

Chapter 1765

However, what Jane never would have expected was that just as she arrived outside of the gynecology ward, she went into labor earlier than expected. At that moment, Kingston bent down and carried Jane in his arms, and then he went straight to the delivery room.

Zayn supported Sabrina up. “Sabrina, are you fine?”

“I am fine. It’s just Jane...” She was very worried about Jane. She turned around and said to Zayn, “Zayn, quickly give a call to Mister Poole. He is still in Kidon City now.”

“Okay, I will call him

“Okay, I will call him immediately.” Zayn immediately took out his phone and called Alex.

When Alex heard that news, he almost threw his phone out. He only picked up his phone after a long while, and then he spewed nonsense at Zayn. “Zayn! You br*t, what are you talking about? You’re so unreliable! You are already in your thirties, but you still have even gotten yourself a wife. You’re telling me now that my wife is about to give birth. I think that your words have no credibility!”

Zayn was speechless. If Alex was in front of him, he might have beaten Alex up. However,

Zayn was speechless. If Alex was in front of him, he might have beaten Alex up. However, Zayn knew that Alex certainly was feeling happy, so he did not bother to argue with him. "Alex! Jane is going into labor anyway! She has already gone into the delivery room. It's up to you if you want to come! Even if you don't come, the few of us, myself, as well as Ryan, are in South City. We can also manage."

"No, no, no, that won't do! I can't let all of you do that on my behalf. I have to...I have to personally stand guard outside of the delivery room. I...I will come over now. No, no, no. Hold on. Get Sebastian on the line!" Alex said it in a matter-of-fact tone

line!” Alex said it in a matter-of-fact tone.

“Sebastian? Why are you looking for him? I am at the hospital. He is at the company. I am not with him. What is your purpose for you to look for Sebastian?” asked Zayn.

“I need Sebastian to take over and help me handle the matters I have on hand,” said Alex.

Zayn was speechless. He thought of the fact that Sabrina was also already almost eight months pregnant and Aino still needed to be taken care of. If Sebastian were to go and help Alex handle his business, then Sebastian truly was going to be so swamped that he could no

so swamped that he could no longer take care of his family.

Alex could feel Zayn's hesitation, so he immediately explained on the other end of the call. "This matter of mine only can be taken over by Sebastian. If it were someone else, the person also could not hold the fort. So..."

Zayn smiled. "I understand, Alex. Just give Sebastian a call. I can also help and take more care about Sebastian's matter on this end. Anyway, Hana's condition is also now stabilized, so it's fine."

"Thank you very much, Zayn."

"Don't mention it, Alex. Also, don't worry about Jane. She is

"Don't mention it, Alex. Also, don't worry about Jane. She is fine here. You don't have to worry. Just get here as soon as possible."

"Okay!"

After he hung up the call, Zayn then entered Hana's ward.

"Hana," Zayn called out gently.

"What's the matter, Zayn? What happened outside? It sounded like Missus Poole. Is she alright?" Hana asked with concern.

"Hana, I may be busy for a while. Jane is already in the delivery room, and Mister Poole is rushing over soon. Therefore, Sebastian has to help Mister Poole out on his

delivery room, and Mister
Poole is rushing over soon.
Therefore, Sebastian has to
help Mister Poole out on his
end, and I..." Zayn felt very
guilty.

Hana, on the other hand,
smiled. "How silly! I'm fine. I
can take good care of my own
child. Go take care of the
company matters and don't
worry. I will hire the best
caregiver and I will not help
you save money on that!"

Only then did Zayn smile in
relief. "Mm-hmm. I now have to
send Aino home immediately.
After all, no one can watch over
her here, and I'm afraid she
will run amok."

"Alright. Quickly go ahead."

After all, no one can watch over her here, and I'm afraid she will run amok."

"Alright. Quickly go ahead."

"Alright."

Once Zayn came out of the ward, he took Aino by the hand and sent her home. Aino was very obedient. She knew that she would be in their way, so she obediently followed her uncle out of the ward.

After she got outside of the hospital entrance, Aino suddenly saw someone when her uncle had gone to collect his car.
