A man like none other and the man decree (chinese) Chapter 1281-1282

Chapter 1281

..... in front of

Ning's house!

Kai sat quietly, minutes passed, and there were already four dead bodies of the Ning family at Kai's feet.

Seeing that an hour is almost up.

At this time, everyone in the Ning family was sweating profusely and trembling all over.

Because they don't know which of them Kai will do when the time is up.

This unknown death is the most terrifying.

In front of Ning's house, more and more people were watching the excitement.

"This Ning Dahai seems to be really cowardly. Their Ning family has died so much, and they don't dare to show up!"

"It's still a veteran Wuhou, it's not as good as shit!"

"This time, Kai's reputation will be destroyed. It's about to start, the younger generation is invincible!"

Everyone was talking.

Kai's face was calm, his eyes were closed, and Kai didn't seem to hear the discussions of the people around him.

Suddenly, Kai opened his eyes.

At this moment, those Ning family members were so frightened that they backed away!

Because they know that when the time is up, Kai is going to kill!

Kai got up slowly and looked at the Ning family members: "Your master doesn't want you anymore, so it's useless for you to live..."

Seeing this, the Ning family members fell to their knees one after another, begging Kai to spare their lives!

In the face of life and death, dignity is a fart!

But there is no pity in Kai's eyes, he will not pity anyone who opposes him.

His every pity is cruel to himself.

If he fell into the hands of these people, he believed that no one would pity him.

Just when Kai was about to make his move, suddenly a car came quickly.

Ning Dahai rushed out of the car and shouted at Kai: "Stop, Kai, stop me..."

Kai looked at Ning Dahai, and the corner of his mouth raised: "You finally showed up..."

But who knows, Ning Dahai ignored Kai, but hurriedly turned around, opened the car door, and invited Mr. Shi down.

Seeing that Mr. Shi actually came, Kai frowned slightly.

And those onlookers were also surprised.

There were discussions.

"Damn, this Ning Dahai wouldn't be cowardly to go to rescue soldiers, right? Do you want Mr. Shi to come forward?"

"Mr. Shi is the backer behind Kai, why did Ning Dahai invite Mr. Shi? You want to follow Chen Peaceful talk?"

"The patriarch of the dignified Ning family, the veteran Marquis of Wu, was forced into such a situation by a hairy boy..." The voices of the

discussions were loud, and Ning Dahai could hear them clearly, all mocking him.

But Ning Dahai doesn't care about these at this time, what he needs is to preserve his strength!

"Mr. Shi, why are you here?"

Kai asked Mr. Shi.

"Ning Dahai invited me here because he wanted me to persuade you to give up challenging him. He wants to make peace with you!"

"Whatever you want, the Ning family can promise you, as long as you don't trouble the Ning family!"

Mr Shi said.

"Make peace with me?"

Kai sneered: "When I broke my dantian and my bones and bones, why didn't you say you wanted to make peace?"

"Why didn't you say you wanted to make peace when you killed me dozens of times. What about making peace?"

"You want to make peace with me now? It's too late..."

"Kai, what I did in the past, there is something wrong with my Ning family, especially what my son did to you, I will Strictly control him, as long as you promise not to trouble my Ning family, I can give you any resources you need!"

Ning Dahai lowered his posture and said to Kai in front of many people.

"I don't need anything, I want your life, I want your Ning family to disappear from Kyoto..."

Kai exuded a strong killing intent.

Ning Dahai frowned and gritted his teeth: "Kai, do you really want to die with me? That is, if the two of us really fight, it's uncertain who will live and who will die, but it's definitely other aristocratic families who will benefit. !"

"Don't worry, you must be the one who died..."

Kai said firmly.

Ning Hai's face was flushed, but he was speechless, so he looked at Mr. Shi, hoping that Mr. Shi could help him speak.

"Kai, what if I don't allow you to challenge the Ning family now?"

Mr. Shi asked Kai.

"Then I won't challenge, but I will still kill everyone in the Ning family, even if they suffer official repression..."

Kai said murderously.

As soon as Kai's words came out, everyone was shocked at once. This is a blatant challenge to Mr. Shi's majesty!

Provoking the majesty of the official, and asking who dares to follow the official against the official, is simply tired of living!

"Aren't you afraid that I will kill you?"

Mr. Shi said coldly.

Kai shook his head: "Before you kill me, I will let everyone in the Ning family go to hell..."

Everyone looked at Mr. Shi, and Kai said all the words here, they will see how Mr. Shi reacts .

However, Kai dared to speak like this, and everyone admired it!

After a moment of silence, Mr. Shi suddenly turned his head to look at Ning Dahai: "Well, I said it before, this kid is very stubborn, he may not listen to my words, you have seen it, I can do nothing..."

After speaking, Shi The gentleman turned around and walked away, seemingly taking two steps gently, but soon the figure disappeared.

This time, Ning Dahai's face was extremely ugly, and he did not expect that Kai would dare to show no respect to Mr. Shi in front of everyone.

Mr. Shi represents the official majesty, so wouldn't the official majesty be damaged?

But after this incident, everyone knew more about Kai's status in Mr. Shi's heart!

If it were someone else, Mr. Shi would have been slapped to death long ago.

"Kai, are you really going to die with me?"

After Mr. Shi left, Ning Dahai also had no lobbyist and could only speak to Kai.

"Who said that the fish will die and the net will be broken, you are no longer qualified to speak to me on an equal basis!"

Kai's eyes were full of contempt!

After hearing this, Ning Dahai said furiously: "Kai, you are deceiving people too much, don't think that you are not really afraid of you." "

If it wasn't for fear of other sects and noble families taking the opportunity to attack, I would have called you long ago!"

He sneered: "No one will attack, because I will make your Ning family disappear, and your Ning family's resources are also mine, whoever dares to rob me, that is my enemy!"

Kai's words can be described as It is full of domineering, this is to challenge the entire martial arts world in Kyoto!

"Okay, I'll see how talented you are today, so mad..."

I saw the breath of Ning Dahai began to rush out, and the terrifying energy began to permeate!

Seeing this, the people around stepped back one after another. The two Marquis started to do it. It was like bombing the scene. Anyone who got close would be unlucky.

Ning Dahai sang his hands together, and then his figure disappeared in a flash, grabbing towards Kai's chest fiercely.

Kai looked at Ning Dahai, not moving at all, the golden light on his body flickered, and scales began to quickly cover his body.

At this time, the color of the scales on Kai's body was even brighter.

Ning Dahai's speed is very fast, but when Ning Dahai grabbed Kai's chest with one claw, Kai was able to quickly activate the indestructible golden body.

You must know that a few days ago, Kai didn't even have a chance to react.

