A man like none other and the man decree (chinese) Chapter 1361-1362

Chapter 1361

"Humph!"

Zhou Tianyin snorted coldly, the energy in his body was urged!

Where the two swords meet, a dazzling light suddenly explodes!

boom!

The terrifying sword gang fell, and the shocking explosion was deafening!

The ground even jumped violently, endless smoke and dust rose into the sky, and the terrifying aftermath spread violently around!

For a time, the sand and stones flew away, covering the sky and the sun, as if the end of the world was coming!

Even an earthquake of magnitude 10 would not be so terrifying!

The entire mountain was shaved off by one meter under this blow.

"Sister, is there anything wrong with Brother Chen?"

Xiaomin asked Ji Ruxue nervously, looking at the terrifying scene in front of her.

Ji Ruxue gritted her teeth and clenched her fists tightly, her nails were embedded in her flesh.

She also didn't know whether Kai could resist, or whether something would happen to Kai.

If something happened to Kai, she probably didn't want to live anymore. After all, Kai offended the Zhou family in order to save her.

And the man in black hiding behind the boulder frowned tightly, holding several spells in his hands.

He also seems to be worried about Kai, if he is the one who fights with Zhou Tianyin.

In the face of this heavenly attack, it is impossible to resist, I am afraid it has already been shattered.

But at this time, Zhou Tianyin was frowning, staring at the place where Kai was!

At the moment when the sword gang broke out, he actually felt an indestructible aura!

"What is that? Isn't that kid dead?"

Zhou Tianyin waved his hand with an ugly face, and a gust of wind suddenly appeared, blowing away all the smoke and dust, and the scene in the field gradually emerged in front of everyone.

I saw there, a big pit with a radius of three meters appeared!

The big pit is very strange. The overall shape is bowl-shaped, and the surrounding is extremely flat. It seems to be a huge iron ball, which has been forcibly pressed into the ground and left traces.

At the bottom of the pit, Kai was standing in the center, covered in blood.

"It's actually not dead?!"

Seeing this scene, Zhou Tianyin was stunned!

Such a terrifying attack could not kill Kai?

"Today, we must die!"

Kai lowered his head, Zhou Tianyin couldn't see his expression.

But his voice was extremely cold, without the slightest emotion!

It made Zhou Tianyin tremble uncontrollably.

Kai wiped the blood on his face with his hands, and then walked up slowly from the bottom of the pit.

Every step left a bloody footprint.

He walked towards Zhou Tianyin step by step.

Zhou Tianyin's heart was full of unease, and he couldn't help shouting: "What are you doing? Stop me! Otherwise, don't blame me for being rude!"

Kai took two more steps before stopping.

At this time, the two were only five meters apart!

Then, Kai suddenly raised his head and looked at Zhou Tianyin!

boom!

Zhou Tianyin was shocked!

I saw that Kai's eyes were blood red, and his eyes were full of murderous intent, hatred, silence, and madness!

"You must die today!"

Kai roared word by word!

Just as Zhou Tianyin was stunned, Kai rushed towards Zhou Tianyin.

"Not good!"

Zhou Tianyin's heart was beating wildly, and he had to dodge without even thinking about it.

However, it's too late!

This is a long-planned attack by Kai!

Use all the spiritual power to smash directly towards Zhou Tianyin!

There is no gorgeous move, just rushed over like this.

Kai was planning to die with Zhou Tianyin.

However, Kai knew that he was betting that his Nascent Soul would not be damaged and that his body would recover.

But the others were surprised when they saw that Kai was going to die with Zhou Tianyin.

"Kai..."

"Brother Chen..."

Ji Ruxue and Xiaomin exclaimed.

And Zhou Tianyin was slightly taken aback when he saw Kai rushing in so desperately.

The man in black behind the boulder was startled and jumped up.

Suddenly a person appeared, whether it was Zhou Tianyin or Kai, all of them looked at it intently.

That is, at this time, the man in black threw out three spells in an instant.

The three talismans were directly finished in glyphs and landed at the feet of Zhou Tianyin.

"Three Tribulations Formation!"

The man in black roared loudly.

boom!

Great array launched!

The terrifying yin fire, thunder, and wind filled the formation, drowning Zhou Tianyin in an instant!

Kai was a little dumbfounded and didn't understand who the man in black who suddenly appeared.

But he knew the power of the Three Tribulations Formation.

The power of the Three Tribulations Formation is extremely powerful, but it is not something that ordinary warlocks can use. Even Kai can't use such a big formation now!

Kai stared closely at the man in black, as if he wanted to see who the man in black was and why he wanted to help himself.

However, the man in black did not look at Kai, but stared at the changes in the formation!

He knew that Zhou Tianyin's strength was too strong, and the Three Tribulations Formation might not be able to kill the opponent!

At this moment, a dazzling sword light shot up into the sky, and the Three Tribulations Formation was broken.

Zhou Tianyin escaped from the formation, and his face was extremely pale, there was even a trace of blood on the corner of his mouth, and his eyes became dull!

Obviously, Zhou Tianyin was seriously injured!

"Hmph, I didn't expect you to have a helper..."

Zhou Tianyin stared at Kai and the black man, his face extremely ugly: "I will write down this hatred today, and sooner or later I will come back to kill you..."

After Zhou Tianyin finished speaking, he walked from the mountain. He jumped down and left with the Zhou family.

He was already injured, and he had no chance of winning against two people, so he had to leave!

Seeing that Zhou Tianyin was gone, Ji Ruxue and Xiaomin rushed up happily.

"Kai..."

"Brother Kai..."

"Are you alright?" The

two exited almost at the same time, looking at Kai up and down to see where Kai was injured.

However, Kai did not answer Ji Ruxue and Xiaomin, but held the Dragon Slaying Sword in his hand, and pointed the tip of the sword at the man in black.

"Who are you? Why did you rescue me?"

Kai looked at the man in black with his eyes slightly condensed.

Judging from the aura of the man in black, his strength is not very strong, but his technique is extremely powerful, and he is obviously a very powerful warlock.

It's just that when he cast the Three Tribulations Formation, Kai felt the fluctuation of spiritual power from the man in black!

Only an immortal cultivator will have fluctuations in spiritual power. Could it be that this person is also an immortal cultivator?

But even though the man in black saved himself, Kai still did not let his guard down!

The man in black saw Kai pointing his sword at himself, and smiled slightly: "Is this how you treat your savior?"

"Who are you? Why are you in our back mountain?"

Ji Ruxue said this At the same time, he also looked at the man in black and asked.

"I'm not a bad person. If I were a bad person, how could I help you? I just passed by by accident..."

The man in black said lightly.

But Kai didn't believe his words at all. How could such a coincidence happen by chance.

"Who are you? You are secretive, you dare not show your true face, there must be ghosts..."

Kai asked the man in black.

The man in black looked at Kai, his eyes narrowed slightly: "Some things can't be said in public, I believe you will understand, so if you want to know who I am, let others leave and talk about it!"

