Chapter 1321 Information _

"Yuqi..."

Kai looked at Su Yuqi painfully, at this moment there was a great contradiction!

"Let's go, let's go..."

Su Yuqi's voice roared with pleading. Seeing that several breaths were getting closer, Kai gritted

his teeth and glanced at Su Yuqi: "Yuqi, don't worry, I will definitely come back."

The black hole appeared in an instant, and Kai drilled into it.

Immediately after the black hole disappeared, so did Kai.

Seeing this, Su Yuqi let out a long breath.

Just as Kai had just left, Zhu Zhishan arrived with someone. Feeling the fluctuation of the breath still in the air, Zhu Zhishan's face became very ugly.

"Hmph, let this kid escape, let me see him, he will die!"

Zhu Zhishan finished, and then looked at Su Yuqi: "Just stay with me, you want to escape from here. Go, it will never be possible..."

Su Yuqi gave Zhu Zhishan a cold look and didn't speak, but she knew in her heart that Kai would definitely save her and destroy the Martial Arts Alliance!

It was not until he heard the movement that Kai left in a hurry.

After Kai left, Zhu Zhishan also chased after him.

"Leader, that Kai just left, he should have used a space magic weapon to enter the dungeon..."

After some investigation, someone said to Zhu Zhishan.

"Send someone immediately to strengthen the defense of the dungeon, so that no space instruments can enter..."

Zhu Zhishan said gloomily.

"As ordered!"

The man immediately went to set up.

Zhu Zhishan returned to the hall of the Martial Arts Alliance, his face always gloomy!

At this moment, his heart is very heavy, and he can speak, which proves that his time is running out.

On Zhu Zhishan's table, there is a thick stack of documents, with hundreds of pages, which are full of Kai's most detailed information.

The previous Zhu Zhishan didn't take Kai seriously, so he didn't pay attention to investigate him.

But now it's different, he needs to know what kind of person Kai is.

While Zhu Zhishan was looking at Kai's materials, a series of people came in.

These people were all sent by Zhu Zhishan, including Long Jingguo!

Zhu Zhishan has no other intention to call these out, but to join forces to get rid of Kai, the sooner the better...

After everyone sat down, Zhu Zhishan said directly: "Everyone, I'll bring you here this time. , nothing else, just to discuss how to get rid of Kai, this guy is like a loach, you can't catch it!"

"In addition, here is the most detailed information on Kai, you all have a look... "

Zhu Zhishan waved his hand, and immediately someone distributed Kai's information.

Everyone looked at it in detail, only Long Jingguo casually flipped through it. Because of Kai's information, he had already investigated it many times.

More than ten minutes later, someone took Kai's information and said with great doubt: "I wish the leader, this Kai's life is too strange? I didn't expect that he has always been a plain and ordinary person. Why did he suddenly come out of prison? It's like a different person?"

"Yes, I also found out that this guy has broken through to Marquis Wu in just a few months, isn't it incredible?"

Someone echoed.

"This is like riding a rocket. Even if you are riding a rocket, your strength can't improve so fast. It's too strange. This Kai must have a secret..."

"It's too monstrous, even the most talented person in the martial arts world can't progress so fast. Will this Kai be guided by an expert?"

Everyone was talking about it!

Chapter 1322

Zhu Zhishan watched everyone's reaction quietly, and then set his eyes on Long Jingguo.

"Patriarch Long, what do you think of this matter? Your Long family also had a festival with that Kai. I believe you have already studied him, right?"

Zhu Zhishan asked Long Jingguo.

"I wish the alliance leader, this Kai has suddenly become so powerful. Have you ever thought that the current Kai may not be the previous Kai anymore?"

"The information in our hands is all the previous Kai. Yes, and the current Kai may be a different person."

Long Jingguo said mysteriously.

Hearing what Long Jingguo said, everyone was stunned, and even Zhu Zhishan frowned slightly.

Seeing everyone's reaction, Long Jingguo breathed a sigh of relief.

Of course he knew what happened to Kai, but he couldn't let others know that this was the secret of their Long family.

He has to rely on this secret to rule the entire Kyoto martial arts world.

"Patriarch Long, what do you mean, is this Kai possessed by an evil spirit, and the Kai I see now is just a body?"

Someone asked suspiciously.

"Impossible. If an evil spirit entered the body, and Mr. Shi had been in contact with Kai many times, how could he not have noticed it?"

Zhu Zhishan immediately began to retort.

"This Kai seems to be able to use evil powers to absorb the power of other people's bodies. It seems that it is really possible that evil spirits have possessed them."

Someone said again.

"Okay, don't discuss this issue anymore. I will find a way to verify whether Kai is possessed by an evil spirit.

"Kai was killed, this guy is alive, sooner or later, it will be the scourge of our martial arts world!"

Zhu Zhishan said solemnly to the speakers of the aristocratic sects.

"I wish the alliance leader, didn't you already send someone to kill Kai, did those people miss it?"

Long Jingguo asked.

When Zhu Zhishan heard it, his face was full of anger. He didn't expect those puppet corpses to be waste.

"Don't mention it, whoever kills Kai this time will be rewarded heavily by the Martial Dao Alliance. I will give him half of next year's trial resources!"

Zhu Zhishan is bleeding profusely, but it is not way things.

Zhu Zhishan's time is running out, and these people can only be moved by promising high interests.

Sure enough, after hearing Zhu Zhishan's promise, everyone was moved.

Only Long Jingguo remained silent, and there was no change in his expression!

After explaining a few words, the meeting was over, and as soon as everyone left, Zhu Zhishan whispered a few words in the ear of a member of the Martial Arts Alliance.

After the member of the Martial Arts Alliance left, he returned after a short time, and brought two people, a man and a woman. The faces of these two people were pale and frosty!

The man was wearing a thin suit with a very straight body, while the woman was wearing a tight leather jacket and trousers with half of her hair covering her face.

Zhu Zhishan waved his hand and let the Martial Dao Alliance member leave, then got up and said, "You two, please sit down..."

"Zhu Alliance Leader, don't be polite to us, if you have any orders, just say it, you With the token in hand, we should obey your orders."

said the man in a suit.

"Okay, then I'll order you to find Kai and find out if Kai is possessed by an evil spirit. If possible, destroy the evil spirit in his body..."

Zhu Zhishan said to the two.

"The strength of the two of us can't deal with that Kai. If he is really possessed by evil spirits, we don't have the ability to destroy the evil spirits in his body..."

"You have the token in hand, and we will obey your orders. , but it doesn't mean that the two of us can go to die in vain..."

The woman opened her mouth, and as soon as she spoke, Zhu Zhishan was stunned!

After Zhu Zhishan heard this, his face was ashen with anger, and he snorted coldly: "Your blood corpse religion is really trash, the seven puppet corpses are fools, and the two of you are so incompetent..."

"What did you say?" The man and the woman The complexion became even more gloomy, and the huge spiritual power radiated from the two of them.

The two of them belonged to the Blood Corpse Sect, and Qi Fiend Xingjun was their leader. Their Blood Corpse Sect mainly focused on refining corpses, so they needed a lot of mental power to control the puppet corpse.

"I wish the leader, since this is the case, then we will leave. If you say it, I will tell our leader..."

