Brother? Frowning, Sonia glanced at the caller ID and said, "Sonia Reed speaking, but I don't have a brother. You must be mistaken."

"There's no mistake. He says he's your brother. His name is Tyler Fuller."

The moment she heard the name, Sonia

was reminded of the terrible things Tyler

had done before this, and she freaked out.

"I'm sorry but I don't know him." With that, she hung up immediately.

Charles asked in curiosity, "Brother? Is it

Carl?"

"No. She called the wrong number.

Then, Sonia walked out of the office with Charles. They planned to discuss Paradigm Co.'s future plans over some Japanese food. However, as soon as she entered the lift, her phone started ringing

again.

Sonia kept her shirt on as she answered

the call. However, instead of the female police, the person at the other end of the line was Tyler

“Hey Sonia, come pick me up from the police station.”

During the six years of marriage between

her and Toby, his brother–Tyler, had

either addressed her by her full name or

did not address her at all. This was actually the first time he had called her

Nonetheless, this fellow sounded very reluctant. It was as if he was forcing

himself to address Sonia as such.

Your brother and I have already divorced.” Sonia reminded Tyler, and herself at the same time. You should call your brother and ask him to bail you out.”

Tyler scowled. “Is it so hard for you to

come to the police station?”

“Go ask your brother.”

Seeing how Tyler changed his attitude within a second, Sonia frowned and

remained silent. Just as she was about to

hang up. Tyler hung up before her.

Toby’s brother is looking for you?” Charles asked as he caught quite a number of keywords from the conversation.

"I heard Toby has made reservations at the

Sheraton Hotel. He **even invited Tina's**

family to have dinner with his parents to plan the day of their engagement again. Shouldn't his brother be together with them at the hotel? Why is he at the police

station?"

"He probably committed some crime and

got detained." With a calm look, Sonia

pursed her lips. "He wants me to bail him

out."

Charles sneered, "Does he think you and

Toby are still married? How could he still

order you around like this? His character is

exactly the same as his mother's!"

When they arrived at the car park and were about to get into the car, Sonia suddenly asked, "How long will one be detained in

the police station normally?"

"Depends on what crime they committed. If it's causing an affray, they will be

detained for around 15 days if no one bails them out," Charles answered and looked at

Sonia in resignation. "Are you thinking of

going to get him?"

“He doesn’t dare to call Toby, which shows that he must have committed something serious.” Sonia got into the car. Til go take a look.”

Charles bent down and knocked on the car’s window with a sulky look. “Are you abandoning me for the sake of your ex husband’s brother?”

However, Sonia ignored him and drove out of the basement car park.

While on the way to the police station, Sonia recalled the conversation with Charles at the car park just now, and she hated herself for being soft-hearted at that moment. She had decided to let things go, yet here she was on the way to help when his brother was in trouble.

After arriving at the police station, Sonia mentioned Tyler’s name, and the policewoman led her in. Soon, she saw a

row of youngsters in school uniforms
standing by the wall. Everyone looked
disheveled with serious injuries on their
faces.

“Tyler Fuller.” The policewoman called upon Tyler, who was standing among the youngsters.
Your sister-in-law is here to
pick you up.”

Tyler immediately lifted his head. His eyes

lit up for a second when he saw Sonia, but he soon pouted and snorted. “You b*tch, I knew
you would come.”

Sonia looked at him calmly and said,

“What did you just call me?”

With her hair tied up into a ponytail, she

looked gentle and elegant in her black

coat, but her tranquil gaze actually sent a

chill down Tyler’s spine.

The two of them looked into each other’s

eyes for a moment before Tyler spat

through gritted teeth, “So-nia.”

Sonia was just used seeing Tyler's aggrieved look. She didn't sign the bail bond immediately but asked him, "Why did you get into a fight with **the others?**"

Tyler kept quiet

Just then, one of them from the row of youngsters who were standing at the

corner of the wall yelled at Tyler, "Hey Tyler, I heard your sister-in-law has already divorced your brother. How can you be so shameless to ask her to come bail you out? Ha! You're just like your mother,

ordering people about impudently."

"I think his mother must have mistaken his

gender when she gave birth to him!"

Tyler's eyes became bloodshot upon being

provoked by the few youngsters' mock. He

provoked by the few youngsters' mock. He had an impulse to dash toward them and give them a punch in their faces.

Nonetheless, Sonia quickly grabbed his uniform. "Are you actually thinking of

causing a ruckus in the police station? Do

you want me to call your brother?"

Worried that Sonia would really call Toby,

Tyler pulled his arm away from Sonia with a dark face without allowing the latter to

touch his uniform.

After signing the bail bond for Tyler, Sonia

glanced at the other youngsters at the corner of the wall and said to the police officer, "It's normal for kids to have fights. I'll bail the others out too, it's just a small matter and it's not necessary to trouble their parents."

The police officer understood that the youngsters were from the same school and they would have one less case to worry about if the fellows were released earlier, so the officer agreed. As such, Sonia signed the bail bonds for the other youngsters too.

On the other hand, Tyler had never thought Sonia would do this. His blood boiling, he scowled at Sonia, "Are you crazy? Why are you bailing them out too?!"

Tyler glanced at the youngsters in front of him and mumbled sulkily, "I could have won if there were only three of them, but then another two came."

*That means you didn't." Sonia darted a glance at him. "I thought you were all high and mighty!"

Hearing that, Tyler was rendered

speechless

After coming out of the police **station**,

Sonia followed behind the few youngsters

at an unhurried pace, which made Tyler

confused. Just as he caught up with Sonia

after hesitating for a while, Sonia suddenly

hit the back of one of the youngsters with

her handbag, causing the fellow to wall in

pain.

Seeing Sonia daringly hit their friend, the

other fellows quickly surrounded her.

Sonia yelled at Tyler, who was

dumbfounded, "What are you waiting for?

Come and beat them up! Didn't you say

you're able to defeat three of them?"

Sonia dragged two of the youngsters away. so it was a piece of cake for Tyler to deal with the other three. In no time, all the **youngsters were beaten to a pulp. At the** same time, there were more injuries on Tyler too, and he grimaced in pain as he had received a punch in his right cheek.

Sonia straightened her disheveled hair and

said to the few youngsters who were

knocked to the ground. "I'm giving you

guys mercy by asking him to beat you all

I can make you guys stay in the juvenile

She said the scariest words in a calm tone, which caused the few youngsters who were still students to wimp out and didn't dare to utter a word anymore

"Get up." Sonia said and pointed at Tyler who was standing next to her. "Apologize to him."

The few youngsters quickly stood up and apologized to Tyler. After that, they ran away immediately upon Sonia's dismissal,

Tyler looked at Sonia's side profile with

mixed emotions. Back then, when Sonia

asked Toby to marry her, Tyler had thought

that she had indirectly broken up Toby and

Tina. Hence, he had treated her with

hostility all this while and picked on her

when she was still in the Fuller Family

However, he had seen a different Sonia at

the bar last time, and today. It seems like she *isn't that bad after all*

"I heard Toby and your sister-in-law-to-be are at Sheraton Hotel. It's up to you whether you want to go home or go to the hotel." Sonia took out some cash and

shoved it to Tyler.

Then, she walked toward the driver's seat.

Just as she was about to get into the car,

she heard one of the car's doors being opened and closed shortly after that.

Looking at Tyler, who was sitting in the

passenger seat, Sonia tried to keep her

shirt on. "Tyler Fuller, go hail a cab. I have

no time to send you back."

"I'm not going back. I'm going to sleep in

and he scrunched his face in pain.

“Get out. Toby and I have already divorced.”

However, Tyler remained still in the

addressed you anyway.”

Chapter 32

Looking at Tyler’s badly beaten face, Sonia sighed deeply and got into the car without further arguing with him

Meanwhile, Tyler had not deemed himself

an outsider at all as he started touching

things in Sonia’s car.