Kai looked at the man in black, and was more convinced of the identity of the man in black as a cultivator, so he looked at Ji Ruxue and said, "Miss Ji, take Xiaomin down the mountain and go back to the palace first, I will go back soon! "

Ji Ruxue looked at Kai, nodded, and took Xiaomin down the mountain.

"Okay, can you tell me who you are now? Are you a cultivator?"

Kai asked the man in black.

The man in black nodded happily, and then took off the black scarf covering his face.

The black towel was removed, and a pockmarked face was revealed.

This person is exactly the flax who gave Zhu Zhishan two tracking talismans from Kyoto.

Kai looked at this person carefully, but found that he didn't know him at all, so he frowned and said, "I don't know you at all, why did you save me?"

"No, just to cooperate with you!"

Hu Mazi He smiled lightly.

"Cooperation? Cooperation for what?"

Kai looked at Hu Mazi vigilantly. After all, the other party was also an immortal cultivator. Now the two of them have the same resource needs.

Now the entire earth is deficient in spiritual energy, and cultivators need a lot of spiritual energy to cultivate.

Thinking of the spiritual energy, Kai's eyes suddenly opened, and he stared at Hu Mazi: "You... did you come to the cave?"

Hu Mazi was stunned, but quickly smiled: "I didn't expect you to be so smart. , no wonder that Zhu Zhishan was deceived by you..."

"Come on, who are you? Otherwise, don't blame me for being rude..."

Kai aimed the Dragon Slaying Sword at Hu Mazi again.

Although Kai aimed the Dragon Slaying Sword at Hu Mazi, Hu Mazi was not afraid at all: "You don't have to be nervous, with my current strength, you can kill me with a single shot, are you still afraid of me?"

Kai saw that Hu Mazi was sincere, and did not talk nonsense. Although Hu Mazi's techniques were very clever, his strength was only in the Golden Core Realm.

That is to say, he has just stepped into Wuzong, so it is impossible for Hu Mazi to hurt Kai, especially when Kai is still on guard.

But if he suddenly attacked and Hu Mazi launched a formation, it would be impossible to say.

At that time, because Zhou Tianyin fought against Kai, he consumed a lot of internal energy, and he was absent for a while, so he didn't notice the existence of Hu Mazi at all, so he gave Hu Mazi the opportunity to cast the Three Tribulations Formation.

Even so, Hu Mazi's Three Tribulations Formation still failed to trap Zhou Tianyin and was broken out by Zhou Tianyin, which also showed that Hu Mazi's strength was not very strong.

Kai put away his guard, put away the Dragon Slaying Sword, and asked Hu Mazi about the Xiuxian world.

After Hu Mazi followed Kai's explanation, Kai realized that the cultivators were not as powerful as Kai imagined.

Because of the lack of spiritual power, there are fewer and fewer resources for immortal cultivators to improve their strength, and many immortal cultivators are not strong.

In the face of some powerful warriors, they are only beaten, so many immortal cultivators keep their names incognito!

Some even traveled across the ocean to find a place rich in spiritual power.

Not everyone in the Immortal Cultivation Realm is as lucky as Kai, who broke through to the Nascent Soul realm in a short period of time!

Moreover, the condensed mind art of cultivation can refine everything and replace the use of spiritual energy, so Kai's strength will grow so fast!

"I've been trapped in this realm for more than ten years. I used my cover as a fortune teller to look for places with strong spiritual energy!"

"I discovered the cave here three years ago, but I didn't do it at the time. , if it wasn't for being forced to be helpless this time, I might have to come here a few years later."

Hu Mazi said to Kai.

"Then what is in this cave? Why does the flowing stream have such pure spiritual power?"

Kai asked Hu Mazi curiously.

"It's an ancient tomb!"

said Hu Mazi.

"Ancient tomb?" Kai's eyes widened suddenly, his face full of incredulity: "Even if there are jewels and jade in the ancient tomb, it is impossible to flow out such pure spiritual power?"

Chapter 1364

"Because this ancient tomb is a real tomb, there are skeletons of immortal real people, and maybe some magical weapons, magic weapons and the like, so it is impossible for pure spiritual power to flow out of it..."

Hu Ma Son explained.

"The tomb of a real person?" Kai became more and more shocked at this moment.

The so-called real person means that he has reached the realm of transcending tribulation.

It is normal for a real person to fall without going through calamity.

But now that a real tomb can be found, Kai is very excited.

He can't wait to go down to the tomb now and see what the tomb of the half-immortal is called.

"The cave was blocked by boulders. I tried to open the boulder, but there was none. We want to go in. How can we open the boulder?"

Kai asked Hu Mazi for advice.

Although Kai's strength is higher than Hu Mazi, in this respect, Kai is like a primary school student who knows too little.

"Since I'm here, there is a natural way to open the boulder, but you are short of spiritual power and need to rest. When you rest, we will go in together."

"After all, it is extremely dangerous inside. With you, a master of the Nascent Soul, I can do it too. Don't worry, but we are half of what's inside."

Hu Mazi said to Kai.

"No problem, the deal..."

Kai nodded and stretched out his right hand!

Hu Mazi was stunned for a moment, smiled randomly, and followed Kai with a high five.

"Haha, you follow me, I promise you will have endless resources, don't look at my strength, but in the field of finding caves and tombs, I am the ancestor of the Hu family..." Hu

Mazi said proudly.

Kai also believed in the strength of Hu Mazi. After all, this place was blocked by mountains and rocks, and Hu Mazi did not enter, but he knew that this was the tomb of a real person. It can be seen that the ability to search for a tomb is not low!

Kai followed Hu Mazi down the mountain, and after returning to the Red Lotus Palace, Ji Ruxue had already ordered someone to prepare the meal.

She knew that after Kai's battle, she must have consumed a lot of physical strength, so she made up for it.

Kai followed Ji Ruxue and Xiaomin to introduce Hu Mazi, and Hu Mazi also smiled and greeted Ji Ruxue and Xiaomin!

Apart from the pockmarked look on his face, Hu Mazi looked a little scary, but he was still very polite when speaking.

"Palace Ji, your red lotus palace illusion has been broken. After you have eaten, I will help you make up an illusion!"

Hu Mazi said to Ji Ruxue while eating.

"That's really written about Master Hu!"

Ji Ruxue thanked her happily.

After eating, Hu Mazi followed Kai and the others to the gate of the Red Lotus Palace.

Looking at the Red Lotus Palace in front of him, Hu Mazi took out a few talisman papers, and then muttered something in his mouth.

Immediately after a few talisman papers, a large amount of thick smoke rose, and the thick smoke soon enveloped the entire Red Lotus Palace.

Hu Mazi blew the talisman paper in his hand, and the talisman paper instantly turned into ashes!

When the thick smoke slowly dissipated, Kai and the others were surprised to find that the Red Lotus Palace in front of them was gone.

