A man like none other and the man decree (chinese) Chapter 1301-1302

Chapter 1301

"No wonder you dare to enter the Martial Arts Alliance by yourself, so you have some ability." The

boss looked at Kai and said gloomily.

"Stop talking nonsense, today I will eliminate harm for the people and abolish your four evil cultivators..."

Kai shouted angrily.

"Hmph, you look at yourself too highly!" The

boss snorted coldly.

"Paralyzed, this kid's strength is so great that he almost killed me..." The

fourth child moved his arm, and he was back to normal.

"Looking at the guy, he has only just been promoted to Marquis, why is his strength so high?" The

third child was also puzzled.

"Nonsense, if this kid is not strong, I wish the leader would let the four of us take action. Now we will kill this guy together as a stepping stone."

"It won't take long, the entire Kyoto martial arts world will be Our people..." After the

boss finished speaking, he took a step forward!

Several other people also took a step forward, and the breath on their bodies continued to explode.

Chen Pingping faced the four evil Xiu Marquis without the slightest panic or retreat. A roaring flame burned in his eyes, and his body was full of fighting intent.

"Damn the evil repair..."

Kai said, the whole person was like a cannonball, and he was bombarded with one punch.

He wants to strike first. Although these four guys can repair the injury, Kai also discovered that the four guys need cooperation to repair the injury, and the speed is not particularly fast!

As long as you shoot fast enough to defeat these four people quickly, they will not be able to cooperate with each other to repair.

Kai wielded the power of a dragon with this punch, and immediately transformed into a golden dragon, let out a dragon roar, and rushed towards the four of them.

The terrifying spiritual power made the expressions of the four guys suddenly change.

Seeing the roaring golden dragon, the four guys didn't dare to neglect, they threw a punch one after another, and then these punches combined together and turned into a transparent shield, blocking the four of them.

They want to block Kai's attack, not to mention that this is a shield formed by four people, they don't believe that Kai can break it with one punch!

But in fact they overestimated themselves. At this time, Kai was full of fighting spirit, and he was determined to die, so the power of the dragon contained in this punch could shake the stars and make the galaxy vibrate...

Boom... The

four guys joined forces The shield formed was instantly shattered under Kai's punch, and he could hold on for even a second.

Immediately afterward, a terrifying force rushed towards the face, directly sending the four guys flying out.

"This... this punch is too terrifying..." The

second child said in panic.

"Damn, this kid is too perverted. When he reaches the realm of Marquis, he can even leapfrog battle..." The

boss's face also became extremely ugly.

In the martial arts world, many talented people can leapfrog battles. The lower the level, the more obvious this kind of talent leapfrogged.

But as the strength increases, this kind of leapfrog battle will become less and less.

Because with the improvement of strength, the realm is getting higher and higher, and each realm is improved, it is a qualitative change, it will become very difficult to fight at many levels!

But now, they are both Marquis, and it is not bad for a martial artist of this level to be able to win at the same level.

Kai is just a newly promoted Marquis, but he can easily smash the shields of the four Marquis!

This kind of mismatch and disparity in level and strength makes the boss feel incredible.

"Brother, this kid's strength is too weird, we must join forces to kill him as soon as possible..." The

third said with a solemn expression.

At this time, he no longer dared to despise Kai, let alone let Kai play with him...

"Do it..." The

boss shouted loudly, followed by a terrifying inner strength that condensed from his fist.

Chapter 1302

When the others saw this, they clenched their fists at the same time, and their terrifying strength made their fists glow.

"Kill..." The

boss shouted, his body suddenly disappeared, and then he came to the top of Kai's head.

Immediately afterwards, a punch shrouded Kai from top to bottom.

When the other three guys saw this, they all shot, and everyone attacked Kai from different directions!

When Kai saw this, his face turned cold, and the golden light on his body emitted a dazzling light. The golden body was not bad, and he was used to the extreme, and then he punched into the sky!

Kai ignored the attacks from other directions, and instead punched the boss in mid-air.

He had to rely on his indestructible golden body and his perverted flesh to resist the blow of the other three Marquis!

The golden light radiating from Kai's body made several people feel a strong crisis.

Several terrifying forces bombarded Kai's body, and the scales on Kai's body fell off in a large area!

However, Kai gritted his teeth and punched the boss with a punch.

With the sound of bone cracks, the boss's body suddenly flew out like a kite with a broken string.

When the other people saw this, their faces were startled, and they hurriedly retreated to check the boss's injury.

And the boss at this time, under Kai's punch, all 50% of his bones were shattered, and the broken internal organs were constantly spewing out of his mouth!

Seeing the boss look like this, the other three guys were shocked, and hurriedly took out a pill and stuffed it into the boss's mouth.

Seeing this, Kai knew that these guys used magic again to heal the boss's injury quickly.

Kai stared at his feet, his body jumped up, and then his fists were thrown together, and two terrifying fists were swung, directly covering the four people.

Kai couldn't just watch them cast spells, he wanted to interrupt others to save the boss.

Seeing this, the third and fourth children hurriedly cast their spells, trying to stop Kai.

On the other hand, the second child had a grim face, gritted his teeth and healed the boss!

Kai's eyes were scarlet at this moment, and he ignored the attacks of the third and fourth children, and the spiritual power of one punch kept waving out!

Soon, the third and fourth also vomited blood and fell to the ground. Together, they couldn't stand Kai's attack at all!

"Run, run..."

Seeing this, the boss hurriedly interrupted the second child's treatment and yelled at the three of them.

The three of them glanced at the boss, finally gritted their teeth, turned around and ran away, not caring about the boss's life or death.

Because they know that if they stay, none of the four of them will survive!

"Want to run? How can it be so easy..."

Kai snorted coldly, and instantly moved the magic formula with both hands.

One after another beams of light appeared, instantly forming a fence on the way a few people escaped, and soon more and more beams of light were formed, forming a large cage that enveloped them all.

Several people looked at Kai in horror, his face full of incredulity, Kai was nothing but a Marquis.

Such a huge array requires considerable mental strength and energy to maintain.

"Don't think that you are the only ones who know magic, in my forbidden space, none of you can escape..."

Kai slowly walked towards the group, and the golden light on his body became stronger and stronger.

"You try to escape, I'll stop him..." The

boss endured the pain and rushed towards Kai frantically.

Kai looked at the boss who rushed over with disdain in his eyes, and his golden palm instantly slapped on the boss's head.

When the other three saw this, their eyes widened with anger. They thought that their boss was going to burst into brains!

Chapter 1303 The entrance to the dungeon

The boss's body was constantly shaking, and his face began to twist in pain, as if he was suffering great pain!

"You evil cultivators also let you taste the taste of being absorbed..."

Kai's expression was indifferent at this moment, and he looked extremely cruel.

Soon, the eldest's body continued to shrink, and finally there was only a small pile of skinny bones and collapsed to the ground.

Looking at the tragically dead boss, the other three guys were too frightened to speak.

They have always grown by absorbing the essence of others, but they never thought that one day they would be absorbed by others.

Kai flicked his finger lightly, and a light blue flame fell on the boss's body, and the body was quickly burned clean.

"Chen...Kai, we have no grievances and no enmity. I hope you can let us go. What you are looking for is the Martial Arts Alliance. We are not from the Martial Arts Alliance!" The

second child said to Kai, shaking his body.

"Where's Zhu Zhishan?"

Kai asked coldly.

The second child shook his head: "I don't know, maybe it's in the backyard!"

Kai looked at the three people who were already frightened, and waved it casually, the taboo space was lifted.

"Now you take me to the dungeon of the Martial Arts Alliance..."

Kai said to the three guys.

"I... We don't have a way to open the dungeon. Every time we enter, the leader of the alliance takes us in." The

second child said in a low voice.

"Just take me there. Whether you can open it or not is none of your business!"