Sonia’s car was a standard sedan, but

because Tyler was very tall, he could only

shrink his long legs below the seat.

However, he still thought it was the car's

problem. "What kind of lousy car is this? |

can't even move my legs! Hey, why didn't

you ask for a car when you and my brother

were going through the divorce?"

"Just get out if you're not happy with it."

Sonia didn't speak kindly to him as she didn't want to spoil him. "Go and sit in Toby's fancy car instead."

With that, Tyler stayed silent.

Soon, the car arrived at the parking lot in the basement of Bayside Residence. Seeing Sonia get out of the car, Tyler quickly jumped out and followed behind

her. "I heard that the houses here are very

expensive. Did you sell the Ocean's Heart

to buy this property? Did Toby really not

give you a single cent when you guys

divorced? Hey, have you lost your mind? Even if you asked Toby for some money,

no one would say anything about it."

Sonia ignored him and even deemed him

absent. After arriving on her floor, she

entered the house after scanning her fingerprint

If not for Tyler's quick response, he would

have been left outside the house. He was

so annoyed that he felt like cursing Sonia

but he knew he needed a place to sleep

tonight, so he snorted and bit his tongue.

Seeing Sonia walk toward the kitchen, Tyler yelled at her, "I want beef noodles

two bowls!"

Although he detested Sonia, it was

undeniable that Sonia had great cooking

skills and he enjoyed her dishes. Back

when Sonia was still at Fullers' Residence,

she would prepare lunch for Tyler to bring

to school. After Sonia had left the family,

Jean had hired a chef who claimed to have

However, it turned out that his cooking was nasty and even Sonia's cooking was better than his

"I'm going to make plain noodle soup, take it or leave it," Sonia said coldly without even turning around. "The first-aid

kit is in the second drawer of the

storeroom. Go get it yourself.”

What the heck! This woman has simply

divorced Toby, but why does it feel like she

has become a totally different person?

After complaining about Sonia inwardly,

Tyler reluctantly went to get the first-aid kit

from the storeroom and sprayed the

disinfectant at the wound on his face.

Sonia was still preparing dinner, so Tyler

wandered around the apartment. He noticed that the quest room was empty while there were only Sonia’s apparel and cosmetics in the master room-there was

no trace of another man at all.

Could it be that the toyboy named Carl Lee

does not stay here?

Tyler walked to the table beside the floor to-ceiling window and found a laptop, some stationery, and a half-opened old

metal box on the table. He glanced at the

door before secretly opening the metal

box. Inside the metal box was a pile of

yellowed letters.

Out of curiosity, Tyler took one of the

envelopes and opened it. After reading the

content, he realized that Sonia was writing

to a pen pal named "John". She shared interesting stories in life with him and

asked him if his grandmother was well.

When Tyler saw the date at the bottom right corner of the letter, he mocked her with disdain, "Hmph! This bitch did not focus on her studies and was dating on the web! How has she not been fooled

yet?

All this while, I wondered why Sonia had a

big change in her personality after the

divorce from my brother. It turns out that

this is her true color—she has always been

wild!

"Tyler Fuller." Sonia's impatient voice came

forth from outside the bedroom. Till give you ten seconds. If you don't come over

and have your hoodles, I'll throw it away."

Därmaal How dare this woman threaten me!

Cheesed off, Tyler simply stuffed the letter

into his pocket and thought to himself, have to *let Toby see this and tell him that Sonia has engaged in web dating since she*

was in school.

When Tyler went to the kitchen, the beef noodle was still on the table, so he sat

down and tucked away, thinking that Sonia

was still sensible.

Meanwhile, Sonia sat down across from

Tyler and asked, "Why did you fight with

the others?"

"Mind your own business."

"Sure, I shall mind my own business and ask Toby to come over then." Sonia knocked the table with her finger and

smiled faintly

Hearing that, Tyler remained silent for a moment before he spoke up reluctantly. "There's this girl in our class who always gets bullied by them. They even had the guts to cut her hair! I couldn't just sit and

watch anymore so I started throwing

punches at them..."

However, it so happened that a police

officer, who had just got off from work,

passed by when they were fighting, so all

of them ended up being detained in the
police station

"I didn't know that you actually have a
sense of justice." Sonia said.

Because Tyler was bad-tempered and had always picked on Sonia when she was back in Fullers' Residence, Sonia had never meddled with his affairs and would only leave it to Toby to handle.

Tyler pursed his lips. "I'm just frustrated to
see a few guys bullying a girl."

While eating, he asked Sonia, "By the way. I've wanted to ask this since just now where's the toyboy? Isn't he staying with
you?"

"Who?"

"The one named Carl Lee." Tyler rolled his eyes and gabbled, "I went in your room just
now but didn't see any men's clothes."

Sonia was annoyed at Tyler, who pried her

room even though he was just a quest. Lifting her head, she stared at Tyler and smirked.
"There's no one here named Carl Lee, but there is a toyboy within a stone's throw."

Within a stone's throw? Startled, Tyler soon realized what Sonia meant upon seeing her
staring fixedly at him, and he choked

on the noodles.

“Shameless woman!” Tyler rebuked as his face turned red out of anger. “I’m only sixteen, and I’m your ex-husband’s brother!

H-How dare you have such thoughts?!”

Sonia asked unaffectedly, “Isn’t that what you already think of me-a flirtatious woman?”

With that, Tyler was at a loss for words.

After dinner, Tyler refused to leave and inhabited the couch as he wanted to stay the night. Perceiving that she couldn’t

phone

Tyler caught a glimpse of her dialing Toby’s number, so he pounced over to snatch her phone. “Hang up! Don’t call

Seeing the call had already been

forwarded on the phone, Tyler pounced toward Sonia, snatched the phone from her, and hung up the call.

As Sonia did not expect that reaction from

Tyler, she fell to the ground upon the pounce. Although the back of the couch

was soft, she was in pain as she had

knocked her head hard.

Tyler heaved a sigh of relief after hanging up the call. Then, he noticed Sonia, who was frowning after falling onto the couch.

The hem of her sweater folded outward,

exposing her fair, thin waist and...

“T.F.?” Tyler had sharp eyes and noticed

the alphabets tattooed at the right side of

Sonia’s waist.

Sonia quickly pulled down the sleeves of her sweater to cover the wordings of her tattoo before she opened the door. She was surprised when she saw Toby and Tina standing right outside the door because she never expected them to come.

Toby wore a black suit while next to him was Tina, who wore a champagne-colored evening gown that made her look fair and beautiful. Both of them looked compatible with each other when they stood together.

When he saw Sonia's messy hair and pink cheeks, he immediately became colder

and asked her in a low voice, "Where's

Tyler?”

responded in a gentle manner, “We are here to pick Tyler up. Can you ask him to come out quickly?”

Sonia turned around to yell into the house, “Tyler, your brother and your **sister-in-law** are here. I’m not the one who told them about your location. Your brother is the

one who installed location services on your phone and found you from there.”

When Tyler saw his brother, his shoulders

slumped in a slightly lazy manner as he slowly walked out of the house with his

bag.

When the three of them were about to

leave, she called after them, “President

Fuller, your brother used my medicine and

ate two bowls of beef noodles at my

place. Aren’t you planning to pay for it?”

Tyler replied angrily. “How much does two bowls of beef noodles cost? Since when have you been so stingy?”

“Well, beef is quite expensive now. Apart

from that, we are not related to each other

anymore. So why would I allow you to eat

for free here?”

He was speechless upon hearing that.

Meanwhile, Toby took out five pieces of cash and passed them to Sonia with an indifferent expression on his face. “Is this enough?”

“Yes. Thank you, President Fuller. Have a nice journey back home.” After receiving the money, she closed the door immediately without a second glance at them.

The three of them then took the elevator down. After they entered the car. Toby finally asked Tyler, “Why didn’t you head to the hotel and instead come to Sonia’s place? What’s going on with the injuries on your face?”

