A man like none other and the man decree (chinese) Chapter 1341-1342

Chapter 1341 Rebirth _

The veins on Zhu Zhishan's forehead burst out. He didn't expect Kai's last blow to be so powerful.

When Zhu Zhishan slowly looked not far away, he found that Chen Pingping was lying on the ground alone, and he was motionless.

Walking over slowly, Zhu Zhishan found that Kai had lost his breath, and his entire body was scarred!

"Damn, this kid is so ruthless that he wants to die together in

the end!" Zhu Zhishan cursed while looking at Kai's body.

However, since Kai was dead, Zhu Zhishan breathed a sigh of relief, and he could also explain it to the top.

Just when Zhu Zhishan turned around and was about to leave, he suddenly stopped, and he seemed to think of something.

Then he slowly walked to Kai again, slowly raised his foot, and stomped hard on Kai's chest.

A big hole appeared in Kai's chest instantly, and his internal organs were clearly visible!

Seeing this, Zhu Zhishan was convinced that Kai was really dead.

He was afraid that Kai would come back to life. Some time ago, Ning Dahai killed Kai and took pictures, but Kai came back to life.

Zhu Zhishan was also afraid that Kai would come back to life after he left, so he stepped on it.

Seeing that everyone is like this, even if Daluo Jinxian came, it would be impossible to save him, so Zhu Zhishan left with peace of mind!

On the martial arts forum, the news that Kai was killed once again came out!

The last time was released by Ning Dahai, and this time it was from the Martial Arts Alliance.

"This Kai has died twice, and I don't know if he really died this time..."

"This time, it's the news released by the Martial Arts Alliance. I wish the alliance leader's own hands, it won't be bad..."

"This Kai is too crazy, but he wants to provoke the Martial Arts Alliance. Isn't this courting death?"

"Mr. Shi will not support Kai, he will be killed immediately, this is the reality..."

.....

There was a lot of discussion on the martial arts forum, but this time most of them chose to believe in the martial arts alliance.

After all, Zhu Zhishan went out in person, and Kai's chances of survival were very low.

Once again, hearing the news of Kai's death, whether it was the Valley of the Evil and the Valley of the Medicine God, they all fell into great grief.

Even Ji Ruxue and Xiaomin from the Red Lotus Palace seemed to be lost for a moment. They couldn't believe it. Kai was separated from them by yin and yang. Kai had promised them that he would definitely come back to see them.

At this time, Kai was lying in the barren hills and woods. It was already the third day, and the scene was still very bloody.

Several eagles hovered overhead, and their eyes fell on several corpses on the ground.

After finding that there was no danger, several eagles plunged down.

Then he nibbled on the corpses of several members of the Martial Arts Alliance.

And there was an eagle slowly walking towards Kai, looking at the blood hole in Kai's chest and the exposed internal organs, the eagle was about to peck it down when it opened its mouth.

But at this moment, a white light suddenly flashed in Kai's body. This sudden white light scared the eagle and fled in an instant.

I saw Kai's body, the palm-sized Nascent Soul was flashing white light, and a blood hole could be clearly seen on Nascent's chest.

The white light wrapped Yuan Ying, and finally wrapped Kai's entire body.

The wound on Kai's body was healing at a speed visible to the naked eye, and even the damaged internal organs were growing again.

I don't know how long it took, Kai's hand suddenly moved, and then he slowly opened his eyes.

Looking at the dim sky, Kai let out a heavy sigh.

After struggling to get up, Kai looked at his intact body and finally showed a smile!

He has never experienced physical rebirth. When Kai chose to die with Zhu Zhishan, he was afraid that he would really die.

After all, Yuan Ying's immortality is immortal. This is also a legend. Whether it is true or not, Kai has not tested it.

But this time, Kai felt confident.

Kai looked around and found that there were only three corpses of the members of the Martial Arts Alliance, and he didn't see Zhu Zhishan. It seemed that Zhu Zhishan was not dead.

"This old thing is really strong..."

Kai cursed, and then rushed towards the Red Lotus Palace.

..... The

southwest frontier, Wancheng!

Although this small town is not big, it is an important border town, and the mountains and forests here are dense, and there are countless major sects and families!

Since Kai killed Fei Qingping, the master of the Holy Beast Palace, the Holy Beast Palace fell directly from the position of the largest sect in the south to the altar!

Xiao Da took over the Holy Beast Palace, but it will take a lot of time to restore the strength of the Holy Beast Palace in a short time.

On this day, Xiao Da was dealing with the affairs of the Holy Beast Palace, and a disciple of the Holy Beast Palace rushed to report!

"Palace Master, Zhou Tiancheng of the Zhou family of Wancheng asks to see you..." the disciple said.

"Zhou Tiancheng? What is he doing in our Holy Beast Palace?"

Xiao Da was very surprised. After all, the Holy Beast Palace had no contact with the Zhou family, and the Zhou family had always called themselves the largest wealthy family in the south. Not right.

The sudden visit of the Zhou family today made Xiao Da always have a bad feeling in his heart!

"Palace Master, what should we do?"

Seeing Xiao Da frowning and not speaking, the disciple asked.

"Please come in!"

Xiao Da said.

Xiao Da has just taken over the Holy Beast Palace, and many of the former disciples have scattered, and now the Holy Beast Palace has long lost its previous strength.

So he decided not to offend the Zhou family, or else the Holy Beast Palace would have no place here.

Soon, a middle-aged man was invited in, and there were two followers behind him!

