaked, she was out of breath, and her physical strength was a little weak.

But that Xiangchong had a wretched face, and he didn't seem to be in a hurry, he was playing with Ji Ruxue.

When Ji Ruxue heard Xiaomin calling her, she hurriedly looked over and yelled at Xiaomin, "Xiaomi, run away, don't mind here..."

Ji Ruxue told Xiaomin to run away quickly.

"Sister, I found Brother Chen..."

Xiaomin shouted.

Ji Ruxue also saw Kai beside Xiaomin at this time. She didn't expect that Kai did not leave the Red Lotus Palace.

"Brother Chen, save my sister..."

Xiaomin took Kai's arm and prayed.

Kai nodded, and then his figure disappeared in a flash.

Immediately afterward, a majestic force blasted towards that direction.

Xiang Chong's expression changed, and he quickly retreated to avoid the blow!

But Kai bombarded a deep pit on the ground!

The loud explosion made everyone stop, and Ji Ruxue looked at Kai and thanked him: "Thank you, Mr. Chen for helping me..."

Kai glanced at Ji Ruxue, and then his face flushed.

Because Ji Ruxue was sweating profusely at this time, her clothes were soaking wet, so she was very transparent under the sunlight!

Kai almost didn't have a nosebleed when he saw it.

"Palace Ji, I'll take care of these guys, you should change your clothes..."

Kai didn't dare to look directly at Ji Ruxue!

Only now did Ji Ruxue realize that she had lost some light, so she hurriedly turned around to change her clothes.

And that Xiangchong looked at Kai with a gloomy expression, and his expression was a little dignified.

"You are the Kai who killed Guo Wei, director of the Kyoto Martial Arts Alliance?"

Xiang Chong asked Kai.

"Yes, I didn't expect you to know me!"

Kai said with a faint smile.

Seeing Kai admit it, Xiang Chong's face became even more ugly.

Kai is well-known at the moment, and most people are reluctant to provoke him. In fact, this saves Kai a lot of trouble.

Otherwise, if a cat or a dog comes to trouble him, Kai will be annoyed to death.

"Kai, you and I have no grievances. Today is our grievance with the Red Lotus Palace. I hope you don't interfere."

"When I resolve the Red Lotus Palace, I invite you to go to the Holy Beast Palace and have a good time..."

Xiang Chong didn't want to have a conflict with Kai, but he also refused to let the Red Lotus Palace go.

Simply moved the Holy Beast Palace out.

He thought that Kai would retreat after hearing the three words of the Holy Beast Palace.

Xiangchong was pissed off.

"Kai, do you really want to go through this muddy water?"

Xiang Chong glared at Kai and asked.

"That's right!" Kai nodded.

"Brother Chen, teach this guy a good lesson. This guy is bad. He stared at our Red Lotus Palace very early, and said that he wanted to sleep all the women in our Red Lotus Palace..."

Xiaomin glared . Xiang Chong said to Kai.

"Don't worry, I'll make him a eunuch in a while, and never miss a woman again..."

Kai said lightly.

"Kai, you're deceiving people too much. I really think I'm afraid that you won't succeed. I'm a half-step Marquis. My subordinates are in the realm of Wuzong. If we join forces, we can't beat you?"

Xiang Chong roared, his whole body was full of energy. flourished.

Immediately afterwards, the coercive aura in Xiang Chong's body began to shroud Kai.

This time, Xiang Chong was stunned, and then struggled desperately.

Unfortunately, no matter how hard he tried, he couldn't break free from Kai's shackles.

"How dare you come out to find a woman with this little strength?"

Kai looked at Xiang Chong with disdain.

Xiangchong swallowed his saliva with a look of horror on his face. He did not expect that his half-step Wuhou's strength would be vulnerable in front of Kai.

This time, the few Wu Zongs behind Xiang Chong were also dumbfounded, and they didn't dare to shoot.

Kai's strength has exceeded their imagination, even the half-step Wuhou Xiang Chong is so unbearable, and these people will die if they go up.