Tyler was feeling rather defeated in front of his brother. Upon hearing Toby’s questions, he immediately and truthfully

replied, “I had a fight with my classmates. I

know that you were having dinner with Tina’s family and I thought that it’s not a good idea to go to dinner while looking like this. So, I asked sis-I mean, Sonia-to bail

me out and had dinner at her place

instead.”

When Tina heard that Tyler still referred to

Sonia as his sister-in-law, her fingers

clenched.

Tina took the medical kit in her car to gently deal with the injuries on his arms while speaking in a soothing tone, "Tyler, if you get into trouble in the future, just call me or Toby. We are a family now, so don't worry about troubling us. **Apart from that**, Miss Reed already has a boyfriend. It's not appropriate for you to continue **troubling** her like this. I'm sure her boyfriend would

mind."

At this moment, he remembered how

Sonia had teased him during dinner earlier

while feeling slightly uncomfortable, "She

seems to be staying alone. She's not living

together with that guy."

Toby shot a glance at him through the

rearview mirror. He did not know why he

felt relaxed upon hearing Tyler's words.

"Maybe they have a different abode." Tina

gave a gentle smile. "Your wounds have been disinfected. Does it still hurt?"

"Not anymore. Thank you, Tina." Tyler

smiled. Tina is so gentle *and* she speaks

softly. She's much better than Sonia!

After closing the medical kit, she casually spoke to Toby. "Toby, I heard that you already asked Tom to deal with the news in our circle, right? It's just a small matter, so we didn't expect the employees from Paradigm Co. to record a video and upload

it online. The video became viral among

the circle and ruined your mother's

reputation, which affected yours as well."

"What do you mean, Tina? Are you

suspecting that Sonia asked her

employees to record the video?" Tyler

asked in confusion

"That's not what I meant." Tina replied

hastily. "I just thought that Sonia might have known about this long ago and restricted her employees so that the video would not spread like wildfire among their

department."

"Paradigm Co. has many employees. Even if she had warned them, those who didn't

mind getting into trouble would still

secretly upload the video." Tyler pouted. "On top of that, Mom is in the wrong here.

because of such small matters.”

Even though he did not like Sonia a lot, he

had spent six years living under the same

roof as her. He knew that she was not the

person who would resort to some dirty

tricks as such. Apart from that, it was Jean who went to make a scene at Paradigm Co. It wasn't something that Sonia had

Tina was shocked to see this. Tyler

obviously hates her. *Why is he speaking up for her now?*

Tina, why are you looking at me like this?

When Tyler saw her looking at him, he

raised his hand to touch his face, but he

accidentally touched his wounds and

hissed in pain. “Do I look that bad?”

She immediately returned to her senses and smiled gently. “A little. I was just

When Tyler heard that, his expression sank and he thought about skipping school. However, his older brother was the driver, so Tyler did not dare to say it out loud, for fear that he might not even be able to enter his house the next day. He had always been quite a coward who did not

dare to speak up.

They soon arrived at Fuller Residence.

Upon seeing that Tina was still here, Jean affectionately pulled Tina's hand. "Oh, Tina, it's been difficult for you to search for Tyler with Toby. Thanks for the hard work. Since it's already so late, why don't you stay the night here? Well, you should move in earlier anyway."

Tina also wanted to stay, so she shot a glance at Toby. After seeing that he did not utter a word, she pursed her lips before saying, "Alright. Thanks, Madam White."

"**We are a family now, so don't be too courteous!**" Jean was overjoyed when she saw that Tina agreed to stay the night.

After Toby came out from the shower, he did not immediately go to bed and looked through a few documents instead.

"I saw that the lights in your room are still

intention. "I made some fruit tea so that

"I'm done with work," he answered. Then, he opened the drawers and showed her the letters within, "When I was about to

Toby's body stiffened for a few seconds. When she kissed his jaw, he did not pull her into his embrace. Instead, he pushed

recovered, so your body still needs to
regain its strength. Let's talk about this in
the future."

"Alright." Tina nodded and leaned in his embrace, but worry still rose within her.

As soon as she signed the contract with
Rentoor, things had been going well for
Sonia.

While she was busy with work in the office,
her secretary knocked on the door before
entering with a document in her hand,
"President Reed, Mr. Coleman has sent
this over."

"What could he have sent?" Sonia
mumbled and took the document out of its
file.

After perusing it, she realized that it
contained details of Continental Co, and gulve off the aura that he created this
document to stage a takeover of the
company

Sonia immediately called Charles to tell him about this.

He immediately remarked, "It's a good plan to buy them as a subsidiary of our group.

Since my company has been using quite a lot of money recently, I don't have much money for you to spend."

"90 million should be enough, right?" she asked.

She looked at the document that predicted the acquisition price to be around 90 to 140 million

What the hell? Where did you get so much money from?"

"Carl gave it to me."

Charles sighed in envy. "I didn't expect that a male model would earn this much. If I'm ever bankrupt in the future, I'll become a male model too."

Sonia replied in annoyance, "You? If you really become a male model, I bet you can't even earn a hundred thousand."

“Alright, alright. I know that you think everyone else is better looking than me.”

He clucked his tongue. “I’m actually quite curious about something-Zane has actually asked other people to acquire Continental Co. Why doesn’t he do it himself and instead pass the information to you?”

Charles added, “Seeing how well he treats you, has he fallen head over heels for you?”

Upon hearing that, Sonia was **speechless**.

She had enough of his **nonsense and** decisively hung up the phone.

Not long after, he texted her again. “Baby. today is my birthday. In the past, you said that you’d be busy once you’re married, so you don’t have time to celebrate it with me.

Now that you are divorced, you’re still not free?

recently, apart from work-related matters,

she did not have the time to care about other things

If Charles had not reminded her, she would have forgotten about his birthday.

She smiled and replied, 'Of course I **remember about it. I have already booked** a place to celebrate it with you at the Luna Club. I'll select the most expensive present

later!

Since he had helped her out quite a lot, she

also wanted to thank him.

Charles replied, 'Tsk! It seems like I have to

thank Toby for the divorce. Otherwise, you

won't have time to celebrate my birthday

too."

Sonia was speechless upon seeing that.

After she settled the remainder of her

work, she left the office and prepared to

buy a watch for him as a present. It was a coincidence that the saleswoman who had previously served was working today and she enthusiastically greeted Sonia. "Mrs. Fuller, it's been so long."

Sonia merely smiled and openly responded, "President Fuller and I are already divorced. You can address me as

Miss Reed' next time."

“I’m sorry about that, Miss Reed. I was previously abroad for studies and only returned a few days ago, so I haven’t been keeping up with the news,” the saleswoman quickly explained.

“No worries about it. It’s my friend’s birthday today and I want to give him a watch as a present. Do you have any recommendations?”

When the saleswoman saw that Sonia was not angry about her faux pas, she quietly heaved a sigh of relief and picked a few watches to recommend them to Sonia,

The watches were from the same series and they looked quite decent.

Even though Sonia was picking a present for Charles, she couldn’t help but think that

Toby would also look great in those watches when she looked at them.

However, in the course of the many years of their marriage, she had bought so many watches for him that she became the VVIP customer of this store. However, Tyler had never worn anything that she bought for

him.

While she was lost in her thoughts as she looked at the leather-bound wrist watch, she heard a familiar voice just as she was

about to take it.

“This looks quite good. Please explain

more about it to me.”

Sonia turned around and saw Tina standing next to her with her friend. They were holding a few shopping bags in their

hands and it looked like they had just done

some shopping

Tina had a slight smile on her face, but

when she learned that Sonia was looking

at the watches as well, her smile froze.

She politely greeted Tina, “Hello, Miss

Gray. What a coincidence.”

“Indeed.” Tina tightly clenched the

shopping bags with a smile. “Are you here to buy a watch for your boyfriend?”

Sonia hummed in agreement and ignored

her.

Just as Sonia wanted to ask the

saleswoman to wrap the watch as a gift,

Tina was one step ahead and pointed at

the watch as she spoke, "I want to buy this watch. Please wrap it up for me."

