# Boss, Your Wife's Asking for A Divorce, Again

## Chapter 21

### Chapter 21

"Baby, don't look at him. Look at me, all

right?" Charles tried his best to draw

Sonia's gaze back from the window.

"I'm more handsome than Carl, okay? Or do you like virgins like him more?"

Having had her thoughts interrupted,

Sonia didn't know if she should be

angry or laugh, so she rolled her eyes

at him. "When I was young, I thought

you were narcissistic. Who knew you'd

grow up worse."

"I'm just aware of how handsome

am!" Charles chuckled. "Really, baby.

Don't you want to marry me? The

Ocean's Heart is nothing. I will find the world's most unique diamond ring to propose to you!"

Sonia and Charles grew up together, and they often dropped by each other's houses, so they were extremely close. Sonia knew that Charles was just trying to cheer her up because he knew that she was upset.

She was indeed rather amused by his remarks, and she even remembered the things she had neglected.

Sonia opened her handbag and took out a ring from one of the compartments. Even in the dim lighting of the car, the diamond was still dazzling.

This was her wedding ring.

Sonia looked at the wedding ring in her hand, and everything that happened tonight flashed rapidly through her mind.

She recalled the scene of Toby kneeling down and proposing to Tina, almost as if he was spoiling her, and the scene where he protected Tina... Her calm heart began to make waves

again.

Through the rearview mirror, Charles saw the ring, but he didn't make a joke about it. "Baby, you know that some people look like humans, but they don't deserve to be humans. If you meet again in the future, you have to take a detour"

"Okay." It was only a few dozen seconds, but Sonia's heart was already at peace.

She placed the wedding ring on the armrest compartment in the center, and her tone was calm when she said, "Sell this wedding ring for me too.

Donate the money to the people in the poor mountain areas."

With that, Sonia leaned back in her chair and looked at the scenery flashing by outside the car window,

and her whole being calmed down.

After eight years, her one-sided love

had finally come to an end, which

made her feel relieved.

At the hotel, the banquet was still

ongoing, and the guests were still

bustling, as if nothing had happened

earlier.

One after another, Toby greeted each

company's bosses and business

partners. It took a long time before he

had time to breathe, and exhaustion

was clear in his eyes.

As soon as he sat down to rest, Tina

came over.

"Toby, are you okay?" Tina asked thoughtfully as she poured warm water for him before walking around to the back to massage his shoulders.

Her technique was right, but there was

still a lingering irritation haunting Toby's heart

Toby pressed Tina's hand, then said in a deep voice, "You'd been going around with your father greeting everyone tonight, so you must be quite tired. You should sit down and rest."

"Okay." Tina gave a small smile, then sat down beside the man.

She peeled an orange and handed it to

Toby, but he didn't take it and simply

stared at her. "Tina, how did the car accident happen back then? Tell me again."

The man's eyes were deep and sharp.

It was as if he had an insight into

people's hearts. When Tina met his

gaze, her hands trembled, and she almost dropped the orange onto the ground.

"I was in a coma in the hospital for too

long, so there are many things I don't

remember.” She forcefully steadied her mind and tried to recall it. “I don’t remember exactly how the car accident happened. I only vaguely remember that I was hit.”

She continued, “Tonight, Miss Reed brought people over to create trouble. Toby, you can’t possibly believe what Charles said about me staging the accident, right?”

Met with Toby’s silence, Tina grabbed his hand before she said in a flustered and aggrieved tone, “Toby, you must believe me. I’m not familiar with Miss Reed, so why would I frame her? I won’t treat my life as a joke.”

Seeing that her eyes were red, Tony’s doubts disappeared, leaving only distress

said, "Since you've recovered, the matter with the car accident ends here. It has left you traumatized, and I don't want you to feel upset because of it anymore."

"Okay." Feeling relieved, Tina smiled faintly.

Tina peeled an orange again and handed it to the man while looking at his stern expression. "Tony, I know that Miss Reed had been married to you for six years, and she had contributed quite a lot to the Fuller Family, so I'm very grateful to her. I'd like to invite Miss Reed to dinner some other day and prepare another present to thank her."

"There's no need for that." Thinking about what happened half an hour ago, Toby's gaze darkened, and his tone was a little cold. "Sonia was the only

person who could donate blood to you at the time. She used this to threaten me, which was why I married her. And the Ocean's Heart, which she took away tonight, is worth quite a huge sum."

Seeing that the man was so loyal to her and always stood by her side, Tina felt utterly relieved.

She leaned over and wrapped her arms around the man's waist, and a soothing smile appeared on her face. "Toby, thank you for waiting for me. Now that I've recovered, I will have plenty of time to spend with you and Madam White."

Since they were seated so closely together, Toby could smell the faint scent of roses on her body. Seemingly uncomfortable with the smell, he

frowned.

He remembered that Sonia also used

perfume. He had smelled it several

times, but his nose never felt

uncomfortable.