Kai said coldly.

"Then...then we'll take you there, can you let us go?" The

second child asked Kai.

Just after the second child's words were finished, Kai's eyes shot out with killing intent: "Are you negotiating terms with me?"

After finishing speaking, Kai's palm flashed with golden light, and he grabbed the second child!

Before the second child could react, he was directly caught by Kai.

The energy in the body was rapidly draining, and it only took a few seconds for the second child to become a pile of dead bones...

This time, the third and fourth were so frightened that they almost urinated their pants.

They cursed Zhu Zhishan desperately in their hearts.

For such a powerful person, only four of them were sent to die, but Zhu Zhishan was nowhere to be seen.

"You two take me there..."

Kai looked at the third and fourth children, and said coldly.

"Okay, okay..." The

two nodded again and again, and then took Kai to the backyard!

The two did not dare to make any changes, and took Kai to a rockery, then pointed to a hole in the rockery and said, "This is the entrance to the dungeon..."

"You two go first..."

Kai He pointed to the hole and said.

The two guys didn't dare to say anything, and went straight in, with Kai following behind.

Not long after walking, I saw a door.

The gate is bronze, with two lion heads carved on it, looking a little scary.

"This door, we don't know how to open it, only the leader of the alliance can open it." The third said tremblingly.

Kai looked at the door, then stood at the door and gently put his palm on it.

A line of divine consciousness came out, and he wanted to send it out into the dungeon to investigate!

But the consciousness just spread out, as if it was blocked by something.

Here, although his consciousness was not cut off, he could not enter the dungeon at all.

Kai raised his hand, and golden light flashed on his palm.

Then he slapped the door with his palm.

The power of Kai's palm is 10,000 jin, but when he slapped on the gate, nothing happened.

Not even a sound was heard, as if the ten thousand jins of power disappeared after touching the door.

Kai frowned, and then slapped it again!

Several palms were shot in a row, but the door did not move at all, and Kai was sweating profusely on his forehead!

Chapter 1304

At this time, the third child and the fourth child looked at each other, and the killing intent in the eyes of the two people suddenly appeared!

While Kai was not paying attention, the two suddenly shot at Kai.

One left and one right, they slapped Kai's back fiercely!

After they succeeded, the two did not dare to stay any longer, turned around and ran out.

Kai was staggering, his internal organs were rolling for a while, and his eyes were full of killing intent!

Kai rushed out with a vigorous step, looking at the two who escaped, Kai threw two punches hard.

The two fist winds shot out like cannonballs.

Immediately after that, he directly hit the escaped two people, and instantly blasted a big hole in the chests of the escaped two people from behind!

Puff, puff.....

The two fell to the ground in an instant, their eyes widened, and there was no breathing!

Kai didn't even look at the two dead people, but looked around and suddenly shouted: "Zhu Zhishan, you old man, come out for me, come out..."

Kai roared hard, but he didn't. There was no echo, and no one paid attention to him, as if the entire Martial Arts Alliance had already left.

In the end, Kai left the Martial Arts Alliance lonely, and when he left, he looked back at the rockery!

"Yuqi, don't worry, I will definitely come to rescue you, definitely..."

Kai walked helplessly on the streets of Kyoto!

He desperately attacked Marquis Wu, but what was the use?

He couldn't even open a door, let alone rescue Su Yuqi.

Unconsciously, Kai walked into the alley beside the Martial Arts Alliance. The last time he saw Su Yuqi was that Ningzhi used a space magic weapon to bring him into the dungeon of the Martial Arts Alliance.

Thinking of this, Kai's eyes suddenly lit up. He couldn't get in through the gate. He could use the space magic weapon to enter the dungeon and rescue Su Yuqi.

But where to find space magic tools?

Kai fell into contemplation again. Now he knows that Ning Zhi has a space magic tool in his hand. If he can find Ning Zhi, kill Ning Zhi, and get Ning Zhi's space magic tool.

But where is Ning Zhi? Kai didn't know anything, so how could he grab Ning Zhi's space magic weapon?

Just when Kai was a little overwhelmed, Zao Wou-Ki actually came over.

"Mr. Chen, you really are here, it seems that Mr. Shi's guess is not bad at all!"

Zhao Wuji said in surprise after seeing Kai.

"Gatemaster Zhao, do you have anything to do with me?"

Kai asked in confusion.

"Mr. Chen, Mr. Shi has an invitation, let me come here to invite you, I didn't expect you to be here, Mr. Shi is really predictable!"

Zao Wou-Ki explained.

"Mr. Shi invites me?"

Kai frowned slightly. He killed Ning Dahai and refuted Mr. Shi's face in public. Kai didn't know why Mr. Shi suddenly found him.

But no matter what it was, Kai was still grateful to Mr. Shi, so he followed Zao Wou-Ki to the Dharma Protector Pavilion!

Walking into the hall of the Law Enforcement Pavilion, Kai found that Mr. Shi was sitting on the main seat.

Every time Kai saw Mr. Shi, he had a very strange feeling.

He repeatedly tried to use his breath to find out what kind of strength this Mr. Shi was, but every time he came back without success!

Because Mr. Shi looked like an ordinary person at first glance, and he didn't have the slightest breath.

Although there is no breath on his body, every time Kai sees Mr. Shi, he has a deep sense of awe.

In front of Mr. Shi, Kai actually had a bit of timidity in his heart!

"Sit down..."

Seeing Kai coming, Mr. Shi said lightly.

Kai nodded, then sat aside!

"I broke into the Martial Arts Alliance today, do you have any findings or feelings?"

Mr. Shi asked slowly.

Kai pondered for a while and said, "I found that the martial arts alliance actually colluded with evil cultivators. Now I am afraid that there are still many evil cultivators hidden in the martial arts alliance!"

He really felt that with his strength, he couldn't do anything in the Martial Arts Alliance. No matter how hard he tried, he couldn't destroy a house in the Martial Arts Alliance, and he couldn't even open the door of the Martial Arts Alliance dungeon!

But he couldn't do anything, but he killed a lot of people in the Martial Dao Alliance today, and there were both in and out, no one could stop him.

Looking at Kai like that, Mr. Shi seems to be the roundworm in Kai's body, and smiled slightly: "Do you think you can kill one in and one out in the Martial Arts Alliance, no one can stop you, and the Martial Arts Alliance is not good enough. So?"

Kai didn't speak, but when he looked at Mr. Shi, he really thought so.

Even if Zhu Zhishan, the leader of the Martial Arts Alliance, Kai dared to play a few tricks with him now, only those elders, Kai did not pay attention to it at all.

Mr. Shi took a sip of tea and continued: "I have reminded you many times, what you can see is only the surface, if the martial arts alliance or a martial arts family with profound background is as simple as you see, then we The Daxia martial arts world will become a joke in the world."

"I can tell you that although Zhu Zhishan is the leader of the martial arts alliance, he is just a figurehead. After Zhu Zhishan, there are even more terrifying forces. "

Do you think you still have the strength to fight with the Martial Arts Alliance?"

Kai's face became a little ugly, but he was shocked a lot. If even Zhu Zhishan's strength is just a puppet, then Zhu Zhishan's strength is just a puppet. The power behind the mountain, how terrifying it must be!

"I don't care how powerful the Martial Arts Alliance is, I must rescue Yuqi and fight the Martial Arts Alliance to the end..."

Kai's eyes were full of determination, no matter how difficult it was, he would do it and save Su Yuqi !

"Do you only fight with the Martial Arts Alliance? And the Long Family, right?"

Mr. Shi suddenly smiled and looked at Kai and said.

Kai's heart trembled, and the eyes he looked at Mr. Shi were full of doubts and incomprehension!

He looked at Mr. Shi's expression, as if he knew his identity, and the grievances between him and the Long family.

