Boss, Your Wife's Asking for A Divorce, Again

Chapter 17

Chapter 17

Meanwhile, at the Fuller Residence, Toby frowned as he stared at the topic that was currently trending.

Standing beside him, Tom was trembling. "President Fuller, I didn't do it. Someone must have leaked it on purpose. Do you need me to get someone to stop it from trending?"

"There's no need for that." Toby pursed

his lips as indescribable emotions

flashed across his eyes. "The Gray

Family must be behind this."

Tom understood what he meant.

The Gray Family must have deliberately

leaked the video to suppress Sonia. If

President Fuller helped to stop it from Trending, the Gray Family would be unhappy. He wouldn't want to offend his future father-in-law because of Sonia.

"Then, this matter"

"Don't worry about it." Toby turned off

his phone, then raised his head and asked, "Has the Ocean's Heart arrived?"

Tom nodded. "It arrived yesterday. As per your order, Miss Gray's name is engraved on it."

"Okay. You can leave now."

Toby lowered his head and massaged his temples, then his eyes skimmed over the red divorce certificate in the trash can, and his head began to hurt even more.

Triforce Enterprise had a good reputation in Seafield. The Gray Family mostly invited upper-class people to the banquet they held for their daughter, so it was only natural that there were opportunities to curry favor with the rich and powerful as well as get to know their daughters.

Titus and his wife wandered through

the crowd with smiles on their faces.

He was a refined middle-aged man with a beard, while his wife exuded a chilly demeanor, much like the typical Lady of a rich family

The sound of a piano being played slowly rang out.

The crowd looked over and saw that

Tina looked fresh and refined in a

green dress, and she was sitting elegantly and calmly while playing the

piano. Her body seemed to be glowing,

attracting everyone's attention.

After the song was finished, Toby walked over from the crowd and took

Tina's hand. It wouldn't be an

exaggeration to say that they looked

like a golden couple.

Titus smiled and said, "Thank you all

for taking time out of your busy

schedules to attend our banquet. In

addition to celebrating Tina's recovery,

another major announcement will be

made today."

He swept his gaze over the crowd before it finally landed on Toby. "I'd like to announce that Toby Fuller, the president of the Fuller Group, is going to be my son-in-law."

As soon as he finished, there was an uproar from the crowd.

Everyone was aware of Toby's divorce, because the news had spread like wildfire. Now that he was revealed to be the future son-in-law of the Gray family, the crowd recalled the video that was yesterday's trending topic.

They couldn't help but exclaim in awe.

To be well matched in social status was truly important for a couple.

Toby appeared handsome and brilliant, looking like a perfect and beautiful match with Tina, who was similarly gentle and elegant.

He took out a golden brocade box,

opened it, then got down on one knee

in front of Tina

His actions spoke for itself.

Surprised, Tina covered her mouth in

disbelief

At this moment, the man said, "Tina,

will you,"

Suddenly, an untimely laugh

interrupted Toby.

"I'm sorry I'm late, everyone."

That voice...

As complex emotions flashed across

his eyes, Toby twisted his head to take

a look.

All dressed up to look charming and

enchanting, Sonia appeared, followed by Charles and Carl.

Everyone was surprised to see her,

because all of the people present knew

Seeing that her son's happy moment was being interrupted, Jean suddenly stepped forth and pointed at Sonia before snapping, "Who let you in? Get

out!"

Charles folded his arms across his

Titus stopped Jean from saying

anything more, then looked at Sonia,

He was a wily old bird, so naturally, he

wouldn't be impulsive, but his smile

had considerably faded, "Although I

didn't send you an invitation, you're still,

a guest, so the Gray Family welcomes

you."

"She's the one who caused my

The moment Julia laid eyes on Sonia,

she experienced a strange feeling, but

Then, she remembered that this person almost killed Tina.

Julia's face hardened, and she

disposed of all courtesy. "Miss Reed, I've not settled the score from six years

ago with you, so how dare you show up

at my house!"

Everyone in her surroundings was intrigued, but Sonia turned a blind eye

to it all

With an enigmatic smile, she glanced

at Toby, who was down on one knee,

Then, she looked at Julia and said listlessly. "First of all, I'm sorry that I came here uninvited. Secondly, who can confirm that the video that's trending is real? You want to settle the score from six years ago with me? I've truly been wrongly accused."

As she spoke, her gaze landed on Tina.

Tina's face paled, and she quickly hid behind Toby

When everyone saw this, they began

berating Sonia

"This woman has a lot of guts. She ran

into her car six years ago, yet she still

has the audacity to come to the

banquet!"

"Exactly. Look. Miss Gray is so

frightened. She's really overstepping."

Julia noticed how scared her beloved

daughter was, but she wasn't in the

mood to have nonsensical banter with

Sonia. "What a sharp-tongued girl.

Since you said you were wrongly

accused, then go and explain to the

police."

Julia was about to make a phone call

when Toby stopped her.

The man, who had been silent for a

long time, finally spoke. "Sonia, you shouldn't be here."

Is he trying to intimidate me?

Sonia grinned without caring what

others thought. Raising her eyebrows,

she said somewhat sarcastically,

"Then, where should I go? President

Fuller, at any rate, we'd been married

for six years. Although you weren't very

good to me, I never did anything to

betray you, so how could you post a

fake video on the Internet to slander

me? Do you so desperately want me to

die?”

Toby’s eyelids twitched, and his grip on the brocade box tightened slightly.

Tom was about to explain on behalf of

his boss when Toby cut in.

Fixing her with a profound gaze, he answered, “Tina won’t look into the

matter, so you should stop acting like

this.”

Sonia felt as if she had just heard the

biggest joke. “Are you kidding me?”

She glanced at all of them, then took

her time taking a seat. “Carl, show them the gift I’m giving to Miss Gray.”

As everyone watched in surprise, Carl

played the video on the projector on the wall screen.

The crowd was seeing a different

scene from the one in the trending

video.

At this moment. Titus spoke, and his eyes turned a little gloomy. "Miss Reed, how can you prove this is real? Now that technology is so advanced, everything can be faked."

Sonia already expected him to say that. so she shot Carl a glance.

He made a call, and in no time, a person got out of the car at the entrance.

Most of the people know the person who just came out. He was a well known computer technologist in Seafield.

His words were more reliable than anyone else's.

"I can testify that Miss Reed's video is genuine, and that the video circulating

on the Internet has been edited.”

As soon as he made this remark,

everyone’s expressions changed. Toby,

in particular, was simply dumbfounded.

Still gloomy, he asked, “Sonia, are you done making a scene?”

Crossing his arms across his chest, Charles sneered, “T’ll say, Toby, you’re really quite pitiful. Someone took you as a fool and deceived you! Let’s not talk about the video. About the car accident that year, you just needed to be more dedicated and look for the

initial case officer to check, then you

would’ve been able to know the truth.”

Toby’s expression was extremely cold,

and he fixed his pair of emotionless

eyes on Tina. Something strange was raging behind his eyes, making him look extremely dangerous.

Tina panicked.

She didn’t expect that Sonia would

come up with evidence!

She shook her head, fear evident in her eyes. L. I didn’t lie to you, Toby... !

didn’t... Listen to me...”

weak

With the truth presented before their

very eyes, everything she said was

useless!

Upon seeing this, Charles could finally

work out his anger as he sniggered. "Toby, there's one more thing you may

not understand. During the several

years when Tina was in a coma, my

baby had been going to the hospital to

give her blood. If she deliberately knocked into Tina, why would Sonia keep on transfusing blood to her? She did it for you. It's pathetic that you, a man who thinks he's very smart, are actually bloody blind!"