The huge Red Lotus Palace disappeared right before their eyes.

Ji Ruxue and Xiaomin opened their mouths in shock.

Kai, on the other hand, looked at Jute Zi with admiration. Although Kai could also perform illusion, he could only perform it in a small area.

Thinking of such a large-scale illusion, Kai does not have that strength.

This kind of large-scale illusion requires super-strong mental power.

"Hu... Master Hu, what if we go in?"

Ji Ruxue asked Hu Mazi in shock.

"It's easy to handle!"

"Palace Master Ji, it's absolutely impossible, I'm just doing it by hand."

Hu Mazi quickly stopped Ji Ruxue.

"Miss Ji, you don't need to give this big gift. He actually helped us. When we divide the baby equally, I will give him one more achievement!"

Kai said to Ji Ruxue.

..... the

next day.

After Kai explained it to Ji Ruxue, he followed Hu Mazi into the cave!

At this time, there were already a lot of gravel in the cave, all of which were shaken down by Kai following Zhou Tianyin's battle.

"How are we going to open this boulder?"

Kai asked anxiously at Hu Mazi.

"No hurry, sit down and rest for a while..."

Hu Mazi found a flat stone and sat down.

This made Kai very puzzled. Since he was not in a hurry, why didn't he rest outside, but came to rest in the cave?

Kai also found a stone and sat down, then lit a cigarette.

I gave one of the flax seeds, but he didn't want them, but took out a dry tobacco pouch from his waist and started smoking.

The clear stream continued to flow out of the cave, scouring the falling stones.

About ten minutes later, Hu Mazi knocked on the dry tobacco bag, and then put it away.

"It's time to work..." With that

said, Hu Mazi took out a stack of talisman paper, and then drew something on it, and soon the cave was filled with talisman paper.

When there was still a piece of talisman paper left, Huang Mazi looked at Kai.

"Lend your blood to use it..."

Huang Mazi said.

"With my blood?"

Kai looked puzzled, but he bit his finger and blood flowed out.

Jute used Kai's blood to draw a figure on the talisman paper, and then pasted the last talisman paper on the boulder.

Rumbling.....

the moment the talisman was pasted, the entire cave began to shake.

Immediately after that, all the rune papers emitted a ray of light, shining on the boulder.

And the rune paper on the boulder exudes blood red, and the graphics on it are instantly embedded in the boulder!

The entire boulder began to glow, and the light was extremely dazzling!

"Close your eyes, I'll let you open, and I'm opening..."

Huang Mazi hurriedly said to Kai.

Kai didn't hesitate, and hurriedly closed his eyes.

Soon, the violent shaking became stronger and stronger, and Kai only felt that his body was falling rapidly!

The whirring of the wind made my face hurt!

I don't know how long it took, Kai felt his feet fall to the ground, and the wind in his ears disappeared.

"You can open your eyes..."

Huang Mazi said.

Kai opened his eyes slowly. When he opened his eyes, he was instantly stunned.

I saw a big change in the scenery in front of me, mountains and rivers, green trees, as if to another place!

"This...what exactly is this place?"

Kai was full of surprise, he couldn't believe it, what he saw in front of him would be a mausoleum!

It is clearly a world, a different world!

Huang Mazi did not answer Kai, but quickly climbed up a hillside and looked around. At this moment, Huang Mazi's face was also full of shock.

Seeing that Huang Mazi didn't speak, Kai asked again: "Is this the real tomb you said?"

"The layout here is not small." Huang Mazi muttered to himself in shock.

"What kind of pattern is not small?" Kai next to him was stunned for a while, a little unclear.

Although Kai also knows some skills in robbing tombs and finding caves, but here, his skills are stretched thin.

It is not yet clear what the pattern is here.

Moreover, such a scene could not be linked with the mausoleum.

Huang Mazi smiled lightly and pointed with his hand: "Look at this place."

"The mountains here are stacked with peaks and peaks, and it was clearly arranged by someone deliberately, with the mountains as the source and the water as the pattern!"

"The potential of mountains and rivers is mutual Horn, there are very few people who can do this kind of method."

"Moving mountains and reclaiming the sea, such a large hand, ordinary real people can't do it."

"It seems that the owner of this tomb must also be a scholar of metaphysics, otherwise he would never be able to do this. It seems that this time I met a colleague. It 's gone!"

Huang Mazi's eyes were bright.

Kai followed what Huang Mazi pointed, and when he looked at it like this, he was a little shocked. This scene was not small. After Huang Mazi's guidance, Kai saw some clues.

After a while, Huang Mazi suddenly sighed: "It's a pity that this landscape has been around for too long, and the power of heaven and earth under the cloth has gradually faded."

"This will almost dissipate, otherwise, this landscape will help you. It's not a problem for me to cultivate into a real person." But

even though the power of heaven and earth here gradually dissipated, Kai still felt that pure spiritual energy was constantly drilling into his body.

"Let's go, let's find the mausoleum..."

Huang Mazi said and started walking forward.

Kai followed closely behind Kai. Such a shocking scene made Kai both excited and scared.

If such a mausoleum can be arranged, how can there be no organs and spirit beasts to protect the tomb?

Therefore, Kai had no idea what he was going to face next.

In the face of these, Kai realized how small his current strength is.

Kai followed Hu Mazi for half an hour. Kai ran the Concentrating Heart Art while walking, absorbing the pure spiritual energy around him.

At this time, the two of them had already penetrated into this mountain range quite a bit, which was also due to the failure of this landscape.

Otherwise, even if a person spends a year here, he will not be able to touch the south, east, north and west.

Suddenly, Hu Mazi stopped and looked at the mountain in front of his eyes: "It should be the front."

"Huh?" Kai was stunned, and then he looked at the mountain in front.

I saw a mountain in the distance. It was cut from the middle and cut into a square altar. In the right direction, surrounded by mountains, the "altar" was quiet and terrifying.

I saw a huge stone tablet standing at the mouth of this altar. On the stone tablet, a line of words was engraved, "I, always stand on the sword mound..."

This line of words stands at this door, as if to tell Zhang. Later people watch.

Kai stood in front of the stone tablet and looked at the line of words, his eyes gradually became fascinated.

This handwriting is full of sword energy, this is the owner of this ancient tomb, who once carved on this stone tablet with his two fingers, in one go!

These words reveal the profound understanding of the kendo of the owner of the stone tablet! Ordinary people can't see it at all!

Just in front of this stone monument, Kai stopped and stopped moving, just raised his head and looked at the stone monument with a confused expression.

Kai felt that on this stone tablet, a trace of kendo sword intent could be figured out.

Hu Mazi saw that Kai was suddenly staring at the stone tablet, so he said, "What's wrong? Did you see something?"

But Kai didn't seem to hear what Hu Mazi said, and he still stood motionless!

Hu Mazi frowned slightly, and reached out to push Kai, he was afraid that Kai was being controlled by something.