After the man finished speaking, he turned and was about to leave.

"Wait a minute..." Zhu Zhishan hurriedly stopped the two of them: "Well then, you just need to check whether Kai is possessed by an evil spirit, and you don't need to worry about other things!"

Zhu Zhishan knew , Although he has a token in his hand, but no one from these cults really listens to him.

Just as Zhu Zhishan finished speaking, the man and woman turned around and left.

Looking at the backs of the two, there was a vicious look in Zhu Zhishan's eyes.

.....

Kai walks the streets of Kyoto!

Although Su Yuqi could not be rescued, Kai did not leave. He knew that the Martial Arts Alliance was definitely looking for him.

The reason why Kai blatantly wandered the streets was to lure people from the Martial Arts Alliance.

In particular, Kai still has the Qiankun Circle in his hand, and even if he loses, he can easily escape.

So Kai thought about attracting the people from the Martial Arts Alliance. If he could fight, he would kill him. If he lost, he would run away.

Su Yuqi suffered in the Martial Arts Alliance, he will never make the Martial Arts Alliance any better!

Just as Kai was walking aimlessly, suddenly two breaths were directly felt by Kai.

However, these two auras do not seem to be strong, and they can only be regarded as the strength of Wuzong's initial stage.

"Could it be that the Martial Arts Alliance will send someone with such strength to kill me?"

Kai was a little surprised. In the early stage of Wuzong, Kai could kill several people with a single slap.

However, Kai did not move, but walked towards the sparsely populated place.

The two breaths were getting closer and closer, and Kai wanted to send out his divine sense to investigate, but the divine sense had just been released, but was instantly blocked back.

Kai was shocked, and the steps under his feet stopped instantly.

Later, Kai only felt a confusion in his head, and the whole person was groggy as if he had been drinking too much.

At this moment, there seemed to be countless invisible big hands around, imprisoning Kai, making Kai unable to move!

Kai struggled twice, but found it useless, no matter how hard he tried, he couldn't break free.

Kai frowned, but suddenly his mind became clear, and he seemed to understand.

The restraint just now was just what Kai imagined in his mind, a signal sent to his body. There was nothing to restrain Kai's body at all.

This means that someone is using powerful mental power to invade Kai's brain and control Kai's thoughts.

However, Kai's mental power is also very strong, and there is still a heart-clearing mantra, so his mind is just confused, and he soon wakes up.

It's just that Kai didn't appear sober, and was still struggling, as if he was still trapped in it.

At this time, a man and a woman walked in front of Kai, but they were more than ten meters away from Kai, and they did not dare to approach Kai.

Looking at the two people who suddenly appeared, Kai immediately saw that these two people had been following him all the time, and judging by their breath, they were just the strength of Wuzong's initial stage.

Chapter 1324 You are too weak

However, the strength of Wuzong's early stage has such a powerful mental power, it can be seen that the magic control of these two people must be very powerful.

"Who are you?"

Kai frowned, pretending to be in pain, and asked the two of them.

It's just that the two of them looked frosty, and neither of them answered Kai's question.

I saw that the woman slowly raised her hand, and then a huge divine consciousness enveloped Kai, directly intruding into Kai's mind, as if searching for something.

After a while, the woman frowned, looked at the man beside her, and shook her head slightly.

The man nodded, then the two turned around and left!

Neither of the two did anything to Kai, and they didn't even say a word to Kai!

This time, Kai was confused.

He wanted to stop the two and ask them what was going on.

Kai pointed his toes, the whole person jumped up, and fell steadily in front of the two people.

This time, the two people were terrified. They thought that Kai was under control, but they didn't want Kai to appear in front of them.

Seeing that Kai stopped them, the woman hurriedly exuded mental power, trying to regain control of Kai's mind.

But as soon as the woman's mental power entered Kai's mind, it was instantly cut off by a golden light!

"Ah..." The

woman screamed, her body backed up again and again, and the man's face changed greatly, and he hurriedly stepped forward to support the woman.

The woman frowned at this moment, and her eyes showed horror: "You...how can your mental strength be so strong?"

"Is yours too weak?"

Kai smiled coldly.

After the woman heard it, a sullen look appeared on her face instantly. Her strength was not strong. Others could say her, but she couldn't say that her mental strength was too weak.

You must know that their blood corpse sect is famous in the martial arts world for its spiritual power.

"Senior brother, let's go together..." the

woman said to the man.

The man nodded, and then the two said something in their mouths, and waves of huge mental power were attacking Kai's mind.

At this moment, Kai seemed to be in chaos. Even though his body was strong, his physical strength did not have the slightest effect on his mental power.

When the two saw Kai being attacked by their spiritual power, their expressions changed, their eyes were blank, and they couldn't help but breathe a sigh of relief.

But just when the two wanted to take the opportunity to escape, they saw a golden light flashing in Kai's mind, followed by a Qingming that repelled the two people's mental power!

Kai recited the Qingxin mantra, and a peaceful and incomparable spiritual force began to cover the bodies of the man and the woman.

The expressions of the two people changed greatly, and they desperately radiated mental power to resist, and then their bodies quickly retreated.

Both of them are practicing evil arts, and this heart-clearing mantra is specifically aimed at evil arts, making people purify their hearts with few desires, and prevent them from going crazy.

"Stop reading..." The

woman struggled desperately, it seemed to be very painful!

The man threatened Kai.

"Sect Master? Aren't you guys from the Martial Arts Alliance?"

Kai put away the Heart Clearing Spell and asked the man.

The man's forehead was already full of cold sweat, and the whole person seemed to be bitten by thousands of insects and ants!

"We are members of the Blood Corpse Religion, and our leader is the Seven Fiends. If you dare to kill us, you will be an enemy of the Blood Corpse Religion. Our leader will never let you go." The

woman threatened Kai loudly. .

Zhu Zhishan borrowed seven puppet corpses from their Blood Corpse Sect, just to kill Kai, but Kai killed him instead.

At this time, when the women spoke out about their sect, wouldn't it annoy Kai even more?

Then the two of them had no hope of surviving.

"Seven Evil Star Lord?"

Kai heard the name, and his body instantly exuded a strong killing intent: "That puppet corpse is controlled by your blood corpse sect?" The

man felt the thick body of Kai. Killing intent, I know it's going to be a bad thing. But the woman

didn't seem to understand that the catastrophe was coming, she nodded and said, "Yes, no one can refine and manipulate puppet corpses except our Blood Corpse Sect." "If that's the case, then the two of you will die without resentment. Since your Blood Corpse Sect claims to have the strongest mental power, then I will kill you with mental power..." After Kai finished speaking, the mental power instantly radiated from his mind. out. The woman wanted to say something, but she felt a splitting headache, and then her whole head exploded instantly. The man on the side did not escape the fate of being headshot! "Hmph, I don't know whether to live or die..." Kai looked at the two corpses and snorted coldly! Just when Kai was about to leave, suddenly several figures came quickly and stopped in front of Kai. Kai looked closely and found that it was Xing Jun from the law enforcement team who brought someone here. Several members of the law enforcement team began to clean up the two bodies, while Xing Jun took out a cigarette and threw it to Kai. Xing Jun lit the cigarette for Kai, then took a breath and said, "I don't know how many people want to kill you now, but you still dare to hang out on the streets of Kyoto..."