“Tina, mind your actions.” Julia and

Titus came over. Seeing how Tina was

hugging Toby, Julia smiled, but she

reprimanded her. “There are guests all

around. It’s not good for the guests to

see this,”

Tina blushed after being told off, so

she quickly let go of Toby and sat back

in her seat.

Unbothered, Titus said, “Toby and Sonia are already dating, so what do they have to be wary of? if it wasn’t for

something, so he stopped short and  
said to Toby, "I heard that you had  
dinner with the boss of Continental Co.  
last week. Do you intend to buy it?"

"President Drew and I just had dinner  
and a casual chat," Toby said. "Ryan is  
competitive, and he attaches  
importance to his company. He would  
never let it be acquired no matter how  
bad things got."

Titus nodded, "I heard that he was  
looking for people to invest these days, so he has obviously run into a wall."

When the two of them talked about  
business matters, Titus did the talking,  
while Toby assumed his role as a junior  
and listened while occasionally  
agreeing with him.

Seeing the waiter walking through the

crowd with a glass of juice and

sending it to another table, Toby remembered something and called the waiter over. "I want a pot of freshly squeezed mango juice."

"No problem. Please wait a minute."

When Tina saw Toby asking the waiter for mango juice, her face became stiff, but she figured she shouldn't ask

In no time, a jug of freshly squeezed

mango juice was delivered.

Toby poured a cup and handed it to

Tina, a faint smile on his lips. "I

remember when we corresponded last

time, you wrote that you loved eating

mangoes. Once, you went to your

grandma's house and ate 30 small

mangoes in one go, seemingly unafraid

of overeating."

"They were just small mangoes. There

wasn't much flesh." As Tina snake cha

took the glass of mango juice from him and held it tightly, but she didn't drink it immediately, and her face

seemed to have turned paler.

"What's the matter?" Toby asked, "You love to eat mangoes, but you don't like them as fruit juice?"

Titus didn't understand what Toby was

saying to Tina, but he knew that she

was allergic to mangoes, and it was

very severe. She couldn't touch them at

"The mango juice is very sweet." Tina smiled sweetly at Toby, then placed the cup on the table. "Thank you for remembering what i like."

Toby's thin lips twitched slightly. "I remember all the things you like.

There's a fruit farm with decent fruits. Tomorrow, I'll ask the boss to send two

boxes of mangoes to the Gray

Residence. If there are other fruits

you'd like to eat, you can just tell me."

"Okay." Tina responded forcefully. She

started to feel uncomfortable, so she

pushed her chair aside and stood up

as her face became paler. "I'm going to

the restroom. Toby, you can carry on

chatting with my dad."

Lifting the hem of her dress, she turned and hurried off. Tina had been allergic

to mangoes since she was a child, and having just a little bit would be life threatening. Before she got to the

restroom, she felt her breathing

becoming uneven, then she twisted her

leg and nearly fell down.

“Tina! Tina!” Julia rushed over and

hurriedly held her daughter.

When Julia saw the discomfort on

Tina’s face, she grew anxious. “Are you

out of your mind? You’re allergic to mangoes! Why did you drink the mango juice Toby gave you? Do you have a death wish?”

“Mom, I’m not feeling well...” Tina was

breathing hard and panting as she

tightly clutched Julia’s hand. “Call for a

doctor. You must never let Toby know.

If he asks you, you must say that I love

mangoes.”

“How can you still talk about this at such a time?!” Julia rebuked, trying to

help Tina to the lounge.

But, after taking a few steps, Tina felt  
so sick that she fainted.

“Tina!” Julia was panicking so much  
that she was almost in tears, and she  
was all over the place. “Help! Someone  
help!”.

In the banquet hall, Toby and Titus talked for a long time. Toby checked his watch, only to  
realize that twenty minutes had passed, but Tina hadn’t  
returned yet.

Tina had just recovered, so Toby was afraid that something else had happened to her body.  
Pushing his  
chair back, he got up. “Mr. Gray, I’m  
going to look for Tina.”

“Don’t worry. Tina is fine” Julia  
happened to return, and when she  
heard what Tony said, she chuckled  
and assured him, “She’s just a little  
sleepy after busying herself with us  
today. I’ve brought her to the lounge to

rest." Then, she added, "Toby, you've also worked hard today. Go back and get some early rest. When Tina wakes up, her father and I will bring her back."

The banquet had come to an end, and Toby was indeed a little tired.

"Then, I'll have to trouble you with that, Mrs. Gray," Toby said solemnly. "When you're not so busy with company affairs, I hope you and Mr. Gray can honor me with your presence and have a meal with my mother."

Julia smiled. "Sure. Be careful on your way back."

Toby then retrieved his coat and left.

When he got to the door and turned around, he saw Julia tell Titus

something before they walked to the

back of the banquet hall in a hurry.

At the side of the hotel, Tom was

already waiting. When Tom saw Toby

coming out, he hurriedly opened the

back door of the car. The car drove

smoothly to the Fuller Residence.

Now that everything had quieted down,

Toby felt even more irritated as scenes

of Sonia turning up at the banquet

crossed his mind. Not to mention,

there was that gentle and handsome

young man beside her.