Here, anything can happen, Kai's mental power is not strong enough, and it is very likely that his mind will be controlled!

At this time, Kai, the spiritual world had already been pulled into the stone tablet. Kai also noticed the abnormality and wanted to break free from this spiritual bondage, but no matter how much he struggled, it was useless.

I saw Kai's body trembling, sweat dripping from his forehead.

Hu Mazi's face became extremely ugly, he suddenly took out a spell, bit his finger, and drew on it.

And Kai has entered another world at this moment, and all the scenes in front of him have completely changed.

"Where is this? Where is this?"

Kai shouted desperately, but no one answered him.

Kai was in front of a gray world, and he was standing on a boulder.

As the world in front of him became clearer, Kai was surprised to find that in front of him, there were corpses everywhere!

I saw millions of corpses lying here, bloody aura rising into the sky, and terrifying aura floating around. Kai wanted to absorb these auras into his body, but no matter how the Heart Concentration Technique worked, it was of no use at all.

A figure appeared slowly, and soon the figure stopped in front of Kai, the man was covered in blood, holding a long sword, and staring at Kai with murderous intent!

"Who are you? Who are you?"

Kai asked twice when he saw the person in front of him.

But the man didn't answer at all, as if he couldn't see Kai.

I saw this man with the sword on his back, turned around and stared at the battlefield where millions of corpses were buried!

The afterglow of the setting sun dragged the figure of this man for a long time.

Kai found that at this moment, the swordsman showed endless loneliness and desolation!

Suddenly, the swordsman moved, and when he moved like this, from behind him, nine huge shadows rose from the ground in one breath, exactly like his deity.

Nine Shadows One's real body formed a killing formation directly out of thin air! The tragic aura shot straight into the sky!

The swordsman moved slowly, dancing the sword in his hand.

The nine shadows behind him moved with him.

The swords in everyone's hands are full of charming trajectories. Kai's pupils are dilated and he has been staring blankly.

Chapter 1368

"Nine Shadow Swordsmanship, this is the Nine Shadows Swordsmanship, right?"

Kai shouted desperately, looking at the scene in front of him.

However, the Nine Shadows swordsmanship displayed by this swordsman, which Kai learned from Ichiro Watanabe, is not the same, and the similarities are only one or two.

The nine shadow swordsmanship displayed by this swordsman is obviously more powerful.

Kai wanted to rush down from the boulder and have a good chat with the swordsman.

But Kai's body hadn't moved, only the scene in front of him shattered instantly, and then his body shook.

A mouthful of blood spurted out, and Kai withdrew directly from the spiritual world.

"Kai, are you okay?"

Hu Mazi's face was pale, and a spell was stuck on Kai's forehead.

"What's going on?"

Kai frowned, as if he had just sat in a dream, but also seemed real.

"Your mental strength is too weak, you must have been caught in the illusion here, and almost fell into it. If I hadn't pulled you out, I guess you would have been trapped in it for the rest of your life..."

"You are not allowed to touch the people here indiscriminately later. Don't look around blindly, it's too weird here!"

Hu Mazi told Kai.

But Kai didn't seem to hear Hu Mazi's advice, and was still thinking about the picture just now, because the picture just now was too short, just a few seconds before Kai could see it completely, he was pulled out by Hu Mazi.

"No, I have to go in and have a look..."

Kai was filled with excitement when he remembered the Nine Shadows Sword Technique used by the swordsman just now.

Although he also learned some Nine Shadows swordsmanship, but that's just skins. Judging from the Nine Shadows Swordsmanship that the swordsman had just performed, the Nine Shadows Swordsmanship he stealthily learned was too rubbish.

Kai ripped off the talisman that was stuck to his forehead, and stared straight at the stone tablet in front of him. He wanted to re-enter that world and watch the swordsman finish using the Nine Shadows Sword Technique.

"What are you going to do? Are you crazy?"

Hu Mazi thought that Kai was fascinated, and suddenly shouted sharply.

And this sound, with a terrifying mental impact, Hu Mazi wanted to wake Kai completely!

But it was useless, Kai still stared at the stone tablet.

"How could this happen? How could this happen?"

No matter how hard Kai tried, he could no longer enter the world just now.

After a while, Kai sighed helplessly and looked back.

"It's a pity, it's really a pity..."

Kai's face was full of annoyance.

Hu Mazi looked at Kai puzzled, didn't understand what happened to Kai, and suddenly felt a pity.

Looking at Hu Mazi like that, Kai could only tell him what he had just happened.

After speaking, Hu Mazi's complexion changed and changed.

"Kai, the two of us rashly broke into this real tomb, maybe it was a wrong choice..."

Hu Mazi was a little scared.

There are a lot of things here that they may not know at all.

"Since you're here, you must go in and take a look. Since you're here, be safe..."

Kai smiled lightly.

Things have come to such a point that there is no turning back.

Hu Mazi nodded, and then walked towards the altar with Kai. Here is the real mausoleum.

After entering this ancient tomb, there is a unique cave in this ancient tomb, the lead-grey mausoleum, and the air is a little dank and cold.

"My God." Kai was shocked when he entered the mausoleum.

What kind of real person is this real to repair the mausoleum? Looking around, the ceiling of the mausoleum is pitch black, as deep as a starry sky, and inlaid with countless night pearls like stars.

Hu Mazi looked at every part of the mausoleum carefully, and saw very carefully, and his face was very dignified, and he was careful every step of the way!

Chapter 1369

"Seven stars swallowing the sun, this is one of the ten ancient tomb patterns."

Hu Mazi said with a sigh.

Listening to what Hu Mazi said, Kai was confused, because he didn't know what Hu Mazi said about the seven stars swallowing the sun, and what the ten ancient tombs were.

In this aspect of exploring tombs, Kai had to admire this flax.

Seeing Kai's doubts, Hu Mazi started talking with Kai, and he may have also intentionally taught Kai.

The ten ancient tombs and the ten types of ancient tombs are different from each other.

In fact, there is nothing special about these ten ancient tombs. They only belong to a feng shui pattern, which can bless future generations and have prosperous luck. This is a relatively high-level method.

Among the top ten ancient tombs, there are only less than three kinds, which belong to “evil tombs”

. Individuals dare to enter such a vicious tomb.

Among them, the most famous one is the “Nine Hundred Ninety-Nine False Tombs” as the

name suggests.

After a real person died, he repaired the real and fake mausoleums in advance. There were a thousand of them, of which 999 were fake tombs, and in these fake tombs, each of them was extremely brutal, and those who entered it would die.

This murderous tomb, even the descendants of this real person, do not know its true burial place.

It is often the real person who chooses to sit in one of the mausoleums before he dies. The most famous of these is Cao Cao’s imitation tomb, a 999-nine-nine false tomb that was repaired.

This chapter is provided by m.informativestore.com. Visit m.informativestore.com for daily update.

Generally, once this fake tomb is out, other people should not try to think that they can break into this kind of tomb.