"It's a blessing, not a disaster, it's a disaster that can't be avoided..."

Kai smiled slightly: "Captain Xing, why did you suddenly appear?"

"Where there is an evil cultivator, there is me, these two guys are from the blood corpse religion. People, as soon as they enter the capital, I will send someone to follow!"

Kai couldn't understand why the Blood Corpse Sect wanted to kill him.

Xing Jun looked at Kai like that, grinned and said: "You have no grievances or enmity with Tianshamen, but the master of Tianshamen, Zang Qing, wants to kill you, why do you say?"

"Of course they were instructed by others. , these people are just chess pieces, and there will be more and more such chess pieces in the future..."

Xing Jun followed Kai to explain, while Kai frowned slightly: "Could it be that they are all instigated by the Martial Arts Alliance? How can the Martial Arts Alliance be associated with so many evil cultivators?" The

Martial Arts Alliance, but an organization formed spontaneously by a family of sects in the martial arts world, was rampant at that time, and it was also to better deal with those evil cultivators.

In recent years, all the evil cultivators have been hidden, and the Martial Arts Alliance has become the largest private organization in the martial arts world.

But the Martial Arts Alliance has a relationship with the evil cultivator, and even cooperates, which makes Kai a little puzzled!

When he entered the Martial Arts Alliance, he felt very strange when he met the four evil cultivators.

"In the current martial arts world, there is no distinction between good and evil, so the martial arts world needs a big chaos. As long as the water in the martial arts world is muddy, there will be big fish."

"And the sand and water will also change with time. Gradually separate, this is a process that must be experienced."

Xing Jun followed Kai, but what he said was also heard by Mr. Shi, Xing Jun himself did not have such a vision.

Chapter 1326

After Xing Jun finished speaking, Kai looked at him with slightly condensed eyes: "So, I am the one who messed up the martial arts world in Kyoto, right?"

"No one dares to jump out, face the entire martial arts world, and develop secretly behind the scenes!"

But the appearance of Kai broke this balance and directly turned the world of martial arts in Kyoto upside down!

At this time, Kai wanted to understand why Mr. Shi would support him everywhere.

Xing Jun looked at Kai and smiled, but didn't say anything. After the two corpses were balanced, Xing Jun threw the cigarette butt in his hand to the ground.

"Mr. Shi asked me to tell you that tomorrow he will convene a meeting of the sect family in the entire Kyoto martial arts world, and Mr. Shi asked you to participate..."

Xing Jun said to Kai.

"Me too? Mr. Shi doesn't know that those people want my life?"

Kai asked in confusion.

"This is what Mr. Shi meant, anyway, I told you..."

Xing Jun turned around and left after finishing speaking.

Kai looked helpless, he didn't like this kind of puppet-like domination!

The Martial Arts Alliance!

Until it got dark, Zhu Zhishan didn't wait for the news he wanted to know.

"Damn, what the hell is the Blood Corpse Religion..."

Zhu Zhishan slapped the table fiercely and cursed!

Seeing that I might not be able to get news today, Zhu Zhishan got up and prepared to rest.

At this time, a person from the Martial Arts Alliance came in in a hurry and handed over an invitation to Zhu Zhishan!

Zhu Zhishan was taken aback for a moment: "Who sent it at this time, did anyone send invitations at night?"

"Leader, it was sent by the Protector Pavilion!"

said the member of the Martial Arts Alliance.

As soon as he heard it was sent by the Protectorate Pavilion, Zhu Zhishan hurriedly picked it up, he knew that Mr. Shi must have something to do.

When I opened the invitation, I found that it turned out that all the sect families in the Martial Arts Alliance would go to the Dharma Protector Pavilion to attend the meeting tomorrow!

For so many years, he had never seen Mr. Shi so anxious for a meeting.

Send invitations at night, and there will be a meeting tomorrow.

"Is it because of Kai?"

Zhu Zhishan frowned slightly, with a lot of things on his mind!

At the same time, all the aristocratic sects in the Kyoto martial arts world received the invitation from Mr. Shi at the same time!

This night, the martial arts world was a little chaotic, and they all speculated about Mr. Shi's intentions!

Zhu Zhishan didn't sleep all night, and gathered all the other sect families in the Martial Arts Alliance.

Everyone analyzed what Mr. Shi meant.

Later, after inquiring, I found out that Mr. Shi suddenly held a meeting, because there are always people in the martial arts world who have been absorbed the essence and died recently, and the evil cultivator has great signs of recovery, so the meeting was held.

There is no relationship with Kai at all, and it is not because of Kai's meeting that Zhu Zhishan's heart is calm.

And Zhu Zhishan heard that Kai was also invited to participate in the memory, which made him a little excited!

At that time, he set up a net around the neighborhood. As long as Kai went to participate, when he came out, he would directly capture or kill Kai.

Now Zhu Zhishan is a little anxious, so he no longer considers Mr. Shi.

He attacked first and killed Kai directly. Even if Mr. Shi punished him, he would not kill him.

Chapter 1327

the next day!

All the people from various sects and families in the Kyoto martial arts world gathered in the Dharma Protector Pavilion!

For these people, this meeting is obviously different from the past!

Never before had so many people participated in a meeting at the same time. You must know that there are hundreds of aristocratic families in the martial arts world of Kyoto.

And among them, the Martial Arts Alliance stands at nearly one-third of the number, and not all Zongmen families have joined the Martial Arts Alliance.

"I wonder if Mr. Shi suddenly called us all together, is there something going on?"

"I heard that people in black have been haunting recently, and there may be a resurgence of evil cultivators. It seems that a bloody storm cannot be avoided. It's gone."

Everyone was talking about each other, and they were looking for their acquaintances to chat with each other.

At the entrance of the Protectorate Pavilion, Dong Liqun and Dong Jiahao were looking out, as if they were waiting for someone.

"Pavilion Master Zhao, is Mr. Chen really invited too?"

Dong Liqun asked Zhao Wuji.

"Are you all ready?"

Zhu Zhishan looked at Kai who walked in at the door, and then asked in a low voice.

The man nodded: "Everything is ready, as long as Kai leaves, he will definitely die..."

Zhu Zhishan had already set a net for Kai, although he did not dare to do it at the meeting of the Protectorate Pavilion, but when he walked out of here, Kai would There is no escape.

Kai looked around and found that there were quite a lot of people, many of whom Kai did not know.

However, these people were terrified of Kai.

During this period of time, Kai's name, almost no one in the entire Kyoto martial arts world did not know.

"Kai, this is a meeting attended by various sects and families in the martial arts world of Kyoto. What qualifications do you have to attend? Do you have an invitation?"

At this moment, a person suddenly stood up and questioned Kai. road.

This person is also a sect in the martial arts alliance, so he directly gave Kai a dismount.

The reason for this is nothing more than expressing himself in front of Zhu Zhishan.

As soon as these words came out, many people looked at Kai, and many people pointed at Kai!

Kai did not have an invitation, he just informed him verbally from Xing Jun.

