# The Return of the God of War [The Protector]

## Chapter 3209 - 3210

As soon as these words came out, the audience immediately exploded.

Isn't Levi Garrison just one step away from the most poisonous Gu?

Levi Garrison is purely here to send assists.

Not to mention whether Levilia's poison can be solved or not, will she be in danger.

The evil gu is sure to devour the poison of Levilia, and its growth is certain!

It is powerful, which means the power of the King of Evil Gu.

Threats to everyone!

Everyone's concerns are justified.

Of course, this group of talents won't care how Da Xia is ruined, they are just worried that after the King of Evil Gu is powerful, they will not be able to deal with it and will not be able to divide up his treasures.

Therefore, the King of Evil Gu must not be made stronger.

Levilia's poison cannot be sent.

"Levi Garrison, we are targeting you! This is indeed the case! Detoxifying your daughter means that the King of Evil Gu is powerful! At that time, it will threaten the lives of everyone in Daxia!"

"You can't put the entire Daxia in dire straits for your own selfish desires! You can't save your daughter, sacrifice others, everyone is innocent!"

“What’s more, your daughter’s poison may not be able to be solved, and it is easy to be dangerous!”

...

Long San Long Wu said.

“Yes, we will resolutely stop your actions that make the King of Evil Gus powerful!”

“Yes! You can’t stop us!”

“Levi Garrison quickly get out of the way, or I’ll kill you!”

...

The Black Sky Alliance and other forces shouted.

Everyone is going to attack.

Even Qinglong thinks so.

To detoxify Levilia like this, not to mention the danger, but also make the King of Evil Gus easy to become stronger.

At that time, it is really a threat to Da Xia!

I don’t know how many people are going to die!

Therefore, they did not speak.

They don’t even know how to say...

“If you were not from Daxia, I would have stopped talking nonsense with you, and hit you directly!”

“Some people may really think about the safety of Daxia, but I will tell you all about it! Even if the King of Evil Gu succeeds in refining the strongest evil Gu, I can kill him! He can’t make it!”

Levi Garrison said lightly.

He would definitely not take a king of evil beasts in his eyes.

One punch thing!

But when Levi Garrison came out, everyone didn’t believe it.

“Blow it! Once the strongest evil Gu is perfected, who knows what level he can reach! Can you guarantee it?”

“What if you can’t guarantee it? If he is really out of control, then because of your own selfish desires, Da Xia will be in hell!”

“Guaranteed sh\*t, you can’t guarantee anything!”

...

Everyone refused to agree.

“Levi Garrison, listen carefully, as long as we are here, don’t try to detoxify your daughter with evil gu!”

“Here is the order of the gods! All the guards of the gods listen to my orders! Attack!”

Long San took out the order of the gods and ordered it directly.

Before Daxia and these gods joined the Tenjin Division, they all promised that they would obey any orders when they saw the orders of the gods.

“Brothers rush in together! Whoever stops and kills whoever!”

The Black Sky Alliance and other forces are also preparing to charge.

Qinglong and the others are extremely tangled.

On one side is the order of the gods, and on the other is Levi Garrison.

They can't attack at all.

An irritable cold sweat broke out.

At this moment, Levi Garrison suddenly shouted: "Qinglong, Qilin, Suzaku, White Tiger, Xuanwu, Xiao Feng..."

"Stop them for me!!! If you still think I'm Levi Garrison!"

"what?"

How many people are going crazy!

It's even scarier than they thought!

Levi Garrison began to let them choose.

Whether to choose him or choose the order of the gods!

This question is so hard!

Everyone's footsteps were stagnant, and they all looked at Qinglong and the others.

Waiting for their choice!

"All the god guards attack me!"

"What are you hesitating about? Attack me!"

Long San and Long Wu shouted.

"Aren't you still the guardian of the gods? Is it difficult to choose?"

# The Return of the God of War [The Protector]

## Chapter 3210

“What about your loyalty? What about your promise? You are a member of the Tenjin Division! You must obey the orders of the gods unconditionally! Even if the knife is on your neck!”

...

Long San and Long Wu shouted wildly.

Others are waiting for the decision of the crowd.

Qinglong and the others hesitated until their blue veins burst, with a painful expression on their faces.

This choice is too painful.

The urging of Long San and Long Wu kept coming from their ears, and their heads were about to explode.

“what!!!”

“Stop them!”

...

Suddenly, Qinglong, Qilin and the others all turned around, facing Long Sanlong Wu and thousands of people...

All of them really turned around at the same time.

“Whoever passes by here is my enemy, killing without mercy!”

“Yes, no one can pass from here!”

“Boss (Master), don’t worry, we are guarding here!”

...

the crowd shouted.

They formed a human wall to block Long Sanlongwu in front of them.

Levi Garrison was very relieved to see this scene.

Enter the king’s lair with the Dark Doctor and the others.

Qinglong and the others looked at each other and all laughed.

So happy for their choice!

They stood on Levi Garrison’s side again.

“It’s the other way around! It’s the other way around! Qinglong, you guys are the other way around! You don’t obey the orders of the gods! I must tell others about your actions today! Expel you from the gods!”

“It’s over! It’s over! It’s over now!”

“If the strongest evil gu swallows the strongest poison, who can stop it?”

“Wait, before long Daxia will become hell!”

“By then, too many people will die, and you will be blamed!”

...

But no matter what they say.

The human wall formed by Qinglong and the others did not give in an inch.

“Give me... hey, forget it...”

Long Sanlongwu still wants to attack.

But seeing Qinglong and their so many gods.

It can only be a lose-lose situation.

There is no way.

Can only wait here.

prayed...

However, the forces of the Black Sky Alliance were angry because they were afraid that they would not be able to divide the treasures of the King of Evil Gus.

There is no way.

There are so many gods standing in front of them.

There's really no way.

Levi Garrison and his party of five continued to go deeper.

Saw a lot of poison and beasts.

Seeing the evil evil spirits, his eyes were straight.

To him, everything in front of him is a treasure, more addictive than a woman.

But what followed was a scene like purgatory on earth.

Living people refining Gu.

It's terrifying to the extreme!

It looks irritating.

Many babies and children were also refined Gu.

It looks distressed and angry...

"It's not f\*cking human!!!"

Doctor Dark cursed.

Levi Garrison was also very angry.

Looking at those children, I think of Levilia.

Levilia is poisoned, as well as himself.

But what about them?

only to be tortured.

But there is no way...

Keep going.

They finally meet people.

In fact, at this time, the King of Evil Gu and his apprentices all received messages.

Thousands of masters outside surrounded them.

Hundreds of people stared at Levi Garrison and them.

The king of evil gu in the rear even put out all the poisonous gu to prepare for a battle.

"Don't get me wrong, we are here to detoxify the King of Evil Gus!"

Levi Garrison said.

“Levi Garrison, right? Is your daughter the strongest poison?”

A thin, terrifying, ghostly old man stepped out from behind.

His eyes were glistening.

He looked at Levilia excitedly: “It’s really strong! This poison!”

Not wrong.

His most poisonous Gu is about to be successfully refined, and it is just a matter of savage preparations.

Now it’s delivered to your door.

How could he not be excited?

It is melancholy, there is a strong poison as the nutrients of the most poisonous Gu.

The poison in Levilia’s body is too suitable.

Levi Garrison naturally saw his intentions.

But for Levilia, he didn’t say anything.

“Come on! Let’s start!”

Levi Garrison didn’t talk nonsense, and directly carried Levilia to the front.