At this moment, Ji Ruxue changed her clothes and walked out.

When he saw Xiang Chong being controlled by Kai lightly, he felt a little stupid.

How can Xiang Chong be subdued so easily?

At this moment, Xiaomin was full of admiration and excitement.

"Brother Chen, you are amazing, kill him, kill him..."

Xiaomin jumped up happily.

"Don't, don't kill me... Please don't kill me..."

Xiang Chong said tremblingly with a face full of horror.

"If you say you won't kill you, then who am I? Why should I listen to you?"

Kai said, and slapped Xiang Chong with a palm.

"Mr. Chen..."

Seeing this, Ji Ruxue hurriedly stopped Kai.

Kai looked at Ji Ruxue in surprise.

Ji Ruxue said: "Mr. Chen, this Xiangchong is the adopted son of Fei Qingping, the master of the Holy Beast Palace. If you kill him, I am afraid that the Holy Beast Palace will trouble you..."

Ji Ruxue was afraid that Kai would have trouble in the future. Trouble, what's more, she only hopes to drive away this direction.

If they really killed Xiang Chong, they probably wouldn't be able to stay in the south of the Red Lotus Palace.

"Yes, if you kill me, my foster father can't spare you..."

Xiang Chong threatened Kai.

"Damn, I hate threats from others the most..."

After Kai finished speaking, he slapped that Xiangchong's head with a palm.

Xiang Chong's head burst like a watermelon, and the dead can't die any longer.

Seeing this, the few people brought by Xiang Chong were so frightened that they turned around and ran away, but Kai ignored them.

Looking at Xiang Chong's death, the scene was silent!

Ji Ruxue looked at Kai in shock, her face full of shock!

"Mr. Chen, thank you..."

"Palace Ji, I'm just doing my best, don't be so polite!"

Kai smiled lightly.

"Mr. Chen, your effort has saved all of our Red Lotus Palace. Our Red Lotus Palace must repay this kindness!"

Ji Ruxue said.

"Palace Ji is serious!"

Kai had no plans to let the Red Lotus Palace repay him.

"Brother Chen, you are the savior of our Red Lotus Palace. You stay in the Red Lotus Palace for a few days, so that we can repay you!"

Xiaomin said, walking Kai towards the main hall.

At noon, Ji Ruxue personally cooked and set a table for Kai!

Looking at those delicious dishes, Kai did not expect that a dignified palace lord could even cook!

"Brother Chen, you can be considered a fortune, my sister's cooking is very delicious!"

Xiaomin said while adding vegetables to Kai's bowl.

"Well, Palace Master Ji's craftsmanship is really good!"

Kai nodded.

"Mr. Chen, since you like to eat, then eat more. In the future, don't call me Palace Master, just call me Ruxue or Xiaoxue!

" Kai.

Kai was slightly taken aback, but he didn't call Ji Ruxue that, after all, they weren't that close.

"I'll be your girl Ji in the future!"

Kai said.

Ji Ruxue's face was slightly disappointed, but she didn't say anything.

"Brother Chen, can you stay away for a while and stay in our Red Lotus Palace for a while?"

Xiaomin asked Kai.

Kai shook his head: "I still have a lot of things to do, I can't stay here for a long time."

As the New Year is approaching, Kai has to hurry up to practice and rescue his mother and Su Yuqi.

Hearing this, Xiaomin was a little disappointed, but she still smiled and said: "Brother Chen, since you can't stay for a long time, why don't you come to see me when you have time?"

" You guys, the scenery here is very good and the climate is pleasant, which is very suitable for cultivation!"

Kai said with a smile.

At this moment, Xiaomin remembered that Kai was found in the cave, and asked curiously.

And when Ji Ruxue heard Xiaomin mention the cave, her face changed slightly and she looked at Kai.

"I was just wandering around and suddenly found the cave. I felt that there was a lot of spiritual energy in it, and I practiced in it for two days!"

Kai didn't lie and said truthfully.