At this time, Zao Wou-Ki hurriedly wanted to explain, but he didn't want Dong Liqun to take a step forward: "Mr. Chen is here to participate on behalf of my Dong family, can't you? Our Dong family will be Mr. Chen's pawn in the future, whoever is not convinced can go out and practice. Practice..."

"I think you are tired of living. Believe it or not, after you go out, I will let your sect disappear directly from the Kyoto martial arts world?"

Dong Liqun looked at the thorny guy with fierce eyes.

The Dong family can stand alone, and no one dares to bully if they do not join the martial arts alliance. It must have its own strength, but it is not comparable to ordinary sect families.

Dong Liqun's words instantly made the sect master slumped, his face became ugly, not to mention how embarrassing his expression was.

Chapter 1328

If the Dong family really wanted to destroy him, it would be as easy as the palm of your hand.

"I... I'm just asking, since that's the case, then it's fine..."

The sect master sat back in fright.

This time, there was a sneering sound around. This guy is a member of the Martial Arts Alliance. Now he is being reprimanded by Dong Liqun like a dog, which is equivalent to hitting the face of the Martial Arts Alliance, which makes Zhu Zhishan a little unable to sit still.

"Patriarch Dong, we are here for a meeting today, not to be pretentious. If you want to compare, my Martial Arts Alliance is not afraid of your Dong family. Don't think that you have annexed the resources of the Ning family. It's amazing."

Zhu Zhishan With a cold face, he said to Dong Liqun.

"If you're not convinced, then try it. I'm afraid that your martial arts alliance will fail?"

Dong Liqun was not afraid at all!

Zhu Zhishan was also aroused for a while, and stood up suddenly, and the scene was full of gunpowder for a while.

"Everyone, this is the venue. If you dare to make trouble here, Mr. Shi will see how you explain it..."

Zao Wou-Ki hurriedly said when he saw this.

Hearing that Mr. Shi was mentioned, Zhu Zhishan sat back, while Dong Liqun pulled out a chair: "Mr. Chen, please sit down..."

Kai was not polite and sat down directly, while Dong Liqun It was standing behind Kai.

This time, everyone could see that the Dong family was completely on Kai's side and became Kai's younger brother.

This scene made Zhu Zhishan's face more and more ugly!

He was originally a net of heaven and earth for Kai, so if the Dong family is added now, I don't know what the result will be.

Everyone was sitting in the hall, no one was talking, but Kai looked at Zhu Zhishan coldly, his eyes were full of killing intent!

Su Yuqi is still suffering in the Martial Arts Alliance, he must find an opportunity to kill this old boy.

However, Zhu Zhishan didn't even look at Kai, he closed his eyes slightly, looking a little leisurely and contented!

The atmosphere in the entire hall was terrifyingly quiet!

After waiting for more than ten minutes, Mr. Shi still hasn't come, which makes it a little unsettled.

Some people started talking in a low voice!

Another ten minutes have passed, and for half an hour, Mr. Shi is still nowhere to be seen!

This time, there are more people talking, and the voices are getting louder and louder.

"Mr. Shi, what does this mean? Why haven't you come yet?"

"I have something to do at home, it's never been like this before!"

"Mr. Shi is usually very punctual, what's the matter today?"

.....

Some people started to feel Dissatisfied, but only whimpered in a low voice!

Kai saw that Mr. Shi had not appeared yet, and the corner of his mouth was slightly raised. He seemed to understand what Mr. Shi wanted.

"Okay, don't babble, Mr. Shi will have to wait if he doesn't come..."

At this moment, Kai said loudly.

Kai's voice fell, and everyone looked at him.

"Kai, you are really Mr. Shi's good dog, no wonder Mr. Shi is so protective of you!"

At this time, a noble family in the martial arts alliance snorted coldly.

He was trying to find fault on purpose. Anyway, when Kai went out here, they all wanted to get rid of Kai.

Moreover, Zhu Zhishan also promised that whoever gets rid of Kai will get half of the resources for next year's trial.

"Hahaha, it's a good dog..."

Everyone laughed.

"Kai, don't think that you are amazing, do you feel that if you kill Ning Dahai, you will be invincible in Kyoto?"

"We have so many sects and noble families, and we have been in peace with each other. Chickens fly and dogs jump."

"If Mr. Shi hadn't kept you behind his back, do you think you would still be alive now?"

Seeing this, the patriarch of the aristocratic family sneered at Kai again.

Kai glanced at the guy coldly, and then said, "You are worthy of killing me just because you are such a rubbish?"

Chapter 1329 Are you not convinced? _

When the patriarch of the aristocratic family heard this, his face sank: "Kai, I can't kill you by myself, but we have dozens of aristocratic families here. Wouldn't it be easy to kill you together..." Zhu Zhishan is the backer, and there are many members of the Martial Arts Alliance together, so he dares to speak to Kai like this.

"Hmph, a bunch of rabble, if I kill you, who dares to stop you..."

Kai snorted coldly, suddenly stretched out his hand and slapped it out.

Kai's palm was very sudden, and no one expected that if Kai dared to act on such an occasion, everyone else was just playing tricks.

If you want to do it, you have to do it after you go out. If you dare to do it at the venue, isn't that courting death?

But Kai just did it, slapped the head of the famous patriarch with a palm, and slapped his head directly, blood splashed, and the bloody aura instantly filled the entire hall.

This time, the entire hall fell into dead silence!

Everyone looked at Kai in shock, even Dong Liqun was no exception!

"Who else dares to beep? My fists don't recognize people..."

Kai looked at everyone coldly and said.

This time, everyone closed their mouths, and no one wanted to provoke the evil star Kai!

And Zhu Zhishan's old face was flushed with anger, and the murderous aura on his body instantly permeated, and the members of the Martial Arts Alliance also showed murderous aura.

Kai was under the murderous aura of these people, his face did not change and his heart did not beat, and he did not have the slightest fear!

Kai's eyes fell on Long Jingguo. From the beginning to the end, Long Jingguo did not show any murderous intent, but just watched Kai with the corner of his eye.

As for Kai's uncle, his eyes were full of hatred. He wished he could rush up now, kill Long Jingguo and rescue his mother.

Long Jingguo felt the chill on Kai's body, and turned his head slowly, looking directly at Kai without any expression on his face.

Kai put his hands on the table, leaned forward slightly, and brought his entire face close to Long Jingguo.

"Patriarch Long, I hope you can take good care of your health. I will visit your Dragon's house sooner or later..."

Kai's eyes were slightly condensed, and his obsidian-like eyes exuded a cold and fierce light, which brought an endless sense of oppression. .

Long Jingguo smiled slightly: "Then I'm so welcome, maybe someone in our Long family wants to see you

!"

Everyone didn't understand what Kai and Long Jingguo were talking about, but when Kai just shot to kill, the Martial Arts Alliance would definitely not let it go.

"Kai, you dare to kill people directly in such a venue. Do you feel that Mr. Shi is backing you, so you can do whatever you want?"

The murderous aura rose from Zhu Zhishan, clenching his teeth tightly, He clenched his fists with both hands, wishing he could immediately attack Kai.

"If you're not convinced, you can make a gesture with me. What's the difference between killing someone at the venue and killing someone out of here?"

"Didn't you also set up a net outside, waiting for me to get in?"