Toby tugged on his tie. After a while, he

asked Tom in a deep voice, "Have you

found out Carl's family situation?"

Tom reported his findings truthfully,

"Yes. Carl was born in Jordain County.

It's a slum area, and it's close to the

mountains, so the transportation system there isn't developed. There's only one school, and it's ten kilometers away. Six years ago, Miss Reed went to Jordain County to visit the poor children and provided Carl with financial aid. After he left, he was scouted by Vashine Entertainment on his way to work during summer vacation, and now, he's their most expensive male model. Carl's also particularly smart. Miss Reed was able to become a shareholder of Paradigm Co. so quickly because he helped her."

After hearing all that, Toby said bleakly. "Sonia is controlling Paradigm Co with her shares, but if the shareholders disagree with her, Paradigm Co. won't

last long. She hasn't dabbled in the industry before, so she doesn't know anything."

"Indeed." Tom agreed. "President Fuller,

although you were forced to marry

Miss Reed, I can see that you treat her well. Knowing that she has just taken

over Paradigm Co., you must be afraid

that President Gray would take revenge

on Miss Reed in the business world for

his daughter's sake, so you gave her the Ocean's Heart to get her to leave."

Toby closed his eyes to rest for a

while. A moment later, he said, "She

often goes to the Fuller **Residence to**

accompany Grandma. She's taken care

of her for so many years, so I'm just

doing it for Grandma's sake."

Tom smiled. "Yes. Old Mrs. Fuller likes

Miss Reed very much."

Toby could also tell that Rose liked Sonia very much. Every time he and

Sonia returned to the Fuller Residence,

Rose would hold on to Sonia and talk

to her non-stop. However, when he

brought Tina to visit her, Rose had her dislike toward Tina clearly written on her face.

As Toby thought of the fact that Rose didn't like Tina, he got a headache. As such, he said coldly, "Why are you so talkative today?"

Hearing that, Tom immediately kept his mouth shut. At this moment, the phone in Toby's suit pocket vibrated twice.

When he reached for it, he came into contact with a small hard object.

Toby looked at his phone first and saw that Tina had sent a message asking if he had arrived home. After responding to her message, the man looked at the ring in his hand under the glow of the light in the car. Soon, he remembered that he and Sonia went to the Civil Affairs Bureau to sign the divorce papers the other day. After they came out, he took off his wedding ring and

threw it into his suit pocket. The

servant must have presumed it was a valuable item and dared not remove it, so they placed the ring back after cleaning his suit.

After staring at the ring for a long time, Toby asked, "Did I buy this wedding ring?"

Tom looked at Toby in the rearview

mirror, then at the ring in his hand before saying carefully, "When you

married Miss Reed, you said it would

be hard to explain to Miss Gray if you

bought Miss Reed a wedding dress

and the other necessary stuff, so there

was no wedding dress or grand

ceremony. The wedding ceremony was

simple. Also, you asked Miss Reed to pick the ring on her own, but..." After a pause, Tom continued, "You didn't give Miss Reed any cards, nor did you ask me to handle it, so Miss Reed bought the wedding ring herself."

After hearing what Tom said, Toby

stared even more intensely at the ring.

He thought back to how carefree and proud Sonia looked on the day they got

divorced. During their six years of

marriage, Sonia never asked anything

from him, and she left the marriage

with nothing as well.

Tom noticed that Toby was silent for a

long time. He wasn't sure what he was

thinking, so he asked after careful

consideration, "President Fuller, do you want me to deal with the ring for you?"

"After you arrive at the office tomorrow

morning, sort out Continental Co's

information," Toby instructed. "Since

Zane's company has a cooperation

with Paradigm Co., you can send this information to Paradigm Co. under his

name."

"Okay." After working for Toby for

several years, Tom instantly

understood the meaning behind his

words. Then, he said, "Paradigm Co. is

already dying. If they can successfully win over Continental Co., they might be

able to start over, but the only concern

is that Paradigm Co. might not have  
enough funds.”

Toby replied, “Then, it depends on how Sonia handles the Ocean’s Heart. The  
victory or defeat of Paradigm Co. lies  
in her hands.”

Tom couldn’t help but add, “I think Carl  
is quite incredible. He could easily  
make Miss Reed a new shareholder of  
Paradigm Co. If Miss Reed asks him to  
help Paradigm Co., then their future.”

As he spoke, Tom noticed a sudden  
drop in the atmosphere in the car-it was suddenly so cold that it caused him to shudder. He  
immediately shut up and drove quietly.

Toby’s gaze fell on the ring again. He thought about how when he wore the  
wedding ring while attending various  
receptions over the past few years, he  
managed to stop many women from  
throwing themselves at him. At that  
thought, he figured his wedding ring

wasn't just a meaningless accessory after all.

A few seconds later, Toby put the

wedding ring back into his suit pocket, then said to Tom, "If Paradigm Co. can't acquire Continental Co., bring

someone in to help."

Tom responded, "Got it."