Ning Dahai's five fingers are as hard as steel, but he grabbed Kai's chest at once, but he didn't hurt Kai at all, and he didn't even break the undamaged golden body!

The gleaming scales neatly covered Kai's body, and none of them fell off.

"how so?"

Ning Dahai's face was full of surprise. He had to know that with a blow a few days ago, Kai's undamaged golden body almost collapsed, a large number of scales fell off, and the luster also dimmed.

"You can't even break my body protection magic, how can you kill me?"

Kai sneered.

Ning Dahai gritted his teeth and shouted angrily, the sky began to fill with blood, and then the blood condensed on Ning Dahai's palms.

Ning Dahai's palms were as bright red as if they had just been fished out of fresh blood!

When Kai saw this, golden light began to flash on his hand, and the power of the dragon was all gathered on his palm.

After all, Ning Dahai is also a veteran Wuhou. Kai, who has just been promoted to Wuhou, has not yet ignored Ning Dahai's strength.

"Holy Light Fist!"

Kai shouted angrily, followed by a dazzling light from Kai's palm.

Compared with the sun in the sky, this light is even worse!

A bloody fog filled the air, and Ning Dahai's figure retreated a few steps.

Everyone looked at Kai in surprise, and their eyes were full of incredible!

"It's incredible to have completely crushed the veteran Marquis at such a young age!"

"Genius, this Kai is indeed a genius!"

There are always hundreds of rounds of battle, and it is only when the sky is dark that the winner can be determined!

But now, you can see the level of strength with just one palm.

Ning Dahai's face was ugly. With the palm of his hand, he could really feel the improvement of Kai's strength.

This is not a slight improvement, at least dozens of times.

The improvement of a big realm will increase the strength exponentially.

Ning Zhi, who was not far away, watched his father get knocked back by Kai's palm, and his face became unspeakably ugly.

He didn't know when he would reach Kai's strength.

"This kid is really a genius, but with me here, don't worry, I will make you a genius too..."

At this moment, a hoarse and old voice sounded in Ning Zhi's mind.

Hearing this voice, Ning Zhi raised the corner of his mouth, and a smug look appeared on his face.

Ning Dahai stared at Kai with an ugly face, but he was not in a hurry to make a move, he seemed to be waiting for something.

And Kai saw that Ning Dahai would not attack, so he wanted to attack first!

But Kai just moved, but he felt abnormal.

I saw that the golden scales on Kai's body began to be dyed red by a burst of blood!

Kai's body was also infected by this blood, and soon Kai's body turned red!

Everyone was stunned when they saw this sudden change.

Ning Dahai laughed: "Kai, although your strength has become stronger, but you have been poisoned by my blood, and you will die soon..."

It turned out that the blood condensed on Ning Dahai's hands just now Fog is poisonous, although the real challenge is not to use poison, but now is the battle of life and death, who will care about that.

Kai stared at Ning Dahai, he didn't expect Ning Dahai to use poison.

"You don't have to look at me like this, weren't you very confident just now? Didn't you say I couldn't kill you?"

Ning Dahai became more and more proud.

Kai didn't speak, and the Heart Condensation Technique started running quickly, and the blood poison on Kai's body began to be absorbed into his body.

Ning Dahai watched the blood poison enter Kai's body, and he was secretly relieved!

Blood poison entered the body, Daluo Jinxian came, and he couldn't save it!

It's just that Ning Dahai didn't know that those blood poisons had already become Kai's resources.

At this moment, the blood poison was transformed into spiritual power under the action of the Heart Condensation Art, which was stored in Kai's dantian.

Chapter 1284

Seeing that the blood red on Kai's body was getting lighter and lighter, Ning Dahai couldn't be more happy.

Soon, Kai died of drug poisoning, and he wanted everyone to witness this moment!

The golden light on Kai's body slowly flickered, and the blood poison was completely absorbed.

"You blood poison is really a good thing..."

Kai's eyes were greedy, and the breath on his body exploded.

This time, Ning Dahai was stunned, and everyone was stunned!

No one understands what is going on here. He clearly saw that Kai's body was invaded by blood poison, so how could he be fine?

At this time, Kai's breath in his body was even more surging and raging.

"You...Aren't you afraid of blood poison?"

Ning Dahai looked at Kai in shock. Kai smiled coldly: "I forgot to tell you, I am the valley owner of Yaoshen

Valley, do you think I am afraid of your so-called blood poison?" Kai's words shocked Ning Dahai. Ning Dahai didn't know Kai's relationship with Yaosheng. Ning Dahai doesn't know, but some people do. After all, Yaosheng has always obeyed Kai's orders! "We have forgotten the identity of Kai, the owner of Yaoshen Valley. Where is Yaoshen Valley? How could we be afraid of poisoning!" How many identities do you know?" Everyone whispered. But no one knows that the reason why Kai is not afraid of this blood poison has nothing to do with his identity as the owner of the Medicine God Valley. Kai simply did not want everyone to know the secret of his Concentration Secret. Ning Dahai's face was gloomy, he knew that today's affairs were not easy to handle. Even Kai is not afraid of blood poison, it looks like he is going to work hard! "What else is there to do?"

Kai clenched his fist, and golden light flashed on his fist.

A golden dragon was wrapped around Kai's arm, which was the ultimate display of the dragon's power.

"Shengguang Fist..."

Kai shouted angrily, and then threw a fist out.

Jinlong let out a dragon roar, and then charged straight towards Ning Dahai.

A gust of wind instantly blew on the ground, and endless terrifying spiritual power, like sharp knives, instantly surrounded Ning Dahai's whole body.

There was panic in Ning Dahai's eyes, and the energy in his body was continuously released, forming a protective shield around his body!

The tinkling sound is endless!

Ning Dahai gritted his teeth and resisted.

But suddenly, a huge and incomparable force slammed into Ning Dahai's chest, and Ning Dahai's body instantly flew out.

Boom.....

Ning Dahai slammed heavily on the ground, instantly smashing a deep hole into the ground.

Everyone looked at Kai in horror, his face full of incredulity, this punch, just one punch, the power that erupted was so amazing!

"Dad..."

"Master..."

Ning Zhi and the Ning family all rushed over and helped Ning Dahai up.

There was blood on the corner of Ning Dahai's mouth, and his face was very pale.

"You all stay out of the way..."

Ning Dahai's anger was also forced out, and he pushed Ning Zhi away.

After taking two steps forward, Ning Dahai glared at Kai, took a deep breath, and slapped his palm on his chest.

And these blood mists were suddenly inhaled into the body by Ning Dahai!

"Kai, this is what you forced me to do, I'm going to fight with you..."