Almost impossible!

In fact, there are no very special requirements for repairing these ten ancient tombs. There is only one point. The identity is respected enough. Only real people can be buried at the beginning. However, on this earth, how many real people have fallen and how many real tombs exist. ?

But here, there is actually one place that Kai and the others came across.

Listening to Hu Mazi's words, Kai's face was full of disbelief, and he would look up. From this high altitude, there were indeed sun, moon and stars on the top of the tomb, and they were depicted in one place. Around the sun, there are seven dazzling pearls.

This should be what Hu Mazi said about the seven stars swallowing the sun!

"I understand, you look at the top of the tomb, it's obviously the Tomb of Seven Stars Swallowing the Sun."

Kai pointed to the top of the tomb and said to Hu Mazi.

But who knew that Hu Mazi smiled, but shook his head: "If the ten ancient tombs are so easy to distinguish, then it would not be called the top ten ancient tombs."

Kai was stunned, and then said with an embarrassed expression: "Isn't it distinguishable from here? Is it?"

"Of course not, the seven stars swallow the sun, which means that there are seven mausoleums in total!"

"And this is just one of them!"

"The seven stars swallow the sun, this is a "earth pulse" pattern, corresponding to Seven stars is to find seven places where Feng Shui is extremely prosperous, repair seven tombs, and finally form a pattern of "seven stars swallowing the sun"."

"And this swallowing the sun, "Sun", is this pattern, the real burial The place of the owner of the tomb!"

When Kai heard this, his mouth opened in surprise, he didn't expect that there were so many details here, and it wasn't as simple as he said.

It is true that there is a specialization in the art industry, and it is not false at all. In front of this Hu Mazi, Kai is not as good as even a primary school student.

"Then, will our real tomb really bury the owner of the tomb?"

Kai asked curiously.

Hu Mazi shook his head: "I don't know either, but even if it's not the tomb where the tomb owner was buried, there will still be treasures."

After hearing Hu Mazi say this, Kai was relieved, and he couldn't run away in vain.

Hu Mazi took Kai to the depths of the ancient tomb again. After walking for a while, Hu Mazi observed it carefully again.

Chapter 1370

"The ancient tomb we found should be only one of the seven stars! Because of the time, the vicissitudes of life, and even the trend of the source pattern of the mountains and rivers dissipated, and it was exposed and discovered by me. "

Hu Mazi said to Kai.

Kai couldn't help but sigh, that even this fake tomb has been repaired so magnificently, which is really amazing.

"Since it's a fake tomb, there shouldn't be any danger, right? Let's go in and see if there are any treasures, just take them away."

Kai asked Hu Mazi.

Linghu Mazi shook his head, "There are seven patterns in this tomb. Look carefully. One of the seven patterns is the place where the treasures are really placed in this mausoleum."

"What, so troublesome?" Kai was surprised!

This mausoleum is built with the pattern of seven stars swallowing the sun. I didn't expect that in the ancient tomb, it is still this pattern, like a nesting doll, one ring after another.

"Now we only have to look for it slowly, I hope we have better luck."

Hu Mazi said.

"Then can you find the other six mausoleums?"

Kai asked.

Hu Mazi paused, and then said: "As for the other six mausoleums, as long as the source pattern of the landscape does not disappear, even me, it is difficult to find, unless it is a master who is more powerful than me!"

Kai is not there! After speaking, he has never met a master who is more powerful than this Hu Mazi. In the area of digging holes and tombs, even the most famous Hu Bayi in Kyoto is not even worse than Hu Mazi.

Kai followed Hu Mazi and continued to walk in. The inside of this ancient tomb is huge, and there is a cave inside.

It is simply a hole in a hole, like another small world!

After walking for more than ten minutes, Kai followed Hu Mazi to a piece of water. The water here was jet black, and the scene in the water could not be seen at all. In the middle of the water, there was even a small island!

Looking from where they were standing, they found a small green tree growing on the island.

This verdant green tree has extremely narrow branches, and the whole body is full of emerald green color.

The branches are not high, only one meter high, but this emerald green branch is like a fine art.

Across the distance, you can smell a dark fragrance wafting from this green tree.

This is like a dead pool of water, under this jet-black water, I don't know what is hidden.

"Qing Yezhi..."

As soon as he saw this small island, it seemed to be shrouded in a mysterious power, the green tree hidden in the shallows, a look of shock appeared on the face of the sesame seeds, this was a kind of high-level Lingcao, called Green Yezhi.

It can be seen that it was transplanted and planted here by the owner of this ancient tomb, and there is even a shallow spiritual soil under this tree root.

This spirit grass cannot survive on ordinary soil.

This spiritual soil is pale cyan and granular, like the cleanest cyan sand.

That small piece of spiritual soil is actually worth a fortune.

Even a grain of spiritual soil is more precious than a grain of gold! But unfortunately, not many people have seen this kind of thing now.

"Good stuff."

Kai was short of breath. The first time he saw this thing, Kai knew it was a treasure!

Hundreds of meters apart, Kai could feel the aura emanating from Yezhi Green, that kind of aura that transcended all kinds of worldliness and had no trace of impurities. For Kai, it was simply a priceless treasure.

"I went to pick it up..."

Kai jumped up, and then went straight to the green Yeats.

"Don't be reckless, be careful..."

Hu Mazi knew that there must be hidden weapon organs or beasts protecting this precious spirit grass. If Kai rushed over at such a loss, it would be dangerous.

A man like none other and the man decree (chinese) Chapter 1371-1372

Chapter 1371

But Kai couldn't take care of that much anymore, his body jumped up, and then lightly tapped on the water, his body vacated again!

But just when Kai stepped on the water again and was about to walk on the water, his face suddenly changed!

Kai only felt that in the surrounding air, there was a moment of coercion rolling over, making Kai's body feel like a heavy weight, and his body could not jump up.

Moreover, the rich and pure spiritual energy around it disappeared instantly at this moment, and it was replaced by a terrifying suppressive force, as if the entire tomb had been banned.

Kai's body couldn't jump up, and he couldn't step on the surface of the water, his feet began to sink into the water, and the water continued to bubble up, as if it was boiling.

Kai was shocked, and mobilized all his spiritual power to continuously improve his body, but no matter how hard Kai tried, his feet seemed to sink into the water.

Seeing this, Hu Mazi on the shore hurriedly took out two spells, chanting words in his mouth, and then two spells were quickly thrown out!

"Kai, step on..."

Hu Mazi shouted, and the two charms floated on the water like wooden boats before reaching Kai.

Seeing this, Kai immediately put his feet on the spell, and with the help of the spell's power, he quickly rushed towards the island.

With a place to borrow strength, Kai took a mouthful of spiritual power and kept rushing forward.

At this moment, in the boiling water, a black fish suddenly jumped out. These fish were like flying fish, and they rose directly into the air, and then spit out water arrows from their mouths.