"Brother Chen, then you..."

Xiao Min wanted to ask something else, but Ji Ruxue glared at him: "Xiao Min, eat quickly, then go to guard the palace gate, ask questions, and let Chen Do you want to eat, sir?"

When Xiaomin heard this, she hurriedly stuck her tongue out at Kai, made a face, lowered her head and started to eat.

After eating and clearing the table, Ji Ruxue screened everyone off.

There were only Kai and Ji Ruxue in the room at this time, and the atmosphere became a little awkward for a while.

"Mr. Chen, I once issued an announcement that whoever saves our Red Lotus Palace, I will accompany him for one night, and even marry him!"

"Now you help us destroy that Xiangchong, so you want to treat me You can do anything..."

As she spoke, Ji Ruxue actually took off her red dress!

The snow-white skin was exposed outside, and the faint aroma of the body filled the entire room!

"What? You Not satisfied with my figure?" Ji Ruxue looked at Kai with some surprise: "If you are not satisfied with me, in the entire Red Lotus Palace, except for Xiao Min, you can choose whatever you want, and I can let them accompany you!"

Kai finished speaking and rushed out in a hurry.

He is also a normal man, but he doesn't dare to stay any longer, or he can't take it anymore.

Seeing that Kai was about to leave, Ji Ruxue suddenly fell to her knees!

Kai was startled and quickly stepped forward to help Ji Ruxue up, but he closed his eyes tightly and did not dare to look at Ji Ruxue.

The body fragrance on Ji Ruxue's body made him unbearable. If he looked at it twice, he was really afraid that he would not be able to control it.

"Miss Ji, what are you doing, put on your clothes quickly, and tell me if you have anything!"

Kai said anxiously.

Seeing Kai like this, Ji Ruxue suddenly laughed and passed on her clothes.

At this moment, she was even more moved to Kai.

In this society, there are really too few people like Kai.

Seeing Ji Ruxue put on clothes, Kai breathed a sigh of relief.

"Miss Ji, if you have something to do, just say it!"

Kai asked in surprise.

"Mr. Chen, it is precisely because you killed that Xiangchong, and that Xiangchong is the adopted son of Fei Qingping, the master of the Holy Beast Palace, the Holy Beast Palace will not let our Red Lotus Palace go.

"The Lotus Palace still can't escape the claws of the Holy Beast Palace, that Fei Qingping is even crueler than Xiang Chong..."

Kai was silent, he could kill a Xiang Chong, but Kai was not sure about facing a sect.

Especially when he didn't know what kind of strength Fei Qingping was.

"Miss Ji, what kind of strength does Fei Qingping have? I'm afraid that by myself, it will be difficult to resist them if they are a sect!"

Kai said truthfully.

"Mr. Chen, Fei Qingping should be a Marquis, but he has only entered the ranks of Marquis in recent years."

"And how can Mr. Chen be alone? My Red Lotus Palace is willing to listen to Mr. Chen, and I will listen to you in the future. Yes!"

Ji Ruxue said, but her face suddenly turned red.

This is what a little daughter-in-law would say to her husband.

However, Kai still frowned slightly, he didn't have much time to stay here.

"Miss Ji, I want to help you too, but I really don't have enough time. If the Holy Beast Palace doesn't come to trouble you, I can't stay here forever!"

Kai didn't have time and stayed in Red Lotus. palace.

"Mr. Chen, with Fei Qingping's temperament, I know that Xiangchong is dead. Within ten days, he will definitely be found. If the Holy Beast Palace has not moved after ten days, then Mr. Chen can just leave!"

Ji Ruxue said.

"Okay, then I'll stay here for another ten days!"

Kai nodded, and then he remembered the cave, so he asked Ji Ruxue, "Miss Ji, you Red Lotus Palace, where is the cave at the back? What's going on? It's still blocked by a boulder inside?"

Seeing Kai asking about the cave, Ji Ruxue hesitated, but she spoke slowly.