Ning Dahai glared angrily, his whole body began to skyrocket!

"I guess this Ning Dahai knows that if he doesn't do this, it will be difficult to deal with Kai!"

"Anyway, he will die, Ning Dahai is planning to die together. Is it?"

Everyone was very surprised when they saw Ning Dahai like this.

After all, it is not easy to cultivate to Wuhou, especially for a veteran Wuhou like Ning Dahai, it is even more difficult.

It is impossible for many people to burn off their own blood and energy in this way.

"This is Ning Dahai's blood demon seal. He is using his own blood to summon the blood demon to fight!"

"But after he casts this spell, I am afraid that he will not die, and he will also become a cripple."

"Now Chen Kai is in danger..."

Someone said indifferently when they saw the technique that Ning Dahai was using.

When everyone heard it, their eyes widened in a hurry, for fear of missing a wonderful picture.

Soon, the blood-red mark became bigger and bigger, and in the end, the whole person's mark was as bright as a mirror!

"I would like to sacrifice blood to give me infinite power..."

Ning Dahai roared at the beast in the mark.

Soon, the mark broke, and the beast full of fangs rushed out.

This shocked everyone, and many were timid and fled in fright.

The beasts kept dripping blood, and the terrifying aura emanating from their bodies made it difficult for everyone to breathe!

"Go kill..."

Ning Dahai pointed at Kai, then bit his fingertip, and instantly flicked a bit of blood onto the beast's forehead.

"Roar..." The

beast roared furiously, looking at Kai with eyes like copper bells.

Immediately afterwards, the figure rose into the sky, like a mountain, rushing towards Kai.

Rumbling...

In front of this huge beast, Kai's body looked so insignificant.

Kai looked at the huge beast, the golden light on his body continued to flicker, and the dragon crystal continued to emit the power of the dragon.

Kai condensed all the power of the dragon and radiated it from his body!

The power of the dragon turned into a golden dragon, and then hovered above Kai's head!

Everyone who saw this strange scene was once again shocked by Kai.

Seeing the beast rushing over, the golden dragon above Kai's head uttered a dragon roar, and then suddenly rushed towards the beast.

It can be seen that when the golden dragon rushed towards the beast, the body of the beast obviously paused.

Rumbling.....

Golden Dragon's body instantly collided with the beast.

In an instant, the universe shook, the avenue roared, and the world trembled.

You must know that the energy emitted by the collision between the golden dragon and the beast is not something that can be emitted by the battle of two Marquis.

Chapter 1286

The huge energy spreads all around. People who thought they had been hiding far away were hit by the sudden energy, and many people flew out one after another, and even some people with low strength were instantly smashed by this terrifying energy. !

boom!

There was another explosion, and the fierce beast's body exploded in mid-air in an instant, and then turned into a little spot of light and disappeared into the air.

And the golden dragon returned to Kai's body instantly after uttering a dragon roar.

Kai let out a long sigh. He didn't expect that after breaking through Yuan Ying, even the power of the dragon has been enhanced a lot.

Everyone looked at Kai in stunned eyes, and some people swallowed their saliva unconsciously.

You must know that this blood demon seal of Ning Dahai is displayed by burning blood essence and even spending his whole life.

And that beast represented Ning Dahai's craziest and peak state of strength.

But with such strength, it is vulnerable to a single blow...

"How is it possible, how is it possible..."

Ning Dahai was completely desperate at this moment, and he used all the means, but he still couldn't shake Kai!

The current Kai is not the Kai of a few days ago.

The strength of a big realm improved, so that the two people formed a gap.

This disparity in strength made Ning Dahai no longer have any hope of winning.

His hair was instantly gray, like an old man who was dying!

The current Ning Dahai has long since lost the appearance of the head of a martial arts family, nor the arrogance he used to be!

Seeing this, everyone knew that Ning Dahai was defeated, and the defeat was complete...

And those Ning family members were already extremely terrified at this moment, because the defeat of Ning Dahai also heralded their death.

Puff, puff...

Kai's eyes narrowed slightly, and his voice was cold.

"You can't kill my son, you can't kill it, because everyone here will die..."

The Ning family's butler stepped forward, preparing to stop Ning Dahai from blowing himself up.

But who knew that the Ning family's butler had just stepped forward, and was slapped on the head by Ning Haihai.

"As the Ning family, how can you be so greedy for life and fear of death..."

Ning Dahai was like a madman at this moment, his eyes were scarlet.

Seeing this scene, everyone in the Ning family was shocked. After looking at each other, they all rushed towards Ning Dahai.

They want to stop Ning Dahai from blowing himself up, because Ning Dahai blows himself up, they are sure to die!

The extreme anger has already left him speechless...

And those Ning family members who hadn't rushed to Ning Dahai's side were instantly swallowed up by the air waves, and their bodies also turned to ashes!

Kai gritted his teeth, only to feel an endless force coming towards him!

His whole body was blown away directly.

The scales on the body began to fall off in a large area, and in the end, the undamaged golden body completely shattered.

Kai's body was under tremendous pressure, and he quickly passed out.

I don't know when, Kai slowly opened his eyes, and there were already scars on his body.

However, it is not life-threatening, and within 100 meters of Ning Dahai's self-destruction, there is already nothing and everything has turned into powder!

"Marquis Wu's self-destruction is really powerful..."

Kai muttered to himself, looking at his scarred body.

At the same time, the Kyoto Budo Alliance!

Zhu Zhishan was having a meeting with several noble families, and in front of them was a big screen, which played the scene of Kai fighting with Ning Dahai.

"Did you see that in just a few days, Kai has broken through Marquis Wu and has undergone earth-shaking changes. If you don't kill him, it will be trouble later!"

Zhu Zhishan said solemnly.

"I really didn't expect that Kai's strength has improved too fast. Will this guy learn any evil skills?"

Long Jingguo couldn't believe it. Kai, who they completely looked down on in the past, has only been in a few months. , actually dared to fight against Ning Dahai, a veteran Wuhou.

"Yes, I also doubt that this Kai has any evil powers!"

Another Patriarch said.

"Impossible, this Kai must have other secrets..."

Zhu Zhishan shook his head.

Because he knew that Kai had no evil powers, if there was, he would have discovered it long ago.

"I thought that Ning Dahai really killed Kai, but it turned out to be bragging..."

said a patriarch with disdain.

"Since Kai is not dead, then we will do it. Fortunately, the killers I prepared did not leave."

Zhu Zhishan's eyes narrowed slightly: "But then Kai is behind Mr. Shi, so what we have to do is not leaking. , if Mr. Shi pursues it, we are grasshoppers on a rope, and we have to advance and retreat together!"

