Perhaps in the near future, Kai will be the most dazzling star in the martial arts world and even the immortal world!

"What else is there? Let's use it!"

Kai's eyes showed disdain, the corners of his mouth rose slightly, and his mockery was very obvious.

Zhou Tianyin was about to die of anger. He had been obsessed with martial arts all his life, but he didn't want to be so contemptuous by a boy who didn't grow all his hair today!

"You don't have to be complacent, I'll let you know how good I am today..."

"Breaking Soul Palm!"

After saying that, Zhou Tianyin let out a loud shout, and then he seemed to be enveloped by a black smoke!

Seeing this, Kai knew that this guy was using evil power again.

I saw that Zhou Tianyin's hands instantly became extremely dark, looking like a ghost, extremely terrifying!

Seeing that Kai dared to follow his Soul Breaking Palm, Zhou Tianyin couldn't help but hook Put on a smile!

Zhou Tianyin's body was instantly knocked out, and his body was black, even his face was black.

Pfft...

Zhou Tianyin vomited out a mouthful of black blood.

"You...you..."

Zhou Tianyin pointed at Kai with surprise in his eyes.

He suddenly found that in front of Kai, he had no power to fight back.

This sudden gap made Zhou Tianyin unable to accept it at all.

A person who was easily hanged and beaten a few days ago will be beaten without any ability to fight back in just a few days. Such a result is difficult for anyone to accept.

"You evil cultivator, I want you to suffer

the consequences..." Kai said coldly.

"Master..." The

servants of the Zhou family also panicked and hurriedly gathered around.

Zhou Tianyin stared at Kai, his eyes burning with anger.

"Kai, this Broken Soul Palm was trained by me, do you think the poison of Broken Soul Palm can kill me?"

Zhou Tianyin finished speaking, and red light flashed on his palms!

He even slapped his belly fiercely!

Three palms were shot in a row, and then a mouthful of black blood was spit out.

Seeing that Zhou Tianyin had forced the poison out himself, Kai was a little surprised.

"Since the poison won't kill you, then I will kill you. With one move, I only need one move to kill you..."

Kai looked at Zhou Tianyin with a dignified expression!

"Fart, you are too arrogant, I want to see how you kill me with one move..."

Zhou Tianyin scolded angrily, then bit the tip of his tongue fiercely, and instantly spurted a mouthful of blood from his mouth!

"The mountains are overwhelming..."

Zhou Tianyin twisted his body and sat on the waist, and suddenly pushed out with a palm!

Rumbling...

There was a gap in the ground in an instant, and then countless rocks mixed with violent force were crushed towards Kai.

Like a tsunami, destroying everything in front of you!

The unparalleled power seems to crush Kai!

The corner of Kai's mouth raised slightly, then he turned his right hand outwards, spreading his five fingers: "I have a sword that can slash everything in the world..."

In the shocked eyes of everyone, Kai's Dragon Slaying Sword flashed out, and the body of the Dragon Slaying Sword shone with a gray light.

As soon as the Dragon Slaying Sword came out, the domineering power of Kai became even stronger!

I saw the slashing dragon sword and the light of the sword, making bursts of buzzing sounds.

"Death to me..."

Kai snorted softly, then slashed out with his sword.

The sword qi rose to the sky, like a broken bamboo!

In an instant, the shock waves in front of him were shattered, and the sword energy instantly reached Zhou Tianyin.

Zhou Tianyin's eyes were wide open, and an egg could be stuffed into his mouth.

"This...is this a spirit sword?"

Zhou Tianyin said in shock, his heart pounding, and his whole body felt cold!

As soon as the Dragon Slaying Sword in Kai's hand came out, Zhou Tianyin knew that he was finished.

On the body of the Dragon Slaying Sword, the gray light gives people a soul-stirring feeling!

Zhou Tianyin was frightened, he wanted to ask for forgiveness...

Pfft...

The blood splashed, and I saw the sword qi across Zhou Tianyin's neck, and then Zhou Tianyin's head just flew up in an instant.

The body fell to the ground with a thud!

The head rolled down in front of the Zhou family's servants.

All the servants of the Zhou family watched in disbelief.

One move, indeed one move!

Cut off Zhou Tianyin's head in one move!

Everyone in the Zhou family is stupid!

In their hearts, they have always been obsessed with martial arts, a powerful family owner!

At this moment, he was cut off his head in an instant!

This kind of spiritual shock made many Zhou family servants immediately frightened!

Soon, the people of the Zhou family knelt down and begged for mercy!

Kai put away the Dragon Slaying Sword and did not kill these Zhou family servants.

These people were grateful to Dade, cleaned up Zhou Tianyin's body, and fled in an instant!

After the Zhou family left, it took a long time for Ji Ruxue and the others to come back to their senses.

"Brother Kai, you...you're so good, I don't even know how to praise you..."

Xiaomin looked at Kai with admiration on her face, her face full of excitement!

"If you practice hard, you will be as good as me in the future..."

Kai smiled lightly!

"Evil, you really are a monster..."

Hu Mazi said with a sigh while looking at Kai.

Ji Ruxue didn't speak, but with the tenderness in her eyes, she looked at Kai unabashedly.

Feeling Ji Ruxue's gaze, Kai seemed a little helpless and embarrassed!

Seeing this, Hu Mazi smiled faintly!

.....

The news of Kai killing Zhou Tianyin spread on the Martial Arts Forum in a very short time!

Everyone was surprised by Kai's strength, the speed of growth was so fast!

Among these people, the one who was most surprised was Zhu Zhishan, who was on the way to Wancheng in the southwest at this time.

He was going to kill Kai, but now such news broke out, making Zhu Zhishan a bit of a dilemma for a while.

Zhu Zhishan gently stroked the ball with one hand, and soon a picture appeared on the ball!

In the picture, a man shrouded in a black robe sat cross-legged in the middle, and around him, several corpses were floating in the air.

The man in black robe was closing his eyes slightly, but at this moment he suddenly opened it and raised his head slightly!

"I wish the alliance leader, what's the matter with me?" The man in

black robe said slowly.

"Seven Fiend Lord, that Kai is still alive, he killed your disciple, don't you want to avenge him? I can tell you the address now!"

"This time you don't send your puppet corpse, those who didn't The thoughtful guy can't kill Kai at all!"

Zhu Zhishan said to the man in black robe.

It turned out that the man in black robe was the leader of the Blood Corpse Sect, Qisha Xingjun.

The man and woman that Kai killed in Kyoto were the disciples of the Seven Devils!

"Tell me the address..."

Qisha Xingjun stood up abruptly.

And the corpses floating around all fell to the ground one after another.

"He is in Wancheng in the southwest now, but he probably won't stay for long. You have to speed up!"

Zhu Zhishan said lightly.

"Hmph, even if he escapes to the ends of the earth, I will kill him with my own hands!"

Qisha Xingjun snorted coldly, and then with a wave of the black robe, the picture disappeared.

Zhu Zhishan's mouth curled into a smile, and then he put the ball into his arms.

"Leader, that Kai killed even Zhou Tianyin. You asked the Seven Devils to kill Kai, does he have that ability?"

The elder beside Zhu Zhishan asked suspiciously.

Although the seven evil star kings are very strong in refining corpses, especially in terms of spiritual power, their strength is not strong.

It would be very difficult for him to kill Kai!

"I didn't intend to let the Seven Evil Stars kill Kai. Now that Kai's strength is unfathomable, I always have to find someone to explore the way.