Kai's face became extremely solemn, his body flashed with golden light, and his golden body was activated. He planned to ignore these flying fish and rush directly to the island.

Dozens of water arrows hit Kai's body, and he had an indestructible golden body. Kai didn't care at all, and the strength of these water arrows was so small that it could be ignored!

Kai was a little puzzled. With such an attack, let alone some masters, even if it hits ordinary people, it shouldn't hurt, right?

But as soon as Kai's idea came to his mind, he immediately felt an indescribable tension all over his body.

Immediately after that, I heard the scorching heat of the iron plate, accompanied by a sizzling sound.

Kai looked down and found that he didn't know when, the indestructible golden body on his body was rapidly dissolving at this moment, and the scales fell off and disappeared.

Immediately after, Kai's skin splattered with blood, which surprised Kai.

"Be careful, those water arrows are super corrosive, stronger than concentrated sulfuric acid, but don't be touched..."

Hu Mazi shouted on the shore.

Kai was speechless for a while now. He didn't say it for a long time. Now that his whole body is corroded, he said it.

But at this time, Kai had no way to retreat, he could only snort, the spiritual power of the whole body exploded, and the power of the dragon condensed into a golden dragon, followed by a dragon roar!

Kai's eyes were cold, no matter how powerful these flying fish were, they couldn't stop him from going to the island!

"Go to hell..."

Kai pushed with both palms, and light blue flames roared out.

This is the spirit fire, the spirit fire used by Kai for alchemy. At this moment, he wants to burn all these flying fish to death.

And the condensed golden dragon also rose into the sky, spewing flames from its mouth, and began to attack those flying fish!

Under the double attack of Kai and Jinlong, Feiyu's body burned with flames, and finally fell into the water again!

Kai took this and jumped directly onto the island.

At this moment, Kai is like a beggar, his clothes are corroded and tattered, and there are still many places where blood is flowing.

Fortunately, it was all skin trauma, and it was not a serious problem!

Chapter 1372

Kai went up to the island and looked at the green Yezhi excitedly!

Kai walked over cautiously, for fear that there were other hidden weapons or something.

As he got closer and closer to Qingyezhi, the pure aura became more and more intense. At this time, Chen Pingping felt as if he was in a hot spring, not to mention how comfortable he was.

Just when Kai stretched out his hand to pick the green Yezhi, he heard Hu Mazi roar: "Don't move..."

Kai was stunned and looked at Hu Mazi puzzled.

And Hu Mazi jumped up and stepped on the water with his toes, and then came to the island.

"Can't move, this green Yezhi will wither immediately after leaving the spiritual soil."

Hu Mazi said to Kai.

"Then what should we do?"

Kai asked in surprise.

If you can't take it away, what's the use?

"We can practice again and absorb the aura of Yezhi and the spiritual soil until the aura is completely absorbed..."

Hu Mazi said to Kai.

"What? Are we cultivating here?"

Kai frowned.

"Yes, that's the only way, this Green Yezhi must never leave here."

Hu Mazi nodded.

"How long will it take?" Kai frowned. He still has a lot of things to do. If he practices here for a long time, what about Su Yuqi? What about your own mother?

"I don't know either, but I look at the size of this Green Yezhi. If we both practice at the same time, it will take a month or a half year, and we will definitely be able to absorb clean spiritual energy."

Hu Mazi said.

Kai hesitated for a moment, and finally nodded: "Okay, we'll practice here!"

Chen Pingyuan originally used the Red Lotus Palace for cultivation, but he couldn't stay for too long.

He will stay for a month at most, and he will leave regardless of whether the aura in Green Yezhi can be absorbed or not.

Soon, Kai sat cross-legged with Hu Mazi, turned the exercises far away, and began to practice.

Kyoto Budo Alliance!

Zhu Zhishan's nose is crooked at the moment.

He was extremely angry, and the news that Kai was still alive had reached Kyoto.

Zhu Zhishan suddenly became a laughing stock in the martial arts world!

At first, it was Ning Dahai who lied about killing Kai, and now it is Zhu Zhishan!

And Zhu Zhishan, the leader of the Martial Arts Alliance, even did such a lie.

"Impossible, absolutely impossible, I killed that Kai with my own hands, he is already dead, how could he still be alive..."

Zhu Zhishan roared and threw the things on the table angrily.

"Leader, there are indeed rumors on the martial arts forum that Kai is not dead, and this news was released by the Zhou family in Wancheng, Southwest China."

"Southwest Wancheng? What is Kai doing there?"

Zhu Zhishan frowned slightly.

The elder didn't speak, just shook his head, how could he know where Kai was and what he was doing.

After a moment of contemplation, Zhu Zhishan waved his hand and said, "You can contact me immediately with the Zhou family in Wancheng. I want to ask myself, is Kai an immortal, can he be resurrected from the dead?" The

elder quickly contacted Wan Cheng Zhou's family, Zhu Zhishan personally followed Zhou Tianyin on the phone!

After being confirmed by Zhou Tianyin, Zhu Zhishan had to admit that he was planted in Kai's hands.

As the leader of the Kyoto Martial Arts Alliance, to do such a thing, now the whole martial arts world is ridiculed.

"Then why is Kai not dead? I have already killed him!"

Zhu Zhishan couldn't understand for a while, he had obviously killed Kai, and Kai's entire chest was directly punched through.

At this moment, two people with iron masks walked in. Seeing these two people, Zhu Zhishan's face turned pale instantly.

"Zhu Zhishan, as the leader of the alliance, you actually did something that embarrassed the alliance, and the power was very angry, and you dared to deceive the power, you know the sin..."

One of them said coldly.

Zhu Zhishan's legs trembled in fright, and he almost didn't kneel directly.

"Two law enforcement envoys, I did kill Kai at the time. I definitely didn't lie. Now it's just rumors that Kai is still alive."

"I will investigate immediately. As long as Kai is really alive, I will never let him go. I will definitely take his head and give it to the almighty."

Zhu Zhishan said with trembling all over.

"Hmph, Da Neng is already very dissatisfied, you can do it yourself, you only have this chance..."

After that, the two law enforcement officers turned and left!

After the two law enforcement envoys left, Zhu Zhishan hurriedly went to the slums in the suburbs of Kyoto and went straight to Hu Mazi's residence.

Kyoto, Long Family!

During this period of time, Long Jingguo had a tense expression on his face. After he found out that his son was possessed by a soul, he was not happy.

"Dad, you're right, then Kai is not dead. It seems that I can take revenge myself..."

Long Xiao was very happy when he saw the news that Kai was still alive.

"Xiaoer, Kai's strength is now advancing by leaps and bounds, and even Zhu Zhishan can't kill him, so you must not underestimate the enemy!"

Long Jingguo reminded Long Xiao.

"Dad, don't worry, Kai's strength is growing fast, but I'm not slowing down, but I hope you can help me find some martial arts masters, I need to practice..."

Long Xiao said to Long Jingguo .