"I wish the leader of the alliance, you can rest assured, since we choose to stand together, of course we will advance and retreat together."

A family owner assured road.

"That's good, I can guarantee that it won't take long, the entire Kyoto martial arts world will be the sphere of influence of our martial arts alliance!"

A grin appeared on Zhu Zhishan's face!

Rumbling...

At this moment, the mountain suddenly shook, like an earthquake!

Zhu Zhishan froze for a moment and frowned.

The others also hurriedly looked outside, wanting to see what was going on.

"Leader, Ning Dahai blew himself up..."

At this moment, an elder of the Martial Arts Alliance ran in and said.

"Self-destruction?"

This time, Zhu Zhishan and everyone were stunned.

They knew what the power of a Wuzong self-destruction was.

"How are the casualties?"

Zhu Zhishan asked.

A Marquis Wu blew himself up, with great power, and those who watched the battle were afraid that they would all be affected.

If so many people were killed or injured in the martial arts world of Kyoto all at once, he, the leader of the martial arts alliance, would also be responsible.

"It's not clear yet, but those who watched the battle have already left. It is estimated that Ning Dahai and Kai died together, and the Ning family is afraid that it will be finished..." The

elder replied.

"Go check it now..."

Zhu Zhishan roared.

The elder hurried to check it out.

And Zhu Zhishan sat on the seat with a cold face.

## A man like none other and the man decree (chinese) Chapter 1289-1290

A man like none other and the man decree (chinese) Chapter 1289-1290

Chapter 1289

He didn't expect that Kai would force Ning Dahai to blow himself up, knowing that a Marquis of Wu would not easily blow himself up even if he died.

After all, Marquis Wu also has a family. If he blows himself up, it means that the entire family will disappear from the world.

"This time, Kai is afraid that he will definitely die..."

said one of the patriarchs indifferently.

Marquis Wu blew himself up, and there could be no living creature within a radius of 100 meters.

"Let's wait until we find out, I always feel that Kai didn't die so easily..."

Long Jingguo spoke slowly.

Long Jingguo knew Kai's true identity, and Kai's strength had grown so fast. It wasn't because he was cultivating evil arts, so it was related to the secret he wanted to know.

He imprisoned his sister for more than 20 years and never killed Long Ruotong, just wanted to know the secret.

And this secret may be hidden in Kai's body.

"Yes, let's check it out, you go back first..."

Zhu Zhishan waved his hand, and several martial arts family patriarchs left.

Just after leaving, seven men in black walked in.

The seven people were all dressed in black, even their heads were covered by black scarves, and only a pair of eyes were exposed, but these people's eyes were dull, and they didn't even blink, just like dead people, silent!

Facing the seven men in black, Zhu Zhishan took out Kai's photo, squeezed it lightly in his hand, and the photo instantly burned.

"The goal of the seven of you is this person, you want to bring me back alive..."

Zhu Zhishan ordered to the seven men in black.

The seven men in black nodded and walked out without saying a word.

The reason why Zhu Zhishan didn't kill Kai and wanted to bring him back alive was because he also wanted to get the dragon crystal in Kai's body.

When fighting against Ning Dahai again, the golden dragon hovering above Kai's head deeply shocked Zhu Zhishan.

So he changed his plan and planned to capture Kai alive, then take out Longjing and kill him.

At this time, Kai looked at Ning Dahai, who had already turned into powder, and the Ning family, who had disappeared, and felt a little pity in his heart.

Ning Dahai is a Marquis of the Golden Elixir. If he can get the Golden Elixir, it will definitely be of great help to Kai's cultivation.

But now Ning Dahai has become a powder, and the golden pill no longer exists.

The next step is to find a way to find that Ning Zhi, Ning Zhi is the culprit!

"No matter if you escape to the ends of the earth, I will find you..."

Kai's eyes were full of determination.

The Ning family has solved it, but there is one more thing, and that is the huge industry and resources of the Ning family in Kyoto.

This requires someone to take over and take care of it. Kai himself has no time and must find talent.

However, the Shadowless Villa has been relocated by Kai as a whole to the Valley of the Wicked. The distance is a bit far, and there is no way to take over the Ning family's huge industry.

It is not suitable for the Bai family to take over. After all, the Bai family is just a simple business family, taking over the industry of the martial arts family, let's not talk about whether the Bai family has the strength to defend, there are many things the Bai family does not understand at all!

Just when Kai was thinking, a person, Dong Jiahao, suddenly appeared in his mind!

The Dong family is also a well-known martial arts family in Kyoto, and Dong Jiahao is a more righteous guy, and he has a good relationship with him!

Therefore, Kai hoped that the Dong family would take over and take over the huge industry of the Ning family.

As for Dong Liqun, Kai believed that he would never dare to hurt his heart again.

Thinking of this, Kai walked towards Dong's house, and just took two steps, but found that someone seemed to be watching him secretly.

Kai's consciousness emanated, and he immediately discovered that not far away, an elder of the Martial Arts Alliance was secretly watching him.

The corner of Kai's mouth raised slightly, but he didn't turn around, but said coldly: "Sneaky, not like the style of the Martial Arts Alliance, since you're here, get out..."

Kai's words shocked the elders of the Martial Arts Alliance, but they walked out cautiously.

Chapter 1290

"Are you here to see if I'm dead?"

Kai asked the elder of the Martial Arts Alliance.

The expression of the elder of the Martial Arts Alliance became a little ugly, but he still nodded.

In front of Kai, he did not dare to conceal the slightest.

Kai just killed Ning Dahai, and if you want to kill him, it is just a matter of one palm.

The Kai at this time is no longer the Kai he was a few months ago.

A few months ago, Kai followed Long Xiao, and the elders of their martial arts alliance completely looked down on Kai, but now, when facing Kai, they have to bow their heads cautiously.

This is strength, in the face of strength, you have to bow your head!

"Go back and tell Zhu Zhishan that I, Kai, are living well, let him get ready, and I will go to the Martial Arts Alliance in person..."

Kai smiled coldly as he looked at the panicked look of the elders of the Martial Arts Alliance.

After finishing speaking, Kai turned around and left without doing anything to the elders of the Martial Arts Alliance. Kai still needs him to go back and report to Zhu Zhishan!

Looking at Kai's back, the elder of the Martial Arts Alliance let out a long sigh of relief.

"Huh..."

"This child is too terrifying, too terrifying..."

The elder of the Martial Arts Alliance wiped the cold sweat from his forehead and hurriedly turned and left.

.....

The Dong family in Kyoto!

At this time, the Dong family has lost its former prosperity.

The Ning family and the Dong family were enemies. After Ning Dahai left the customs, those families that were originally attached to the Dong family all left the Dong family one after another.