"No one is invincible, as long as he can hurt Kai a little bit!"

"If we go to kill that Kai, it will naturally be easier..."

Zhu Zhishan said with a sneer.

The elders on the side understood in an instant, that the mountain of love is to let the Seven Evil Stars become cannon fodder.

.....

Red Lotus Palace!

Ji Ruxue and Xiaomin reluctantly saw Kai off in front of the palace gate!

"Brother Kai, will you really come back to see us?"

Xiaomin bit her lip and asked with reluctance in her eyes.

"Of course, I will definitely come when I have time..."

Kai smiled slightly.

"But, but we don't have what you need here, will you come back?" What

Xiaomin said was the cave, and the reason why Kai came back was because of the cave.

Now that the cave has collapsed, and the entire Red Lotus Palace seems to have nothing that Kai is attached to, will Kai come back?

"I said yes, I will definitely, when I come back, I will take you to play in Kyoto..."

Kai said to Xiaomin with a face of assurance.

He has no choice but to go back to the capital. Now Kai has the strength to fight Zhu Zhishan, so he has to go back and follow Zhu Zhishan to understand the grievances and rescue Su Yuqi.

Xiaomin stopped talking, but stretched out her little finger.

Seeing this, Kai smiled immediately, and then followed Xiaomin to pull the hook!

Ji Ruxue didn't speak the whole time, but her big watery eyes seemed to have already said what she should say.

Kai could see what Ji Ruxue wanted to say in her eyes!

After saying goodbye to Ji Ruxue and Xiaomin, Kai followed Hu Mazi on the way back to Kyoto!

After leaving the boundary of Wancheng, Hu Mazi stopped.

"Master Hu, why didn't you leave?"

Kai asked in surprise.

Hu Mazi glanced at Kai and said.

Kai said with an embarrassed smile: "No problem, I will define when Master Hu can use me!"

After the two parted ways, Kai rushed towards the capital.

Just when Kai passed a small forest, his pace suddenly slowed down.

Because he felt an indescribable gloomy feeling!

It's broad daylight, and the sun is shining, so it shouldn't feel like this.

But as soon as he walked into the grove, Kai felt that the surrounding temperature had dropped a lot.

The whole body's spiritual power was mobilized by Kai, and then walked forward cautiously.

But just as Kai was not far away, he saw a sudden dark fog in front of him!

In an instant, the black fog drowned the entire grove in it.

Seeing this scene, Kai knew that someone must be ambushing him here.

The black mist that suddenly appeared, as if spiritual, began to surround Kai, and finally wrapped Kai directly.

A shrill scream emanated from the black fog, and this scream, with great penetrating power, went straight to the depths of Kai's mind.

This is a kind of mental attack, it seems to want to defeat Kai's consciousness and make Kai a fool.

Kai stood there, motionless, as if frightened by the shrill screams.

Seeing that Kai didn't move or struggle, Qisha Xingjun walked out slowly in a black robe.

Qisha Xingjun looked at Kai who was motionless, and the corner of his mouth raised: "Such a powerful guy, if he is made into a puppet corpse, he will be a good helper..."

Qishaxingjun waved his hand, and the black mist on Kai's body slowed down. It slowly dissipated, and the shrill screams disappeared, only to see Kai's eyes blank, standing motionless!

Qisha Xingjun walked in front of Kai, and then pointed with two fingers, a golden light instantly disappeared into Kai's head!

Immediately afterwards, a black mist began to rise above the palm of Qisha Xingjun, and he slowly patted his palm towards Kai's head.

To practice puppet corpse, you must first cut off your thoughts. The golden light just now cut off the thoughts in Kai's mind.

"Stop..."

Just when Qisha Xingjun started to attack Kai, he was suddenly stopped by someone.

I saw two figures walking out slowly.

Qisha Xingjun frowned and instantly became vigilant, but when he saw someone coming, he instantly let go of his vigilance!

It turned out that these two were the elders of Zhu Zhishan following the Martial Arts Alliance!

"I wish the alliance leader, why are you here?"

Qisha Xingjun asked curiously.

"I also came for this Kai..."

Zhu Zhishan smiled coldly as he looked at Kai who was standing still.

"I wish the alliance leader, you all said that Kai is very good, and he is very talented, and he was restrained by me at once."

"Look, you are like a fool now, and he will do whatever I ask him to do now. "..."

Qisha Xingjun said proudly.

Zhu Zhishan was at a loss for words when he was said by Qisha Xingjun!

This was far beyond his expectations.

"Seven Evil Star Lord, this Kai's strength is indeed not low, but he may be relatively weak in spiritual power, so he can't withstand the attack of Qi Evil Xingjun's spiritual power, so he has become demented!"

The elder of the martial arts alliance hurriedly said. explained.

"Yes, this Kai should be too weak in spirit. After all, a person with extraordinary talent is not without flaws..."

Zhu Zhishan also quickly echoed.

Qisha Xingjun snorted coldly, he believed that Kai's strength had always been a myth by others.

Zhu Zhishan hurriedly said to Qi Evil Star Lord.

"Why? Don't you want this Kai to die?"

"I wish the alliance leader, this Kai was surrendered by me, so how to deal with this Kai, I should have the final say, such a good corpse refining material, just one word, let me give it to you in vain?"

"Jun looked at Zhu Zhishan very displeased and said.

Zhu Zhishan frowned, he didn't expect Qisha Xingjun to contradict him and disobey his orders!

"Seven Fiend Lord, don't forget your identity, but I have a demon reincarnation here..."

Seeing Zhu Zhishan mention the magic order, Qisha Xingjun opened his mouth, but didn't say a word.

Although his face was full of dissatisfaction, he didn't dare to bump into the top of Zhu Zhi's top.

Seeing that Qisha Xingjun was not talking, Zhu Zhishan smiled with satisfaction: "Don't worry, I will find a way to send you a few Marquis, let you refine the corpse, and also let people give you blood. The corpse sect sent a large amount of resources over."

Zhu Zhishan is doing both kindness and power, and he knows that with his own strength, if there is no magic order, no one of these evil cultivators will listen to him.

"Then I would like to thank the Alliance Leader Zhu..."

Seeing that Zhu Zhishan had promised benefits, the Qisha Xingjun showed a satisfied expression.

But at this moment, Kai, who had been staring blankly and looked like a corpse, suddenly laughed.

"Is my head so easy to take away?"

Kai said with a playful look.

Kai suddenly spoke, causing Zhu Zhishan to follow Qisha Xingjun suddenly.

The two hurriedly turned to look at Kai, and found that Kai's eyes were bright at this time, he was a normal person, and there was no sign of being controlled.

Zhu Zhishan looked at Qisha Xingjun suspiciously: "What's going on?"

Qishaxing Jun Yue was full of confusion, and then suddenly waved his hands: "It may be that this kid's mental power broke through the shackles and let me in Come..."

After saying that, a black mist waved out from the hands of Qisha Xingjun, and instantly wrapped Kai in it again.

A shrill scream resounded again.

Zhu Zhishan and the elder hurriedly covered their ears. They all felt a wave of mental instability when they heard the screams with a mental attack.

"Hmph, do you really think that this mere evil spirit technique can control me? It's so naive."

Kai snorted coldly and suddenly opened his mouth!

The black mist surrounding Kai was instantly sucked into the body by Kai.

Until all the black mist was absorbed, Kai wiped his mouth with satisfaction.

Chapter 1386

"These evil spirits are good things, but they can't be wasted..."