Seeing this, Xiao Da hurriedly got up to greet him.

"Why do you have time to come to my Holy Beast Palace on Tuesday?"

Xiao Da asked very humbly.

"Palace Master Xiao, you took over the Holy Beast Palace, and our Zhou family should have come to congratulate you, but I was too busy some time ago, so I just made time!"

Zhou Tiancheng said with a faint smile.

"You're welcome on Tuesday, please sit down..."

Xiao Da hurriedly asked Zhou Tiancheng to sit down, and then ordered someone to pour tea for Zhou Tiancheng!

After the two chatted for a while, Zhou Tiancheng went straight to the topic: "Palace Master Xiao, I heard that your Holy Beast Palace and the Red Lotus Palace have formed an alliance?"

Xiao Da nodded and said, "Yes, an alliance. It 's..."

"It's good to form an alliance, it's good to form an alliance!" Zhou Tiancheng smiled lightly: "I have always admired the Princess Ji of the Red Lotus Palace, but I didn't have the chance to see it. I'm here today because I want to introduce Palace Lord Xiao. "

Of course I can't let Palace Master Xiao work in vain, as long as you can connect me and Palace Master Ji, my Zhou family is willing to offer hundreds of Gathering Pills!

" Look at Xiao Da.

And Xiao Da's eyes lit up instantly after hearing the Hundred Gathering Pills, but he also knew what Zhou Tiancheng's purpose was to see Ji Ruxue this week.

This week, Zhou Tiancheng was a well-known big pervert in the entire Wancheng and even the entire southwest. Now Zhou Tiancheng has more than a dozen wives, and he is still not satisfied.

Now if he introduced Ji Ruxue to Zhou Tiancheng, it would be like pushing Ji Ruxue into the mouth of the wolf.

But in the face of hundreds of cohesive pills, Xiao Da was also tempted, so he was a little hesitant!

"Palace Master Xiao, I know what you are hesitating about. Are you afraid of Kai? But let me tell you, Kai was already dead and was killed by the Zhu Alliance Master of the Kyoto Martial Arts Alliance."

A man like none other and the man decree (chinese) Chapter 1343-1344

Chapter 1343

Things like Kai's killing of Fei Qingping are a big deal in this southwest, and it is impossible to hide from others.

Zhou Tiancheng made a little inquiries, and he knew the ins and outs of it!

"Master Tuesday, of course I'm happy to serve Master Tuesday, but you know, Master Tuesday, that Ji Ruxue will definitely not give in, so I'm afraid..."

Xiao Da was afraid that Ji Ruxue would act too radically Behavior, if the fish die and the net is broken, it will be troublesome if they die together.

"Palace Master Xiao, you just need to trick that Ji Ruxue into your Holy Beast Palace, and I will handle the rest myself."

Zhou Tiancheng said lightly.

Xiao Da looked at Zhou Tiancheng like that and knew that he would not give up until he achieved his goals, so he gritted his teeth and said, "Okay, then I will invite that Ji Ruxue to Lord Tuesday..."

Red Lotus Palace.

Ji Ruxue and Xiaomin have not thought about tea and rice for several days.

"Sister, did Brother Chen really get killed by the Martial Arts Alliance? I never believed that the Martial Arts Alliance would release fake news?"

Xiaomin couldn't believe that Kai died like this.

Ji Ruxue did not speak, because she knew that the Kyoto Martial Arts Alliance would not generally release fake news.

But one thing, Ji Ruxue didn't quite believe that Kai died so easily.

Ji Ruxue now still remembers that night, the night she thought Kai died.

Kai's vision of heaven and earth when he broke through proves that Kai is fundamentally different from ordinary warriors. Maybe this time Kai died, and he will come back to life like the last time!

"Palace Master, the Holy Beast Palace is here!"

At this moment, a disciple of the Red Lotus Palace said to Ji Ruxue.

Hearing that the Holy Beast Palace was coming, Ji Ruxue hurriedly sorted out her emotions, and then said: "Let the people from the Holy Beast Palace come in!"

Soon, the people from the Holy Beast Palace walked in, and then said to Ji Ruxue: "Ji Palace Master, our Palace Master wants to invite Ji Palace Master to our Holy Beast Palace, saying that there is something important to discuss!"

When Ji Ruxue heard this, she nodded and said, "Okay, I understand, I will report back to your palace master, I will be there soon!"

After the people from the Holy Beast Palace left, Ji Ruxue also began to prepare to go to the Holy Beast Palace. .

"Sister, shall I go with you too?"

Xiaomin said to Ji Ruxue.

"You stay at home, remember to take good care of the cave in the back mountain, no one is allowed to enter!"

Ji Ruxue looked at the direction of the capital, and then continued: "I always think that Mr. Chen will come... "

Sister, do you also feel that Brother Chen is not dead?"

Seeing Ji Ruxue say this, Xiaomin asked happily.

Ji Ruxue didn't say anything, no matter whether Kai died or not, he will always live in Ji Ruxue's heart.

Ji Ruxue knew that from now on, she would not be tempted by any man.

Ji Ruxue rushed to the Holy Beast Palace, and at this moment, Zhou Tiancheng took out a small glass bottle from his arms, then dripped a few drops of liquid from it, and gently stirred a few times in the teacup.

Xiao Da watched and said nothing.

In the past, he saw Fei Qingping doing all kinds of evil, and he was disgusted and conflicted in his heart, so when Fei Qingping was fighting with Kai, he shot and killed Fei Qingping and became the palace master of the Holy Beast Palace.