Dong Liqun sat in the hall, looking at the somewhat desolate Dong family, his expression was indescribably lonely.

"Dad, Ning Dahai died and was killed by Brother Kai..."

At this moment, Dong Jiahao walked into the hall and said to Dong Liqun.

When Dong Liqun heard this, his expression was slightly shocked.

He is very clear about Ning Dahai's strength. Even if he fights against Ning Dahai, the outcome is unpredictable, but Ning Dahai has a better chance of winning.

Now it seems that Ning Dahai has been killed by Kai, so he is no longer Kai's opponent.

Dong Liqun is very regretful now, regretting his own interests, and even wanted to kill Kai in order to get the treasure on Kai's body.

This is probably the most regretful thing he has ever done in his life.

He knew that if it wasn't for Dong Jiahao's reasons, the next person Kai would kill would be their Dong family.

Although the last time Kai killed the Ning family, they had a brief cooperation with the Dong family.

But Dong Liqun still regrets it a lot. If it wasn't for his greed, with the relationship between Kai and Dong Jiahao, their Dong family would definitely be able to get Kai's help!

The current Kai is no longer the former Kai. Being able to kill Ning Dahai makes Kai the most promising star of the younger generation.

And their Dong family missed the opportunity to follow Kai because of his greed!

Dong Liqun knew that in the near future, Kai would definitely be able to look down on the entire Kyoto martial arts world, and even the entire Daxia martial arts world.

"Master, Mr. Chen is asking to see you outside the door..."

At this moment, a servant of the Dong family came in and reported.

"Mr. Chen? Which Mr. Chen?"

Dong Liqun asked suspiciously.

"It's Kai, the one who has a good relationship with the young master!" the

servant replied.

Hearing Kai's sudden arrival, Dong Liqun stood up abruptly, and his heart began to beat a little!

Because he didn't know what Kai's purpose was.

Kai had just killed Ning Dahai, and he immediately arrived at their Dong's house. Would he also come to kill himself?

Dong Liqun's face became a little ugly.

"Dad, let's go out and see, I believe Brother Kai won't do anything to you..."

Dong Jiahao said with confidence.

Dong Liqun nodded, and now he can only go out to take a look. It's a blessing or a disaster, it's a disaster that can't be avoided...

Dong Liqun followed Dong Jiahao out.

When Dong Jiahao and Dong Liqun went out, they saw Kai standing at the door covered in blood.

"Brother Kai, are you injured?"

Dong Jiahao was shocked, and hurriedly stepped forward to check the injury on Kai's body.

Kai smiled faintly: "It's all just a minor injury!"

"Mr. Chen, I have some good medicines for golden sores and Qi-boosting pills here. I'll order someone to fetch them right away!"

"Patriarch Dong, don't need it, it's all minor injuries, and it will get better soon!"

Kai said gratefully.

Seeing Kai's tone of voice, Dong Liqun finally breathed a sigh of relief, and immediately turned around and made a gesture of invitation: "Mr. Chen, please come to the house quickly..."

Kai walked into Dong's villa, and Dong Liqun poured tea for Kai himself. Pour water!

Kai actually saw the panic in Dong Liqun's heart, and he smiled lightly.

"Brother Kai, I heard that you killed Ning Dahai?"

Dong Jiahao asked Kai.

Dong Jiahao and Dong Liqun were all shocked!

They knew the power of a Marquis' self-destruction. Ning Dahai blew himself up, but Kai was fine. He only suffered some minor injuries, which was enough to show Kai's strength.

"Wouldn't Ning Zhi also be killed by Ning Dahai's self-destruction?"

Dong Jiahao asked curiously.

"You too . Knowing that the Ning family has a huge industry, many martial arts families are eyeing them. Now that Ning Dahai is dead, if no one takes over the Ning family's industry, it will be quickly eroded."

"I don't have time to manage these, and these industries are very important to me. It doesn't make any sense, so I hope Brother Dong can take over!" After

Kai's words, Dong Jiahao and Dong Liqun were stunned!

Especially Dong Liqun, Kai didn't ask him to settle accounts, he felt very lucky, but he didn't want Kai to send such a big bargain to the Dong family!

"Brother Kai, what you said is true. You must know that the Ning family's property is one of the best in the entire Kyoto."

Dong Jiahao asked in disbelief.

"Of course it's true!" Kai said with a slight smile.

"Brother Kai, since you trust me so much, I, Dong Jiahao, have nothing to say. In the future, as long as you say a word from Brother Kai, I, Dong Jiahao, will go through fire and water, and I will do whatever it takes..."

Dong Jiahao looked at Kai very excitedly, his eye circles were all over the place. red.

"If I, Dong Liqun, dare to do something with two hearts, the world will not tolerate..."

Dong Liqun was impressed by Kai's mind at this moment, and he could not wait to smoke own a few mouths!

"Patriarch Dong is serious. Brother Dong and I are friends, and he helped me a lot. It's good for us to help each other!"

Kai said with a faint smile!

Kai didn't stay at the Dong family for a long time. After talking about some things, he left. He was going to go to the Valley of the Villains to see if the four villains had recovered.

Ding Busan yelled at Zao Wou-Ki.

Ding Dao waved his hand: "Zhao Zhuangzhu, don't misunderstand, I'm not saying that you are afraid of death, I just don't want you to die in vain!"

He also instantly understood why Ding Dabu didn't let them go. A Marquis of Wu blew himself up, and there would be nothing left within 100 meters of the scene.

If they go, they will turn to ashes in the end!

This time, Kai found something very difficult for him.

That is his current strength, even if he is cultivating in the Demon Suppression Tower, the speed is much slower.

Before breaking through Marquis Wu, if Kai wanted to recover his spiritual power, he would soon be able to recover in the Demon Suppression Tower.

But now it has been three days.

This is only to restore spiritual power. If you want to improve your strength, I am afraid that it will take longer.

However, there is no way to do this. After all, every breakthrough in the realm not only brings about an increase in strength, but also doubles the difficulty of cultivation.

"It seems that I have time to go to the Red Lotus Palace..."

Kai thought of the cave of the Red Lotus Palace. If he could unlock the secret of the cave, it might be of great help to his cultivation.

After leaving the Demon Town Tower, Kai came to the hall of the Valley of the Wicked!

The four evildoers and Zhao Ligu were all there, and when they saw Kai coming out, they all went up to meet him.

"Corpse?" Kai was a little stunned. He didn't understand why the seven corpses had such a terrifying aura and why they acted.

"Mr. Chen, it's a long story, the Seven Devils does not refer to these seven people, but to the manipulators behind these seven people!"