Kai smiled lightly at the Seven Evil Stars.

This time, Qisha Xingjun was dumbfounded.

These evil spirits are highly poisonous, and they also attack with terrifying spiritual power, but Kai seemed to be nothing, and even sucked these evil spirits into his body.

"This...this...how is this possible?"

Qisha Xingjun was dumbfounded, his face full of disbelief!

"Seven Evil Star Lord, is this your ability?"

Zhu Zhishan asked Qi Evil Star Lord with a dissatisfied face.

At this moment, the Seven Evil Stars can't figure out what kind of exercises Kai is practicing, and he has no response to his own mental power attack!

After Qisha Xingjun finished speaking, he took out a porcelain bottle, and then suddenly poured it into his mouth!

In an instant, the bloody smell came out, and it turned out to be human blood!

I saw human blood flowing down the corners of Qisha Xingjun's mouth, looking very terrifying.

After the blood was in his stomach, the aura on Qisha Xingjun became very terrifying!

It was as if a person had changed, and even the breath on his body had changed.

Seeing this, Kai frowned, and the murderous aura rose from his body: "Xie Xiu, damn..."

"I think it's you..."

Qisha Xingjun wrapped his hands around the black mist, growled lowly, and directed towards him. Attacked by Kai!

The air is full of the sound of breaking the sky, and the mouth of the Seven Evil Stars also emits a sound similar to a sharp whistle!

This kind of sound is so penetrating that it seems to shatter one's eardrums!

Chen Jing stood quietly, staring at Qisha Xingjun with cold eyes.

Just after Qisha Xingjun arrived in front of him, Kai slapped it with a palm.

Kai's body exudes a soft white light!

Boom...

A sound like thunder on a sunny day, followed by a flash of white light!

Qisha Xingjun's body flew out in an instant, and black mist continued to emerge from his body, and then these black mists rose into the sky and disappeared without a trace in an instant!

At this moment, his whole body was covered by the white light, and the whole person seemed to be in the raging flames.

In the end, Qisha Xingjun completely lost his voice, and Qisha Xingjun's whole body has been curled up into a ball, and the skeletal muscles on his body have also contracted to the limit!

The Seven Evil Star Lord died, and the death was very miserable...

Looking at the tragic death of the Seven Evil Star Lord, Zhu Zhishan's face changed and changed, I don't know if it was anger or fear!

As for the elder beside Zhu Zhishan, his eyes were full of horror, and he didn't dare to look directly at Kai!

"It's your turn now..." Kai looked at Zhu

Zhishan coldly after killing Qisha Xingjun: "I wanted to go to Kyoto to find you, but I didn't want you to come to the door yourself!"

Zhishan took his eyes away from Qisha Xingjun, and then looked at Kai coldly: "It's not certain who will die today, don't be too arrogant!"

After speaking, Zhu Zhishan began to shine. Flickering, the body is also slowly floating.

He knew that in today's battle, he had to go all out, so Zhu Zhishan mobilized all the breath from the beginning.

Seeing this, Kai did not dare to take it too lightly. His body was full of golden light, and his undamaged golden body was activated, and pieces of dazzling scales covered Kai's whole body.

The power of the dragon in the body was also mobilized by Kai.

Kai has increased his strength so quickly in a short period of time, and he has clearly pierced his chest, but Kai is still alive and well, so Zhu Zhishan has some doubts.

Seeing Zhu Zhishan talking about immortal cultivators, Kai's expression changed slightly, but he did not answer Zhu Zhishan.

Neither said yes nor said no!

Instead, he said coldly: "Stop talking nonsense, if you want to kill me, just do it..."

Zhu Zhishan finished speaking, his eyes flickered, and then on Zhu Zhishan's chest, a black-gold light began to flicker.

This light came from the ball in Zhu Zhishan's arms.

Soon, Zhu Zhishan also seemed to be wearing a layer of armor, and this layer of armor shone with black and golden light, and was surrounded by black mist with traces of black mist!

Kai's eyes narrowed slightly: "I didn't expect your dignified martial arts alliance leader to practice evil arts, and you are an evil cultivator. It seems that the entire martial arts alliance has already become the home of evil cultivators..."

Zhu Zhishan did not speak, but stared at Kai with murderous expression.

Chapter 1388

But at this time, the elder of the Martial Arts Alliance on the side was surprised when he saw Zhu Zhishan's sudden appearance of armor.

He didn't expect that their alliance leader turned out to be an evil cultivator.

The evil spirit entwined on this armor, he could feel it from a long distance.

The elder looked at Zhu Zhishan incredulously, his eyes were full of disbelief, then turned around and ran directly into the distance.

Although Zhu Zhishan is the leader of the alliance, he is also an evil cultivator at this moment. This elder is not willing to work for evil cultivators!

"Humph..."

Zhu Zhishan snorted coldly, and then slapped the elder who escaped with a palm.

A black qi shot out from Zhu Zhishan's palm in an instant, directly penetrating the elder's back!

"If you know my secret, you will die..."

After Zhu Zhishan killed the elder, he narrowed his eyes and looked at Kai.

Both of them were breathing heavily, and Zhu Zhishan's forehead was still full of cold sweat!

It can be seen that the confrontation just now caused a huge consumption of his physical strength.

"Today I will definitely give you a taste of your frustration..."

Kai said coldly, looking at Zhu Zhishan, who was gasping for breath.

But just as Kai finished speaking, Zhu Zhishan laughed.

"Kai, you are too arrogant. It's not a good thing to be so arrogant at such a young age. Even if you are an immortal cultivator, what can you do? I will kill you today..."

Zhu Zhishan laughed and tightened his grip. Then there was another black light flashing on his chest, and soon the broken armor on Zhu Zhishan's body actually wrapped his whole body again.

Kai was very surprised to see that the Mountain of Zhu had the ability to regenerate armor!

"Kai, are you surprised?" Zhu Zhishan looked at Kai with a sneer: "I can tell you that my armor doesn't need to cost me a bit of energy. If you have the ability to break it, I can make it happen. He reborn."

"I want to see how much strength you still have to break my armor..."

After that, Zhu Zhishan jumped up high and slammed a punch at Kai.

Kai frowned, his right hand clenched his fist, and golden light flashed above his fist!

He punched him fiercely, and the terrifying power exploded in an instant.

Zhu Zhishan's body instantly retreated a few steps, and Kai also retreated one after another, after taking a dozen steps back, only then did he stabilize his figure.

Seeing this scene, Zhu Zhishan finally had confidence on his face.

"Kai, I want to taste the taste of being abused, but unfortunately you don't have that ability..."

Zhu Zhishan said with a playful expression.

Kai snorted coldly, jumped up, and then waved the Dragon Slaying Sword in his hand again.

"Nine Shadow Swordsmanship, the second sword..."

A white ray of sword training shot out from the Dragon Slaying Sword, heading straight towards the escaped Zhu Zhishan.

Although Zhu Zhishan turned his back to Kai, he still felt the danger. He didn't dare to look back, so he could only jump to the side desperately!

Pfft.....

Zhu Zhishan escaped the fatal blow, but the sword beam passed through Zhu Zhishan's left arm and chopped off Zhu Zhishan's left arm at once.

Blood spurted out, and Zhu Zhishan frowned in pain!

It's just that he didn't dare to stop in the slightest, and he didn't even have time to stop the bleeding. He jumped up a few times and disappeared into the woods!