Kai looked at it coldly. Zhu Zhishan, said arrogantly.

Zhu Zhishan was instantly speechless when asked by Kai, he did set up a net outside, waiting to kill Kai, but how would Kai know?

"Okay, since you said that, then I will wait for Mr. Shi to come and give me justice to the Martial Arts Alliance..."

After Zhu Zhishan finished speaking, he did not speak, but waited for Mr. Shi to arrive.

"Mr. Chen, you are killing people at the venue. I'm afraid that Mr. Shi is here. You can't explain it..."

Dong Liqun whispered to Kai on Kai's body.

"Don't worry, how do you know that this isn't what Mr. Shi wants me to kill?"

Kai said with a slightly raised corner of his mouth.

Chapter 1330 Who is dissatisfied?

This time, Dong Liqun was stunned when he said that Mr. Shi didn't come. How could it be that Mr. Shi instructed Kai to do it?

Did he explain it to Kai in advance?

But it doesn't make sense. On such an important occasion, Kai committed murder, wouldn't that mean he looked down on Mr. Shi?

How could Mr. Shi let Kai do this?

Dong Liqun didn't understand, and he didn't think about it anymore. He only needed to follow Kai closely. What Kai said, she did what she was doing.

Another ten minutes later, Mr. Shi is important, followed by Xing Jun!

As soon as he entered the hall, Mr. Shi smelled a thick smell of blood, as well as untreated corpses on the ground.

Mr. Shi frowned slightly, but didn't say anything, but went straight to the main seat and sat down.

When Xing Jun saw the corpse on the ground, he was the first to speak: "What's going on?"

Xing Jun asked, and Zhu Zhishan hurriedly said: "Captain Xing, this man was killed by Kai, and now the body is here, I hope Mr. Shi can give an explanation, this is the Law Enforcement Pavilion, and this is a meeting convened by Mr. Shi!"

"Kai committed murder on such an occasion, did he not take Mr. Shi seriously?"

But who knew that Mr. Shi didn't say anything, but waved his hand: "Dispose of the body, start the meeting..."

Xing Jun nodded, and immediately ordered the body to be disposed of.

This time, he was a little confused, and Zhu Zhishan frowned.

Murdering on such an occasion, Mr. Shi didn't even ask? This is too shielding for Kai?

"Mr. Shi, could it be..."

Zhu Zhishan looked at Mr. Shi in confusion, and wanted to ask Mr. Shi how to deal with it.

But before the words were finished, Mr. Shi's eyes instantly turned to him, with majesty in his eyes, so frightened that Zhu Zhishan closed his mouth instantly.

"I said, start the meeting, other things will be dealt with later, if anyone is unconvinced, they can leave now..."

Mr. Shi's tone was very light, but everyone who listened was tense.

Who dares to leave?

Seeing that no one was talking, Mr. Shi slowly continued: "I called you all here this time, just to talk about the resurgence of evil cultivators."

"Recently, various places have reported that there are people in black who are using Soul Eater. The technique devours the essence of other people and helps oneself to cultivate!"

"Now that the evil cultivators are so blatant, I feel that you, the major sects and families, have the responsibility and obligation to eliminate these evil cultivators!"

"The other is that the major sects and families must be vigilant . . ."

After Mr. Shi finished speaking, many people were in an uproar.

It's just that those evil cultivators haven't reached out to the Kyoto martial arts world.

"Mr. Shi, have these men in black who suddenly appeared have their identities identified?"

Someone asked Mr. Shi.

Mr. Shi shook his head: "I'm investigating, these people are very strong, and some Wuzong masters have not survived."

Hearing this, some people's faces began to change, after all, Wuzong masters can't escape. The claws of these men in black, those small families, aren't they all dangerous?

Not all sect families are masters such as Wuzong and Wuhou.

"Mr. Shi, do you think these men in black were possessed by evil spirits? You must know that in a war many years ago, those masters of evil cultivators were almost slaughtered.

" It seems a little strange to come out with these masters of evil cultivation!"

"Is it possible that some masters of martial arts were possessed by evil spirits and controlled what their bodies did?"

Zhu Zhishan began to analyze.

"You're right, it's very possible. Although we killed a lot of evil cultivators back then, those evil cultivators were very skilled."

"Many of them hid their souls out of the body, and now they are showing up. It is very possible to be attached to the body of others."

Mr. Shi nodded, agreeing with Zhu Zhishan's statement.

"Another point is that some ordinary people, after being possessed by evil spirits, will suddenly become stronger, bloodthirsty, and have the art of devouring, and they can also cultivate by absorbing the essence of others!"

"And we Among these people here, there are some people who were unknown before, but suddenly become powerful, and they can devour art."

After Zhu Zhishan said, everyone was shocked and wanted to know who among them was. This kind of people.

After all, Kai's details are not known to everyone.

"Lord Zhu, who are you talking about? Are there evil cultivators among us?"

Someone asked Zhu Zhishan.

Zhu Zhishan took out Kai's detailed information: "Everyone can look at these materials, and they will naturally understand..."

Everyone looked at Kai's information and looked at Kai in shock. .

At this moment, Kai looked very calm when facing the eyes of everyone.

Because he knew that he was not possessed by an evil spirit at all, let alone an evil cultivator.

"Everyone must know that this person is Kai. He has reached the realm of Marquis in just a few months. How can there be such a talented person in the world?"

Zhu Zhishan looked at Kai coldly, and then said.

"I'm just talented. Are you envious, jealous? If you have the ability, you can improve your strength in a few months?"

"If you don't have the ability, you can say that others can't do it. I really don't know how your mother taught you..."

Kai said to Zhu Zhishan with a playful look on his face.

"You bastard, you..." When

Zhu Zhishan heard this, he was furious.

However, in the presence of Mr. Shi, Zhu Zhishan could only suppress his anger and did not vent it.

"Even if you have a good talent, how can you explain the swallowing technique? Don't think that when you devour other people's skills, no one finds out..."

Zhu Zhishan asked Kai.

"Why should I explain it to you? Apart from evil cultivators, there are many exercises that can devour other people's skills, but you can't!"

Kai glanced at Zhu Zhishan and said.

"Hmph, you are just arguing, you are clearly an evil spirit infiltrating your body. Since you came to Kyoto, our entire Kyoto martial arts world has become a mess. Today we are going to remove your evil cultivator for the Kyoto martial arts world..."

Dong Liqun, who was behind Kai, was shocked and embarrassed: “Mr. Chen, you...”

Dong Liqun didn't know if Kai was a cultist.

Kai looked back at Dong Liqun and smiled slightly: “Do you believe that I am an evil cultivator?”

Dong Liqun looked at Kai for a moment speechless, while Dong Jiahao on the side said: “I believe Brother Kai, he will definitely not be an evil cultivator, even if he is. Evil cultivators are also a hundred times stronger than those guys who are famous and sane!”

Dong Jiahao's words deeply stung many people. In the current martial arts world, where is there any distinction between good and evil, some well-known and decent, for the sake of profit and strength, do it The things are worse than evil repair.

The atmosphere at the scene became tense. The tense heartbeats and even breathing of dozens of people were very clear in the quiet and treacherous atmosphere.

“He's not an evil cultivator...”

