## Chapter 4849

Elaine was afraid that the other party would misunderstand her,

And hurriedly shook her head again: “No, no... I’m innocent...”

“I was tricked into taking the luggage on the plane, and I was caught in a daze...”

When the woman heard this, she breathed a sigh of relief,

Looked at her with a contemptuous smile, and slapped her in the face,

Causing her to see gold stars in her eyes.

Elaine screamed, and was about to ask her why she beat her when she heard the woman say,

“I thought you were a great person, but it turns out that you are a stupid pig who was tricked into being a mule!”

Elaine completely misunderstood the logic of survival in these prisons.

Here, if you are really innocent, other prisoners will bully you to death;

But if you are a felon, and you are a felon with a background,

Then other prisoners here, not to mention that they must confess to you as their ancestor,

At least they know that you are not easy to mess with, so try to stay away from you as much as possible.

If Elaine admits that she is a drug dealer, these people will definitely stay away from her.

After all, in the United States, drug dealers are synonymous with outlaws,

And drug dealers never act alone, behind them is a ruthless, armed-to-the-teeth organization.

However, Elaine was afraid that others would really misunderstand her as a drug dealer,

So she shook out the truth when she was nervous.

This is equivalent to personally pressing her position in this cell to the floor.

That's why, when the red-haired woman heard what she said, she slapped her in the face without thinking.

And the red-haired woman was not satisfied when she slapped Elaine,

She strode forward, stared at Elaine, and said seriously:

"Tell you, in my place, if you want to suffer less, just be obedient."

"Ask your family to put more money in your account,"

"I have a lot to buy, but there is not enough money in the account,"

"This is your chance to show, that if your family has enough money for you, you are here to suffer less."

After that, she remembered something, grabbed Elaine's collar, and continued:

"Oh, by the way, a friendly reminder, Jessica, the prison guard in charge of this cell,"

"They cost forty dollars a pack, all American Spirit brand Cigarettes,"

"But her cigarettes cannot be purchased through your account in prison."

"You need to notify your family outside and hand over the cash to her before she can bring them in."

Elaine said nervously: "I...I don't smoke..."

The red-haired woman sneered, and slapped her in the face again, scolding:

"Idiot, you don't force me to slap you! Starting tomorrow,"

"You will ask Jessica to give me an American Spirit brand cigarettes, remember,"

"It's three packs! These sisters and I have had some tobacco shortages recently,"

"You better get to know each other, otherwise, I must make you look good! "

Elaine suddenly said with a sad face: "I am just locked in, and I haven't had a chance to contact my family."

"Where can I get you a cigarette!"

“Then I don’t care!” The red-haired woman said coldly:

“In short, before tomorrow night, if I don’t see an American spirit, then I will kill you!”

After speaking, she warned again: “Oh, by the way, I forgot to tell you that if you dare to seek a prison warning,”

“I will insert the sharpened toothbrush handle into your throat.”

“If you don’t believe it, you will wait and see!”

Elaine was so frightened that she burst into tears.

At this time, a young Chinese woman stepped forward and whispered:

“Auntie, this red-haired woman is named Chloe, and she has been here for five years.”

“The famous prison boss, not only our cell has her many followers,”

“But there are also many people in other cells who don’t mess with her,”

“You better not provoke her, otherwise you will be miserable.”

When Elaine saw her compatriot, she immediately cried and said,

“She is too unreasonable. Why did she slap me? I didn’t provoke her...”

The red-haired woman Chloe was upset when she heard Elaine crying, grabbed her hair,

Slapped her with the other hand, and said coldly:

“Let me hear you cry again, I will put your mouth ripped!”

Elaine really did not expect that the women’s prison here was so dark.

Just a few minutes after entering, she was slapped three big deep pockets in a row.

Seeing that Elaine’s face was swollen into a pig’s head, Chloe smiled contemptuously:

“Remember, today is just to teach you a little lesson.”

“If I don’t see smoke tomorrow, you will be at your own risk!”

Saying that, she instructed a woman behind her, “Jenny, go and pick up a basin of water!”

The woman named Jenny immediately ran to the bathroom, and soon came back with a basin full of water.

Chloe looked at Elaine and said coldly,

“Sorry, you can only sleep on the floor today.”

After saying that, she gave Jenny a wink.

Jenny is not a good thing either, she looked at Elaine playfully and poured a basin of water on her bed.

This time, not only the bedding that she just received is soaked with water,

But even the pillows and mattresses are useless.

Elaine didn't dare to speak, let alone resist,

So she could only submissively look at her dripping bed, with regret in her heart.

Naturally, what she hates is that this Chloe deceived people too much,

And what she regrets is that she played bad cards with her own good cards.

She choked up in her heart and thought: "I really regret my death..."

"If I hadn't been fooled by the two b!tches, I would have flown back to my country now!"

"I could have sold my necklace, and I don't have to live this uncomfortable life now..."

"How could I end up in a prison here? And I have to be bullied by these prison bullies..."

At this time, Chloe looked at Elaine and sneered:

"I heard that you Chinese people are very fond of foot massage."

"It happens that the soles of my feet are uncomfortable these two days."

“Go get a pot of hot water and give me a good squeeze!”

Elaine said subconsciously, “I...I won't...”

“No?” Chloe sneered, took a piece of toothpaste from the personal belongings that Elaine had just received,

Opened the cover directly, pointed the toothpaste at Elaine's mouth,

And squeezed in more than half of it in one go.

While Elaine tried to dodge, she tried to spit out the toothpaste,

But Chloe beckoned to Jenny beside her.

Jenny immediately called the other two and skillfully pressed Elaine on the wet single bed,

And then One person pressed her shoulders tightly, making her unable to move,

While the other person tightly covered her mouth, making her mouth full of toothpaste and unable to spit it out.

Chloe and her subordinates were already well acquainted with this kind of pranking method.

Elaine was tightly covering her mouth and could only barely breathe through her nose,

But because her mouth was full of toothpaste, the taste was spicy and she choked quickly.

She couldn't stop coughing, but this cough didn't matter,

A part of the toothpaste mixed with saliva was sprayed out of her nostrils,

Burning the entire upper respiratory tract, making it extremely painful.

At this moment, Chloe smiled cruelly and said sternly:

“If you are sensible, swallow the toothpaste in your mouth,”

“Otherwise, I will go to the toilet to get something to feed you!”

When Elaine heard this, she was so frightened that she lost her mind.

She ignored the spicy and jerky toothpaste, so she could only grit her teeth,

And swallow the toothpaste in her mouth little by little.

Elaine, who ate most of the toothpaste, felt burning pain in her entire esophagus and stomach, and she couldn't stop her tears.

She couldn't help wailing in her heart: “How can this red-haired devil be so much worse!”

“She's just a devil! You fcuking wait for me, you will fall into my hands in the future,”

“I will torture you ten times, a hundred times!”