Kai caught up and looked at the left arm that fell to the ground, with murderous intent in his eyes!

"Hmph, even if I catch up to your capital, I will cut you under the sword..."

A light blue flame flashed on Kai's palm, and then he waved his hand and burned Zhu Zhishan's left arm. clean!

You must know that if you lose an arm, Zhu Zhishan's strength will be greatly reduced!

Now he is no longer Kai's opponent, let alone Kai, I am afraid that it is a bit difficult to deal with a half-step Marquis.

"Kai, if this revenge is not repaid, I swear not to be a human being..."

Zhu Zhishan roared out angrily.

Slowly getting up, Zhu Zhishan looked at the direction of Kyoto, but he did not go towards Kyoto.

He knew that going back to Kyoto was just a dead end.

If he wants to take revenge now, if he wants to kill Kai, he must find a helper!

After a moment of contemplation, Zhu Zhishan turned back and headed towards the south.

Not far from here to the south is the endless sea!

Zhu Zhishan got on a boat and sailed to the depths of the sea!

But just as Kai was about to walk into the Martial Arts Alliance, he was suddenly tapped on the shoulder.

Kai suddenly returned his hand and slapped it with one palm. When he saw the person who slapped himself, he stopped immediately!

The wind whistled, and although Kai stopped in time, he still made the other party feel the burning pain in his skin!

"Kai, your kid is really strong!"

Xing Jun rubbed his face and said to Kai.

"Captain Xing, what are you doing here?"

Kai asked strangely.

"Of course I came to find you. Mr. Shi had long expected that you would enter the Martial Arts Alliance again, so let me take you back..."

Xing Jun said.

"How did Mr. Shi know that I have returned to the capital?"

Kai frowned slightly, but soon said firmly: "I won't go back, I have to rescue my girlfriend..."

Looking at Kai's firm appearance, Xing Jun said helplessly: "Mr. Shi knows that you will definitely be stubborn, so let me tell you, if you are in the martial arts alliance this time, you will definitely die, don't think that you are immortal, A lot of people know about your little secret!"

Kai was stunned and looked at Xing Jun in disbelief. This kind of look made Xing Jun look at him!

"Don't look at me like this, this is what Mr. Shi asked me to tell you, what secrets do you have, I don't know..."

Xing Jun quickly waved his hand and said.

Kai did not speak, his heart was extremely shocked, and now he began to doubt Mr. Shi's identity.

Could it be that Mr. Shi is also a powerful immortal cultivator?

I am now a cultivator in the Nascent Soul Realm. Is this realm not worth mentioning in Mr. Shi's eyes?

Kai can't understand, and even more can't understand why Mr. Shi did this!

After a while, Kai nodded and agreed to leave with Xing Jun!

When leaving, Kai looked back at the Martial Arts Alliance: "Yuqi, don't worry, I will rescue you sooner or later."

Kai followed Xing Jun to a seemingly ordinary courtyard!

Kai was a little puzzled. Usually, when he sees Mr. Shi, he is always in the Guardian Pavilion. How could he come to such a place this time?

"Captain Xing, what are you bringing me here for?"

Kai asked in confusion.

"Of course I want you to meet Mr. Shi..."

Xing Jun replied.

Kai didn't ask anything, and followed Xing Jun into the room.

Walking into the room, Kai felt that this ordinary courtyard house was not simple, because he felt that the surrounding courtyard was full of breath, and there were a lot of hidden organs and formations!

This should be where Mr. Shi lives and works. This is the first time Kai has come here.

"Kai, sit down first, Mr. Shi will be here soon..."

Xing Jun poured a cup of tea for Kai and said.

"Thank you, Captain Xing..."

Kai quickly got the teacup and followed Xing Jun to thank him.

Xing Jun gave Kai a meaningful look, then walked out of the room and closed the door by the way.

But just as Xing Jun closed the door, the house suddenly trembled, and then he heard a rumbling sound.

Kai frowned, then his face changed greatly, and he suddenly got up and rushed out of the room.

But just rushed to the door, but saw an iron gate, which instantly sealed the door.

Then a faint white light appeared all around, like a light curtain, shutting Kai in the room.

Seeing this, Kai suddenly raised his hand and patted it.

boom!

With an explosion, Kai's body was instantly bounced back.

Only then did Kai discover that the entire room was set up with taboos, and he couldn't rush out at all.

A man like none other and the man decree (chinese) Chapter 1391-1392

Chapter 1391

"Xing Jun, what do you mean?"

Kai roared angrily, then he held the Dragon Sword in his hand, and then slashed towards the iron gate in front of him fiercely.

clang!

The huge sound was deafening, but the terrifying counterattack made Kai retreat again and again, and the tiger's mouth was numb.

This terrifying sword only cut a small gap in the iron gate.

Kai saw that there was a gap in the iron gate, so he slashed with his sword again!

Dangdangdang.....

Another roar sounded, and there were many small gaps above the iron gate, but at this time Kai's tiger's mouth was already dripping with blood.

The entire house, under Kai's desperate slashing, kept shaking.

Xing Jun stood in the yard, looking at the constantly shaking house, listening to Kai's roar, his face became a little unbearable!

At this time, Mr. Shi's figure slowly appeared and stood beside Xing Jun.

"Mr. Shi, we are..."

Xing Jun didn't understand what Mr. Shi was doing and why he wanted to arrest Kai.

"Don't let him out without my order..."

Mr. Shi didn't explain, and after coldly put down a sentence, he turned around and left.

Xing Jun sighed and finally turned around and left here.

At this time, Kai was still slashing desperately, even if his mouth was full of blood, he did not give up.

In the end, the spiritual power in Kai's body was completely depleted, he could no longer slash a sword, and Kai slumped on the ground.

"Why? Why..."

Kai roared, he wanted to know why, why he locked himself up.

Just when Kai was very depressed, he suddenly remembered that he still had the Qiankun Circle, a time-space magic tool that could allow him to escape from here.

Kai hurriedly took out the Qiankun circle from the storage ring and hurriedly threw it in the air.

But the space-time black hole did not appear, and the Qiankun circle fell to the ground, making a crisp sound.

"This... This forbidden power, I can't even use this time-space magic tool..."

Kai sat down helplessly again, with a look of frustration!

On both sides of the hall, there are more than a dozen people wearing black robes, and these people all hide themselves under black robes!

Because of the black robes, the faces of these people could not be seen at all. There was a circular pattern in the middle of the black robes worn by these people, and these patterns were distinguished by color.

Some black robes are bronze in the middle, some are silver-gray, and some are golden yellow. Each color represents the different strength and status of the black robes.

"Where did that waste from Zhuzhishan go?"

asked the great power sitting on the master's seat coldly.

"Da Neng, Zhu Zhishan went to Penglai Island, he should be looking for help..."

a black gold robe said respectfully.

"Hmph, at the last moment of this waste, I can see the way."

Danny snorted coldly: "Now you have to speed up the creation of masters, we need more powerful spokespersons in the martial arts world, as for this mountain of blessing, it is in Give him a chance..."

"Understood..."

The black gold robe nodded.

After a wave of fluctuations, the terrifying murderous aura disappeared, and the almighty also left.

When Da Neng left, everyone let out a long sigh of relief.

"Have you heard the words of the great master?"

Hei Jinpao looked at everyone and asked coldly.

"Listen clearly..." The

other black-robed men replied in unison.

Then the black gold robe looked at a black copper robe and said: "You stay in the Martial Arts Alliance, you have to assist Zhu Zhishan, and create some more masters..."