With that, she turned around and smiled at

Sonia. "I just think that Toby would look

great with this watch. Don't tell me that you are also planning to buy it?"

Chapter 35

Although Tina was speaking in a gentle

tone, she was openly taunting Sonia

Sonia merely arched her eyebrows before she graciously smiled. "Since you said it first, it's alright. You can go ahead to

purchase it."

Tina never expected that Sonia would not even compete with her and gave her the watch instead. As a result, Tina did not

return to her senses in that instant.

*Tina, it seems like Sonia doesn't dare to offend you." Tina's friend leaned toward

her and boasted, "She doesn't have any

support after she divorced Toby. Her

company is on the brink of bankruptcy.

which is why she won't dare to take anything from you."

Indeed. Now: Sonna *has nothing apart* from

a broken company

After hearing her friend's words, Tina felt

relieved. She took the watch and handed it

to the saleswoman with her credit card.

"Till pay by card. Please wrap it for me."

However, the saleswoman did not accept

Tina's card and she instead asked

tentatively, "Miss, are you one of our VVIP

customers?"

"No." Tina frowned while looking slightly

displeased at this moment. "You mean to

say that I can't even pay by card to buy this

lousy watch?”

“You can buy any other watches in our store using a card, but not for this series.” The saleswoman looked conflicted. “Only The VVIP customers, who have spent six

million in our store for the past two years,

can buy it.”

Tina was speechless upon hearing that.

“She’s just a saleswoman who sells watches. I wonder where her arrogance

comes from.” Tina’s friend exclaimed in

annoyance. “I want to speak to your

manager! How ludicrous! We can’t even

buy a watch here?”

The saleswoman explained, “The watches

in this series have restrictions. It won’t

change anything even if our manager is

here.”

“Alright, I understand that we are not able to buy it, but what about this woman?”

“Well, Miss Reed is able to buy it,” she replied. “She became our VIP customer three years ago as she has spent enough

money here.”

Once again, upon hearing those words,

Tina was at a loss of words again.

When she heard what the saleswoman said, she spent a lot of effort maintaining the gentle and calm composure on her face.

Sonia had enough of the drama and took the watch from Tina's hand before she passed it to the saleswoman. "Since you are not able to buy it, Miss Gray, I'll take it instead."

In a short moment, she took the receipt **and the wrapped watch back with her.**

Sonia said her thanks, but she paused next to Tina just as she was about to leave and apologized, "Miss Gray, there are some things that you can't buy even if I give the opportunity to you."

When Tina heard Sonia's words, it felt like a slap to her face and she even felt her cheeks burning.

As she glanced at Sonia's leaving figure, Tina recalled what Tyler had said when he accidentally called her during last night.

Her gaze then slowly darkened. Why is she *always after what I want?*

Sonia was in a great mood after witnessing the drama. When she took the elevator to the basement parking lot, she saw a familiar face.

"President Reed."

She quickly recognized the tall and slender woman in front of her. "Rebecca Harper?"

Rebecca was Charles' ex-classmate. She was initially about to work for his

company, but when he learned that Sonia

did not have any support in Paradigm Co. he asked Rebecca to help Sonia out.

Even though Sonia had been recently busy.

she knew that Rebecca worked at the

finance department as an accountant and

she was rather careful at the job.

*There are many employees in the company, so I'm quite surprised that you remember me."

Rebecca smiled as she held a cake in her hand. "There's a dessert store here that serves tasty desserts. I'm

on my off day today, so I'm here to buy some desserts. What about you, President Reed? Are you here to buy some clothes?"

"It's Charles' birthday today, so I'm here to

buy some presents for him." Sonia shook the bag in her hand. "Do you have any plans tonight?"

"No. I just plan to head home and watch a

few movies on the couch."

“Why don’t you join our celebration? The

more the merrier. Since you are his ex classmate, we are all familiar with each

other,” Sonia responded.

“Since you have invited me, I’ll gladly join you, President Reed!” Rebecca did not

reject Sonia and pressed the button on the

elevator to head down. “Let’s go to the Second floor then. I’m going to buy a lighter for him. After all, I can’t attend his

birthday celebration empty handed.”

Rebecca had the looks of an innocent girl.

She was fair, slender and exceptionally

beautiful, but she was a chatterbox at the same time. Once she started speaking, it was difficult for her to stop, so she became loquacious.

This was the first time that Sonia had met

Someone even more talkative than

Charles, so she felt quite exasperated

about it.

Just as she was about to bring Rebecca to

Luna Club, Charles gave her a ring. “My grandmother has insisted on spending the night with me and wants me to return home to have dinner together. Argh!! guess I’ll only arrive at Luna Club by around 10:00PM.”

“Sure. We’ll have dinner first before we’ll wait for you in the private room there.” After she hung up the call, she brought

Rebecca for dinner.

Once they found a spot, Rebecca looked

around before asking Sonia, “President

Reed, I heard that you need to inform Luna

Club your salary range before you could

enter. Is that true?”

Yeah, so I booked the place under

Charles’ name.”

“Why didn’t you use President Fuller’s name? Aren’t you guys married? It is probably more convenient to just use his card,” Rebecca asked curiously

Sonia’s expression did not change much, but she asked indifferently, “How did you

know that we are married to each other?”

“Everyone knows that. It’s not a secret after all.” Rebecca shrugged. “However, I’m

curious-you are his wife and Paradigm

Co. has not been doing well lately. Why didn’t President Fuller help you out?”

After many years of marriage, he didn’t even

look at me, let alone help me “He has way

rather busy.” Sonia lowered her head to look at the cup of tea in her hands. “I’ve already divorced him a few weeks ago, so I’m no longer his wife.”

Upon hearing that a shocked Rebecca exclaimed, “Oh! I see.”

She quickly saw that talking about this topic had rendered Sonia in a **terrible** mood, so she lifted her cup of tea and

toasted Sonia. “Congratulations for becoming single again, President Reed! It’s great to be single—we don’t have so much to worry about. It’s an amazing thing! If

you want to remarry, you can consider

Charles! Since you guys grew up together

and he takes good care of you, you guys

are beyond compatible!”

Sonia smiled after she heard Rebecca’s

jokes as it helped to lift her mood quite a

bit.

When dinner was over, she chatted with Rebecca while they walked around the place. She planned to head to the private room to start the karaoke while waiting for Charles to arrive.

Just as Sonia and Rebecca **walked out of**

the restaurant, they met a few women.

Sonia was about to make way for those women, but she did not expect that Tina and her friend, whom she saw at the watch store in the afternoon, were among them.

Upon seeing this, she was stunned.

As Tina did not expect to see Sonia twice in a day, she almost failed to maintain her composure

“Miss Reed.” This time around, she

forcefully spoke through gritted teeth. “I

heard that Paradigm Co. isn’t doing quite well recently. You’d need to reveal your salary here.”

Sonia merely gave a slight smile. “Yeah, I know. I’m using my boyfriend’s card. Do you have anything else to say about that, Miss Gray?”

Tina’s pink lips were pressed together in a firm line, but she soon recalled something

and answered gently, “I’m about to play

some card games with my friends and we

are one person short. It’s good that we met

here. Since we are all acquainted with

each other, let’s play a few rounds

together.”

With that, she introduced Sonia to her

friends. "Meet Sonia Reed, the vice

president of Paradigm Co."

As Tina spoke respectfully to the woman

next to her and even lowered her stance in

a slightly ingratiating way, it made Sonia

take a second look at the woman, who

wore a beautiful black dress. **It made the**

woman stand out and **overpower her peers**

with just her looks.

"Who is this Miss Gray? Why is she so defensive toward you?" Rebecca inched

closer to Sonia and asked quietly.

"My ex-husband's lover."