Now Kai, more and more unable to understand the Mr. Shi in front of him.

Seeing Kai's veiled face, Mr. Shi's smile grew stronger and stronger, and then said: "If you want to find Ning Zhi, you can go to Mobei Luo's house to find it..."

Kai's eyes widened, He looked at Mr. Shi in disbelief.

He couldn't understand, how did Mr. Shi know that he wanted to find Ning Zhi?

"Okay, you can go..."

Before Kai could react, Mr. Shi got up and left.

Until Mr. Shi left, Kai was still in a state of confusion.

"Mr. Chen, Mr. Chen..."

Zao Wou-Ki whispered to Kai twice.

"Ah..." Kai then reacted and walked out of the Dharma Protector Pavilion!

Leaving from the Protectorate Pavilion, Kai went straight to Mobei Luo's house. Along the way, Kai was thinking about Mr. Shi's identity, but he had no clue.

At the same time, the Mobei Luo family!

Ning Zhi became the guest of honor of the Luo family!

"Uncle Luo, that Kai has now broken through to Marquis Wu, and his strength is strong. If you want to seek revenge from him, you must prepare in advance!"

Ning Zhi said to Luo Jinyou, who was sitting on the master's seat.

Luo Jinyou's face was gloomy and cold, and there was anger in his eyes.

"Hmph, this Kai, who killed my brother and son, no matter what strength he is, I must smash him to ashes..."

Luo Jinyou gritted his teeth, his aura was tumbling and rising!

Chapter 1306

After Luo Jinyou left the customs, he heard the housekeeper talk about what happened recently in the Luo family.

Almost didn't make Luo Jinyou angry. During the period of self-retreat, such a big change happened in the entire Luo family. Not only the Luo family, but even the entire martial arts world in Mobei suffered heavy losses.

You must know that the entire Mobei martial arts world is guided by their Luo family horses. Now that they have suffered heavy losses and are ridiculed by everyone in the martial arts world, how could he, Luo Jinyou, swallow this breath.

"Uncle Luo, then Kai killed my father and destroyed my Ning family. He and I are inseparable. I hope that Uncle Luo can provide me with some resources.

"Wan Duan, as well as his followers, were all killed together..."

Ning Zhi also said with cold eyes.

"Nephew Ning, don't worry, there is nothing else in our Luo family, but the resources for cultivation are inexhaustible. Now I will send someone to take you to the warehouse!

" " "

Luo Jinyou waved his hand.

"Thank you Uncle Luo then!"

Ning Zhi hurriedly followed Luo Jinyou to thank him, and was then taken to the warehouse by the housekeeper.

Luo Jinyou was holding the teacup with a cold light in his eyes, and with a slight force on his hand, the teacup shattered directly!

"Kai, I will smash your corpse into ten thousand pieces..."

Luo Jinyou gritted his teeth.

Kai was rushing towards Mobei Luo's house non-stop at this time. When he arrived in Mobei, it was already a day later.

Luo Jinyou is sitting cross-legged in the yard, sipping tea!

There was a copper pot in front of Luo Jinyou, and there was no tea in the copper pot, but when Luo Jinyou picked up the teapot and slowly fell down, the tea flowed out of the copper pot, which was very novel!

This copper pot is a magic weapon. According to legend, it is a mysterious magic weapon handed down by the ancestors of the Luo family. It contains the power of heaven and earth.

The tea Luo Jinyou poured out of it was the best cultivation resource!

At this time, in front of Luo's house, Kai looked up at the two characters of Luo's house in front of the door, his eyes were extremely cold!

Kai knew that if the Luo family hadn't led the Mobei martial arts world to attack the Valley of the Wicked, the Valley of the Wicked would not have been easily broken by the Ning family, so the dozens of people in the Valley of the Wicked also had the blood debt of the Luo family!

"Luo family, I'm here..."

Kai's body rose with killing intent.

If it wasn't for Ning Zhi, he would not have found the Luo family for the time being. After all, many things in Kyoto need him to handle.

Looking at the door in front of him, Kai kicked out.

Rumbling.....

The door several meters high collapsed under Kai's foot.

Luo Jinyou, who was drinking tea in the yard, suddenly stood up, frowning tightly.

"Housekeeper, go and see what's going on?"

Luo Jinyou said to the housekeeper.

The housekeeper hurriedly led people to the front yard, wanting to see what happened.

Seeing that the housekeeper had gone, Luo Jinyou sat back again and continued to drink tea!

In his opinion, no one dared to make trouble in front of Mobei Luo's house, there must be some accident.

The housekeeper led people to the front yard, and saw Kai standing in the yard coldly, the gate collapsed to the ground.

"Yes, it's like Kai who is fake..."

Kai nodded.

"Good boy, kill our young master and the second master, and dare to find the Luo family, I think you are courting death..." After the

butler finished speaking, the two eighth-rank martial sects behind him jumped up instantly.

Before Kai could speak, the two had already launched an attack on Kai!

Kai frowned, he couldn't understand why the butler said that.

Although he had a grudge against Luo Xiang, and he did act, he had never killed Luo Xiang, and he had never seen Luo Jinzuo. How could this butler say he killed him?

Just when Kai was thinking, two Luo family masters came to him.

The two people's breath exploded, and the fist wind roared.

But Kai didn't even look at these two guys, and slapped them out.

"Master, master, it's not good, then Kai is here, Kai is here..." The

housekeeper yelled!

Snapped!

Who knows, Luo Jinyou slapped the housekeeper fiercely.

"What's the etiquette of yelling, so what if Kai came?"

Luo Jinyou glared at the housekeeper, and then asked, "Then who came from Kai and?"

"The door was kicked open." The

butler said hurriedly.

"You came by yourself?" Luo Jinyou frowned slightly: "This kid is not too timid, I was about to seek revenge on him, but he took the initiative to send it to the door."

butler said to Luo Jinyou.

When Luo Jinyou saw Kai, his eyes were full of killing intent.

"Boy, you killed my relatives and dared to go to the house directly. It seems that you really don't take my Luo family into your eyes..." Luo

Jinyou gritted his teeth, and his energy kept rolling!

"Why don't I dare? You Luo family lead people to attack the Valley of the Wicked and kill my subordinates. Today I am here to seek justice..."

Killing intent also rose from Kai's body.

Whether it is the Valley of the Wicked, the Shadowless Villa, or even the Valley of the Medicine God, all of them are Kai's subordinates.

How could Kai swallow this tone.

"Seeking justice? What I say, Luo Jinyou, is justice."

Luo Jinyou's face was gloomy and terrifying: "Since you are here, then don't go..."

After speaking, Luo Jinyou already punched up.

The terrifying energy brought bursts of gusts of wind, Luo Jinyou was able to lead the entire Mobei martial arts world, and his strength should not be underestimated.

With just this punch, the world changed color and the air buzzed!

When Kai saw this, golden light suddenly flashed on his body, and the undamaged golden body covered Kai's whole body in an instant.

boom!

The terrifying fist style hit Kai fiercely. Kai's figure took two steps back, and the scales on his chest were cracked, but they did not fall off.

In this way, the strength of this Luo Jinyou is not as good as that of Ning Dahai.

Kai is not even afraid of Ning Dahai, how could he be afraid of this Luo Jinyou!

Luo Jinyou saw that Kai had been punched by himself, but he only took two steps back, unscathed, and couldn't help but be surprised.

Just when Luo Jinyou was surprised, Kai clenched his fists, and a golden light smashed towards Luo Jinyou from top to bottom.

Kai's body was in the air, and Luo Jinyou was directly surrounded by terrifying energy.

Seeing this, Luo Jinyou slammed his fists upwards instantly, and waves of air swept across, directly resisting Kai's punching style.

Dengdengdeng.....

Even so, Luo Jinyou's body was hit hard, and then he took a few steps backwards, and then he stabilized his figure.