"The Seven Devils are an evil cultivator who specializes in refining corpses, similar to In the corpse king of Miao Village, and the Miao Village uses puppet worm control, but the Seven Evil Star Lord does not use it, he uses spiritual power!"

"And the puppet corpse of the Seven Evil Star Lord can be of any strength. , As long as it's a corpse, this Seven Evil Star Lord can refine a puppet corpse!"

"But this Seven Evil Star Lord has disappeared for many years, how could a puppet corpse suddenly appear here?"

"And these seven guys, judging by their breath, there are at least four Marquis..."

Ding Bubu said with a puzzled face.

After Kai heard it, he suddenly realized that it is no wonder that there is a corpse aura in the breath of these guys.

"I don't know these seven evil stars, I don't know what he sent these seven guys here to do!"

Kai said in surprise.

"I don't know either, but the puppet corpse must have a mission..."

Ding Bu's face was full of vigilance.

Just as Ding Dao's voice fell, he saw seven puppet corpses suddenly rushing towards Kai.

The seven puppet corpses moved in unison, and all jumped up high.

Immediately after, seven terrifying breaths came directly towards Kai!

"Mr. Chen, be careful..."

Ding Bu shouted, and his body suddenly rose from the ground.

The other four of the four villains also immediately rose into the sky and rushed towards the seven puppet corpses.

Kai quickly retreated, and he was dozens of meters away in an instant.

And just where he was standing, a huge explosion sounded, and a deep pit exploded in an instant!

Kai's face became extremely gloomy, golden light appeared on his body, and scales began to cover his body, and the undamaged golden body started.

As soon as he stretched out his hand, the Dragon Slaying Sword appeared in Kai's hand, and then with a fierce light in his eyes, he walked directly towards the seven puppet corpses.

"Damn, it's just a few dead people, you still want to kill me..."

Kai was furious.

He didn't know any Seven Fiends Xingjun at all, but the other party wanted his own life, how could Kai not be angry.

The Dragon Slaying Sword ignited flames, and then a sword pierced the chest of a puppet corpse.

Just when Kai thought that one sword would solve one problem and was about to draw out the sword, he didn't want the puppet corpse to slap Kai's chest suddenly.

Kai's body flew upside down, but the puppet corpse that was pierced through the chest charged towards Kai without blinking an eye.

A man like none other and the man decree (chinese) Chapter 1295-1296

Chapter 1295

"Mr. Chen..."

Zhao Liguó took the sword and stepped forward to block the puppet corpse.

Kai frowned tightly after looking at the puppet corpse who was stabbed by himself, but nothing happened.

"This is too perverted..."

Kai's eyes narrowed, and then his body rose into the air.

In an instant, Kai appeared in front of the puppet corpse again.

"Shuh..."

Kai raised the Dragon Slaying Sword and slashed down angrily. This sword was powerful.

The terrifying sword energy poured out from the Dragon Slaying Sword.

One arm of the puppet corpse was chopped off by Kai in an instant and flew out.

But at that fracture, there was not a trace of blood flowing out.

Even with one arm left, the puppet corpse still charged towards Kai without blinking an eye.

A streak of energy attacked Kai, Kai scolded secretly, and his body quickly retreated!

A sound of explosions sounded, and Kai was instantly blasted out of several deep pits!

"Bah..."

Kai spat out the dirt in his mouth and looked at the puppet corpse: "This is too perverted..." But without

waiting for Kai to breathe, the puppet corpse charged again. Kai.

There were also two puppet corpses heading towards Kai.

Their goal is only Kai, so even if the four villains help Kai to block, these puppet corpses will rush towards Kai as soon as they have a chance.

Looking at the puppet corpse rushing towards him, Kai frowned, his eyes full of anger.

With a wave of the Dragon Slaying Sword in his hand, he pushed forward with the palm of his left hand.

A terrifying spiritual force directly pushed the flames on the Dragon Slaying Sword forward more than ten meters!

The raging flames quickly burned under the action of spiritual power.

Those puppet corpses were instantly ignited.

There was a burst of burnt smell, accompanied by a crackling sound!

Seeing this, Kai breathed a sigh of relief. Although these puppet corpses can't be chopped to death, they can always be burned to death, right?

But just when Kai breathed a sigh of relief, he saw two puppet corpses burning with flames, rushing towards Kai.

Even if the whole body burned, these puppet corpses did not retreat or panic at all!

"Damn..."

Seeing this, Kai quickly retreated, but the two puppet corpses were chasing after him!

"Mr. Chen, cut off the head of the puppet corpse, they can't control it..."

Ding Dabu shouted at Kai.

As soon as Kai heard it, he held the Dragon Slaying Sword, stabilized his figure, and chopped off the head of a puppet corpse.

Although his body also suffered a punch, but Kai had a golden body and was not injured.

The head of the puppet corpse was chopped off, and the body fell to the ground instantly.

It seems that the other party uses mental power to control these puppet corpses, and it still needs the heads of these corpses.

If it is a headless corpse, there is no way to control it.

Knowing the way to crack the puppet corpse, Kai held the Dragon Slaying Sword and began to swipe out continuously.

The seven puppet corpses were cut off by Kai in less than an hour.

Just after the seven puppet corpses had their heads cut off, in a dark, damp, dark cave, a guy with disheveled hair and eyes like copper bells lay a dozen corpses beside this guy.

This guy is the Seven Devils Xingjun in Ding Dao's mouth. He has disappeared for many years and has been practicing his own corpse refining technique.

"How did this Mountain of Wishes do it? My seven puppet corpses died so quickly..."

Qi Sha Xingjun said with a distressed expression on his face.

But it was only for a moment, the face of Qisha Xingjun returned to a cold expression, and with a wave of his hands, a black mist filled his palms, and the corpses lying on the ground actually began to move.

Valley of the Wicked!

After Kai beheaded those puppet corpses, he rushed to Kyoto non-stop.

No matter if he succeeds today or not, Kai has to give it a try. Although Kai himself doesn't have much hope, he always has to do something, he can't watch Su Yuqi suffer in it!

In the Martial Arts Alliance at this time, Zhu Zhishan's eyes were slightly closed, and his face was very ugly.

Seven puppet corpses, including four Marquis Marquis, were even unable to kill Kai.

"Damn, a dead person is a dead person. If you don't have a brain, why won't you start when Kai is alone ?

"

The way, the puppet corpse has no thoughts, how could they think about those.

Beside Zhu Zhishan, several elders stood respectfully, not daring to say a word.

"You three don't stand here anymore, get out of here, they're all trash..."

Zhu Zhishan was annoyed when he looked at these elders!

Now that Kai has stepped into Wuhou, these elders are no longer Kai's opponents, so Zhu Zhishan is upset when he sees them!