Boss, Your Wife's Asking for A Divorce, Again! Chapter 36

Chapter 36

"She is definitely something to be able to hang out with Melody Stryder." Rebecca

shot a glance at the woman next to Tina as she quietly explained, "Melody is the granddaughter of one of the ministers in Norfolk who has just retired-Mr. Stryder. If you can hang out with her, you don't have to worry about your connections."

Sonia had seldom mingled in society

before this, so she did not know many

people in the business circle, let alone

folks from another city. *No wonder Tina*

has drastically lowered her stance.

Tina's background was nothing to a figure

like Melody

"Oh, so you're President Fuller's ex-wife?"

Melody shot a disdainful glance at Sonia without a slightest trace of respect at all. "Since we have all met each other, let's have a few rounds of games together. Are you willing to join us?"

Let alone poker, Sonia did not even want to

talk to Tina

However, Sonia had learned how to read

people's facial expressions after suffering in Jean's hands over the years. As soon as Melody started speaking, she knew that this was not a person whom she could

cross

"Of course. The person we are waiting for is only arriving at 10:00 PM." Sonia was

well aware that she was nothing at this

moment. Hence, she did not want to be in

a situation where she was bullied by

Melody just because she had annoyed Melody. I'm not good at poker, though. I hope you don't mind."

Melody merely shorted before she left in her high heels.

"Don't worry. It's just for passing the time." It was only after Melody left that Tina

dared to speak. "If you really can't play,

we'll go easy on you."

Tina had learned from her friends that

Sonia lost hundreds of thousands when

she played poker with Mr. King from

Dwells.

According to the waiter, Sonia was just a beginner who could not even play poker.

Sonia smiled. "Thanks, Miss Gray."

While walking with Sonia to the private

room, Rebecca asked quietly, "President

Reed, are you really bad at poker? Why

didn't you reject them? I think she thinks of

you as an enemy. What if she lays a trap for you while you are playing with them?"

"She already laid the trap when we met

earlier. Melody is obvious on Tina's side.

Even if she lays a trap later, I have to

knowingly walk into it."

Rebecca shot her a glance. "Oh! You are

too miserable!"

When the four of them entered the private room, they walked to a table for poker and quickly started the game after the distribution of cards.

Rebecca did not know how to play poker, but she quickly searched for some tutorials and knew the basic rules. When

she looked at Sonia playing again, she felt

quite sorry to see the scene that she

almost wanted to take over Sonia's place.

Upon seeing how Sonia lost to both Tina

and Rebecca for two consecutive rounds,

a striking smile appeared on Tina's face.

"Miss Reed, do you have a tattoo around

your waist with the words 'TF?'" Tina

suddenly asked. "It's the abbreviation of

Toby's name, isn't it?*

Sonia played a card, but she did not reply

to Tina

Even though Tina was also playing, her gaze was fixated on Sonia's face. "I don't feel comfortable that you still have a tattoo of his name on your body even after you guys have divorced. Why don't we bet on the game? If you lose, I'll ask the tattoo guy to immediately remove your tattoo."

Upon hearing that, Rebecca could not stop

herself from responding, "Miss Gray, this is over the top. It's President Reed's freedom

body. Her card skills are quite lousy, yet

“Miss Reed hasn’t even started speaking,

so why are you interjecting?” Melody pouted her red lips in annoyance. “How annoying!”

Rebecca blushed in anger and wanted to

retaliate, but Sonia stopped her.

“I accept it.” Sonia smiled gently with

peace and calmness in her eyes.

“However, what would you do if you lost,

Miss Gray?”

While looking at the cards that Sonia

played, Tina replied firmly, “If I lose, I will

leave Toby as well as Seafield and I will

never return again. If you think I’m bullying

you, I can ask someone else to teach you

poker. We can start our bet once you have

learned how to play.”

Everyone here is our witness."

"Alright. Then, the winner will be the one to win two out of three rounds." With that, Sonia played a card that increased Tina's

odds of winning

When Tina looked at the card, her smile

even looked vindictive. *I'm definitely*

winning this round!

The moment that the first round started

was when Rebecca knew Sonia was bound

to lose after she saw the cards that Sonia

had.

Rebecca could no longer bear to watch the

“What are you doing?”

“I’m at a club watching my boss playing poker with someone else,” she responded lazily with a puff of smoke. “Why? Are you

coming over?”

“asked you to look for someone in

Seafield, yet you really think you are an

employee?”

“Stop prompting me! He deserves it! He

his won’t fight to death because of this

small amount of money. My leg was almost broken by them the last time

around!”

“Rebecca, how could you talk about them in this manner? You are the bodyguard of

soon?"

Rebecca took a puff of smoke before she
unwillingly responded, "I'm sorry for saying
that. I won't do that again."

*The fourth young master's men have already gone to Seaview. You better be careful."

"Got it," she replied, "Send the information about the Stryder Family in Norfolk to me. I'm
being bullied by one of their people."

"Rather than wasting your time with small characters like them, you better start
looking for the young master. I'll ask my
people to send the information to your
email later. I have received news that he
had once stayed in Jordain County, When you are free, head over there and have a
look."

"Got it, Mr. Bayes."

Rebecca's mood worsened after a few

minutes of the phone call. She headed out

of the washroom when she flushed the cigarette away. On her way back to the private room,
she saw a tall man in the club's black uniform **with a platter in his hands while he spoke**

to his colleagues.

When she saw his face, her pupils constricted.

Rebecca quickly turned around and ate two peppermint candies to get rid of the cigarette smell in her mouth. Then, she

quickly walked to him and patted his

shoulder. "You're the mechanic?"

Zane turned around at the woman who

suddenly appeared in front of him. After he

narrowed his eyes, he quickly recalled who

she was. "And you are the pretty girl from

4S Automation who fixed the generator?"

Yeah." She smiled. When she saw his attire, she was quite shocked. "Aren't you a mechanic? Why are you here as the waiter? Are you that poor?"

Upon hearing that, Zane was speechless. Since when have I looked poor?

In actual fact, he lost a bet with his friends. Hence, he had to be a waiter for the day and send drinks to them.

He knew that Rebecca had gotten the wrong impression, but he was too lazy to

explain the situation. Instead, he even

added, "Yeah, I'm really poor. I have to

“Is that so?” Zane arched his eyebrows. “It seems like your company is rather big and your boss is wealthy?”

“Well, we’re getting by. Have you heard of

Paradigm Co.?”

“Yeah.” At this point, he felt that something

was wrong. “And your boss is?”

“Sonia Reed.”

Zane looked at Rebecca with mixed

expression. “I know her. She’s the new vice

“That’s right. She’s quite a nice person. If you are her driver, she will not ill-treat you.”

Before she even saw Sonia's cards,

Rebecca could already guess what had transpired just by the 'gentle' smile on Tina's face. *Sonia must have suffered a*

harsh defeat when I was away.

Rebecca went to sit next to Sonia and shot

a glance at the cards in Sonia's hands.

Again, they were not quite useful. Then,

she asked in a low voice, "President Reed,

the woman opposite of you is not any

other woman. She's your ex-husband's

lover. Are you really going to be defeated

by her like this?"

"No worries. I just have to win three rounds

out of five." Sonia smiled. Since she said down to play poker with them, she looked

as peaceful as ever.

While she replied to Rebecca, she played

yet another card.

"Game." Tina placed her card down with a

Rebecca was speechless to hear that.

“President Reed, you have already lost two rounds to Tina. I think there’s no need to continue,” Tina’s friend said pompously.

“Tina is not a petty person. As long as you apologize to her, we will hire the best tattoo artist to remove the tattoo from your body.”

Tina raised her head slightly as she looked at Sonia. It looked as though she was waiting for Sonia to concede defeat. “Would you like to continue, Miss Reed?”

she asked in a gentle yet peaceful tone.

“Of course.” Sonia shuffled the cards again without a change in her expression. “We said that we could play five rounds.”

Tina’s friend rolled her eyes at Sonia and she rudely spoke, “We are giving you an opportunity, yet you are not treasuring it and pointing the gun at yourself. Tina is so good at poker that I think you would never win against her.”