"Subordinates obey..." The

black copper robe said in a hoarse voice .

Soon, all the people in black robes left, leaving only the black copper robe standing in the hall.

The black copper robe slowly took off his black robe, revealing a fair and delicate face.

If Kai saw this person, he would definitely be surprised.

Chapter 1392

This person is none other than Ning Zhi who has been missing for a while!

At this time, Ning Zhi had already been reborn, with a somewhat feminine aura on his body, and his skin was fairer and firmer, but his eyes were as cold as ever!

"Kai, you would never have thought that Ning Zhi would join the Martial Arts Alliance, right? You would never have imagined that I could control the entire Martial Arts Alliance..."

Ning Zhi said with savage eyes and a slightly raised corner of his mouth.

"Okay, stop being narcissistic, do your own thing, you have to remember, who gave you everything you are now..."

Suddenly, a hoarse voice sounded in Ning Zhi's mind.

The smile on Ning Zhi's face disappeared instantly, and then it became extremely respectful!

"I see!" Ning Zhi nodded respectfully, then walked towards the backyard of the Martial Arts Alliance.

"Senior, can I ask, are the people in black robes who were in the meeting just like me?"

Ning Zhi asked curiously on the way.

When the meeting was just now, it was not Ning Zhi, but the soul in his body, but Ning Zhi had some consciousness at that time.

So he is now curious whether these people are all like him, possessed by souls.

"Remember what I said, you're just a body, without you, I can find a replacement."

"Do your own thing, don't ask what you shouldn't ask, or I don't mind swallowing your soul. , find a new host!"

A stern and angry voice appeared in my mind!

Ning Zhi was so frightened that he didn't dare to speak, but went straight to the dungeon of the Martial Arts Alliance!

Ning Zhi skillfully opened the dungeon, and then went deep into a very secret room!

The door of the room opened, and four naked young men were sitting cross-legged on the ground cultivating!

In front of the four people, there is a needle tube that has just been used, and there are still blood stains in it!

Hearing someone coming, the four of them instantly opened their eyes and stood up, and then nodded respectfully towards Ning Zhi.

Ning Zhi looked at the four people in front of him, his eyes were full of heat, because he felt that the strength of the four people in front of him was growing so fast that they were about to surpass him.

Seemingly seeing Ning Zhi's envy, an old voice sounded in his mind: "That little girl's terrifying bloodline is really powerful, and in a short period of time, these four people have been made into Wuhou powerhouses. In time, these four people will be able to They have built up a lot in the world of martial arts in Kyoto."

"But they are strong now, and they are just dolls at the mercy of others. Do you want to be like them?"

"No, no, I don't want to..."

Ning Zhi repeatedly shaking his head!

"The Long family is applying for a trial now. If Zhu Zhishan is not here, you are solely responsible for the affairs of the Martial Arts Alliance. Arrange these four people in the trial, and it's time for them to show up..." The

old voice turned to Ning Zhi command.

"I understand!" Ning Zhi nodded.

Afterwards, Ning Zhi took out something similar to a seal, followed by bursts of black light flashing on the seal.

Ning Zhi held the seal and darkened it directly on the chests of the four people in front of him.

A burst of smoke rose, and then a very clear circular pattern appeared on the chests of the four!

And this pattern is exactly the same as the pattern on the chests of those black robes.

After doing all this, Ning Zhi left the room.

After leaving this secret room, when Ning Zhi passed a fork in the road, Ning Zhi turned his head slightly to look at the room at the end of the side, with a bit of greed in his eyes!

Immediately after returning to the hall, someone from the Martial Arts Alliance came in to report!

"Long Jingguo, the head of the Long family, asked to see the leader of the alliance, what should we do?"

The person from the Martial Arts Alliance asked Ning Zhi.

When he saw that Ning Zhi was sitting on the main seat, he was instantly stunned.

"Ning Zhi?" Long Jingguo frowned slightly: "Why are you doing this here? What about the Alliance Leader?" "Patriarch

Long, please take a seat!" Ning Zhi smiled lightly: "I am the Martial Dao Alliance now that the Alliance Leader is out. The deputy leader of the alliance..."

"What are you kidding?" Long Jingguo snorted: "How can you be the deputy leader of the family? And the position of the deputy leader needs to be decided by voting, how could it be possible to choose you!"

Ning Zhi Hearing the words "dog of bereavement", his face instantly became extremely cold!

After Ning Zhi finished speaking, the aura on his body instantly surged, overwhelmingly pressing down on Long Jingguo.

Long Jingguo is a veteran martial sect, and his strength is not under Zhu Zhishan. How can he be afraid of such a hairy boy as Ning Zhi.

Even if Ning Dahai was still alive, Long Jingguo was not afraid, let alone Ning Zhi.

Long Jingguo's body trembled slightly, and a majestic aura also exploded from his body, and directly greeted him.

However, just as the two breaths collided, Long Jingguo only felt his body tighten, and then he was pressed down by a huge force, and he sat on the chair with a thud.

The chair under him shattered instantly, making Long Jingguo look very embarrassed!

Long Jingguo looked at Ning Zhi in shock, his eyes full of incredulity.

In this short period of time, Ning Zhi's strength has grown so fast!

"Long family master, I said that I am the deputy leader, the deputy leader, this is a token, you can take a look..."

After speaking, Ning Zhi took out a piece of white jade from his arms, with a lifelike carving on it. Eagle head!

After Long Jingguo saw the jade, his expression changed and he finally threw it back to Ning Zhi!

Looking at Long Jingguo's expression, Ning Zhi raised his mouth slightly: "Patriarch Long, do you want to hold a trial this time?"

Long Jingguo nodded: "Yes, this is the information..."

Long Jingguo He put the document in his hand on Ning Zhi's desk!

Ning Zhi glanced at it casually, and then frowned slightly: "Dragon Lock Island?"

"Yes, this Dragon Lock Island is originally the place of my dragon's family, so it's very suitable for the trial on Suolong Island!"

Long Jingguo nodded . said.

"But this Suolong Island has now become an ordinary island. It's already a tourist attraction. There are no resources to find. What are you going to try?"

Ning Zhi was too much to unlock Long Island. , As a result, stealing chickens can't lose rice, and Long Jing was also obtained by Kai. He didn't get anything, and he offended Kai!

Long Jingguo smiled slightly: "Although the two dragons of ice and fire on Suolong Island have disappeared, there is still a ruin under Suolong Island, and no one has ever entered it. I

heard that it is extremely dangerous, so this trial, All you need to find are the elites of the younger generation!"

"Are there really any ruins?" Ning Zhi was a little unconvinced!

"Of course, if it's just an ordinary island, I'm going to apply for this trial, wouldn't I want the people who participated to scold my Long family to death?"

Long Jingguo said.

Chapter 1394 Don't you agree? _

Ning Zhi thought it right, this kind of thing is not a joke, so many people go to the trial, and they are all elites, if there is nothing, the Long family will stink in the martial arts world!

Thinking of this, Ning Zhi also wanted to participate in this trial to see what relics were there, so that the Long family could hide it for so long!

It's just that his current status is obviously not suitable for participating in the trial.

"Patriarch Long, the Martial Arts Alliance can pass your application, but I need to recommend four young talents from the Martial Arts Alliance to participate. What do you think?"

Ning Zhi asked Long Jingguo.

"Of course there is no problem. This trial is to train young talents in the martial arts world, so the more people who participate, the better!" The

Long family said with a faint smile.