At this moment, Mr. Shi suddenly spoke up.

Mr. Shi's words prove that Kai directly took off the hat of evil cultivator that Zhu Zhishan had buckled.

“Mr. Shi, how does Kai prove that he is not an evil cultivator?”

Zhu Zhishan dared to ask Mr. Shi.

“Because in front of me, no evil spirit can escape my eyes...”

Chen Pingping felt very comfortable instantly, like soaking in a hot spring.

This group of white light surrounded Kai, constantly surrounded, and finally slowly dissipated.

Seeing this scene, everyone couldn't help but marvel, because they could be sure that Kai was not possessed by evil spirits.

And that Zhu Zhishan sat down on the chair.

From this point of view, Kai is really not possessed by evil spirits, because they have all seen Mr. Shi's methods. If it is really possessed by evil spirits, it will definitely act under this soft light.

But since Kai is not possessed by evil spirits, how could his strength increase so rapidly?

Zhu Zhishan couldn't figure it out, and he couldn't understand it, but Long Jingguo, who was sitting on the side, kept silent and looked at Kai with great interest.

Kai's physique and the exercises Kai practiced were exactly what he wanted.

"Okay, that's it for today, you all pay more attention. If you find the whereabouts of the man in black, report it immediately!"

Mr. Shi waved his hand, and the biggest meeting in history ended so quickly.

Many aristocratic sects have a dazed expression on their faces.

They didn't understand that if Mr. Shi was only talking about the men in black, he could have issued a notice, so why bother calling them all together?

Now this meeting is over so quickly?

Although everyone was stunned, no one dared to question Mr. Shi, so they could only get up and leave. On the other hand, Zhu Zhishan's face changed and changed again. He finally gritted his teeth and looked at Mr. Shi and said, "Mr. Shi, when Kai killed people

Zhu Zhishan wanted to challenge Mr. Shi, and looked at him in surprise.

And Zhu Zhishan himself knows that now he can only do this, otherwise his life will be lost!

Mr. Shi looked at Zhu Zhishan coldly, and then said: “How can I explain it to you? You also want to do it in this venue?”

Looking at Mr. Shi’s cold eyes, Zhu Zhishan hurriedly lowered his head: “Don’t dare!”

“Hmph, if you don’t dare, then get out!”

Mr. Shi snorted coldly: “I said I would deal with it, so I will definitely deal with it...”

Zhu Zhishan shivered, then glared at Kai fiercely. At a glance, he hurriedly took the people from the Martial Dao Alliance and left the Dharma Protector Pavilion!

After Zhu Zhishan led the people away, Mr. Shi looked at Kai and said with a cold face: “Kai, you are too courageous, you dare to kill people at the venue?”

“Do you think I dare not do anything to you? Do you still think you’re amazing?”

Mr. Shi’s aura emanated from his body, causing Dong Liqun and Dong Jiahao behind Kai to tremble, while Kai didn’t change his face.

“Mr. Shi, isn’t this what you want to see?”

Kai said with a smile.

Mr. Shi was stunned for a moment, and looked at Kai: “What do you mean?”

“Mr. Shi didn’t come and left me for so long, didn’t he just want me to mess up the venue?”

As the level got higher and higher, Kai found that he needed more and more spiritual energy, and it became slow and difficult to improve his strength.

Fortunately, Su Yuqi was not in danger, and Kai still had time to improve his strength.

Kai left the capital and headed to the south, while the Martial Arts Alliance searched for Kai in a large area and could not find it!

Zhu Zhishan knew that if he could not find Kai and let Kai escape, he would be out of luck.

Those high-level officials in the Martial Arts Alliance, as well as the great power, will not let him go.

"Trash, it's all fucking trash..."

Zhu Zhishan's face was ashen, and he shouted hard.

After venting, Zhu Zhishan knew that he was angry, and he had to find Kai as soon as possible, and then kill him, otherwise his life would be lost.

He took out the token from his pocket, Zhu Zhishan glanced at it, then put it back, and then walked out of the Martial Arts Alliance and went to a slum in the suburbs of Kyoto!

These are all places where some migrant workers live. They are all low-rise houses, the environment is not good, and there is an unpleasant smell everywhere.

On the streets here, many of them are small traders. Seeing the well-dressed appearance of Zhu Zhishan, they greeted Zhu Zhishan one after another.

It's just that Zhu Zhishan's face was cold, he didn't even look at it, and went straight to the end of a hutong!

This is a broken house, and it is difficult to even shelter the house from the wind and rain.

In the house, a dirty old man was smoking a dry cigarette, resting his eyes slightly closed!

Chapter 1336

Zhu Zhishan pushed the door and walked in, and the old man opened his eyes instantly. After seeing Zhu Zhishan, he instantly showed a flattering smile.

"This gentleman, are you going to tell fortune? Please sit down!" The

old man got up, hurriedly wiped the stool with his sleeve, and asked Zhu Zhishan to sit down.

In his opinion, Zhu Zhishan is well-dressed and a big client!

"I'm not dead!" Zhu Zhishan shook his head.

The old man was stunned for a moment, and then asked suspiciously: "Sir, I am here to tell fortunes, you are not fortune-telling, what are you doing here?"

"I came to find you to draw talismans."

Zhu Zhishan said bluntly.

"Drawing talismans?" The old man was stunned for a moment, then his face changed and said: "I am an old fortune-teller, how can I draw talismans, no, no..." The

old man waved his hands repeatedly and sat back again.

Zhu Zhishan didn't say anything, but took out the token and slapped it on the table with a snap.

Seeing the token, the old man's face instantly turned ugly.

"Hu Mazi, if I can find this place, it proves that I know your identity. Don't give me sloppy eyes and draw two tracers, and I will pretend that I don't know anything!"

Zhu Zhishan said coldly to the old man.

The old man looked at Zhu Zhishan, then at the token on the table, and finally sighed helplessly.

Immediately afterwards, the old man lifted the torn quilt on the bed, took out the yellow paper and cinnabar from below, took a deep breath, and quickly began to draw.

Soon, the two tracers were drawn, and the old man's forehead was covered in sweat.

Zhu Zhishan picked up the tracker and put it away with satisfaction.

"This tracking talisman needs..."

"You don't need to say it, I will use it!" Before the old man could finish speaking, Zhu Zhishan interrupted him directly, and then continued: "You stay here honestly, maybe It won't be long before I use you!"

After Zhu Zhishan finished speaking, he turned around and left the broken house.

After Zhu Zhishan left, the old man pondered for a moment, then took off his dirty clothes. Under the dirty clothes, there was a tight suit, and then he slapped his face and put the human skin he was wearing on. The mask was lifted.

Under the human skin mask, there is a face covered with pockmarks, but judging from the appearance, the pockmarks are not very old.

After tidying up casually, Hu Mazi also left directly.

.....

At the entrance of the Dharma Protector Pavilion, Zhu Zhishan brought a few people from the Martial Dao Alliance here, because the place just went through a big battle, and there was a mess everywhere, and there was no time to clean it up!

Zhu Zhishan took out a tracking talisman, and then pinched it in his hand as if he was thinking something, and then the tracking talisman suddenly burned in Zhu Zhishan's hand.