But now, the dragon slayer has finally become a dragon, and he himself has become a person like Fei Qingping, but there is no way, his position is different, so his perception is also different!

"Palace Master Xiao, I'll see you in a while. As long as Ji Ruxue drinks this cup of tea, she will obey obediently..."

Zhou Tiancheng said to Xiao Da.

Chapter 1344

"Master Tuesday, don't worry, I know what to do, but the Gathering Pill promised by Master Tuesday..."

"Palace Master Xiao, don't worry, when will the things I promised Zhou Tiancheng not count? Li Dan, for my Zhou family, it's nothing."

Before Xiao Da could finish speaking, Zhou Tiancheng patted his chest and assured.

Xiao Da smiled with satisfaction, then Jing Jing waited for Ji Ruxue's arrival.

Soon, Ji Ruxue rushed to the Holy Beast Palace with two disciples. Because she had formed an alliance with the Holy Beast Palace, and Ji Ruxue had been to the Holy Beast Palace more than once, Ji Ruxue did not bring many people this time.

Seeing that Ji Ruxue had arrived, Zhou Tiancheng took people to hide in the back of the hall, looking at Ji Ruxue through the gap.

"Palace Ji, I'm really sorry for letting you run here in person..."

"Palace Master Xiao is very polite, is there something important to send someone to call me in such a hurry?"

Ji Ruxue asked Xiao Da.

"Palace Ji, sit first, let's chat while drinking, I specially prepared a good tea..."

Xiao Da sat in a gesture of invitation.

Ji Ruxue sat on the chair without any precautions, but did not drink tea, but asked again: "Palace Master Xiao, you should talk about what is important first!"

Ji Ruxue was in a hurry and wanted to know that Xiao Da was in such a hurry to find himself, what was the reason for that?

"Palace Ji, do you know Zhou Tiancheng of the Zhou family in Wancheng?"

Xiao Da asked Ji Ruxue.

Ji Ruxue nodded: "I know, isn't that the big pervert? There are more than a dozen wives who are very famous in this area, what's wrong?"

"Zhou Tiancheng of the Zhou family found me and wanted me to take the Ji Palace. The Lord recommended it to him, and it seems that he likes Palace Lord Ji, but our two families are allies, how could I do that, so I rejected him!"

"But you also know the current strength of the Zhou family. If the Zhou family wants to deal with my Holy Beast Palace, we will only be beaten, so I think..."

Before Xiao Da could finish speaking, Ji Ruxue said gratefully: "Palace Master Xiao, don't talk about it, since the two of us are allied, we will

live and die together. If the Zhou family dares to attack the Holy Beast Palace, then my Red Lotus Palace will definitely be dispatched." I will let the Holy Beast Palace face the Zhou family alone!"

Ji Ruxue is very grateful to Xiao Da at this moment, and also very moved. If Xiao Da can offend the Zhou family for her, then her Red Lotus Palace can't helplessly watch the holy beast. The palace is in trouble.

"Okay, I'm relieved to hear what Palace Master Ji said!"

Xiao Da looked happy, and then picked up the teacup: "Palace Ji, we two will use tea instead of wine, and we will drink together to express our two families. Common determination!"

Ji Ruxue did not doubt that he had him, picked up the teacup, and followed Xiao Da to drink it!

Zhou Tiancheng, who had been peeking from behind, saw Ji Ruxue drinking the tea, and a smug smile appeared on his face.

After Ji Ruxue drank the tea, she didn't feel anything different and was still talking with Xiao Da.

But when Zhou Tiancheng came out from behind, Ji Ruxue was instantly stunned.

"Hahaha, it is said that Palace Master Ji is as beautiful as a god. When I see you today, she is many times more beautiful than a goddess."

"If you can sleep with Palace Master Ji, it will be worth dying.

"It's romantic to die and be a ghost..."

Zhou Tiancheng looked at Ji Ruxue squintingly, and slowly approached Ji Ruxue!

Ji Ruxue frowned: "Palace Master Xiao, what's going on?"

"Ji Ruxue, you should still be from Lord Tuesday, I have no choice..."

"Xiao Da, you...you are too shameless..."

Ji Ruxue got up angrily and wanted to slap Xiao Da with her palm.

But as soon as I got up, I found that I had no strength all over my body, and I couldn't raise the energy in my body at all.

This time, Ji Ruxue's atmosphere was even more intense, and her whole body was trembling.

"Palace Master Ji, stop trying to resist, be obedient, and I will treat you well!"

Zhou Tiancheng grinned, reaching out and touching Ji Ruxue's face.

"Palace Master, hurry up..."

At this moment, the two Red Lotus Palace disciples who had been standing behind Ji Ruxue suddenly stabbed their swords towards Zhou Tiancheng.

The two attacked Zhou Tiancheng at the same time, one left and one right.

Seeing this, Zhou Tiancheng snorted coldly, and directly reached out to grab the swords in the hands of the two Red Lotus Palace disciples, and then twisted them hard!

Zhou Tiancheng said to Xiao Da.

"Master Tuesday is polite, then I'll be more respectful than obeying my life. I will send someone to take Master Tuesday back?"

Red Lotus Palace.

Xiaomin led people to guard the back mountain, and not far up was the cave, where Xiaomin did not let anyone enter the cave.

But just not far from them, a black shadow slowly appeared. After taking a look at Xiaomin and the others, he quickly jumped to the top of the back mountain and quickly got into the cave.