The three elders did not dare to speak, they bowed their heads and walked away.

After walking out of the gate of the Martial Arts Alliance, the Great Elder snorted angrily.

"It's too much, anyway, the three of us are the elders of the Martial Dao Alliance, so treat us like this..."

The elder said in an atmosphere, obviously dissatisfied with Zhu Zhishan's attitude.

"Brother, forget it, who made us inferior to others, and now that we join forces, we are no longer Kai's opponent." The

second elder sighed. "That Kai is so terrifying. A few days ago, Kai asked me to tell the leader of the alliance that he was going to break into our martial arts alliance alone

!"

The elders were afraid.

"Hmph, that Kai is simply beyond his own power, thinking that if he kills Ning Dahai, he will be invincible in the world..." The

second elder snorted coldly.

But as soon as the words were finished, the three elders were stunned for a moment.

Because they saw that Kai was right in front of them and walked straight over.

Seeing Kai approaching, the three elders breathed rapidly, and the second elder, who was just disdainful, also trembled slightly at this moment.

Kai also found three elders, but he ignored them.

Instead, he walked straight past them and went straight to the Martial Arts Alliance.

At this moment, in Kai's eyes, these three elders are no longer a concern!

Looking at Kai walking over, the three elders looked at each other, looking a little overwhelmed!

The second elder suddenly wanted to speak, and stopped Kai, but was stopped by the first elder.

"Brother, this Kai is going to the Martial Arts Alliance..."

said the second elder.

"I'm not blind, I saw it!"

The first elder glared at the second elder: "Let's go quickly and pretend we didn't see him. Do you want to be cannon fodder?" The

second elder shook his head in fright, and then three The elder pretended not to see Kai and left quickly.

.....

The door of the Martial Arts Alliance!

Two guards stood straight on both sides, and these two guards alone were in the realm of Wuzong!

You must know that a master of Wuzong is treated like an emperor in a small city.

But here, you can only look at the door!

And these two Martial Sects also worked hard and never complained, because being able to enter the Martial Dao Alliance, the cultivation resources they obtained were incomparable outside.

With the improvement of realm, they are more and more dependent on cultivation resources, so they can only watch the door in the Martial Arts Alliance!

"The three elders have been scolded just now. It seems that the leader of the alliance is not happy during this time. We must not mess with him..."

One guard said to another guard.

A man like none other and the man decree (chinese) Chapter 1297-1298

Chapter 1297

"Now the status of these elders is getting lower and lower, and the alliance will scold them if they don't move. It seems that this elder is not easy to do..."

Another guard said sighing.

"You don't know, the leader of the alliance often goes out during this period of time, and every time he comes back, he can bring back some masters, all of them are Marquis Wu, and I don't know where they came from."

"No wonder these elders are always scolded, the higher the status. It's getting lower and lower, it seems that strength is still the most respected..."

"No, I don't think it will take long, this elder and director will be replaced. After director Guo's death, even a person who can take the top position will be replaced. No. "

Just as the two guards were chatting, they suddenly felt a chilling killing intent coming from not far away, the two of them shivered, and hurriedly turned their heads to look into the distance.

I saw a figure slowly appear, walking steadily towards the Martial Arts Alliance.

"Stop, who are you? This is the center of the Martial Arts Alliance, and no one is allowed to approach..."

A guard yelled at Kai.

Kai looked calm, said nothing, and still walked towards the Martial Arts Alliance.

"Kai..."

Kai said his name slowly.

When Kai said his name, the two guards' eyes suddenly widened, their Adam's apple rolled, and they kept swallowing saliva.

The body was shaking constantly, and there was a yellow liquid flowing out of one person's feet!

Kai glanced at the two people with disdain, and then walked straight towards the inside of the Martial Arts Alliance.

The two guards did not dare to stop them, and even more did not dare to speak.

When Kai walked into the Martial Arts Alliance, the two guards recovered and turned around and ran away.

They know that if they stay here, they are afraid they will die miserably!

Kai walked into the Martial Arts Alliance and looked around. It was the first time he walked in from the front door openly.

However, as soon as Kai stepped into the Martial Arts Alliance, there was a strong murderous intent floating up!

Kai's eyes closed slightly, and a spiritual consciousness instantly moved towards the depths of the Martial Arts Alliance.

However, just as Kai's consciousness was released, he was suddenly cut off by an extremely domineering aura.

Kai shuddered and opened his eyes suddenly.

At this moment, Kai's face was ugly, and his brows were tightly knit together.

He had just entered the Martial Arts Alliance this time, and he encountered such a powerful aura.

His consciousness was cut off almost effortlessly.

"It seems that this martial arts alliance is really hidden, not as it appears on the surface..."

Kai muttered to himself, but since he has come, Kai will not back down!

Walking towards the depths of the Martial Arts Alliance, the first is a courtyard, surrounded by antique houses, and after passing through an arch, there is a hall with many rooms on both sides.

Kai walked through the courtyard and came to the hall, but he didn't meet anyone, which made Kai feel very strange.

Kai stood in the center of the hall, looked around, and wanted to send out his spiritual sense to investigate, but finally gave up.

Instead of wasting mental power, it is better to roar and hand over the mountain of Zhu Zhi.

Kai believes that Zhu Zhishan must know that he is here, or else the dignified martial arts alliance will let people break in at will, and no one will stop it, what will it look like.

"Old Zhu Zhishan, get out of here, I'm here to ask you for someone..."

Kai roared vigorously, and the whole hall was buzzing!

Chapter 1298

Just as Kai's roar stopped, a roar sounded: "You are so brave, dare to break into our martial arts alliance..."

Then a dozen people wearing black training suits with martial arts embroidered on them poured out from the houses of the two tests. The warriors of the alliance logo, these people are very tyrannical.

Kai glanced at these people and snorted coldly: "Where's Zhu Zhishan? Let him get out, he won't be afraid and turn into a tortoise?"

"Bold, dare to slander our alliance leader like this, Courting death..."

A guy from the Martial Arts Alliance shouted angrily, and he was about to attack Kai with two blades in hand.

"Stop..." A

voice came from the depths, and then I saw Zhu Zhishan walking out slowly.

"Leader..."

These people all shouted respectfully when they saw Zhu Zhishan.

"Kai, I thought you were telling a joke, but I didn't expect you to dare to break into my martial arts alliance. Do you really think that if you kill Ning Dahai, you will be invincible in the world?"

"But you do have some skills, the younger generation in Kyoto. Among the martial artists, you are considered to be the best, but unfortunately you are too crazy, so crazy that you dare to break into our martial arts alliance..."

Zhu Zhishan looked at Kai with disdain and ridicule on his face!