The tracking talisman burned, and a large amount of smoke was instantly produced. Soon a surprising scene appeared. I saw Kai's figure appearing in the smoke, and even the surrounding scenery could be seen clearly!

"Hmph, I didn't expect to run so fast, this time I'll see where you're escaping..."

Zhu Zhishan snorted coldly, and then led someone to chase in the direction of Kai's escape.

While chasing Kai, Zhu Zhishan also posted a message on the forum in the name of the Kyoto Martial Arts Alliance!

The leader of the Kyoto Martial Arts Alliance, Zhu Zhishan, wanted to personally hunt down Kai, and no sect family could provide any help to Kai, otherwise he would be the enemy of the Kyoto Martial Arts Alliance.

Such a news shocked many people. Although Kai often has news about him on the forum during this time, it is the first time that such a martial arts alliance has personally released news!

Even Kai killed Guo Wei, the director of the Martial Arts Alliance, and the Kyoto Martial Arts Alliance did not dare to publicly say on the forum that they wanted to hunt down Kai.

The disclosure this time also means that there is nothing behind Kai that makes the Kyoto Martial Arts Alliance jealous.

"Who knows, maybe Mr. Shi doesn't care about him, this time Kai can't escape."

"Wait . Let's watch a good show, the Kyoto Martial Arts Alliance has released news, I don't think any sect family dares to take in that Kai!"

..... Kai

is constantly being discussed on the forum, but at this time Kai is not at all. Know.

After he escaped from the capital, he went all the way to the south and went straight to the Red Lotus Palace.

But what Kai didn't know was that there was a person who was extremely fast and was heading towards the Red Lotus Palace. He seemed to have arrived earlier than Kai.

Kai was on the road, and he always cared about Su Yuqi in his heart. In this world where strength is respected, Kai always felt that his strength was growing too slowly.

Although in the eyes of others, Kai's growth rate has long been against the sky, but Kai himself is not satisfied.

And this time, Kai also clearly realized that the martial arts world is unfathomable!

Whether it is a sect family or a martial arts alliance, it seems that behind these people or these families, there are invisible big hands controlling everything.

Kai found a big tree and rested, looking at the vast sky in the sky, Kai personally fell into infinite reverie.

"If I really become an immortal, will I be able to go directly to the Heavenly Palace?"

But just when Kai was thinking about it, suddenly several tyrannical breaths were constantly approaching Kai!

Kai sensed it instantly, and his face changed slightly.

The strength of these breaths is above Marquis Wu, which makes Kai feel the pressure.

"How did these guys from the Martial Arts Alliance find me so quickly?"

Kai was puzzled. He had already escaped so far, how could the people from the Martial Arts Alliance find him.

Before he could think about it, Kai immediately got up and left quickly.

Not long after Kai left, Zhu Zhishan led someone to chase him here.

Zhu Zhishan stood at the place where Kai rested, and looked at the big tree that Kai was leaning against just now.

"Hmph, this guy runs very fast, today I'm going to play a cat-and-mouse game and play tricks on him..."

Zhu Zhishan snorted coldly, and then led people to continue chasing in the direction of Kai's escape.

Kai fled forward with all his strength, thinking constantly in his mind, how did these guys in the Martial Arts Alliance find themselves.

If it was chased by breath, it was obviously impossible. Kai had already escaped so far, how could he still be detected by breath?

At this moment, Kai felt those tyrannical breaths again.

"So fast?"

Kai frowned and stepped up.

If it wasn't for the limited use of the Qiankun Circle and it could not be used frequently, Kai would have used the Qiankun Circle to escape again.

Zhu Zhishan and the others were chasing after him closely, not daring to relax in the slightest. Zhu Zhishan knew that this time Kai did not die, but he died!

"Damn, these people are too perverted. They've chased them so far, and they're still chasing them..."

Kai couldn't understand why the Martial Arts Alliance didn't seem to give up this time if they didn't catch up with him.

Kai hid the breath of his body so as not to be noticed by others, and then scattered his consciousness around to check whether there was any danger around him.

Finding that no one was blocking in front, Kai quickly changed direction. This time there was no breath, and he was relieved. Kai did not believe that these people could catch up with him.

Zhu Zhishan chased after Kai's change of direction, stopped suddenly, and then frowned slightly, as if he was sensing something, but after a while, Zhu Zhishan frowned!

"Damn, this kid has hidden his breath..."

Zhu Zhishan cursed and could only take out the tracer again.

Chapter 1338

As the tracking talisman burned in Zhu Zhishan's hand, Kai's whereabouts appeared again.

Seeing that Kai had changed his direction, Zhu Zhishan smiled coldly: "I'm still playing this shit with me, don't even think about

taking out my palm today..." After that, Zhu Zhishan led someone towards Chen again. Ping chase.

After running a distance, Kai began to sit down to recover his strength. He felt that the people from the Martial Arts Alliance should not be able to catch up this time.

But not long after Kai sat down, a few familiar breaths struck again, which made Kai suddenly violent.

"Damn, it's not over..."

Kai just got up, and four figures surrounded Kai.

Zhu Zhishan looked at Kai coldly: "You kid can escape, but no matter how much you can escape, you can't escape from my palm."

"I run away from your mother, I just don't want to play with you. , do you think I'm afraid of you guys from the Martial Arts Alliance?"

"A bunch of sanctimonious guys, colluding with evil cultivators, you are also worthy of being the leader of the Martial Arts Alliance?"

"Just like you, your parents have spirits in the sky, and they will also help you. Shameful panic!"

Kai was chased all the way, and he was so angry that he simply poured his anger on Zhu Zhishan.

Zhu Zhishan was stunned by Kai's scolding.

He had never encountered such a thing.

You must know that Kai is also a Marquis now. How can a master of this strength be like a shrew? Seeing Zhu Zhishan's

dazed appearance, Kai said again: "Quick, let your mother do it, I'm not afraid of you, you guys go up together!"

, even the guy from the rushing martial arts alliance he brought, felt the murderous aura on Zhu Zhishan, and couldn't help but tremble with fear.

"Boy, if I don't tear you to pieces today, I won't be the leader of the alliance..."

Zhu Zhishan roared, and the terrifying aura on his body exploded.

Kai's body is also golden, and the golden scales cover Kai's body.

Before Zhu Zhishan could react, Kai shot directly at Zhu Zhishan.

Zhu Zhishan's eyes narrowed slightly, and he pushed his palm forward, and a white light suddenly condensed in front of him.

This white light is a barrier, blocking Zhu Zhishan.

Kai slammed the punch, and the barrier in front of Zhu Zhishan shattered, and Zhu Zhishan grabbed Kai's fist as soon as Kai's punch was released.

Kai was slightly startled, although the barrier just now made Kai's punch release a lot of energy, but even so, the power of this punch can crack mountains and rocks.

However, Zhu Zhishan was able to directly grab Kai's fist with one hand, so that Kai could not move forward at all. This strength is not comparable to ordinary Wuhou.

The strength of Zhu Zhishan is much stronger than that of Ning Dahai, and Zhu Zhishan also brought a few subordinates. Kai knew that it was almost impossible for him to win today. He could only search and almost continue to escape. Just do it.