The shadow's movements were quick and light, and it didn't make any sound at all, so Xiaomin and the others didn't even know it.

Gradually it got dark, and Xiaomin looked at the time: "Why hasn't my sister come back? Is there anything wrong?"

Xiaomin always felt restless and her eyelids were always beating.

So she arrived at the palace gate and anxiously waited for Ji Ruxue to come back!

Because Ji Ruxue had never stayed out so late, and now she has been out for so long, and she didn't come back, there might be an accident.

After all, many sect families here have ideas about the Red Lotus Palace, and they are even more coveted for Ji Ruxue's beauty.

Seeing this, Xiaomin could only call in people and plan to go to the Holy Beast Palace to find Ji Ruxue. What happened?

But just when Xiaomin led someone out of the Red Lotus Palace, he saw someone slowly walking towards them.

Xiaomin frowned slightly and ordered her to prepare.

Kai was also curious when he saw Xiaomin's hurrying appearance in the evening.

"Xiaomi, what are you taking people to do at night?"

Kai asked Xiaomin.

But Xiaomin didn't answer, but widened her eyes and stared at Kai, making Kai look at him.

"Xiaomi, Xiaomin..."

Kai shouted twice again.

Kai raised his hands and let Xiaomin cry bitterly. After a while, Xiaomin stopped crying.

"Xiaomi, what happened?"

Kai asked when he saw that Xiaomin stopped crying.

"Brother Kai, I knew you weren't dead, I knew you wouldn't die..."

Xiaomin wiped her tears and grinned.

"Who said I was dead?"

Kai looked surprised, because he didn't even know that Zhu Zhishan had released the news of his death in the Martial Arts Alliance.

"The martial arts alliance in Kyoto, it was posted on the martial arts forum, saying that you were killed by the leader of the martial arts alliance,"

Xiaomin explained.

Kai frowned slightly when he heard it. He didn't expect Zhu Zhishan, as the leader of the Kyoto Martial Arts Alliance, to bully the small, kill himself, and have the face to preach on the martial arts forum.

But this is fine. They all think that when he is dead, Kai can practice with peace of mind, and no one is bothering him.

"How could I be killed so easily, you believe what they say?"

Kai smiled and gently stroked Xiaomin's hair.

"Of course I don't believe it, and neither does my sister. She also told me to take a good look at Hushan Cave and said that you will definitely come back."

Xiaomin hurriedly shook her head.

He had to see clearly whether it was Kai first, and if it was Kai, he would have to think of countermeasures.

When he came to the door, Xiao Da secretly looked outside the palace gate, while Kai was standing at the door, frowning slightly. "This Xiao Da, knowing

that he is here, why is there so much ink?" A ray of consciousness spread out, and Kai found Xiao Da who was peeking. This discovery made Kai's head full of confusion. He didn't understand that Xiao Da knew that he was here. Why did he secretly observe himself and not let himself in? Did this kid do something bad? And after Xiao Da confirmed that the door was Kai, his legs were weak and his forehead was full of cold sweat. "Palace Master..." Seeing Xiao Da like that, a disciple called out softly. "You go and invite Mr. Chen in, you must not let him know that I already know that he is here!" Xiao Da explained to the disciple. The disciple nodded and left, while Xiao Da quickly returned to the hall, then took a few deep breaths. Feeling that the time was almost up, Xiao Da got up and walked out quickly, and at this time Kai also happened to enter the hall. "Mr. Chen, I was going to greet you, but I didn't expect you to come in..." Xiao Da followed Kai very politely and said, "Please sit down." Xiao Da poured tea for Kai himself, you know that Kai He has seen Ping's strength with his own eyes. Kai looked at Xiao Da coldly, without blinking his eyes, he saw Xiao Da's heart was shivering, and the cold sweat on his forehead flowed out.

"Mr. Chen, is there something wrong with your sudden visit at night?"

Xiao Da asked Kai in a panic.

"Palace Master Xiao, did Miss Ji come to you today?"

Kai asked Xiao Da.

"Yes, I have something to discuss with Palace Master Ji, but before it got dark, Palace Master Ji had already left, what's wrong? Didn't she go back yet?"

Xiao Da asked, pretending to be a little surprised.

Kai nodded: "She really didn't go back, I don't know what important thing you have to discuss with Miss Ji?"

However, in this area of the southwest, there are so many sect families, it is normal for Kai to not know.

"This Zhou family is the largest wealthy family in Wancheng. In the past, the Zhou family and our Holy Beast Palace did not violate the river water, but now the strength of the Holy Beast Palace has been greatly reduced, so..."

Xiao Da did not continue. , but Kai also understands.

If your strength is not enough, you will naturally be bullied by others.

The martial arts world is so realistic, speak with strength!

"Could it be that Miss Ji was taken away by the Zhou family?"

Kai looked at Xiao Da and asked.

"This... I don't know."

Xiao Da shook his head.

Kai stared at Xiao Da for a while, seeing that Xiao Da was extremely nervous!

Their Holy Beast Palace is not able to deal with Kai now, he wants to see what Zhou Tiancheng will do.

Just as Xiao Da left the Holy Beast Palace and headed towards Wancheng, a figure came out of the darkness, and this figure was Kai.

In fact, Kai did not leave, but was waiting for Xiao Da.

Seeing Xiao Da's hurrying back, Kai's eyes narrowed slightly: "It was as good as I expected..."

Kai followed with a quick stride, but Xiao Da didn't notice it!

