

## Chapter 1828

Sabrina held her pregnant belly and looked at Malvolio without the slightest fear. "You can kill me in whatever ways you want!"

Malvolio was speechless. Seeing that Malvolio did not say anything, Sabrina continued calmly, "You saw that I am pregnant, right? That's right. This is Sebastian's child. If you were to kill me now, it would be equivalent to you killing two lives at once, so hurry up. What a bargain it is for you right now, right? Come on! Stab me in my belly with a knife. Let me die earlier so I can be relieved as well."

Sabrina was a very open -

be relieved as well.”

Sabrina was a very open-minded person. She knew that she certainly would not be able to get out of this alive since she had already fallen into Malvolio's hands, so she would rather have a straightforward end. She then smiled and looked at Malvolio calmly. Malvolio was stunned for a moment.

He pointed the gun in his hand at Sabrina and then laughed softly. “If...I'm saying if, if I don't despise you for being a pregnant woman, will you be my sex slave?”

“Malvolio Yeatman! F\*ck you and your grandmother!”  
Holden suddenly got up,

Malvolio to... an! F-CK you  
and your grandmother!”

Holden suddenly got up,  
stomped both his feet, and  
kicked directly at Malvolio.

If Malvolio and Holden were to  
go head-to-head with each  
other, Malvolio may not be able  
to defeat Holden. After all,  
Holden was also a vicious  
person. He just did not take  
action, if he were to take  
action, then his opponent  
would certainly die. However,  
Holden did not have a gun.  
Before he was able to kick  
Malvolio, his leg was shot and  
broken by Malvolio.

“Ouch...” Holden directly fell to  
the ground and rolled around i  
n pain. He rolled to the front of  
Malvolio, then he suddenly

n pain. He rolled to the front of Malvolio, then he suddenly hugged Malvolio's legs with both his arms. After that, he shouted to Sabrina with all his might. "Sabrina! Hurry up and run! Run! Jump into the sea! You may have a chance to live if you jump into the sea. Quickly run..."

"Bang!" Malvolio fired another shot and it hit Holden's wrist. Immediately after that, the third shot was fired. Holden's other leg was shot.

"Holden..." Tears streamed down Sabrina's face. After all, he was her brother-in-law. He was the second son of Grace. He had never enjoyed a little bit of warmth from his parents

...and h

f warmth from his parents when he was growing up, and he was not able to see his mother once in his life. He was also a miserable man. Although he had made many mistakes, he had been very nice to Aino.

Sabrina supported her waist and squatted while straining, and she cried miserably. “Holden, what are you doing this for? Holden...”

Holden was in so much pain that he was covered in sweat. He gritted his teeth and said with strenuous effort. “Sabrina, I love you. I love you. Do you know that? Not only do I love you, but I also love Aino. I also love the child in your belly. I love you more than Sebastian.”

love the child in your belly. I love you more than Sebastian.”

Sabrina nodded her head with all her might. “I know. I know that, Holden. I know. Don’t speak further anymore. Put pressure on your wounds. Don’t lose too much blood.”

“Don’t worry!” Malvolio’s condescending voice came from above them. “I won’t easily let Holden die,” said Malvolio.

After saying that, Malvolio kicked Holden, who was curled up on the floor. “Holden, you can only blame yourself. You and your twin brother, Sebastian Ford, are just as vicious and heartless as the other. If I were to go head-to-

vicious and he... as the  
other. If I were to go head-to-  
head with you, I may not be  
able to deal with you. However,  
you don't have the f\*cking  
mind to deal with me at all.  
Your mind was fully occupied  
with stealing your own  
brother's wife. You put all your  
mind into destroying your  
brother's family! Aha! I,  
Malvolio Yeatman, had got  
myself a bargain! However,  
since you have fallen into my  
hand, then I'm sorry, I  
certainly can't spare you easily!  
I have to use you! I have to use  
your sister-in-law, Sabrina. I  
have to use both of you to let  
Sebastian suffer an aggressive  
blow. Holden Payne, guess how  
would the entire South City see  
me when I hang the heads of

your sister-in-law, Sabrina. I have to use both of you to let Sebastian suffer an aggressive blow. Holden Payne, guess how would the entire South City see me when I hang the heads of yours and Sebastian's on South City's ancient city door?"

Thinking of that, Malvolio immediately said with pride, "When that time comes, they certainly will respectfully treat me like a king or a god, right? I get incomparably excited once I think of that scenario. If..."