“That’s enough.” Tina stopped her friend, but she looked at Sonia vindictively. “Since

Miss Reed would like to continue with the game, I will follow her wishes then.”

They soon started a new round,

Since the occupants in the room were only women, the spectators did not merely watch the game. While they snacked on

the tidbits, they chatted with each other.

Tina’s friend was called Cynthia Stone. On Cynthia’s right was Sonia while Melody was seated on Cynthia’s left.

Cynthia was not just watching the game as she even peeled an orange and passed

it to Melody ingratiatingly. “Melody, how

long are you going to stay in Seafield this

time? Are you planning to spend the new

year here?”

“I will return to Norfolk after the new year

With a frown she added “Peter Southfield

With a frown, she added, “Peter Southfield wants to have a divorce. He’s back here to look for a lawyer.”

Cynthia was shocked to hear this piece of news and carefully skirted around the topic.

“Back then, didn’t the Southfield Family beg your grandfather to betroth you to him? They used your family name to accomplish many things. How could he even dare to divorce you?”

“Well, it’s because” Melody suddenly remembered something and stopped elaborating halfway through the sentence.

Then, she merely gave a cold smile. “I’m not someone he can easily marry and divorce! I want to see which lawyer in Seafield is willing to take this case!”

Sonia merely listened to them in the silence as she lowered her eyes.

She did not know much of the Southfield

Family in Seafield. She was only aware that they were quite influential in this city with almost as much authority as the Stryder Family in Norfolk.

Melody had the guts to be arrogant only because of her powerful background and her grandfather, who was a minister,

supporting her. Even if she was married to

the Southfield Family that was of equal

standing to her family, it was the

Southfield Family that was not good

enough for them.

If the Reed Family did not encounter that tragic accident which claimed the lives of

all its members when Sonia married Toby,

Jean would have had to respect her today,

Not to mention, Sonia wouldn't have suffered such a shameful defeat in her marriage.

She was lost in her **thoughts as she**

thought about the past. At this moment,

she suddenly heard Cynthia saying, "Tina will be engaged to President Fuller on New

Year's Eve and she's planning to invite us to her place for dinner. Since you will still be in Seafield at that time, we will have a celebration together."

"Oh?" Melody was quite shocked to hear

that. "I heard that she was already

again?"

"Well, that was the initial plan, but someone stole Tina's engagement Mecklace. What disgusting behavior!" Cynthia responded pointedly and shot a glance at Sonia as she raised her voice. "That won't happen again. President Fuller said that he has only invited a few friends to the Fuller Residence for dinner. Apart from that, the wedding will take place on

Valentine's Day next year!"

"Getting married on Valentine's Day?" Melody asked Tina. "Is that true?"

Tina hummed in agreement before she

gave a gentle smile. "I've been in a coma

"He even hired someone to specially design the wedding dress for you? Tina, he loves you so much!" Cynthia said in an exaggerated manner to suck up to her.

Upon seeing that Sonia had lowered her head without speaking as though she wanted to pretend Cynthia wasn't there, Cynthia pretended to curiously ask, "Miss Reed, I heard that the wedding dress you had when you married President Fuller

was plain and ugly. You even wore an evening gown instead of a wedding dress.

Is it true?"

Sonia remained quiet upon hearing that.

"How could you just wear an evening gown

to your wedding? That's so unlucky! Is it

because President Fuller refused to buy a wedding dress for you?"

She continued to remain silent.

Upon seeing Sonia's silence, Cynthia's voice became even sharper. She even nudged Sonia as she asked, "Why aren't you saying anything, Miss Reed?"

“How did you know that President Reed didn’t wear a wedding dress when she got married? Have you personally attended her

wedding?” Rebecca could no longer

tolerate Sonia being bullied further. “Apart

from that, there’s something wrong with

your words.”

Cynthia snorted coldly. “She just didn’t have a wedding dress for her wedding.

Can’t I talk about 117 Apart from that, what’s wrong with what I’ve just said?”

“Everyone knows that President Reed and

President Fuller used to be husband and wife. You bragging about it is just implicitly comparing Miss Gray’s husband to second hand goods,” Rebecca softly answered with fake innocence.

The moment she said those words, she even shot a glance at Tina. “Don’t you think

so, Miss Gray?”

Cynthia did not expect Rebecca to be extremely sharp with her words. When Cynthia saw the smile fading from Tina’s face, she panicked. “Tina, that’s not what I meant. I never thought of President Fuller

as your second hand husband.”

Rebecca burst out in laughter all she heard that and used her hand to cover her

red lips. You said that you didn’t mean that, but you keep talking about **President**

Fuller as if he’s a second hand product.

What exactly do you mean?"

Cynthia was so furious that she was at a loss for words.

Sonia was quite depressed **while she**

faced Cynthia's taunts and just wanted to

ignore her. It was unexpected that

Rebecca would stand up for Sonia.

Sonia's red lips twitched upward. Just as

she was about to speak, she saw the door of the private room being pushed open by a tall figure who quickly entered.

Boss, Your Wife's Asking for A Divorce, Again! Chapter 38

Chapter 38

The man wore a black coat that accentuated his attraction. However, because of his naturally cold **attitude and** his distant gaze, it made people unable to get closer to him.

When Sonia's eyes rested on his face, her heart could not help but skip a beat and she naturally lowered her head.

She did not expect that even after being

divorced from him for such a long time, he

still had an effect on her.

“President Fuller, you’ve arrived.” Even

though Cynthia had been annoyed by

Rebecca, Cynthia immediately greeted

Toby with a smile when she saw him. “I

heard from Tina that you are inundated with work. Are you here to pick her up?”

He hummed politely as a reply. When his gaze flitted past Sonia, he frowned in unhappiness. *Has this woman forgotten about the lesson she learned at Sakura Heights?*

When Zane called him half an hour ago

and told him that Sonia and Tina were

playing poker together in a room in Luna Club, Toby did not believe him. He knew

that Sonia was quite bad at cards and

thought that she would not be that silly to

play with Tina

Knowing ing that Toby might not believe him,

Zane even sent a picture. It was only until Toby received the photographic evidence

that he drove to the club.

He immediately walked to Tina and his tone softened when he saw her looking frail. “Didn’t you say in **the afternoon** you were coughing? Why are you here to play poker?”

She gave him a slight smile. "It's just a slight cough. Don't worry about it. On top of that, Melody is in Seafield, so I want to show her around."

Toby knew about the Stryder Family in Norfolk and he was acquainted with Master Stryder.

Toby removed his scarf and wrapped it around Tina. Even though it was a tiny **movement**, it was enough to make the *women* around them gush,

Cynthia commented, "My, oh my, President Fuller. We all know that you care about Tina a lot, but the heater here is switched on. You're just trying to show off your love for Tina in front of us."

Upon hearing Cynthia's teases, Tina blushed and she glared. "If you say one more word of nonsense, get out of here."

"Alright. I won't say anymore."

When Sonia saw Toby carefully wrapping the scarf around Tina and him passing a

warm drink the moment he sat next to

Tina, their intimate behavior had caused

Sonia's eyes to hurt.

She had deliberately walked into Tina's trap to punish her into leaving Toby and never returning to Seafield, but he had appeared.

After seeing how affectionate he had treated Tina, Sonia no longer had the

desire to continue the battle.

Toby shot a glance at Tina's cards and said coolly, "Miss Reed is not good at playing poker. Let's forget it after this round. You guys won't have much fun

playing with a beginner like her too. I'll play

a few rounds with you instead."

The smile on Tina's face froze before she

gently responded, "Okay."

On the other hand, Cynthia continued to

glance at Sonia's deck of cards and

realized that Sonia had a good chance of

winning the round. As Cynthia was slightly worried, she was about to inform Tina when Sonia separated her set and placed

a card out

Upon seeing that, Tina was elated and she slowly revealed her cards as well. "Thank you, Miss Reed."