Long Jingguo knew what Long Xiao meant. He wanted to absorb other people's skills to improve his own strength.

But in a place like Kyoto, Long Xiao blatantly absorbs the skills of other martial arts masters, which will definitely attract Mr. Shi's attention.

Besides, there was a meeting not long ago, and Mr. Shi specially mentioned this point.

But if Long Xiao wanted to take revenge, the only way was to absorb the skills of others, otherwise he would never even think about killing Kai.

"Okay, this matter can't be rushed, I will find a way to facilitate an experience for you, as long as you get to the place of experience, you can do whatever you want!"

Long Jingguo said lightly.

"Thank you then, my dear father..."

"Hahaha..."

Long Xiao laughed and left!

Long Jingguo, on the other hand, looked embarrassed. If he wanted to promote an experience, the Martial Arts Alliance would definitely not be in the place of experience, and this place needed their Long family to come out!

You must know that the place of experience must be attractive enough. These are all resources of the Long family. Long Jingguo is reluctant to take it out like this!

But for the sake of his son, he had no choice but to go all out now.

Long Jingguo got up and went to contact other families. In order to facilitate this experience, he needed the help of other families.

And it needs to be reviewed by the Martial Arts Alliance. It must be handed over to Mr. Shi for approval. The procedures are very cumbersome!

And there is another important point. Long Jingguo cannot let too important people participate. If all important people participate, they will all die in the place of experience, which will definitely cause turmoil.

Maybe some people will suspect the head of their Long family, so whether it is a place or a candidate, Long Jingguo must be thoughtful.

At this moment, Long Jingguo feels like his head is about to explode...

Three days passed, and Hu Mazi looked at Kai helplessly. He found that he was with Kai and could not cultivate at all.

Chen Pingping was like a powerful water absorbing machine, absorbing all the spiritual energy into his body.

It has only been three days, and Yezhi Qing has withered, and even the spiritual soil on the ground has turned dark brown, without a trace of spiritual energy!

Hu Mazi originally thought it would take at least a month, but now it's only three days, all the spiritual energy in Yezhi and the spiritual soil has been absorbed by Kai!

At this time, Hu Mazi also knew why Kai had such strength at such a young age.

Kai's exercises are too perverted.

At this time, Kai also slowly opened his eyes, looked at the withered Yezhi, and let out a long breath.

A green Yezhi plant and spiritual soil actually raised Kai's Wuhou realm by a level, and now Kai is a second-rank Wuhou.

"Master Hu, how long has it been since then?"

Kai asked when Hu Mazi was staring closely at him.

"Three days..."

Hu Mazi said angrily.

"Three days?" Kai didn't expect that Qing Yezhi's spiritual energy would be gone so quickly: "Can't you cultivate for at least one month?"

"If you are an ordinary immortal cultivator, one month is completely fine, but what kind of exercises have you practiced? Is it too perverted?"

"Just like a water pump, all the spiritual energy was sucked into your body, and I didn't catch anything at all..."

Hu Mazi shouted at Kai.

When Kai heard this, he immediately seemed very embarrassed.

"I'm sorry, I didn't think about it so much. After I go out, I'll pay you some herbs, which can be considered compensation..."

Kai smiled awkwardly.

"You don't have to wait to go out, I'm going to meet the baby later, I want to share a little more..."

Hu Mazi said.

"There are still treasures?"

Kai was surprised: "Isn't this green Yezhi not a treasure? Isn't this a fake tomb? How can there still be treasures?"

Kai thought that this green Yezhi was a treasure. There is nothing else.

"Even if it's a fake tomb, there can't be only this little green Yezhi, otherwise you'll be too underestimated by the real person!"

After Hu Mazi finished speaking, he jumped up and walked towards the shore.

Kai followed closely and was very excited.

Unexpectedly, there are still treasures in this fake tomb.

"These seven stars swallow the sun, and the rest of the seven stars are insignificant. This is the most important thing, without a doubt, is the last "swallowing the sun".

"This mausoleum is not a real mausoleum, but only seven false tombs. one of them. "

"But the treasure inside is not something that can be passed away by a single green Yezhi. In the final pattern, there is a big treasure!" "

Hu Mazi explained to Kai.

A spirit grass like Green Yezhi is nothing in this fake tomb. If the real tomb is found, wouldn't the treasures in it be even more heaven-defying?

Kai thought to himself. If there is a chance, he must find this real tomb.

But if it is to find the real tomb, I am afraid it will be even more difficult.

But even if this is a fake tomb, the pattern of swallowing the sun in the end is still called Kai was more looking forward to it.

Hu Mazi took Kai to walk in the tomb. The tomb was very large, and even the well-informed Hu Mazi was shocked

. The big mausoleum.

On this way, Hu Mazi ignored the rest of the place, didn't even look at it, as if he had a clear purpose, and went straight to the next place, which made Kai a little puzzled.

Kai couldn't help but asked Hu Mazi.

"Just follow me..."

After Hu Mazi finished speaking, he took out a compass the size of a palm, and then dropped a drop of blood on the compass!

Then the compass trembled wildly, the pointer turned rapidly, and finally stayed in one direction.

Hu Mazi walked forward according to the instructions of the compass.

Seeing this, Kai could only follow closely behind him, and exuding divine consciousness, he was very vigilant.

In one breath, he passed through six or seven stone caves, and finally came to a square, Kai's pupils shrank slightly.

In front of it is an entrance, and at this entrance, there is obviously a huge force of restraint.

Seeing this entrance, Hu Mazi's eyes flashed with light, and he said in a low voice, "It should be here."

"Have you found a place?"

Kai asked excitedly.

Hu Mazi nodded: "This place should be the terrain that swallows the sun."

Hearing Hu Mazi say this, Kai clenched his fingers slightly and was very excited.

Kai was very excited to find such a tomb.

He didn't know what kind of treasure he could find here, but he also didn't know what danger he encountered.

In such a tomb, it is impossible to have no restrictions.

But facing the baby here, Qing Yezhi must be much stronger.

Hu Mazi nodded and walked in first, letting Kai follow closely, not to move.

After entering this grotto, Hu Mazi put his hands behind his back, not in a hurry, but looked at it carefully, it really is the pattern of seven stars swallowing the sun, and the last frame is "Sun"

A rather majestic grotto, with carved beams and painted buildings on both sides, some gods, none of them have ever seen.

This row of divine residences went straight to the front, until they reached the most spectacular peak.

Ninety-nine layers of jade steps, at the top of the jade steps, is a white marble seat.

The rest, empty, with nothing.

But this throne is shrouded in a very strong restraining force, and people who are idle can't get on it.

This road to the seat, it seems that it is not so easy to get up.

"This? There's nothing here? Where is the baby?"

Kai glanced at it and asked in disappointment.

And that Flax had eyes wide open, staring at the seat above.

"Seven stars swallowing the sun, the tomb of the real person, there must be treasures on this seat!"