"Hmph, things that are beyond your control, show off in front of me, you are still a little tender..."

After Zhu Zhishan finished speaking, the other palm instantly slapped Kai's chest!

Bang.....

Kai's body was shot and flew out in an instant. After hitting many trees in a row, Kai's body stopped.

This palm caused a lot of scales on Kai's chest to fall off, revealing his firm muscles!

Kai didn't care about those, but gritted his teeth and charged towards Zhu Zhishan again.

Seeing Kai's desperate attitude, Zhu Zhishan not only did not dodge, but looked at Kai with a sneer.

"Let me see how strong your body is..."

After Zhu Zhishan finished speaking, the aura on his body also began to soar, and then the whole person turned into a ray of light and rammed towards Kai.

Only then did Kai understand. It turned out that the mountain of Zhuzhi just now relied on the power of the magic weapon to follow him head-on.

"You cheat..."

Kai's eyes narrowed slightly, and he looked at Zhu Zhishan with gritted teeth.

"Cheat?" Zhu Zhishan's mouth twitched: "Hahaha, I didn't promise you anything, why did I cheat?"

"If you have the ability, you can also take out your magic weapon, but today you don't care if you take it. Whatever comes out, must die..."

Zhu Zhishan has made up his mind, he must kill Kai, if Kai does not die, he will die.

After Zhu Zhishan finished speaking, the terrifying fist force bombarded Kai again.

Kai is now seriously injured, and Zhu Zhishan has completely ignored Kai.

Seeing this, Kai suddenly stretched out his hand and took out the Dragon Slaying Sword, and then put the Dragon Slaying Sword across his chest.

Dang.....

With a crisp sound, Kai's body quickly retreated, and two deep marks were drawn on the ground under his feet!

And Zhu Zhishan's wrist was numb, and he looked coldly at the Dragon Slaying Sword in Kai's hand.

Kai stabilized his body, and his forehead was covered in cold sweat. Fortunately, he hurriedly took out the Dragon Slaying Sword to block it for himself. Otherwise, if Zhu Zhishan's punch just hit him, even if he didn't die, it would be his five internal organs. The six internal organs will also be injured!

"Hmph, no matter what you take out, you won't be able to save your life..."

The breath in Zhu Zhishan's body soared, and then charged towards Kai.

Looking at Zhu Zhishan rushing over, Kai didn't dodge or dodge, and seemed to be thinking about something.

Just when Zhu Zhishan was in front of him, Kai suddenly put away the Dragon Slaying Sword, and then hung his chest in front of Zhu Zhishan.

Zhu Zhishan didn't know what Kai meant, but he didn't stop, instead he punched Kai's chest fiercely.

Kai spurted out a mouthful of blood, his internal organs were almost shattered, and then his body flew away like a kite with a broken string.

When he was in the air, Kai gritted his teeth, suddenly raised the spiritual power in his dantian, and then stared at the tree with his feet and rushed into the distance!

Kai was injured and escaped with the help of Zhu Zhishan's power.

Seeing Kai jumping up to escape, Zhu Zhishan did not panic, but a playful smile appeared on the corner of his mouth!

Kai turned his head to look and found that Zhu Zhishan was looking at him, but not chasing him, which made Kai very puzzled.

But just when Kai was wondering, suddenly his body seemed to hit something and fell straight to the ground.

Kai looked intently, and found that he didn't know when, the guys brought by Zhu Zhishan had already set up a net all around, and Kai just fell off after hitting the light curtain.

Seeing Kai's embarrassed appearance after he fell, Zhu Zhishan laughed out loud.

"Hahaha, you didn't expect you to have today, right? I said it, you can't escape today."

"Any last words, I can pass on to your girlfriend for you."

"When your girlfriend is useless, I can let her go underground to accompany you!"

Zhu Zhishan looked at Kai mockingly. In his opinion, Kai is now a piece of meat being slaughtered on the chopping board, and he cannot escape. .

Chapter 1340

Hearing that Zhu Zhishan mentioned Su Yuqi, Kai's face turned red with anger!

"Today, I fought with you..."

After Kai finished speaking, he took a deep breath, and the golden light in his body continued to burst out.

Kai's wounds healed at a speed visible to the naked eye, and then a dazzling light flashed on his chest!

Kai raised his hand slowly, and a golden dragon appeared and began to hover above Kai's head.

"Holy Light Fist..."

Kai shouted loudly, followed by a dragon roar from the golden dragon, and then went straight towards Zhuzhi Mountain.

Facing the golden dragon, Zhu Zhishan had no fear, and threw out a punch, which directly dissipated the golden dragon and disappeared without a trace.

Immediately after Zhu Zhishan strode forward, his face was gloomy: "I won't play with you, let's die..."

Kai's expression changed, he didn't dare to be slighted, and hurriedly threw a punch!

A loud noise came out, and Zhu Zhishan condensed all his energy into one place, and he planned to finish Kai with one punch.

Kai's arm made a crisp sound, and his whole body flew out, but in mid-air, as if he had hit something, he instantly fell to the ground.

Kai's arm was broken, and the aura in his body began to wander around, messy, and mouthfuls of blood kept gushing out.

Now Kai's eyes have become a little blurry, and his mind is not clear.

"No, I can't die, I can't die..."

Kai suddenly bit the tip of his tongue, and then his brain instantly woke up.

Kai stood up with difficulty, and Zhu Zhishan couldn't help being a little surprised when he saw that Kai was still able to stand up!

Kai looked at Zhu Zhishan coldly, and then said lightly: "It seems that I can only perish with you..."

After Kai finished speaking, he slowly closed his eyes and said something in his mouth.

Soon, Chen Pingyuan's sluggish atmosphere began to soar.

And the golden light that has dimmed in Kai's body has also begun to become extremely dazzling!

"It actually burns blood essence?"

Zhu Zhishan saw that Kai was struggling to the death, burning his blood essence.

Immediately afterwards, Kai slowly raised his palm, and the golden light on his body came out one after another, condensing into a ball of light on Kai's palm.

This ball of light emits hot air waves, and the air waves rippling around, and the surrounding trees seem to have been drained of water in an instant, and they will wither in one fell swoop.

When Zhu Zhishan saw this scene, his brows could not help wrinkling, and he also felt a hint of danger at this moment.

He did not expect that Kai, who was struggling to the death, could still display such strength.

Zhu Zhishan's breath also exploded to the extreme, and then he looked at Kai with a solemn expression.

Both parties knew that this was the final blow, so they did their best.

The ball of light grew bigger and bigger in Kai's hand, and finally the dazzling light seemed to engulf everyone.

Then Kai suddenly opened his eyes, and after shouting angrily, he smashed the ball of light hard towards Zhu Zhishan.

The billowing waves seemed to dry everyone, and the surrounding celestial net became fragmented and disappeared at this moment.

And Zhu Zhishan is surrounded by a layer of faint purple light, protecting the whole person.

boom!

The ball of light exploded, and the dazzling light made everyone unable to open their eyes, like a bomb exploding, and the hot air wave overturned everyone.

Slowly, the air wave disappeared, and a huge deep pit appeared on the ground. The purple Chinese shield on Zhu Zhishan was shattered at that moment, and the whole person was also knocked out.