"Okay, I get it!"

Zhou Tiancheng said impatiently.

Then he looked at Ji Ruxue lying on the bed, with a reluctant expression: "Palace Ji, please wait for me, I'll be right back!"

Zhou Tiancheng walked out of the room, then came to the hall, and saw Xiao Da was sitting in the hall, so he said with an ugly face: "Palace Master Xiao, you came here at night to disturb my rest, what's the matter?"

Zhou Tiancheng was very angry about Xiao Da's disturbing his good deeds.

"Master Tuesday, then...that Kai is not dead, he is not dead..."

Xiao Da said to Zhou Tiancheng in a little panic.

"If you don't die, you won't die. What's the matter with me? You came here at night to tell me this? Are you sick?"

Zhou Tiancheng glared at Xiao Da and said.

"Master Tuesday, that Kai has a good relationship with the Red Lotus Palace. I'm afraid... afraid..."

"Are you afraid that Kai will come to trouble me, right?" Zhou Tiancheng answered directly before Xiao Da finished speaking. .

"Yes, yes, I was afraid that Kai knew that Ji Ruxue was with you, and he came to trouble you..."

"Humph!" Zhou Tiancheng snorted coldly: "Then Kai came to Zhou's house to ask for trouble, and I won't let him go. What's so great, do you really think my Zhou's house can come casually?"

"Go back, don't delay my business here, it's really a disappointment..."

Zhou Tiancheng was dissatisfied and wanted to drive Xiao Da away, but he hurriedly turned around to go back to his room.

Seeing this, Xiao Da could only sigh helplessly, but just when Xiao Da turned around and was about to leave, he suddenly froze.

Xiao Da didn't know when, Kai was already behind him.

"Xiao Da, you are really talented..."

Kai's eyes narrowed slightly, looking at Xiao Da coldly, every word contained endless killing intent.

Xiao Da looked at Kai like that, trembling all over in fright, and backed away again and again.

Xiao Da trembled and wanted to explain to Kai.

"Why don't you explain, is Miss Ji here? Leave her to me..."

Kai said coldly.

Xiao Da stepped back again and again, and finally looked at Zhou Tiancheng.

Xiao Da could not be the master again, so he could only let Zhou Tiancheng be the master.

"Boy, are you the Kai who was hunted down by the Kyoto Martial Arts Alliance?" Zhou Tiancheng looked at Kai, then continued: "Then Ji Ruxue is on my bed, now she is my person, you If you want to take it away, there's no way..."

When Kai heard that Ji Ruxue was succeeded by Zhou Tiancheng, his aura instantly soared, and the temperature in the entire hall suddenly dropped a lot.

"If you really moved Miss Ji, I'll let your entire Zhou family be buried with you..."

Kai gritted his teeth, his deep eyes filled with chills!

"Let us be buried with the entire Zhou family? What

a joke..." Zhou Tiancheng's mouth twitched, and two people in strong suits rushed out from the back hall.

After Zhou Tiancheng saw these two people, his momentum skyrocketed.

"Zhou Feng, Zhou Yu, you two follow me to kill this ignorant boy..."

Zhou Tiancheng said to the two rushing towards him.

"Yes!" The two nodded.

The three of them stepped forward to face Kai, their breath soaring.

Chen Pingping faced the three people in front of him with disdain in his eyes. Even with such strength, he dared to challenge himself.

Seeing the disdain in Kai's eyes, Zhou Tiancheng felt that he had been humiliated and rushed towards Kai.

"Han Ruquan..."

Long Tiancheng slammed a punch in an instant, and the endless energy was like a cannonball, bombarding Kai.

"Ice Palm..."

At this time, Zhou Feng also shot, a thick layer of frost condensed on the palm of his hand, and the cold air was pressing, and the cold air also shrouded Kai!

At the same time as Zhou Feng shot, Zhou Yu also raised it with one foot, and a ray of light appeared on the tip of his toe, like a sword, tearing the air under his feet.

The three cooperated tacitly and attacked Kai from different directions at the same time, and they arrived in front of Kai almost at the same time.

Seeing this, Xiao Da's expression changed involuntarily.

Seeing the attacks of these three people, he knew that the strength of the Zhou family should not be underestimated!

But at this time, Kai looked at the three with a sneer, as if he was not ready to dodge and fight back.

Just when Xiao Da wondered why Kai didn't fight back, he saw the golden light on Kai's body suddenly!

The undamaged golden body was activated, and layers of golden scales covered Kai's body.

At this moment, Kai was like a golden-armored warrior, fearlessly watching the attack of the three Zhou family.

Boom boom boom...

Three sounds from a distance, three people's accurate bombardment on Kai's body, huge fluctuations in energy, all the objects in the hall turned into powder.

But Kai didn't react in the slightest under the attack of these three people, his expression was normal, and he didn't suffer any damage!

"This...how is this possible?"

Long Tiancheng looked at Kai, his eyes full of horror.

And that Zhou Feng, Zhou Yu also looked at each other, the fear in their eyes is self-evident!

Chapter 1350 What can I do? _

The three attacked at the same time, and they were all killers, but they hit Kai, but Kai was unharmed!

Such a difference in strength can be seen even by ordinary people.

And Kai looked at the shocked three people coldly.

"Tianmang..."

After that, an extremely domineering force suddenly erupted from Kai's body!

This force was centered on Kai, and began to sweep in all directions. The three Zhou Tiancheng in front of Kai were overturned by this huge force without any reaction.

Rumbling...