“Wow! You are amazing, Tina! I can’t believe you have a royal flush!” Cynthia exclaimed agitatedly after seeing Tina’s cards.

“Sonia, Tina has already won three rounds. You have to concede defeat.” With a cold laugh, Melody pressed a button to ask the waiter to come into the room. Then, she passed him a stack of money. “Ask a tattoo artist to come here as soon as possible.”

“Alright. Please wait for a moment.”

When Toby saw all these, he slightly frowned and asked Tina, “What is going

“I heard from Tyler that Miss Reed has a tattoo bearing the abbreviation of your name...” Tina explained in a low voice after biting her lips. “Apart from that, she even insisted on betting with me. She said that if she lost the bet, she would remove the tattoo.”

Rebecca rested her chin on her hand while

looking at Tina. "Miss Gray, you are the one who ran into President Reed at the restaurant's entrance and asked whether she had a tattoo on her waist bearing the initials 'TF'. You were also the one who asked her to bet with you over a round of poker. And now, you're saying that *President Reed* wanted to bet with you? Oh, how good you are with words!"

"Don't be sarcastic!" Since Cynthia had support, she roared at Rebecca. "Tina doesn't want her boyfriend's name to be tattooed on another woman's body. What's wrong with that?"

"She merely asked whether Sonia wanted to play poker with her. It's not like Tina aimed a gun at Sonia's head to force her to agree."

"That's right. No one forced Sonia. She agreed to the bet on her own."

Upon hearing that, Rebecca was speechless

Apart from Rebecca, the three other

women in the room were Tina's friends, so it was natural that they would support her and side with Cynthia's words.

Just as the group of women argued among themselves, the tattoo artist arrived with a box of tools.

“Enough.” Sonia stopped Rebecca from arguing further and calmly spoke to Tina. “Since I’ve lost this round, I’m willing to concede defeat.”

Sonia leaned on a nearby couch and she

yanked the edge of her sweater up to

reveal her fair and skinny waist with the

words ‘TF’ on it.

The tattoo artist quickly carried out the

procedure to remove the tattoo from her body

When Toby saw her silently lying on the couch and allowing the tattoo artist to work on her body, he frowned when he saw the tattoo and felt annoyed for no

apparent reason

He recalled that when he previously communicated with Maple via correspondence, she had revealed that her favorite actor tattooed his late wife’s name

and hobbies on his body. By doing so, he

would be able to see her everyday, as if

she was physically there with him.

Maple once said that she would not do it

because she was afraid of the pain, but

she also added that she could tolerate

having a tattoo of her beloved on her body

so that he would be with her all the time.

At this moment, Toby suddenly asked Tina,

“When we were writing to each other, what tattoo did you say you had?”

“We have too many letters to each other

and since it was such a long time ago, I can’t remember anymore.” She shook her head and held his arms as she lifted her head to ask, “Toby, have ... done something wrong by asking Miss Reed to remove her tattoo?”

Tina’s voice broke as tears swam in her

eyes, making Toby unable to reprimand

her. Instead, he stroked her hair with his

huge palms.

“You did not make a mistake.”

“Okay.” She smiled slightly and leaned her

head against his arms.

She was elated that after Toby left earlier that morning, she immediately took the letters from the drawer and burned them so that his pen pal, Maple, would no longer be on his mind.

When she saw Sonia frowning due to the pain from the tattoo removal, Tina felt incredibly overjoyed. *Sonia still lost to me!*

Cynthia stood there with her arms

crossed. It was not enough for her to

watch the process as she even insulted,

*Tina gave you an opportunity to back out

earlier, yet you didn't want it and continued playing. Miss Reed, if you don't know poker, please learn the game once you

have arrived home. Sometimes, if you

force yourself to do something, you will

only suffer!"

The other women also chuckled in a low voice as they looked at Sonia gleefully

Sonia had been controlling herself since it hurt to remove the tattoo. Her forehead was glistening with a film of sweat and she no longer had the energy to reply to Cynthia's remarks.

The moment that the process was almost completed, a waiter of the club walked to them and asked politely, "May I know who

Miss Sonia Reed is?"

"I am." Sonia looked at him, "What's the

matter?"

He handed a small bag to her. "This is

given to you by a gentleman with the last

name of Lee."

"Thanks."

In order to divert her attention so that she would not feel much pain, Sonia immediately opened the bag and removed a little box that had blue satin wrapped around a small ring.

It was a diamond-shaped ring. Although it was small and exquisite, it still glimmered under the lights.

“This is the work of the famous designer,

K.” As soon as Rebecca saw the ring, she

immediately recognized it. “I heard that K

made it with his own hands and it’s worth

more than four million when it was

auctioned in Avalon Isle.”

“**It’s just** like the Ocean’s Heart-the only

auctioned in Avalon Isle.”

“It’s just like the Ocean’s Heart-the only jewellery in the world where it’s priceless.”

“It’s so beautiful!”

The women looked at the ring on Sonia’s hand with passion and they longed to wear it to post a picture online to show off.

At this moment, Sonia received two new

messages from Carl.

“Charles told me that today is his birthday

and you are going to celebrate with him tonight. When I sent a present to him, I

Sonia was already in a bad mood, but she had never expected that Carl would send her a gift even though he was in Palmont.

Receiving the present had relieved her of her negative emotions.

After she replied to his message, she wore the ring on her ring finger to cover the marks of her previous wedding ring.

When Toby saw Sonia's cheerful smile, the expression in his eyes immediately sank.

Cynthia had never expected someone to present Sonia with such an expensive gift, which made her annoyed and jealous. She

suddenly remembered something and

intentionally asked in a loud voice, "Miss Reed, didn't you say that your boyfriend is Charles? You also used his name to enter this club. On the other hand, Mr. Lee is the male model who was involved in some rumors with you, right? I bet you guys are more than just friends for him to send you such an expensive gift." She snorted coldly before she added, "I even **heard rumors** that you might have another man, which is

why you wanted to divorce President

Fuller. I didn't believe it at first, but now it

seems like the rumors are true!"

Sonia merely gave a cold laugh. As for the

reasons for wanting a divorce from Toby

even if others don't know it, I bet he knows.

She looked at Toby with the expectation

that he would clarify things for her, but he

merely sat there with Tina in his arms and a cold look in his eyes without moving. Well, didn't see *everything earlier*? What am I expecting?

When the tattoo on Sonia's waist was completely removed, the slight fire within her was completely extinguished.

"Miss Reed, say something!" Cynthia continued to force her. "Does Charles

know about Mr. Lee's present? Does he

know that you are cheating on him?"

"It's a beautiful room, but why is there a

sparrow here?" At this moment, Charles' voice rang in the room. Right after he

asked that question, he walked into the

room with a black shirt and a disdainful

expression on his face. "This sparrow is

noisy and annoying. I wish I could cut her tongue and make her shut the hell up."

His vicious words had stunned Cynthia's tongue into silence as she subconsciously staggered backward by a few steps.

As Charles stood right in front of her and appraised her from head to toe, he clucked his tongue. "Why are you retreating? Are you scared? Do you think you're that

Sparrow?"

"N-No," she stammered.

"I think you are. You sound like the

sparrow I'm talking about." With that, he

pulled her hair and slammed her head int

the table where they had played poker earlier. Then, he asked casually, "Who's

free to pass me a knile?"

Rebecca immediately snatched the knife from the fruit platter and passed it to Charles while she cared to comment, "This knife is extremely sharp. Be careful not to hurt yourself."

Cynthia's legs trembled and she immediately burst into tears. "T-Tina... Melody..."

However, the entire room fell into extreme

silence as no one actually spoke up for her. Tina had grabbed Toby's sleeves and wanted to stand up in anger. However, he pressed her down and signaled for her to sit down.

He wanted to see how far Charles was willing to go to take revenge for Sonia

"Why? Have you all become mute?" Charles looked around his surroundings and was rather surprised to see even Tina and Toby there. With a cold snort, he turned around to look at Rebecca, who had passed him the knife. "Tell me, did they bully my baby just now?"