Hu Mazi's voice trembled with excitement.

Hu Mazi seemed to have lost his mind at the moment, his eyes were shining, and he ran directly towards the throne.

But just after taking a step, Hu Mazi's body suddenly felt a terrifying force pressing towards him.

Hu Mazi's heart sank, and then he took out a spell and drew it on it instantly.

"Light Wind Spell..."

Hu Mazi put the spell on her body, and suddenly Hu Mazi's body became incomparably light, and the terrifying oppression just now disappeared.

Hu Mazi walked up quickly, but just after taking a few steps, a terrifying force came again.

Hu Mazi didn't pay attention, and was instantly pressed down on one knee, and cracks appeared on the steps on the ground!

And the spell on Hu Mazi also instantly ignited fire, and finally turned into ashes!

Hu Mazi only felt that there was a heavy burden on her body, and she couldn't stand up straight.

However, Hu Mazi gritted his teeth and stood up, and finally took a step up again!

But just after this step was taken, another terrifying force struck, and Hu Mazi couldn't stand still, and was instantly thrown away by this force.

Hu Mazi's body fell heavily on the ground, but luckily it was not high, and Hu Mazi fell to the ground, spitting out a mouthful of blood.

Chapter 1376 Nothing

"Master Hu..."

Kai stepped forward and helped Hu Mazi up.

"This... this forbidden power is too terrifying..."

Hu Mazi's face became extremely ugly.

"You rest, I'm going up to see..."

Kai said, he was about to walk up the steps!

Hu Mazi hurriedly stopped Kai, and then put a spell on Kai's body.

"You have to be careful, the more you go above, the stronger the power of the taboo will be, if you can't do it, you will step back!"

"No matter how important your baby is, your life is still important..."

Hu Mazi told Kai.

Kai nodded at him solemnly, then took a deep breath and stepped on it.

The golden light flickered on Kai's body, and the undamaged golden body activated, resisting the oppression of that terrifying force.

With the improvement of Kai's strength, the golden light of Kai's undamaged golden body flickered even more dazzlingly.

Hu Mazi looked at Kai nervously. He didn't know whether Kai's strength could reach the end!

Kai had a spell on his body and added the resistance of his golden body, so Kai walked very easily at first, and his pace was fast.

Later, Kai's speed became faster and faster, as if this forbidden power had no effect on Kai!

"Evil, what a monster..."

Looking at Kai's back, Hu Mazi sighed for a while!

However, when Kai was halfway out of the steps, the speed instantly slowed down.

Moreover, his legs began to tremble, his forehead was covered in cold sweat, and it was extremely difficult to walk.

boom!

Suddenly, the spell on Kai's body instantly burst into flames and turned into ashes!

On the other hand, Kai gritted his teeth and continued to move upwards.

Sixtieth grade, seventieth grade.....

Kai's waist bent down, and every step he took could leave a deep footprint on the steps!

At this moment, Kai felt that a mountain was pressing on him, making him breathless.

However, Kai did not stop, he was still insisting, gritted his teeth and insisted.

The 80th order, the 90th order.....

The golden light on Kai's body was dim, and the undamaged golden body also shattered and disappeared. Kai's tight muscles were exposed, and he was under enormous pressure.

There are still the last nine steps left, but Kai feels like his whole body is about to be crushed.

The eyes were full of blood, and they all started to protrude!

The sweat from the skin also turned red, and it was mixed with blood.

At this moment, Kai was shaking very badly, and every step he took seemed to cost half his life!

"Kai, come down if you really can't..."

Seeing this, Hu Mazi hurriedly yelled at Kai.

However, Kai still gritted his teeth and walked up as if he hadn't heard it.

Blood began to flow on the ground, leaving a long bloodstain behind Kai!

"Ah..." At the

last step, Kai felt that the blood all over his body was boiling, and his blood vessels were about to burst.

With a hard roar, all the spiritual power was released by Kai.

Suddenly, Kai rushed forward and fell directly to the top of the top!

In an instant, all the pressure disappeared, and the muscles on Kai's body began to contract rapidly because of the sudden loss of pressure.

Lying on it, Kai gasped for cheesy.

After a while, Kai slowly got up and looked at the white marble seat above, only to see two lifelike dragons carved on the seat, and nothing else.

And this seat is still integrated with the steps, and it is impossible to carry it away.

"Kai, is there any treasure on it?"

Seeing Kai standing up, Hu Mazi hurriedly asked Kai loudly.

Kai shook his head: "There is nothing, there is this seat..."

"No, this is the last door of life, there should be treasures."

Seeing that Kai was fine, Hu Mazi looked around and found that the white marble seat was the only one, and nothing else was there.

"It's really weird. Could it be that there is something special about this white marble seat..."

Hu Mazi said, and sat directly on it.

"Don't sit..."

Kai shouted, trying to stop Hu Mazi.

"Kai, you just sat on it, what happened?"

Hu Mazi asked Kai.

Kai didn't want to hide Hu Mazi, so he told Hu Mazi what he had seen.

This shocked Hu Mazi for a moment.

"I look at your sword..."

Hu Mazi had never heard of such a thing.

Kai gave Hu Mazi the Dragon Slaying Sword in his hand, and Hu Mazi ended up slaying the Dragon Sword, but the Dragon Slaying Sword made a humming sound, and Hu Mazi threw it out of his hand in an instant.

"Damn, how can this sword be hot? It's too hot..."

Hu Mazi said in surprise.

Kai was stunned for a moment, picked up the Dragon Slaying Sword, and did not find anything unusual about the Dragon Slaying Sword.

"Isn't it hot?"

Kai handed the Dragon Slaying Sword to Hu Mazi again.

But this time, Hu Mazi didn't dare to pick it up, and waved his hand: "Forget it, it seems that you are lucky, I didn't get anything this time..."

Zhou Tianyin looked at Ji Ruxue and roared like thunder.

"Kai... he's not here anymore!"

Ji Ruxue said tremblingly.

"You fart, I have already sent someone to watch your Red Lotus Palace, then Kai never left..."

Zhou Tianyin glared: "You better let that Kai come out immediately, or I will pacify you all. Red Lotus Palace!"

Where did Ji Ruxue go to call out Kai now, she didn't know what happened to Kai now.

"Hmph, you're still playing tricks with me..."

Zhou Tianyin snorted coldly, and then came to Ji Ruxue in a flash.

Reaching out and directly pinching Ji Ruxue's neck, Ji Ruxue suddenly felt difficulty breathing, and her face flushed.

"Let go of my sister..."

Seeing this, Xiaomin didn't know where the courage came from, so she stepped forward and slapped Zhou Tianyin.

A cold light flashed in Zhou Tianyin's eyes, and with a wave of his hand, Xiaomin was swept away.

Xiaomin vomited blood and fell to the ground!

"Xiaomi..."

Ji Ruxue hurriedly shouted when she saw this.

Kai said indifferently and in a calm tone.