"It's not indecent to come and go, it seems that your Luo family is also vain, and the strength of your patriarch is nothing more than that..."

Kai looked at Luo Jinyou and said with contempt.

Luo Jinyou gritted his teeth, narrowed his eyes slightly, and stared at Kai.

At this moment, Chen Jing stood quietly, his breath was steady, and there was no expression on his face.

Luo Jinyou suddenly snapped his fingers out of his pocket, and then suddenly shot towards Kai.

I saw several white lights, heading towards Kai. These white lights shrouded Kai's body, making it too late for Kai to dodge.

Dangdangdang.....

After a crisp sound, I saw the flames splashing everywhere, and several white chess pieces fell on the ground. The chess pieces had been broken into pieces.

"You want to break my indestructible golden body with chess pieces?"

Kai couldn't understand what Luo Jinyou was thinking, how could his indestructible golden body be broken with just a few pieces.

And Luo Jinyou's face changed greatly.

These are not ordinary wives, they are made of Tianshan cold jade, which is extremely hard, and as long as the pieces hit the body, the cold air will invade the body, and it will be frozen to death in a short time.

So using this kind of thing, killing the invisible, is the best hidden weapon!

But Luo Jinyou didn't expect such a hard Tianshan Jade, but it couldn't break Kai's indestructible golden body.

"As expected of a body-protecting magic, it's really powerful..."

Luo Jinyou's eyes narrowed slightly, but he did not panic, but started to pinch the magic with both hands!

Rays of light flickered on Luo Jinyou's ten fingers, and then condensed into a huge beam of light!

This beam of light, like a laser, then shot out towards Kai!

This is to use this method to directly destroy Kai's indestructible golden body!

But Kai didn't care at all, his body even resisted Ning Dahai's self-destruction, not to mention Luo Jinyou's little trick!

The beam of light hit Kai's body fiercely, and then he saw that the scales on Kai's body began to change slowly!

"Hmph, the little trick of carving insects..."

Kai snorted coldly, and also moved the magic formula, and slashed at the beam of light with one palm, but it was directly cut off by the beam of light.

"This...how is this possible?"

Luo Jinyou was shocked, he didn't expect someone to cut off the light!

Kai's strength is too perverted, which makes Luo Jinyou finally have fear in his heart!

"There are still many impossible things. I'm here this time to ask you to hand over that Ning Zhi. If you can hand over Ning Zhi, I can save your life!"

Kai said coldly to Luo Jinyou. .

"Ning Zhi?"

Luo Jinyou was slightly taken aback, he didn't expect Kai to come to Ning Zhi.

However, Luo Jinyou did not intend to hand over Ning Zhi. In any case, the news that his son and brother were killed came from Ning Zhi.

And the Ning family has been destroyed, and only Ning Zhi is left, Luo Jinyou will not hand over Ning Zhi.

"Kai, what you think is too beautiful, this is the Luo family, you are not qualified to negotiate with me..."

Luo Jinyou said fiercely.

Kai saw that Luo Jinyou was actually protecting Ning Zhi, and then his eyes burst with killing intent, and then his body suddenly looked like, and then he appeared in front of Luo Jinyou.

Luo Jinyou was startled, and his body hurriedly stepped back.

But before he had time to step back, he was kicked by Kai.

Kai kicked with great strength, only to hear the sound of a bone crack, Luo Jinyou's body flew straight out.

When Luo Jinyou was helped to stand up, he found that his chest had already sunk a lot!

Seeing this scene, you don't have to think about it and know what's going on.

Luo Jinyou looked at Kai in panic. He really did not expect that he would be so vulnerable in front of Kai!

Those Luo family members were also very frightened. You must know that Luo Jinyou's strength is one of the best in the entire Mobei, but now he was kicked away with one kick.

"Let me ask you one more question, where is Ning Zhi?"

Kai looked at Luo Jinyou coldly, his voice was like that of Jiuyou Hell.

"I don't know..."

Luo Jinyou gritted his teeth, then waved his hand, and a sword appeared in his hand.

The sword shone with an obsidian-like light, and a trace of coldness emanated from the sword, and the chill was threatening.

"Do you think that only you have the sword?"

Kai smiled coldly, grabbed it casually, and the Dragon Slaying Sword appeared in his hand.

There was a raging flame burning on the Dragon Slaying Sword, and the heat wave was pungent!

These two swords, the cold and the hot, face each other like this!

Luo Jinyou looked at the Dragon Slaying Sword in Kai's hand, and snorted coldly: "This is a treasure sword I found from Tianshan. It cuts iron like mud. With that broken thing in your hand, you still want to fight me?"

After Luo Jinyou finished speaking, the energy began to churn, and a force was injected into the sword.

With the injection of energy, the sword in Luo Jinyou's hand began to hum, the surrounding temperature became extremely cold, and endless cold air emanated from the sword.

"Give me death..."

Luo Jinyou slashed out with a sword, and the majestic sword energy roared instantly, turning into a white polar bear, biting towards Kai with his fangs.

Kai's eyes froze, and the Dragon Slaying Sword in his hand also swung out at the same time.

A dragon roar sounded!

With a raging flame, the sword qi turned into a fire dragon and soared into the air, rushing directly towards the polar bear!

A dragon and a bear fought together.

Looking at the soaring fire dragon, Luo Jinyou's expression solidified on his face. He did not expect that Kai's sword was also a precious sword.

I saw the fire dragon spewing flames from its mouth, and finally the two claws directly grabbed the polar bear, instantly catching the polar bear!

In an instant, Luo Jinyou's sword qi dissipated, and Kai's sword qi went directly towards Luo Jinyou.

Luo Jinyou hurriedly raised his sword to block, but was directly knocked out by the huge sword energy.

The body fell heavily on the ground, and the sword in his hand actually cracked, and finally shattered directly.

Luo Jinyou got up and looked at Kai with a gloomy expression.

"Where is Ning Zhi?"

Kai stared at Luo Jinyou and said.

Luo Jinyou didn't speak, but there was a ray of light under his feet, and then Luo Jinyou muttered something.

Soon, the rays of light shot up into the sky, directly wrapping Luo Jinyou in it.

At this moment, Luo Jinyou slowly rose in the air along the light!

It's like a mortal ascending to an immortal!

"Kai, you have an indestructible golden body to protect your body, and you are strong and powerful, but don't forget, in this world, in addition to cultivation techniques, there are also magic techniques!"

After Luo Jinyou finished speaking, rays of light shot out from Luo Jinyou's body.

The terrifying force was overwhelming Kai, and it seemed to engulf Kai directly.

Chapter 1310

Kung Fu relies on energy, while magic relies on spiritual power.

Looking at this overwhelming technique, it seems that Luo Jinyou's technique is also very superb, even surpassing the cultivation technique.

"Compared with me, then I'll play with you too..."

Kai sneered.

"Hahaha, you are comparing spells with me, I think you are tired of living..."

Luo Jinyou laughed arrogantly.

Kai didn't speak, but moved the magic formula, and the ground began to shake violently.

Immediately afterwards, it seemed that something was constantly shuttled under the ground, and then a wall of earth rose from the ground.

The rays of light that Luo Jinyou shot out hit the earth wall, smashing the earth wall one by one!

Seeing this scene, Luo Jinyou laughed even more recklessly.

"Kid, do you know that magic requires a huge amount of mental power and magic to support. You are a small child, you dare to fight with me?"

After Luo Jinyou finished speaking, his figure suddenly disappeared, even those beams of light disappeared.

Immediately afterwards, Luo Jinyou's figure suddenly appeared above Kai's head.

A beam of light enveloped Kai, followed by a strange smile on Luo Jinyou's face.

"Let me see how strong your consciousness is..."

After speaking, Luo Jinyou began to murmur.