The entire villa, under the terrifying power of Kai, also began to collapse.

Kai's consciousness spread, and he found Ji Ruxue's room in an instant, and his figure disappeared in a flash!

Soon, Kai appeared in front of Ji Ruxue.

Looking at Kai in front of her, Ji Ruxue was hugged by Kai before she could react.

And the bricks and tiles of the whole villa began to fall.

Kai guarded Ji Ruxue tightly, letting those bricks and stones hit him.

However, these bricks could not cause any harm to Kai at all.

After the smoke cleared, Kai hugged Ji Ruxue and stood proudly among the rubble.

Ji Ruxue hooked Kai's neck tightly, and looked at Kai without blinking.

It can be seen that Ji Ruxue is very excited, very excited...

"Kai, you...are you really not dead?"

Ji Ruxue bit her red lips tightly, and tears kept streaming down.

"I'm fine, how can I die, many people want my life, but unfortunately they can't kill me..."

Kai smiled at Ji Ruxue.

At this time, Zhou Tiancheng, who was overturned, got up with difficulty and wiped the blood from the corner of his mouth.

Seeing Ji Ruxue in Kai's arms, Zhou Tiancheng's eyes were extremely scarlet.

"Zhou Feng, Zhou Yu, we must kill this guy today. He is holding that Ji Ruxue, and he can't handle it at all!"

Zhou Tiancheng said to the two of them.

The two nodded, and then began to gather energy, ready to fight!

"Kai, put me down quickly, leave me alone..."

Ji Ruxue saw that she had become a burden to Kai, and hurriedly asked Kai to put herself down.

But Kai did not let go, but smiled lightly: "These three trash, even if I don't do it, what can they do to me?"

Seeing Kai's words so easily, Ji Ruxue's eyes flashed softly. .

At this moment, Kai has grown a lot taller in Ji Ruxue's heart.

Seeing that Kai looked down on them so much, the anger of the three became even stronger.

I saw Zhou Feng claws at the rubble with both hands, and then clenched his hands.

Soon, the rubble began to splash, and then condensed into a spear several meters long in Zhou Feng's hands.

Then one after another long spears were condensed out, suspended in mid-air, like sharp arrows buckled on the string, ready to lash out at any time.

Zhou Tiancheng also quickly formed the seal, and a terrifying energy exploded, followed by fireballs the size of footballs, with faint rays of light appearing in the air.

That Zhou Yu was not idle either, his anger sank into his dantian, and he moved the magic art. I saw countless fist shadows appear, and each fist shadow was extremely sharp.

Seeing the three people getting ready, Kai raised his mouth: "It turns out that the Zhou family is good at magic, then I will play magic with you..."

After Kai finished speaking, a transparent barrier only saw the He and Ji Ruxue were shrouded in it.

Because he was holding Ji Ruxue in his arms, if Kai only relied on his undamaged golden body, although he could protect himself, he could not protect Ji Ruxue.

Therefore, a transparent barrier appeared out of thin air, protecting the two of them.

"Kill..."

Zhou Tiancheng shouted angrily!

Immediately afterwards, that person launched an attack at the same time, countless spears stabbed at Kai, and fireballs rushed towards Kai!

And the shadows of the boxing followed closely, and they planned to break Kai's defense in front of him, and punched Kai's body with a punch.

Kai said, suddenly looking into the air, muttering words in his mouth, a white streak The light of Kai spreads out from Kai's hands!

Soon, where the white light shone, the gravel and rubble on the ground began to tumble violently, and then slowly gathered together.

In the end, these bricks and rubble turned into a khaki giant sword in front of Kai!

Ningshi is a sword, and the sword energy is like a rainbow, and the surrounding sword energy enveloped the entire Zhou family!

"Cut me..."

Kai thought about it, followed by the giant sword of more than ten meters in front of him, and let out a sword cry, as if he had come to life, and whistled towards the three of them in Zhou Tiancheng.

The monstrous sword energy swept out, with an unmatched potential.

When the three of Zhou Tiancheng saw this, they hurriedly activated the magic technique, and walls of earth rose up in front of them, trying to block Kai's attack.

Bang bang bang...

With a loud noise, the earth wall condensed by the three people could not stop the attack of Kai's giant sword at all. Under Kai's vertical and horizontal sword energy, it collapsed instantly!

The faces of the three of Zhou Tiancheng had become extremely ugly, cold sweat poured down their foreheads, and magic tricks were continuously issued from the three mouths.

But no matter what method they used, they couldn't stop Kai's giant sword!

"Rewind, rewind..."

Zhou Tiancheng hurriedly greeted the other two to retreat quickly.

They did not expect that Kai's technique was so powerful, and the condensed giant sword would have such a powerful energy.

boom!

The giant sword slashed through a deep ravine on the ground. Although Zhou Tiancheng and the others quickly retreated, the huge impact force still caused the three of them to fall out heavily, and they were embarrassed!

The surrounding dust is filled with dust, and all the bricks and rubble condensed into things scattered back at this moment.

The smoke slowly dissipated, Kai hugged Ji Ruxue and looked at the three of Zhou Tiancheng coldly.

At this moment, the dust of the three of them, and the blood from the corners of their mouths overflowed, and they looked so embarrassed and embarrassed.

Even Xiao Da, who was not far away, was affected, and his body became dirty.

"I'm not interested in playing with you anymore, go to hell..."

After Kai finished speaking, he reached out and grabbed it, and the Dragon Slaying Sword instantly appeared in his hand.