Ning Zhi saw that Long Jingguo agreed, so he ordered someone to bring the seal of the Martial Arts Alliance, and then the documents brought by Long Jingguo were directly stamped on it.

With the seal of the Martial Arts Alliance, Long Jingguo can show it to Mr. Shi. As long as it is officially approved, this trial will be officially passed.

As for who would participate, Long Jingguo did not have any special requirements. After all, when these people went, they were just acting as resources for Long Xiao. At that time, the skills of these people would be absorbed by Long Xiao!

In the trial, it was normal for a few people to die. No matter who died, no one would suspect their dragon family.

Long Jingguo left, and Ning Zhi held the seal of the Martial Dao Alliance in his hand, and the whole person fell into a kind of extreme excitement!

"This feeling is so cool, cool..."

Ning Zhi laughed out loud.

The kind of pleasure brought by power made Ning Zhi begin to get carried away!

"As long as you are obedient, you will get more in the future, and even rebuilding your Ning family is only a matter of minutes!"

The old voice suddenly remembered in his mind.

"Senior, I will be obedient..."

Ning Zhi's eyes are shining brightly, he must reorganize the Ning family and let everyone in the martial arts world see it!

.....

Mr. Shi was waiting for Long Jingguo. After Long Jingguo stamped the seal of the Martial Arts Alliance, he contacted Mr. Shi and rushed over without stopping.

This move made Long Jingguo's heart tighten slightly!

If Mr. Shi does not agree, then even if the Martial Arts Alliance seals it, it is useless.

"Mr. Shi, this is the material for our Long family to hold the trial. The Martial Arts Alliance has already approved it, so..."

Long Jingguo whispered to Mr. Shi.

He wants Mr. Shi to take a look and give them a pass!

"Don't look at it, I can promise your Long Family to hold a trial!"

Mr. Shi said lightly.

When Long Jingguo heard this, he immediately smiled and said, "Thank you, Mr. Shi."

"But I have a condition..."

Mr. Shi then continued.

Long Jingguo was stunned for a moment, and immediately said, "Mr. Shi, please tell me!"

"This trial requires Kai to also participate..."

Mr. Shi said.

"Kai?" Long Jingguo was stunned. He didn't expect Mr. Shi to speak directly for Kai!

Seeing Long Jingguo Chen Mo, Mr. Shi frowned slightly: "Why, you don't agree?"

"No, no, no..." Long Jingguo waved his hands repeatedly: "It's just that this trial site is extremely dangerous, and there will be a lot of danger. It's a big danger, I'm afraid that something will happen to Kai..."

Long Jingguo was not afraid of an accident in Kai, but an accident in Long Xiao!

And Kai's current strength is unfathomable. If Long Xiao really does not underestimate Kai, it will be dangerous.

"Of course I understand this, the place of trial, life and death..."

Mr. Shi said coldly.

Seeing that Mr. Shi had said this, Long Jingguo could only nod his head and said, "Since Mr. Shi said so, then Kai can participate, but if something happens, I hope Mr. Shi will not blame the Long family..."

"Don't worry! After Mr. Shi finished speaking, he threw the documents back: "The application has been approved..."

Mr. Shi waved his hand, and Long Jingguo withdrew from the Dharma Protector Pavilion!

But this Duda had a relationship with Zhu Zhishan. After Zhu Zhishan discovered Kai's identity as a cultivator, he immediately thought of this Duda.

Because Zhu Zhishan knows that in this society with depleted spiritual energy, immortal cultivators have long been unable to adapt to the development of the times, and many immortal cultivators are very weak.

However, Kai's strength has grown by leaps and bounds in just a few months. There must be some reason for this, and Zhu Zhishan wants to use this to make Duda shoot Kai!

"Who are you?"

At this moment, Zhu Zhishan lost an arm, and after two days of sailing, he was already exhausted and haggard, like a beggar!

"I'm here to find Duda, please let me know..."

Zhu Zhishan said very politely.

A guard looked up and down at Zhu Zhishan, and then said with a cold face: "Bold, you are a beggar, you dare to call our King Du by the name of a taboo?"

"Brother, you misunderstood, I am not a beggar, I am You, King Du's friend, came here from inland to find him."

Zhu Zhishan hurriedly explained in a low voice.

The leader of the dignified Martial Arts Alliance is so humble now.

The guard looked at Zhu Zhishan again, and then said coldly: "Come with me..."

Zhu Zhishan followed the guard through a palace, and then came to a stone wall. The wall opens a door!

Here, the birds are singing and the flowers are fragrant, and the environment is very beautiful!

Looking at the scenery here, Zhu Zhishan couldn't help but admire it for a while. It would be very comfortable to be a local emperor in such a place.

Soon, the guard took Zhu Zhishan to a place filled with immortal energy, and then said: "King Du, an old friend of yours is visiting..."

"It's Brother Zhu, let him come in..." A

loud voice The voice came over!

After Zhu Zhishan heard this, he immediately walked in quickly: "Brother Du, you are truly a fairyland on earth..."

"I wish my brother praised you, how can I be as handsome as you, the leader of the martial arts alliance, in Kyoto, which sect family does not flatter you?" Du Da said with

a faint smile!

And when Du Da saw the appearance of Zhu Zhishan, his brows suddenly wrinkled: "Brother Zhu, what's wrong with you?"

Chapter 1396

"Hey, Brother Du, it

's a long story..." Zhu Zhishan sighed, and then said the matter exactly.

When Duda heard that Zhu Zhishan had been injured by a young man in his twenties, his face changed.

"I wish, brother, is there such a genius in Da Xia now? Even at such a young age, even you are no match?" Du Da's

eyes narrowed slightly.

"Brother Du, you don't know, this Kai is a cultivator..."

Zhu Zhishan didn't finish his words, but saw Du Da stand up suddenly, his face full of disbelief: "What? Is it possible that such a young cultivator is stronger than you?"

"Now that the spiritual energy is exhausted, even if he cultivates from his mother's womb, he can't surpass you. It's impossible..."

Du Da didn't believe it at all. In today's society, there are still cultivators who can cultivate so fast!

"Brother Du, this Kai has many adventures, his strength has grown so fast, it should be related to a dragon crystal in his body..."

Zhu Zhishan said, and then said about Kai having a dragon crystal in his body. came out.

When Duda heard this, his eyes began to glow, showing greed.

Seeing Duda like that, Zhu Zhishan smiled secretly, he knew that Duda was persuaded by him.

"That kid even defeated you. He should have reached the middle stage of Nascent Soul, but he is in front of me, but he is not enough to see..." After speaking

, Du Da's aura suddenly exploded.

Impressively the strength of Nascent Soul's mid-term, feeling the breath of Du Da, the coldness in Zhu Zhishan's heart!

"Brother Du, if you come forward, then Kai will definitely die..."

Zhu Zhishan touted to Du Da.

"I relied on this Penglai Island and cultivated with great concentration for decades, and only then did I reach the realm of Nascent Soul. I didn't expect a hairy boy to rely on a dragon crystal to cultivate Nascent Soul in a short period of time. Now I am in the bottleneck period, it is time to take the Nascent Soul and Dragon Crystal in this kid to break through..."

Du Da's eyes narrowed slightly, and he said coldly.

"Brother Du, what is this Nascent Soul?"

Although Zhu Zhishan knew that there were immortal cultivators, but because immortal cultivators had been hiding for many years, he didn't know much about the realm of immortal cultivators.