"It's not just bullying!" She immediately rushed over and spilled the beans.

Upon listening to Rebecca's explanation, Charles shot a glance at Toby and snorted coldly for the second time. Then, he pushed Cynthia aside before he advised Sonia, "Why don't you head to our room first? Once I've sorted out the matters here, I'll head over."

“It’s okay. Let’s go.” Sonia grabbed Charles’ arm as she didn’t want him to have a grudge with the Stryder Family because of her. “Celebrating your birthday is more important.”

However, her movement was reflected in

Toby’s eyes, which made his gaze even

deeper.

“That won’t do. You are being bullied here. As your childhood friend, I can’t simply stand aside and watch.” Charles waved at

Rebecca to ask her to bring Sonia away.

Til just teach them a lesson. I won’t hurt

them.”

“Let’s go, President Reed, Charles will

know what to do.” With that she yanked

Sonia out of the room.

He quickly walked to the poker table and found a place to sit down. “Let’s play a few more rounds. You can choose three people whom you like to play the game with.”

Then, he lowered his head and took a puff from his cigarette before he casually added, “If any of you wins, I will give you 10 million. On top of that, I will kneel

before you and address you as ‘my lord’. If

I win against you all, you just have to remove your clothes and leave the room in that manner.”

Compared to Charles' bet, it was nothing

we win, we would get 10 million!

After being annoyed by his arrogant attitude, Melody walked over in large *strides* after gritting her teeth. Then, she pulled the chair to his right and sat down as she laughed coldly. "Charles, I'll be waiting for you to call me your lord!"

Charles playfully leaned against his chair.

"Sure. Who else is in? Let's start soon.

After that, I'm heading over to accompany

my baby."

After all, she was there. If she did not say

anything, the rest did not dare to make a move even though they wanted to join.

Melody chose a few other women who

were good at poker before she looked at

Tina.

Even though Melody had said nothing, Tina understood her implicit words

*Toby Mr. Lane is going overboard. Why don't you help us out?" Tina asked softly She knew that Toby was good at poker and that Charles might not be able to win

However, Toby merely sat there without

moving. He then responded in a low voice, "I still have some emails to settle. You can go ahead to play with him."

She did not expect that he would reject

her. Even though her body froze in that

instant, she quickly smiled. "Alright. Wait

for me for a while more then."

Charles did not feel pressured when he

played poker with the three other women.

He had played the game aggressively and

ruthlessly

Before they wrapped up the last round, he impatiently knocked on the table. "Are you guys idiots? You are so slow at playing the game. Could you be faster?"

His words made their faces blush red in

anger.

Tina had made a self proclamation that her skills in poker were excellent. She thought that with the three of them against

Charles, one of them would at least win.

Unexpectedly, no matter what she played,

he had followed suit and was alming at

her.

Before they could even finish the game, Tina had already taken most of her clothes

with only her strappy white camisole

remaining

"I win!" He revealed his cards again.

Tina secretly gritted her teeth. She could

tell that he was aiming at her to avenge

Sonia.

After Charles flicked away the ashes from his cigarette, he prompted her, "What are you waiting for, Miss Gray? Take your clothes off!"

expression. "I won. So, she should remove her clothes, shouldn't she? Since when have I gone overboard? Well, you can also help her out by taking off your clothes!"

Upon hearing that, she was speechless. As the heater was causing the room to be extremely warm, she had only worn a spaghetti strapped long dress.

Of course, she would not embarrass herself just to help Tina out.

"We should end things here since it's already quite late." Toby walked over to Tina and wrapped his coat around her.

Before Charles could say anything, Toby added indifferently. "I'll ask my accountant to **transfer 30** million to you tomorrow morning. The Fuller Group will withdraw its acquisition of Snoway and I will ask my team to assist you in acquiring the company instead."

Since Charles had already embarrassed

Tina and with Toby taking a step back, he

felt that it was a good opportunity for him

to stop his taunts. "At the age of ten when

When his shoulders brushed past Toby’s

body, Charles shot a glance at him and

Snorted. “It seems like she really doesn’t

want to be with you anymore. Otherwise,

even if Tina is ten times better at the game, she will also lose to Sonia.”

Upon hearing that, Toby recalled Sonia’s

peaceful expression when she was having

her tattoo removed. Then, his eyes darkened. *So, she actually knows how to*

play poker.

Meanwhile, Sonia and Hebecca had just ordered snacks and finished singing a few songs in the private room when Charles returned

Rebecca quickly walked to him to ask about what had happened. When she

heard that Tina had stripped to the point of

being nude, she felt vindictive. “If Toby wasn’t around, she probably would have walked out of the club naked tonight!”

"Thanks." Sonia smiled and gave Charles a

toast

He did not ask why she had allowed the

rest of them to bully her in the poker room earlier. Instead, he stretched out with his hand and yanked her into his embrace as he teased, "We have already slept on the same bed for a long time. Why are you still thanking me?"

"Whoa!" Rebecca looked at them with . widened eyes. "Is it true?"

"Of course it's true,"

"If you destroy my reputation any further, I'm going to slap you." Sonia gave Charles a hard kick before she explained to

Rebecca, "When we were younger, his

parents were usually not at home, so he

always came to my place for food. He

even slept there without compensating us.

Don't you think that he's taken it quite far?"

upon hearing that, Rebecca immediately looked at him in *disdain* "Ah, I see. It turns out that he is just thick skinned."

Charles” friends soon arrived one after another, which gave the room loads of vigor and laughter.

Sonia did not like a huge crowd. On top of that, she was in a bad mood and merely sat in the corner while drinking some wine.

After some time, she saw Charles and his friends playing games that involved drinking and joined them.

Even though she lost in those games, she still felt jubilant as she poured a mixture of red and white wine into her mouth.

After a few rounds of doing so, she felt quite dizzy.

“I’m going out to take a breather. You guys. should carry on without me.” As she felt that she could no longer continue with the games, Sonia informed Charles before she walked out of the room.

She merely wanted to head to the balcony to enjoy the breeze. However, as she had drank too much in the room earlier, she felt even more nauseous when the cold wind blew at her face.

“My pleasure.” When Toby saw the long strands of hair in the man’s hands, his gaze darkened even further. He applied more force and immediately crushed the man’s wrist.

With an indifferent tone, Toby asked, “I wonder what business you have with my ex-wife, President Mills.”

President Mills did not dare to even grunt.

Beads of sweat formed on his head as he suppressed his urge to yell aloud and instead bowed to apologize to Toby. “I’m sorry, President Fuller. I didn’t look properly as I thought she was one of the employees of the club. I didn’t know that she is your ex-wife

Toby released him and called for a waiter. “President Mills is drunk. Arrange for a car to send him back,” he ordered.

Upon seeing that Toby decided to let the matter slide, President Mills heaved a sigh of relief. However, at this moment, Toby added, “His eyes are not working well. Arrange an optometrist at the hospital to

do an eye checkup on him.”

President Mills was speechless when he heard that.

After President Mills had followed the

waiter out, Toby shot a glance at Sonia, who was still holding onto the wall for

support. Her hair was in a mess and she could not even stand straight. It was obvious that she had drunk a lot.

He still remembered what Charles had told

him earlier.

Toby walked to Sonia in large strides and he pulled her arms to lift her up on her feet. "Sonia, what are you implying?" He

was quite strong as he held her weak waist, but his tone was indifferent. "You

know how to play poker, yet you deliberately lost the game?"

"It's none of your business!" she answered

sarcastically. She wanted to shove his

hands away, but she was so dizzy that she

almost landed in his embrace.

She managed to force herself to stand

straight. When she raised her head, she

almost landed in his emblaue

She managed to force herself to stand *straight*. When she raised her head, she saw a blurred face with a pair of deep, profound eyes that looked at her fixedly.

"None of my business? Is that what you just said, Sonia?"