In an instant, sound waves continued to spread down the beam of light, and it seemed that there were countless mosquitoes buzzing in Kai's ears!

Kai frowned and his face became a little ugly.

He has never been attacked like this before. This kind of attack, Kai's indestructible golden body is powerful and useless at all.

Kai's head began to split, and the whole person became manic.

The inside of my brain is like a mass of paste, it is very painful!

Seeing Kai like that, Luo Jinyou laughed excitedly: "Hahaha, even if you have a good golden body, even if you are strong and powerful, you are still a weak chicken in front of me..."

Kai was no longer in the mood to listen . Then Luo Jinyou spoke, holding his head tightly with both hands, he didn't understand what kind of magic Luo Jinyou was using!

The blue veins on Kai's forehead bulged, his eyes became scarlet, and his face was hideous!

But just when Kai felt that he was about to lose his hold and even had the heart to commit suicide, suddenly a bell sounded in his mind!

Om...

The chaos in Kai's mind suddenly became much clearer.

But just for a moment, the sense of chaos struck again.

But at this time, Kai seemed to remember something, and hurriedly began to read it.

Soon, Kai's heart slowly calmed down, and the sense of chaos in his mind gradually disappeared.

What Kai recited was the mantra of clearing the heart, and this mantra was just enough to restrain Luo Jinyou's technique!

Kai was overjoyed, but he didn't show it, he still pretended to be very painful.

Seeing that Kai had been tortured to such an extent that he was powerless to fight back, Luo Jinyou stopped.

"Kai, I want to torture you well and avenge my son..."

Come on, Luo Jinyou's body fell from the sky and slapped Kai's shoulder with a palm!

Kai staggered, all the scales on his body fell off and disappeared in an instant, and the undamaged golden body lost its function!

"Hahaha, you don't have a golden body now, let me see how you fight with me..."

Luo Jinyou laughed wantonly.

"Without the indestructible golden body, I'm still not afraid of you..."

After Kai finished speaking, his whole body was shocked, and the terrifying aura instantly surged.

And Luo Jinyou has long ignored Kai at this moment.

Seeing that Kai slammed a punch, Luo Jinyou drew a picture in front of him.

A crystal clear barrier appeared in front of Luo Jinyou.

Luo Jinyou looked at Kai with a smile on his face.

He didn't believe that Kai could break his barrier with one punch. Now Kai was tortured with only half his life left, and he no longer had such a strong energy!

Kai looked at Luo Jinyou with a smile on his face, sneering in his heart!

boom!

Kai bombarded the barrier with a punch. The barrier set up by Luo Jinyou, under Kai's punch, had no effect at all, and instantly collapsed and disappeared.

Luo Jinyou was startled and instinctively wanted to dodge, but found that it was too late!

Kai's punch hit Luo Jinyou hard in the face!

Luo Jinyou spurted blood from his mouth, his teeth flew around, and the whole person flew out.

Luo Jinyou got up and looked at Kai with a puzzled face. He didn't understand, how could Kai be able to exert such terrifying power after being tortured to death by himself?

Half of Luo Jinyou's face has collapsed, and his appearance has become very terrifying!

"Read, continue reading if you have the ability..."

Kai looked at Luo Jinyou and said with a look of disdain.

With this slap, Luo Jinyou was like a leaf, and was instantly swept away.

Then Kai jumped up and went directly to Luo Jinyou, stepping Luo Jinyou to the ground with one foot.

Luo Jinyou's body fell into the ground instantly, and the whole person was in a state of embarrassment!

"Ah..."

Luo Jinyou was furious and shouted loudly. He couldn't speak, he could only scream.

Kai raised his foot and watched Luo Jinyou, who had already changed, climbed out of the ground.

Luo Jinyou glared at Kai, the whole person's breath collapsed, and there was no way to condense.

"Where is Ning Zhi? Say it, I can let you die happily..."

Kai said to Luo Jinyou.

Then he slowly put the spout to his mouth, and a stream of tea flowed down his throat into his stomach.

Kai looked at Luo Jinyou in astonishment, he was dying, and he was still in the mood to drink tea!

I saw that after the tea entered his stomach, Luo Jinyou's breath began to grow rapidly.

Seeing this, Kai instantly understood and punched Luo Jinyou.

He can't let this Luo Jinyou return to the original, otherwise he will continue to fight.

Seeing this, Luo Jinyou threw the teapot in his hand towards Kai!

The teapot hovered in the air, spinning rapidly, and a stream of tea was thrown out from the teapot.

The tea water instantly turned into a series of water arrows, with the power of heaven and earth, and shot towards Kai rapidly!

There were more and more water arrows, and finally turned into a rain of arrows, directly covering Kai.

"I didn't expect it to be a magic weapon..."

Kai burst out with golden light, and the undamaged golden body instantly activated!

The rain of arrows hit Kai, making a clanging sound!

Although the power of each arrow rain is not very large, this kind of density-saturated attack still makes Kai a little unbearable.

I saw that the scales on the body fell off, and the undamaged golden body was slowly disappearing.

Kai hurriedly grabbed the Dragon Slaying Sword and vigorously swung out a vacuum, making it impossible for those arrows to fall on him at all.

Luo Jinyou's breath instantly wilted, and the whole person fell to the ground with a bang.

Luo Jinyou was dead, and the teapot was not controlled, and it quickly fell to the ground.

Kai reached out his hand, caught the teapot, looked at it twice, and put it in the storage ring.

Chapter 1312 Never Ending

When the Luo family saw this, they all fled in fright.

And Kai caught up with the housekeeper of the Luo family with a quick walk.

"Where is Ning Zhi?"

Kai asked coldly to the butler.

"Don't kill me, don't kill me..." The

butler trembled: "Master Ning has been placed in the warehouse, I can take you there..."

Kai looked at the butler so frightened and let go of him: "You If you dare to play tricks, I will smash your head."

"Don't dare, don't dare..." How dare the

housekeeper dare to play tricks, even Luo Jinyou is no match for Kai, let alone he.

The housekeeper trembled and took Kai to the warehouse!

At this moment, in the warehouse, Ning Zhi looked at the piles of medicinal spar in the warehouse, and his eyes lit up.

"Look at your unpromising appearance. Although there are many things, they are not enough for you to reach the realm of Marquis!"

At this moment, an old voice said in Ning Zhi's mind.

"Then how do I get to the realm of Marquis Wu and kill Kai?"

Ning Zhi asked.

"Only by absorbing the strength of others will you be able to improve yourself as quickly as possible!"

said the old voice slowly.

"You want me to practice the method of evil cultivation? Do you want me to be evil?"

Ning Zhi frowned slightly.

"Evil cultivator? What is wicked cultivator? This world is all about the

The old voice asked in displeased mind.

Ning Zhi was silent, and then said: "If I practice the method of evil cultivation, what power can you make me achieve? Can you kill that Kai?"

"Hahaha... Are you kidding me? Just a Kai?" As long as you listen to me, I can let you set foot on the pinnacle of martial arts."

"The entire martial arts world will be obedient..."

"And my revenge can be avenged..." The

old voice became softer and softer, and finally disappeared from Ning Zhi's mind.

Ning Zhi was slightly taken aback: "Can I ask you a question? Who are you? Are you an evil cultivator?"

Ning Zhi was very puzzled as to who this black shadow living in his body was.

"Xie Xiu?" The old voice sounded, full of disdain: "They are just my disciples and grandchildren."

Ning Zhi didn't say anything, but he could feel that the dark shadow residing in his body was definitely not. Will be an ordinary guy! "Chen...Mr. Chen, then Ning Zhi is in this place!" The

Ning Zhi looked at Kai in surprise.

"I said, if you flee to the ends of the earth, I will find you!"

Kai looked at Ning Zhi coldly.