Without the slightest hesitation, Kai held Ji Ruxue in one hand and the Dragon Slaying Sword in the other.

The hair on Zhou Tiancheng's body exploded in an instant. The moment the Dragon Slaying Sword appeared, Zhou Tiancheng began to regret it, and regretted provoking Kai.

But the matter has come to this point, regret is useless, so I can only quickly condense the energy of the whole body and quickly retreat.

Zhou Tiancheng's speed was very fast, but he found that no matter how fast he was, he still couldn't escape the sharp sword aura of Kai's sword.

Zhou Tiancheng's eyes were splitting, and his eyes were full of horror.

"No, don't kill me..."

Zhou Tiancheng was frightened, his legs began to tremble!

But Kai doesn't care about this, since Zhou Tiancheng said that Ji Ruxue had become his woman, this ending was already doomed.

Especially Xiao Da, at this moment his legs are starting to weaken, and he instinctively wants to escape, but his legs are no longer obeying orders.

Zhou Feng and Zhou Yu were even more shocked. Looking at the severed body of Zhou Tiancheng, the second master of the Zhou family, an icy chill emerged from the bottom of their hearts.

The two of them couldn't help but shudder in an instant, and then looked at Kai in horror.

Ji Ruxue was in Kai's arms at the moment, and she could really feel the beating of Kai's heart.

Seeing that Zhou Tiancheng was cut off by Kai's sword, Ji Ruxue was also full of shock.

After all, the Zhou family is also a wealthy family in Wancheng, but Kai killed Zhou Tiancheng directly for himself, without fear of offending the Zhou family.

At this moment, Ji Ruxue's heart was very warm, and she leaned even more in Kai's arms.

"I said that if I dare to touch Miss Ji, I will pay with the lives of all of your Zhou family members. Now it's your two..."

Kai looked at the two coldly.

Feeling Kai's icy gaze, the hearts of the two were extremely heavy, and their bodies were shaking.

The two of them were afraid. After Kai cut off Zhou Tiancheng's body with one sword, they were afraid. It seemed that Kai was not afraid of their Zhou family's fame at all.

At this moment, the faces of the two people are getting more and more ugly, and their hearts are full of remorse. If they did not stand up, they would not have fallen to such a point.

away, we can't control him. Now Zhou Tiancheng is dead. I also hope that Mr. Chen can let the Zhou family go..."

At this time, Zhou Feng began to beg Kai for mercy.

Zhou Tiancheng is dead, but there is still more to die for. If it wasn't for his sake, how could the Zhou family be in such a catastrophe!

"Yes, yes, it was all done by Zhou Tiancheng, and it has nothing to do with us. Now that he is dead, I hope you can let us go..."

Zhou Yu also hurriedly followed Kai to beg for mercy.

Xiao Da listened to the words of the two with disbelief.

However, it was also reflected from the side that the Zhou family did not seem to like Zhou Tiancheng very much.

"As I said, if you dare to touch Miss Ji, then let everyone in the Zhou family pay for it."

"The two of you commit suicide now, and you can still avoid the pain of flesh and blood..."

Kai's indifferent voice did not contain a trace of emotion.

Zhou Tiancheng dared to defile Ji Ruxue, Kai could not let the Zhou family go.

"You..."

Zhou Feng and Zhou Yu immediately blushed!

They all begged Kai so lowly, and Zhou Tiancheng was also killed, must the Zhou family be slaughtered?

Kai held the sword in one hand and looked at the two coldly: "Are you ready to die?"

"Kai, don't think we're really afraid of you, just don't want to lose both, so don't blame us for trying so hard. It's over..."

Zhou Feng roared, his face grim and full of madness, then he took out a red medicine bottle from his body, opened the cap directly, and poured the medicine inside into his mouth.

Seeing the medicine bottle in Zhou Feng's hand, Kai frowned slightly, because the moment he opened the bottle cap, he smelled a manic smell, and it also had the smell of corpse.

How could a normal martial arts family refine this medicine?

Could it be that the Zhou family has also become an evil cultivator?

Just as Kai was thinking, Zhou Feng's body instantly swelled a lot, and his clothes shattered, revealing two horned dragon-like arms, his chest bulging high, and the aura on his body began to wreak havoc!

Zhou Feng looked at Zhou Yu, his voice trembled like a bell, and his eyes were full of madness!

Zhou Yu sighed helplessly, then took out the same red medicine bottle, opened the cap, and drank the liquid inside.

Soon, Zhou Yu's body shape was also changing, and in the end it was exactly the same as Zhou Feng!

Facing the two monsters with the same head, Kai's eyes were full of contempt!

"If you don't have strength, you just can't. Even if you eat the elixir, you can't escape the fate of death..."

Kai sneered.

Villas collapsed suddenly, even if they were a hundred meters away.

In the blink of an eye, the entire Zhou family was in ruins!

Seeing the scene in front of them, Zhou Feng and Zhou Yu were horrified!

In their pupils, they only saw a golden fist expanding infinitely, as if to block the sky.

The two of them felt the breath of death, and they were all shocked. They hurriedly used up all their strength and punched in unison. At the same time, they stimulated their energy to form a barrier around their bodies. They wanted to block Kai's punch. power.

Soon, Zhou Yu realized that even after taking the medicine, they still didn't have the slightest chance to fight back in front of Kai.

The only priority now is to escape, as for the rest of the Zhou family, he will no longer care!

Thinking of this, Zhou Yu turned around and ran, the violent desire to survive made him want to grow a hundred feet.