"Brother Zhu, I told you, but you don't understand. I only tell you that as long as Nascent Soul does not die, I will be immortal. Even if my body is destroyed, I can still grow again."

Du Da said lightly. said.

Hearing what Du Da said, Zhu Zhishan suddenly realized that he finally understood why he watched Kai die, but came back to life.

It turned out that Kai had Yuan Ying in his body, and he didn't kill Yuan Ying. Even if he smashed his body to pieces, he wouldn't be able to kill Kai at all!

If you don't come to Penglai Island this time, Zhu Zhishan still doesn't know the reason!

Zhu Zhishan did not stay long, but left Penglai Island with Duda!

Du Da was also eager to get that Dragon Crystal, and by the way, he also got Kai's Nascent Soul. These are all treasures and can help with cultivation.

Duda has been trapped in this state for many years, but there is no way to break through!

The entire Penglai Island seems to be under a spell, and no one can break through to the middle stage of Nascent Soul through cultivation.

Kyoto, Dharma Protector Pavilion!

Xing Jun reported with Mr. Shi with a solemn expression.

"Mr. Shi, the Duda that Zhu Zhishan invited from Penglai Island is to deal with Kai."

Xing Jun knows what characters are on Penglai Island, so the people Zhu Zhishan brought this time will definitely meet Kai. A great threat to Kai.

"Penglai Island?" Mr. Shi smiled slightly: "It seems that Kai can finally meet his opponent. If he knew that I gave him such a big gift, would he thank me so much?"

A man like none other and the man decree (chinese) Chapter 1397-1398

Chapter 1397

"Big gift? What does Mr. Shi want to give to Kai?"

Xing Jun asked with a puzzled look.

"Hahaha, isn't this Duda a big gift from me?"

Mr. Shi laughed twice, then got up: "Go with me and let Kai out, I guess he's going crazy..."

Mr. Shi followed . When Xing Jun arrived at the courtyard, Kai was locked in a room at the moment.

Meditate cross-legged every day, but unfortunately, the spiritual energy is very small, and it has no effect on Kai's strength improvement!

Just as Kai's eyes were closed and he was immersed in his practice, the door was suddenly opened, and a dazzling ray of sunlight came in.

Kai suddenly opened his eyes and found that the confinement in the room had disappeared, and Kai jumped out of the room.

When he saw Mr. Shi, he was instantly furious.

He was locked in the room for several days for no reason, which made Kai very angry!

"What do you mean? Why do you lock me up? Why?"

Kai asked Mr. Shi loudly.

Mr. Shi looked at Kai lightly: "If I didn't care about you, you would already be a corpse now, you are not an immortal, and you can't come back to life..."

"As far as you are right now, it is absolutely impossible. If you can't save your girlfriend, you still dare to enter the Martial Arts Alliance..."

"Then Zhu Zhishan has been defeated, why can't you rescue my girlfriend?" Kai looked puzzled.

Zhu Zhishan is the leader of the Martial Arts Alliance. Although there are many people in the Martial Arts Alliance, there are probably not many people who are stronger than Zhu Zhishan.

"Hmph, that Zhu Zhishan is just a chess piece in the Martial Arts Alliance. His leader can be replaced at any time. Do you think that if you defeat Zhu Zhishan, you will be able to enter and exit freely in the Martial Arts Alliance? It's just a dream..."

Mr. Shi After he finished speaking, he slapped Kai with his palm.

Kai was shocked, and then suddenly burst out with spiritual power, and then threw a punch to resist!

Boom...

After a loud bang, Kai's body instantly flew more than ten meters away and hit the wall heavily!

While looking at Mr. Shi, he stood calmly, as if he had never touched his hands.

"If I kill you, it's just a matter of breathing, do you still feel that you are invincible now?"

Mr. Shi asked coldly.

Kai slowly got up, stared closely at Mr. Shi, and then said: "Since you are so powerful, why didn't you go and destroy the Martial Arts Alliance?"

"Don't you know that there are many evil cultivators in the Martial Arts Alliance now? The mountain is an evil cultivator. As a law enforcer in the martial arts world, shouldn't you be doing harm to the people? Shouldn't you rescue my girlfriend?"

Kai asked Mr. Shi loudly, he wanted to know about Mr. Shi What are you waiting for, why not take action against the Martial Arts Alliance.

Xing Jun, who was on the side, saw Kai questioning Mr. Shi with this attitude, his face was instantly pale with fright, and he hurriedly winked at Kai.

But Kai stared at Mr. Shi as if he didn't see it. He wanted Mr. Shi to answer him.

Since Mr. Shi is so powerful, why is the martial arts world still rampant in the capital...

Mr. Shi did not speak. After looking at Kai, he turned and walked out: "When you should know, you will naturally know.

" Zhu Zhishan has found someone to kill you, here is the information, even if this person is a gift from me, I believe he will be very useful to you."

Mr. Shi did not look back, but threw a piece of information to Kai!

Kai opened the information and wanted to see who Zhu Zhishan had found to kill him, and what Mr. Shi's words meant, and why was this person useful to him?

When Kai opened the document and looked at it, his eyes suddenly glowed with light.

Chapter 1398

He never thought that Zhu Zhishan would find a cultivator of Nascent Soul Realm to kill him.

Facing someone with the same strength as himself, Kai did not have the slightest fear, but his heart was full of excitement.

He knew what this cultivator of Nascent Soul represented to him.

If he can kill the other party and take out the Nascent Soul, Kai's strength may be further improved.

"How do you know that I can kill him? What if my strength is no match for the opponent?"

Kai asked Mr. Shi after reading the information.

Listening to Mr. Shi's words, it is obvious that Kai can kill the opponent.

"If you are no match for the opponent, it proves that you deserve to die, and it also proves that I saw the wrong person..."

After Mr. Shi finished speaking, he walked out slowly.

Kai held the documents and watched Mr. Shi's back slowly disappear, his eyes twinkling with light, and he couldn't tell what he was thinking.

"Kai, don't let Mr. Shi down, you can do it..."

After Xing Jun finished speaking, he hurriedly chased after Mr. Shi.

After Mr. Shi and the others left, Kai looked at the documents again and muttered to himself: "Penglai Island, Penglai Island..."

"This Penglai Island must be a place full of spiritual energy, maybe there are other treasures, When you have time, you must go and have a look..."

Kai's eyes were full of fire, and he was even more looking forward to meeting Duda soon.

.....

The Martial Arts Alliance!

Zhu Zhishan walked in with Duda.

Everyone in the Martial Arts Alliance was surprised when they saw that Zhu Zhishan had lost an arm, but no one dared to ask.

Zhu Zhishan took Duda all the way to the hall. As soon as he entered the hall, he saw a person sitting in his place, which made Zhu Zhishan instantly angry!

Although he failed to kill Kai, the senior officials of the Martial Arts Alliance may replace him, but he has not been officially notified yet, so he is still the leader of the Martial Arts Alliance. How could he let others sit in this position.

"Bastard, who made you sit in my seat?"

Zhu Zhishan shouted angrily!

At this time, Ning Zhi, who was sitting in the seat, raised his head and saw that it was Zhu Zhishan. He hurriedly got up and said with a smile: "It turns out that the leader of the alliance is back, and the journey is tired, please sit down..."

"Ning Zhi?" Zhu Zhishan looked at Ning Zhi with a puzzled face, and did not understand why Ning Zhi appeared in the hall of the Martial Arts Alliance.