Kai looked at Zhu Zhishan coldly, and the murderous aura on his body began to permeate: "I'm here to ask for someone, not to listen to your nonsense..."

Kai said, the terrifying atmosphere instantly enveloped the entire hall.

The people in the Martial Arts Alliance felt the cold breath, and their expressions changed.

And Zhu Zhishan put away the disdain in his eyes, and said with a cold face: "I want someone? Who do I want?"

"Don't pretend to me, my girlfriend was caught by your martial arts alliance, you still can't pretend here. You know?"

Kai was so angry at Zhu Zhishan, his whole body trembled slightly with anger, and his eyes became scarlet.

The golden light flickered, and scales covered Kai's body.

The terrifying aura on Kai instantly made those in the Martial Arts Alliance feel oppressed!

"What did you say? I don't know at all, I hope you don't slander our Martial Arts Alliance..."

Zhu Zhishan was still pretending to know nothing.

Zhu Zhishan frowned when he saw this scene: "Kai, do you dare to kill people in my martial arts alliance?"

"Not only will I kill people, but I will also tear down your broken martial arts alliance..."

Kai's breath is constantly changing of climbing.

The raging atmosphere continued to spread around, and Kai wanted to dismantle the entire martial arts alliance.

It's just that no matter how much Kai's breath wants me to spread, it can't shake the surrounding buildings. This time Kai understands that this martial arts alliance is protected by a magic circle.

Although the building can't be damaged, those in the Martial Arts Alliance can't stand it.

One by one's faces changed wildly, and some people were even torn to pieces by the terrifying aura...

"Presumptuous..."

Seeing this, Zhu Zhishan opened his eyes wide and punched Kai.

"It's good, I'll kill you today..."

Kai gritted his teeth, a golden light erupted from his fist, and then he punched him.

Chapter 1299 Excuses \_

The aftermath of two Marquis fighting in such a confined space is not something these people can bear.

Kai's body took a few steps backwards. Although Zhu Zhishan didn't move, his face became ugly.

Although Zhu Zhishan stepped into the realm of Marquis early, and his strength is even higher than that of Kai, the punch just now made him feel a little comfortable.

Because he really felt the threat of death from the power of the punch just now.

He could see that Kai was here to work hard.

As the saying goes, the soft is afraid of the hard, and the hard is afraid of death.

If Kai's tendon twitched and he blew himself up, even if he had three heads and six arms, he might not be able to survive.

"Stop talking nonsense, either let my girlfriend go, or die..."

Kai's eyes were scarlet, and his killing intent continued to skyrocket.

Looking at Kai like this, Zhu Zhishan also has a headache. If Kai is really killed, there is no way to explain it to Mr. Shi.

But if he was spending time with Kai like this, he was afraid that Kai would blow himself up.

After pondering for a moment, Zhu Zhishan said: "Okay, wait a minute, I'll bring your girlfriend..."

After passing through a door, there was a smile on the corner of Zhu Zhishan's mouth, and then a secret door was opened, and four people who looked exactly the same in white clothes appeared.

"You four, go and kill that guy in the hall, move quickly..."

Zhu Zhishan said to the four of them.

"Don't worry, I wish the leader!" The

four nodded at the same time.

Seeing the four people heading towards the hall, Zhu Zhishan flashed, jumped out of the Martial Arts Alliance, and then disappeared into the distance.

He wanted to kill with a knife and let these four people kill Kai, and he was no longer in the Martial Arts Alliance.

In this way, even if Mr. Shi pursues it, he can have an excuse to prevaricate.

It is said that Kai entered the Martial Arts Alliance without authorization to kill, and was killed by the people of the Martial Arts Alliance, and he was not in the Martial Arts Alliance, so he had nothing to do with him.

Zhu Zhishan's idea is very good, and he is confident that those four people can definitely kill Kai.

These four people are the tokens used by Zhu Zhishan, and they were found from the deep mountains. All four people are in the realm of Marquis, because they are evil cultivators and can only hide.

Kai was waiting for Zhu Zhishan in the hall. He didn't know that Zhu Zhishan had already run away.

A few minutes later, Kai frowned, and his eyes immediately looked into the depths of the Martial Arts Alliance!

I saw a few terrifying breaths coming directly towards him, and several breaths finally combined, like a rapidly coming cannonball!

Seeing this, Kai suddenly punched out.

The terrifying power of the dragon also rushed out, and slammed into each other with that power.

boom!

A huge roar suddenly exploded, and the terrifying energy dissipated. If it wasn't for the protection of the magic circle, the building of the Martial Arts Alliance would have collapsed several times.

Kai's body was shaken back, and then he looked coldly at the depths of the Martial Arts Alliance!

"You have already reached the realm of Marquis at a young age, and you are indeed talented, but do you dare to enter the Martial Arts Alliance alone?"

With a voice, four men in white suits followed. A person appeared in front of Kai.

After speaking, the four people burst into breath at the same time, and everyone began to shine.

However, the four people’s flashes of light are not the same, which proves that the four people’s cultivation methods are not the same.

“Did you kill yourself, or do you want the four of us to do it? If you kill yourself, you can die more comfortably. If it falls into the hands of the four of our brothers, then...”

The eldest of the four , Hehe smiled.

“Big brother, what’s the matter with him, such a hippie and tender meat, even if we want to kill him, let the four of us have fun and talk about it...”

The third of the four showed a wretched look!

When Kai heard this, he couldn’t help shuddering, and then looked at the four people in front of him: “It’s so fucking disgusting, you four just promoted Wuhou, you dare to say such big things.”

Come on, the fourth brother had already arrived in front of Kai and slammed his fist towards Kai's shoulder blade.

It seemed that he didn't want to kill Kai at once, he just wanted to make Kai lose his ability to resist.

At this time, the fourth child's arms have already been twisted, and Bai Sensen's bones are exposed outside, and his body is dripping with blood, and his appearance is very miserable!

And after Kai smashed the fourth child with one punch, his aura was still surging, and his killing intent was awe-inspiring!

The remaining three guys looked at each other and hurriedly helped the fourth up.

Then the eldest took out a black pill, which smelled so bad, and stuffed the pill into the mouth of the fourth.

After swallowing the pills, the eldest brother pinched the magic formula, and black mist began to surround the fourth eldest's wound, and soon a strange scene happened.

I saw that the strangely curved arm of the fourth child was slowly recovering, and the exposed bones also began to grow!

Kai frowned: "So you are evil cultivators, it seems that this martial arts alliance is not clean..."

Kai glared at the four people in front of him, and his aura continued to erupt.

Looking at Kai in front of them, the four people's faces became solemn, and there was no more contempt at the beginning.