"What about Luo Jinyou? When you came to Luo's house, didn't anyone stop you?"

Ning Zhi was a little surprised. Why didn't Luo Jinyou stop Kai?

But now that Kai appeared in front of him, and Luo Jinyou was nowhere to be seen, Ning Zhi was very puzzled!

"He has already gone to hell, you will see him soon..."

Kai's eyes narrowed slightly, his eyes full of murderous intent.

"What? You...you killed Luo Jinyou as well?"

Ning Zhi was a little surprised!

He didn't expect Luo Jinyou to be killed by Kai so quickly, at least this is Mobei, Luo Jinyou's site.

And he has also heard that Luo Jinyou is so clever, how could he be killed by Kai so easily?

At this moment, Ning Zhi looked at Kai with panic.

He was thinking about how to escape, facing Kai without a trace of fighting spirit.

Kai also saw that Ning Zhi was timid and was about to run away, so he preempted him!

He suddenly punched Ning Zhi, and he couldn't let Ning Zhi escape with the Qiankun Circle.

Ning Zhi didn't expect Kai's sudden attack, which made Ning Zhi panic all of a sudden.

He is only a half-step Wuhou now, where is Kai's opponent.

Immediately after being punched heavily in the chest, a blood hole with a fist laughing appeared in Ning Zhi's chest!

Ning Zhi looked at his chest, the whole person was stupid.

However, at this time, Ning Zhi didn't feel any pain, which made him a little unbelievable.

"Waste things, strong people fight against each other, the most fearful and timid, you now hand over your body to me, and I will deal with him..."

The old voice sounded in Ning Zhi's mind.

Ning Zhi hadn't reacted yet, just felt dizzy and didn't know anything.

At this moment, Ning Zhi, who was standing in front of Kai, suddenly had a strange smile on his face!

"Hehehe..." Ning Zhi's mouth made a weird laugh: "This punch is really good, but it can't kill me at all..."

After speaking, Ning Zhi's body began to change, and then the fist-sized The wound is healing visible to the naked eye!

Soon, Ning Zhi's body recovered as before, the muscles on his body exuded a dark light, and the whole person seemed to have changed a body.

Kai frowned, his eyes full of incredible!

He could really feel at this moment that Ning Zhi's body was constantly changing, and the changes were getting tougher.

Moreover, the temperament and aura of Ning Zhi's whole person have all changed, and it has become completely different.

"Of course I'm Ning Zhi, haven't you always wanted to kill me? Then try it..."

The corners of Ning Zhi's mouth were raised high, and his eyes were deep and terrifying.

Although Kai didn't know what was going on, he had already sensed the danger!

The golden light on his body began to flicker, the undamaged golden body activated, and pieces of golden scales covered Kai's body.

"Hahaha, the golden body is not bad, no matter what exercises you use to protect your body, your body will never be better than mine, because mine is immortal..."

Ning Zhi raised his head and laughed arrogantly.

Kai didn't speak. In fact, he was also immortal. As long as Nascent Soul was not destroyed, he could slowly recover.

Chapter 1314

Kai stared at Ning Zhi, and suddenly rushed towards Ning Zhi again.

When Ning Zhi saw this, the black-gold fist was directly printed on it.

boom!

After a loud bang, the entire warehouse was instantly torn apart, and even the villa in the distance was instantly collapsed by this force.

The smoke and dust were everywhere, covering the bodies of the two people.

Kai's arms were trembling slightly, and his face was terrifyingly gloomy.

Ning Zhi is only a half-step Marquis' strength, it is impossible to have such strength, and it is even more impossible to stop his hard blow!

"This person will definitely not be Ning Zhi..."

Kai thought to himself, but the person in front of him was not Ning Zhi, so who could it be?

The smoke and dust slowly dissipated. Kai and Ning Zhi were separated by three meters and looked at each other. Neither of them moved. The punch just now destroyed everything around them!

"You are a half-step Marquis, but suddenly you have become so strong, and your physical body has become extremely powerful. Who are you? Or what kind of evil cultivation method are you using?"

Kai asked Ning Zhi.

If Ning Zhi was in front of him, then Ning Zhi must have used some technique to strengthen his strength in a short period of time.

"You don't need to know, you just need to know that you are going to die soon..."

Ning Zhi looked at Kai coldly, and the aura on his body began to rise violently.

In this breath, there is endless coercion, as if Ning Zhi at this moment is the arrival of the king!

"I want to see, who will die..."

Kai's eyes narrowed slightly, and his whole body turned into a giant, huge golden fist, and smashed it towards Ning Zhi fiercely.

The two people are three meters apart, and this punch is almost in the blink of an eye!

There was a burst of sound in the air, and the entire space seemed to be torn apart by Kai's punch, and the terrifying punch spread around!

At first glance, Kai's hand seemed to be holding a dazzling sun, and the scorching air was rolling, covering Ning Zhi.

Seeing this, Ning Zhi let out a low roar, and then his body made a popping sound, and then he punched him!

boom!

The sky was falling apart again, the sky and the earth were dark, and the entire Luo family began to shake.

Only this time, Kai and Ning Zhi still did not move, and the strength of the two was indistinguishable.

Kai was already in shock at this moment. He really did not expect that Ning Zhi would have such strength.

How could a half-step Marquis, in just a few days, grow in strength so quickly?

Kai can't understand, really can't understand.

And at this moment, Ning Zhi was also in a storm. He didn't expect Kai's strength to be so strong!

"With such a powerful strength, if you can absorb your skills, it will be twice the result with half the effort..."

Ning Zhi's eyes narrowed slightly, and then he said gloomily.

Kai's face changed slightly when he heard it: "Are you an evil cultivator?"

Kai had never heard of it, and Ning Zhi knew the same evil cultivating method as Dafa.

"Haha, it doesn't matter if it is an evil cultivator or not. In the current martial arts world, where is the distinction between good and evil !

Zhi laughed.

Hearing this in Kai's ears, he didn't have the slightest way to refute it.

Because the Martial Dao Alliance does have evil cultivators, and there are many aristocratic sects, in order to quickly improve their strength, they secretly practice evil arts!

What kind of evil cultivation is not evil, for many people, it is not important, they only value their own strength, just want to improve their own strength.

Kai gritted his teeth.

"Really? Then try..."

After Ning Zhi finished speaking, the black and golden color on his body began to skyrocket, and then his huge fist, like a shooting star, came towards Kai ruthlessly.

Seeing this, Kai didn't dare to be careless at all, with a dazzling golden light all over his body, he directly greeted him.

The two people collided in an instant, and the terrifying aura began to spread rapidly, and there was nothing in the radius of 100 meters!

Ning Zhi's consciousness was shaken by Long Yin, and there was a little doubt, while Kai slammed a fist on Ning Zhi's fist.

Kacha.....

Ning Zhi's arm bent down instantly, and his bones were broken.

This time, Ning Zhi's figure took a few steps backwards, and his face became a little ugly.

That shadow was just a wisp of consciousness, not the body, so the shadow in Ning Zhi's body couldn't bear it.

As the breath on Ning Zhi waned, Ning Zhi's consciousness instantly regained his body.

Otherwise, he would really die at the hands of Kai.

But Kai's punch hit the barrier in front of Ning Zhi, just like hitting a thin piece of glass, instantly shattering the barrier.

Immediately afterwards, Kai's punch hit Ning Zhi's body, and Ning Zhi's body was knocked out.

This punch almost shattered Ning Zhi's entire body.

Soon, Ning Zhi's body passed through the black hole, and just as the black hole was shrinking, Kai grabbed the universe circle!

He didn't go after Ning Zhi. The purpose of Kai's visit this time was the Qiankun circle in Ning Zhi's hands.

Kai was holding on to the Qiankun circle, and the universe circle was constantly shrinking, and Kai's entire arm entered the black hole.