It turned out that in the cave, there was a monk who had attained the Tao, and the boulder was blocked by the monk.

No one knows what is in the cave, but the stream flowing out of the cave contains a lot of energy, which can help people to cultivate!

Therefore, the ancestor of the Red Lotus Palace established the sect in this place.

In addition, the ancestors also warned future generations that no one is allowed to open the boulder without authorization, otherwise it will bring disaster to the door!

After hundreds of years, although some palace masters of the Red Lotus Palace were curious, they went to open the boulder.

Chapter 1250

But no matter what method was used, the boulder remained untouched.

Slowly, I gave up the idea of opening the boulder and taking a look inside.

After Kai heard this, he remained silent!

A sitting monk, will there be such a large amount of energy?

For hundreds of years, the stream has flowed out of it, and it contains a lot of spiritual energy.

How is this possible?

Kai suspected that there must be something else in it to exude such a pure aura.

But as for what it was, Kai didn't know.

Unless there is a way to break that boulder, go inside and take a look.

However, with Kai's current ability, he cannot break the boulder.

After chatting with Ji Ruxue for a while, Kai proposed to go to the cave to practice!

However, it is a restricted area of the Red Lotus Palace, but when Kai proposed it, Ji Ruxue agreed.

.....

Holy Beast Palace.

Fei Qingping was lying on his big tiger-skin chair, accompanied by two very revealing women.

At this time, a disciple of the Holy Beast Palace hurried in and knelt on the ground.

"Palace Master, the person who was brought to the young master is back!"

said the disciple of the Holy Beast Palace.

"Did that Xiang rush back? This guy, seeing the woman, probably can't even walk..."

Fei Qingping asked with narrowed eyes.

"Back to the Palace Master, Young Master Xiang didn't come back. Only the few people I brought with me came back, but they seem to be injured!"

The Holy Beast Palace disciple replied.

"Are you injured?" Fei Qingping opened his eyes and sat up all of a sudden: "Call them in!"

Soon, several Wu Zongs who followed Xiang Chong were called in.

"what happened?"

Fei Qingping asked.

Several people hurriedly knelt on the ground: "Palace Master, Young Master Xiang was killed..."

"What?" Fei Qingping stood up abruptly: " Who killed him? Who dares to kill him?"

"Is that Ji Ruxue? She can't be Chong'er's opponent at all!"

"Palace Master, it's Kai, a guy named Kai who killed Young Master Xiang..."

A Wu Zong said.

"Kai?"

Fei Qingping frowned slightly, thinking hard about this person.

But he didn't seem to have heard of such a master in the south.

At this time, an elder of the Holy Beast Palace stepped forward and whispered a few words in Fei Qingping's ear. Fei Qingping realized it instantly!

"Damn, it turned out to be this kid, how did he come to us and even help the Red Lotus Palace?"

"But he came here to provoke my Holy Beast Palace, that's courting death!"

Fei Qingping said with a murderous look. .

But Fei Qingping didn't understand why Kai came from Kyoto to the south all of a sudden.

And what kind of friendship did he have with the Red Lotus Palace, and he actually helped the Red Lotus Palace.

"Palace Master, I think we should investigate carefully to see if Kai came by himself."

"He actually had the guts to kill Young Master Xiang, which proves that we didn't take our Holy Beast Palace seriously."

"In this case, there must be someone behind him, so let's not move that Kai!" The elder advised Fei Qingping.

Fei Qingping frowned, what Kai did in Kyoto was really bluffing.

As the so-called shadow of a person's famous tree, Kai is famous, so if you want to deal with Kai, you will carefully weigh it.

After a while, Fei Qingping said: "Well, you go to investigate, but if you can pull that Kai into our Holy Beast Palace, it would be great, this kid is a talent!"

After hearing the elders talk about Kai, Fei Qingping admired Kai very much and thought that Kai was a talent.

As for Xiang Chong being killed by Kai, Fei Qingping can be regarded as not happening.

Only one adopted son, Fei Qingping has more than ten adopted sons!