And just sitting in his own position, no one stopped him?

"Why are you here? Who let you in?"

Zhu Zhishan asked Ning Zhi.

"I wish the alliance leader, I am here to assist you now, I am the deputy leader of the alliance..."

Ning Zhi said, and took out the jade that represented his identity.

Seeing the jade, Zhu Zhishan didn't say anything, but he was very puzzled.

However, the above made Ning Zhi the deputy leader, which means that he is the leader of the alliance for the time being. Although Kai was not killed, it seems that the high-level officials do not intend to hold him accountable.

"Ning Zhi, since you are assisting me, then do it well. Kai destroyed your Ning family. I have already found a master. After killing Kai, I will help you rebuild the Ning family..."

Zhu Zhi Shan patted Ning Zhi on the shoulder and said with the attitude of an elder.

"Thank you, Alliance Leader..."

Ning Zhi smiled slightly, but deep in his eyes, there was disdain.

He looks down on Zhu Zhishan now, not to mention now that Zhu Zhishan has lost an arm, and his strength is not as good as before.

"This should be King Du, right?"

Ning Zhi looked at Du Da and slowly extended his hand!

Du Da looked at Ning Zhi coldly, his brows were slightly wrinkled, his eyes were a little cautious, he seemed to see something.

Zhu Zhishan asked Ning Zhi about Kai's whereabouts!

"Kai is in Kyoto, but I haven't found Kai's trace in the past few days. I don't know if he is hiding!"

Ning Zhi replied.

Zhu Zhishan looked at his broken arm, and then said with a grim expression.

After speaking, Zhu Zhishan waved his hand: "I'll chat with Brother Du for a while, you go out, I'm calling you for something..."

"Okay..." Ning Zhi nodded and walked out of the hall!

Ning Zhi walked back, Zhu Zhishan sat on the main seat, and said to Du Da: "Brother Du, when you kill Kai and play in the capital for a few days, I must treat you well..."

Du Da Ze smiled slightly: "Brother Zhu, you think you should have a sense of crisis, and now you may become an abandoned child."

Zhu Zhishan was slightly taken aback: "Brother Du, what do you mean by this? Could it be that you saw something?"

"I didn't see anything, I just reminded you!" Du Da shook his head: "I want to rest first, you can send someone to inquire about Kai's whereabouts. ..."

Seeing that Du Da didn't say anything, Zhu Zhishan could only arrange a room for Du Da first, and then ordered someone to inquire about Kai's news.

"This Kai is so deceiving that he dares to come to the door..." Zhu Zhishan said through gritted teeth.

"I wish my brother don't be angry, just wait until I go out and kill him..."

Du Da said with a relaxed expression.

Soon, Duda walked out quickly, and Zhu Zhishan followed closely behind!

Kai saw two people walking out of the Martial Arts Alliance. Among them, the one with only one arm left was Zhu Zhishan, and the burly man beside Zhu Zhishan must be Du Da!

A streak of divine consciousness emanated from Kai and shrouded directly towards Duda.

A cold light flashed in Du Da's eyes: "Hey, the little trick of carving insects..."

With a cold hum, a golden light flashed in Du Da's eyes, and Kai's consciousness was cut off in an instant!

Kai's eyes narrowed slightly: "It's really a cultivator..."

Kai looked at Duda, full of greed and desire, he could not wait to open Duda immediately and take out his yuan infant!

"You are that Kai?"

Du Da looked at Kai in front of him and asked coldly.

"Yes, I'm your grandfather Kai, what are you?"

Although Kai knew Duda, he pretended not to know and deliberately angered Duda and asked.

Sure enough, Duda was instantly enraged by Kai's words.

"Okay, you ignorant yellow-mouthed child, today I will take your Longjing and dig your Nascent Soul..."

Du Da instantly burst into a tyrannical aura.

This breath is obviously more tyrannical than Zhu Zhishan, and it has strong spiritual power fluctuations!

Kai looked at Duda coldly, but he didn't expect that when Duda came to kill him, he came to the Nascent Soul in his body.

It seems that both of them have a common goal now, that is to take the other's Nascent Soul!

Just when Duda was about to start, he was stopped by Zhu Zhishan.

"Brother Du, don't do it here again, otherwise it will disturb the official."

After Zhu Zhishan stopped Du Da, he then looked at Kai and said, "Kai, do you have the courage to go to the suburbs for a fight?"

Chapter 1400

"Why don't you dare, I'm afraid that your grandson is my grandson. I will wait for you in advance, and you will die..."

Kai sneered, then jumped up and walked towards the suburbs.

Zhu Zhishan was pale with anger, panting heavily: "Brother Du, you must peel this Kai for cramps..."

"Brother Zhu, don't worry, this kid won't survive. It's over..."

Du Da's eyes were full of light, and Kai was in his eyes now, that was a good resource.

Du Da's figure was vertical, and he also walked towards the suburbs in an instant. Seeing this, Zhu Zhishan hurriedly followed.

..... In the

Protectorate.

Mr. Shi was drinking tea leisurely, while Zao Wou-Ki stood respectfully beside him.

"Mr. Shi, this morning, Mr. Chen went to the gate of the Martial Arts Alliance to yell at him, as if he was going to fight with the Mountain of Wishes..."

Zao Wuji reported in a low voice.

When Mr. Shi heard this, he smiled lightly: "This guy is quite positive, I hope he won't be beaten to death..."

Zao Wou-Ki was a little confused, Mr. Shi clearly defended Kai everywhere, but why this time the fight, Mr. Shi doesn't seem to want to help Kai?

However, Zhao Wuji didn't dare to ask. Now, as the pavilion master of the Dharma Protector, he just ran errands and maintained law and order. There were some things that he couldn't participate in at all.

At this moment, Xing Jun walked in, and after seeing Mr. Shi, he nodded and said, "Mr. Shi, you expected it well, this time Zhu Zhishan didn't notify anyone, and it seemed that he wanted to kill Kai secretly. But I've already informed

you..." "Well, follow me to have a look, but don't let this kid Kai hang up..."

Mr. Shi put down the teacup and slowly got up and said.

"Mr. Shi, if you go in person, will it arouse suspicion? You said that you won't be in charge of Kai..."

Xing Jun reminded Mr. Shi.

"Did I say I want to control him? I'm just watching the fun!"

At this time in the suburbs, many people from the sect family have gathered together.

The purpose of Mr. Shi is to reduce Kai's potential enemies. When these people see Kai's strength, they will not choose to go against Kai!

And Zhu Zhishan looked at those gathered in the suburbs, his face was extremely ugly, he didn't want people to know this time, because this was what Duda meant.

Penglai Island is a small overseas island and is considered a hidden place. Not many people know it, and Duda doesn't want too many people to know the existence of Penglai Island.

"Brother Zhu, what does this mean?"

Du Da looked at the many people gathered at the scene, frowned, and asked very unhappy.

"Brother Du, I don't know either. I didn't tell anyone when you came to Kyoto this time, let alone so many people." Zhu Zhishan explained anxiously: "Could it be Kai who notified me? What? Or I will give an order to let the people from the Martial Arts Alliance drive these guys away."

"Okay, since this is the case, we can only make a quick decision..."

Du Da waved his hand, and then jumped. In front of Kai.

boom!

Du Da's huge figure directly smashed a big pit on the ground, and the rocks flew in all directions, and the earth trembled!

Seeing that Duda had such a big battle as soon as he appeared, many people couldn't help but be a little surprised!