The violent space-time distortion caused Kai to suffer severe pain!

However, Kai held on tightly and did not dare to let go.

"Ah..."

Kai's face flushed, and all the spiritual power in his body was mobilized, followed by a roar!

"Yuqi, wait for me, I will definitely rescue you, don't worry..."

Kai swears secretly in his heart!

As for where Ningzhi escaped, Kai doesn't care anymore. His main thing now is to rescue Su Yuqi and then his mother.

This is Kai's top priority right now, the most important thing, but after breaking into the martial arts alliance, Kai realized that his strength still lacks a lot.

Tens of miles away, Ning Zhi was already exhausted and fell to the ground!

At this moment, Ning Zhi was in pain all over his body, his bones were all broken, and he was able to escape here, thanks to the help of Qiankun Circle.

But at this time, the Qiankun Circle disappeared, and he knew that it must have been snatched by Kai.

"Kai, I won't kill you, I swear not to be human..."

Ning Zhi roared loudly.

"I only know how to call, I have a fart, let's improve my strength first..."

The old voice said disdainfully in his mind.

Ning Zhi also wanted to improve, but without the resources, how to improve his strength?

"Waste, didn't I say, absorb other people's skills and essence?" The

old voice reminded Ning Zhi dissatisfiedly.

Ning Zhi's eyes flickered, and he finally gritted his teeth: "Okay, I will listen to you..."

After Ning Zhi finished speaking, he was instantly enveloped in black mist, and the broken bones were all reconnected.

At this moment, a Wuzong happened to pass by, and Ning Zhi rushed up with a hungry tiger.

After a while, Ning Zhi's eyes were scarlet, and he stood up with a contented face.

But at this time, half of Ning Zhi's face was festering, and the blood on his face was blurred, which was very scary.

Ning Zhi was very surprised to find his own change.

"Don't worry, this is a side effect, but soon your body will grow back. From now on, you can hunt other people's skills." The

old voice said with satisfaction.

Ning Zhi didn't say anything, but found a black dress to wear on his body, and his head was also covered with a black scarf!

There was no one when the Lord was sitting, but there was a voice coming from the direction where the Lord was sitting.

Sitting on both sides of the hall are the high-level officials of the Martial Arts Alliance, each of them is very face-to-face, but each of them is in the realm of Marquis!

It can be seen that Zhu Zhishan is not the leader of the alliance in the eyes of these people, and Zhu Zhishan is also very respectful to these people!

"Zhu Zhishan, you are the leader of the Martial Arts Alliance, but a hairy boy broke into the forbidden area of the alliance and killed several people. Do you feel guilty?"

"Come.

Just hearing this sound makes me shudder!

Zhu Zhishan shivered all over, sweating coldly, and knelt on the ground with a thud.

"Damn the villain, please be merciful to the master..."

Zhu Zhishan trembled and was so frightened!

A dignified martial arts alliance leader, a martial arts master, was actually scared like this at this moment.

If anyone saw it, it would be a big joke.

"Are you sure you'll kill that Kai? This son must not be kept..."

The man called Da Neng asked.

"Yes, I will definitely be able to kill Kai, please rest assured..."

Zhu Zhishan said firmly, but the conversation changed: "It's just, it's just Mr. Shi's place..."

Everyone was on pins and needles. They had never seen the face of this almighty, but the almighty snorted, leaving a Marquis without the power to fight back, which shows how powerful this almighty is!

"Don't worry, I will definitely kill that Kai..."

Zhu Zhishan swore.

After Zhu Zhishan finished speaking, the atmosphere in the entire hall suddenly relaxed, and everyone breathed a sigh of relief, proving that the almighty had left.

The Dharma Protector Pavilion!

Mr. Shi has recently started to live in the Dharma Protector Pavilion. Mr. Shi's behavior made Zao Wou-Ki know that the martial arts world in Kyoto will soon become uneasy.

"Mr. Shi, various departments in Mobei recently reported that in several places in Mobei, people in black were found to be consuming the essence of people everywhere!"

"Some martial arts masters have not been spared, and now the entire Mobei martial arts world is panicking... .."

Xing Jun, the captain of the law enforcement team, reported to Mr. Shi Hui with a solemn expression.

Zao Wou-Ki listened and couldn't help but stunned. Even a strong man like President Wu could be sucked into the essence, so this man in black is too powerful.

"Did you find out who did it?"

Xing Jun shook his head: "No, this person's technique is completely different from those of the past evil cultivators!"

Xing Jun is very angry, the occurrence of such a bad incident is the negligence of their law enforcement team.

Mr. Shi did not speak, but fell into silence.

After a while, he slowly opened his mouth and said, "Notify the martial arts alliances in various places and strengthen their precautions. In the future, there will be more and more such things. After all, what should come is coming..."

Zao Wou-Ki and Xing Jun looked at Mr. Shi, and they were a little surprised, because it didn't look like Mr. Shi's style at all!

If there was such a bad incident in the past, Mr. Shi would definitely be very angry and take action himself.

But this time, Mr. Shi doesn't seem to have any intention of making a move!

But the two of them didn't dare to ask, and could only obey orders.

.....

Long Xiao has not been down the mountain since his bones were broken by Kai two months ago and brought to the mountain by Master Dingchan.

At this time, Long Xiao was still lying on the bed, covered with gauze. It had been two months, and his body had not changed in the slightest!

Master Ding Chan also tried his best, but it seems that the effect is not good.

Not to mention making Long Xiao reach the realm of Marquis, now even if it is difficult for Long Xiao to stand up.

"Master, when will I be able to stand up and when will I be able to stand up?"

Long Xiao yelled, and after lying down for two months, he had already collapsed.

"Long Xiao, don't worry, Master is thinking of a way!"

Master Ding Chan could only comfort Long Xiao.

"Master, don't lie to me, will I never be able to stand up again? Will I never be able to seek revenge on Kai?"

Long Xiao asked reluctantly to Master Dingchan.

Master Dingchan sighed, he didn't speak, but the expression on his face said everything.

He exhausted all his methods, but he couldn't cure Long Xiao. He was in a dilemma now, how could he explain to Long Jingguo?

Seeing Master Dingchan's appearance, Long Xiao immediately shouted hysterically, "Why? Why? God is unfair to me..."

"I want to kill that Kai, I want him to have a taste of lying on the bed, I want to kill him..."

Long Xiao was so excited that all the bandages on his body were broken, so Master Dingchan hurriedly held it down Long Xiao.

"If you want to recover now, you must have the evil spirit enter your body and let the evil spirit restore your body..."

Master Dingchan gritted his teeth and said.

When Long Xiao heard this, he instantly fell into confusion. He didn't understand what evil spirits were entering into the body, and he didn't understand what Master Dingchan said.

"Master, what do you mean? As long as I can recover, I can do anything..."

Long Xiao now just wants to recover his body to take revenge, no matter what kind of evil spirit he is.

"Long Xiao, you have to think about it. If evil spirits enter your body, your whole person will be neither a ghost nor a ghost. It may even devour your soul..."

Master Dingchan followed Long Xiao and talked about the evil spirits . Intrusion hazard.

"Master, you can do anything, it's better than lying in bed for the rest of your life, I'm willing to..."

Long Xiao shouted desperately.

Master Dingchan pondered for a moment, then gritted his teeth fiercely and said: "Okay, I will fulfill you for the teacher..."

After that, Master Dingchan walked out of the room, but came back soon.

But this time, I was holding a wooden fish in my hand, and the delicate wooden fish was covered with dust.

Master Dingchan wiped off the dust gently, and fixed his eyes on the wooden fish in his hand: "I hope my decision will not be wrong..."

In an instant, a black mist emanated from the wooden fish, and then the whole room was as cold as winter!

I saw a black shadow floating in the air!