Looking at Zhou Yu who was running away, Kai snorted coldly, hugged Ji Ruxue in his arms, and jumped straight into the air!

Immediately after he slapped it out, Zhou Yu's body just jumped up and exploded in mid-air, raining blood all over the sky.

The strong bloody smell is disgusting.

He began to kowtow to Kai continuously.

"Mr. Chen, I was wrong, I was really wrong, I was obsessed, and I was forced by Zhou Tiancheng."

"Please don't kill me, Mr. Chen, I am willing to be a bull and a horse for Mr. Chen, and let me do anything. "..."

Xiao Da desperately kowtowed and begged for mercy.

At this time, Ji Ruxue, who was in Kai's arms, raised her head and asked Kai to put him down.

Then he waited viciously for Xiao Da: "Xiao Da, you are the most hateful villain, I always thought you were a decent gentleman..."

Ji Ruxue was more ruthless towards Xiao Da than that week. Tiancheng is still deep, if Xiao Da used his trust to deceive himself, how would Zhou Tiancheng succeed.

"Palace Ji, I was wrong, I was really wrong, I will never dare again, please let me go..."

Xiao Da burst into tears.

And Kai looked at Xiao Da coldly, and his eyes became more and more disgusted.

At first, Xiao Da couldn't get used to the actions of Fei Qingping, the master of the Holy Beast Palace, and even shot and killed Fei Qingping. Kai thought that Xiao Da was good.

But he didn't want him to be the same thing after he became the Palace Master of the Holy Beast Palace!

It is also possible that the position has not reached that height, and the nature has not been revealed.

A sharp tile on the ground directly penetrated Xiao Da's neck.

Xiao Da covered his neck with his hands and wanted to say something, but he couldn't say it. After a while, he fell to the ground and lost his breath!

Seeing that Xiao Da was dead, Ji Ruxue's anger subsided.

"Chen...Kai, let's go..."

Ji Ruxue called out Kai's name directly, not Mr. Chen anymore.

Maybe this can better show the improvement of the two people's feelings at this time!

But Kai didn't hear anything, but said to Ji Ruxue: "I said that when Zhou Tiancheng touched you, everyone in the Zhou family will pay for their lives."

Ji Ruxue blushed: "You are talking nonsense. What, then Zhou Tiancheng didn't touch me at all, I'm fine now."

I saw that Long Xiao's body had rotted a lot, accompanied by bursts of rancid stench. If it wasn't wrapped in clothes, it would have scared people to death.

Long Jingguo was well-informed, and he could see at a glance what was going on with Long Xiao.

"Xiaoer, what is going on here, where is your master, Master Dingchan?"

Long Jingguo asked Long Xiao.

"Dad, my master has already ascended to the world of Elysium, but he passed all his skills to me."

"Now I have broken through to Marquis Wu, and it will not take long for the entire Kyoto martial arts world to have no one. He is my opponent."

Long Xiao said confidently.

Looking at Long Xiao like this, Long Jingguo had an indescribable feeling in his heart.

The person in front of him can be said to be no longer his son, but it can also be said that he is!

"Xiaoer, how could you be possessed by a soul?" Long Jingguo was puzzled, and Master You Dingchan looked at him, how could Long Xiao become like this.

"Dad, it was Kai who did it. If it wasn't for him, how could my body be ruined."

"My master can't heal my body at all. I don't want to spend my whole life in bed. I want to find that Kai ." Revenge, revenge..."

"It's a pity that Kai is dead, I can't kill him myself, this is my biggest regret!"

"He is definitely still alive. There are very few secrets about him, and I am one of them."

Long Jingguo narrowed his eyes slightly, his face full of sadness

, "That's great, if Kai doesn't die, I can destroy him with my own hands."

Long Xiao said excitedly.

He was excited that Kai was not dead, but Long Jingguo had a sad face.

"Xiaoer, there are some things you don't know yet, let me tell you..."

Long Jingguo approached Long Xiao, but the moment he approached Long Xiao, he suddenly patted Long Xiao.

He wanted to force the soul out of Long Xiao's body. Even if Long Xiao was really abolished, he would still be his son, but now Long Xiao is only a body.

"Old man, you want to harm me..."

Long Xiao made an old and strange voice, and then Long Xiao's dry hands grabbed towards Long Jingguo.

Long Jingguo made a block, but he didn't dare to do his best. He was afraid of hurting Long Xiao's body.

But just when Long Jingguo blocked it, Long Xiao grabbed Long Jingguo's neck with his other hand!

A sense of suffocation instantly flooded Long Jingguo's head.

"Today, I also sucked your kung fu..."

After speaking, Long Xiao put his hand on Long Jingguo's head, and soon Long Jingguo felt that the kung fu in his body was rapidly draining!

"Stop, stop..."

Long Xiao suddenly let go of Long Jingguo, and then shouted with all his might.

This is Long Xiao fighting with the soul in his body for control of his body.

"If you dare to hurt my father, I will kill myself and die with you..."

Long Xiao threatened the soul loudly.

Soon, the soul lost its voice, and Long Xiao looked at Long Jingguo: "Dad, are you alright?"

Long Jingguo looked at Long Xiao in front of him and sighed heavily.

"Xiaoer, don't worry, I will make you return to normal."

frowned: "What is the movement, it's so big? Could it be that someone found it here?" When he saw Kai, there was a surprised expression in his eyes. At this time, Kai was extremely embarrassed.