"Hahaha... I'm finally free..."

The black shadow laughed wildly.

Long Xiao was a little dumbfounded when he saw this scene.

"I'll let you out, I hope you can restore my apprentice's body..."

At this moment, Master Dingchan said lightly.

He didn't seem to be surprised at all, he should have known for a long time that there was a dark shadow in this wooden fish!

The black shadow glanced at Master Dingchan, and then at Long Xiao who was lying on the bed.

"He's a good seedling with talent, this body is exactly what I want..."

After speaking, I saw Long Xiao's body that the black shadow penetrated instantly.

Long Xiao's eyes were wide open, his face full of horror, he only felt dizzy for a while, and then there seemed to be other people's voices in his mind.

"Don't resist, or the old man will hurt your consciousness, and your body will be useless..."
In

his mind, the black shadow told Long Xiao.

At this moment, Master Dingchan also hurriedly said: "Long Xiao, since it was your choice, you have to accept it, don't be afraid, don't resist..."

"Hahaha...hahaha, I really recovered!"

"I want that Kai to die..."

Long Xiao laughed wildly.

"Long Xiao, your current strength still needs more practice, otherwise it's not Kai's opponent..."

Master Dingchan persuaded Long Xiao.

"Really?" Long Xiao suddenly looked at Master Ding Chan sullenly, with a very strange smile on his face.

Master Ding Chan frowned, and a bad premonition rose in his heart.

But just when Master Dingchan was about to step back, Long Xiao suddenly shot and slapped Master Dingchan on the head.

In an instant, the power in Master Dingchan's body began to be absorbed by Long Xiao frantically.

A man like none other and the man decree (chinese) Chapter 1319-1320

Chapter 1319: Sneak into the dungeon

Kyoto.

In the alley where the Martial Arts Alliance was once, Kai came here again.

The last time, Kai was brought here by Ning Zhi and met Su Yuqi.

This time, Kai brought the Qiankun circle himself, and he wanted to find a way to rescue Su Yuqi.

With the space magic tool of Qiankun Circle, it should not be difficult to rescue Su Yuqi.

Looking around, Kai found that no one was paying attention. Kai took out the Qiankun circle and penetrated deeply into the Qiankun circle!

Soon, the Qiankun Circle flashed a faint light, and then Kai threw the Qiankun Circle in the air!

A black hole appeared in mid-air, Kai saw this, jumped up in a hurry, and jumped into the black hole!

A burst of light flashed, and Kai instantly appeared in the dungeon of the Martial Arts Alliance!

I saw that the rooms in the dungeon were locked by iron doors, and when I heard movement, people kept looking out from the iron doors.

Kai didn't have time to observe the people in these dungeons, and ran desperately towards the cell at one end, where he knew that Su Yuqi was imprisoned.

When Kai ran to the cell where Su Yuqi was being held, he found that Su Yuqi was lying on the bed on her side, and the environment in the cell was not bad.

But even if it is good, it is a prison cell, and there is no freedom and sunshine!

Kai called out softly.

Su Yuqi's tender body trembled, and she hurriedly got up and looked over. When she saw Kai, she was stunned, and tears flowed out instantly.

Su Yuqi ran to the door of the cell, stepped forward through the fence and grabbed Kai's hand tightly.

"Kai, why are you here?"

Su Yuqi asked excitedly.

"I came to rescue you, I don't want you to be locked here..."

Kai said hurriedly.

Just when Kai was holding Su Yuqi's hand tightly, he suddenly found that Su Yuqi's arm was densely filled with needle eyes!

This time, Kai was stunned, looking at Su Yuqi's arm, his whole body trembled with extreme anger.

He knew what the eyes of the needles represented.

These guys from the Martial Arts Alliance kept Su Yuqi in captivity as a tool for blood collection.

Looking at Su Ya, tears flowed out of Kai's eyes instantly, his teeth were rattling, he was remorse, regretting why he was incompetent and couldn't rescue Su Yuqi earlier.

Seeing Kai crying bitterly, Su Yuqi hurriedly stretched out her hand and helped Kai to wipe her tears: "Man, why are you crying, I'm fine, eat well, live well, they dare not treat me like that "

The more Su Yuqi is like this, the more uncomfortable Kai's heart is!

"Yuqi, get out of the way, I'll save you now..."

Kai said to Su Yuqi.

He made Su Yuqi step back, and then a golden light flashed on his hands, and all the power of the dragon was condensed in his hands.

Kai grabbed the railing, and then suddenly tried to break the railing!

Kai can have ten thousand jins of strength this time, but such a great strength did not cause any damage to the iron railings, and the railings did not deform at all.

Seeing this, Kai knew that the cell must have been used a technique, so he stretched out his hand and took out the Dragon Slaying Sword!

The Dragon Slaying Sword was held in Kai's hand, making a buzzing sound.

Immediately after a dragon roar, Kai slashed towards the cell with his sword.

Dang.....

The huge roar almost burst the eardrum, and the whole dungeon was buzzing!

The flames splashed, Kai's wrists were numb, but the cell still did not change in the slightest!

"I will definitely rescue you..."

The Dragon Slaying Sword in Kai's hand slashed desperately towards the cell!

Dang dang dang.....

The sound is endless, and the entire dungeon seems to be collapsing!

But even so, the cell remained unmoved.

In a dark room in the deepest part of the dungeon, with no fingers, a man sat cross-legged on the ground and suddenly opened his eyes.

Two faint green lights burst out from his eyes.

With the corners of his mouth up, the man showed a smile, and then his eyes were closed again.

Kai's whole body trembled suddenly, and he felt a very terrifying and terrifying aura, but that aura was only fleeting!

But Kai couldn't think about it, he had to rescue Su Yuqi first.

After more than a dozen swords, Kai's forehead was already covered in cold sweat, but there was still no sign of damage to the sturdy cell.

"Kai, the prison cell of the Martial Arts Alliance must be very strong. You can't open it. You should leave quickly. I believe someone will come soon!"

"As long as you are safe outside, I can rest assured. I am here. It's good here, don't worry..."

Su Yuqi said loudly to Kai.

But at this time, Kai was already anxious, and he wanted to rescue Su Yuqi at all.

Chen Pingshuang glared, biting the tip of his tongue fiercely, and then the blood from the tip of the tongue instantly sprayed onto Zhanlongjian.

The Dragon Slaying Sword began to vibrate violently, and a dragon roar sounded.

"Kai, are you crazy?"

Seeing this, Su Yuqi shouted loudly at Kai.

At this moment, Kai was crazy enough to burn his own blood essence. You must know that burning blood essence will cause great damage to the body. If it is serious, the whole person will be ruined.

But now Kai, how can he still hear it, the whole person is like a mad beast, desperately charging the cell!

Kai didn't know how many cuts he had cut, and the tiger's mouth was shaken to the point of bleeding.

"How could this be?"

Kai sat on the ground, his face full of despair.

He exhausted all his tricks, but he couldn't open the cell and rescue Su Yuqi.

It seems that this martial arts alliance is really not easy.

Kai held Su Yuqi's hand tightly and didn't let go at all. He didn't want to leave, and was reluctant to leave.

After leaving, I don't know when I can see Su Yuqi.

He originally thought that when he reached Marquis Wu, he could rescue Su Yuqi, but now it seems that he is too naive.

Rumbling...

At this moment, a rumbling sound came, followed by several powerful breaths coming towards this side.

Kai knew that it was the people from the Martial Arts Alliance who came.

Su Yuqi pushed Kai away desperately: "Kai, hurry up, hurry up, as long as you protect yourself, I have hope, do you remember?"

Kai looked at Su Yuqi, he didn't want to leave, he didn't want to see Su Yuqi stay here by herself.

"Kai, if you don't leave, I will pretend to be dead here, so that you will never have to think about me..."
