

*What? A furious look crossed Wang Mingzhe's face. He wants a noble young master from the Wang Family like me to kneel to a useless wimp like him? This isn't going to happen!*

“Lin Fan, I suggest you stop digging your own grave! Insulting me means insulting the Wang Family as well; you'll die a tragic death!” Wang Mingzhe threatened Lin Fan with a hateful look in his eyes.

On the other hand, Lin Fan smirked. “It seems our dear Young Master Wang still isn't aware of what's going on around here yet. Li Huairen, break his legs!”

Wang Mingzhe exploded with anger immediately. *This is crazy! The dude really lost his mind! He already injured me and now, he wants to break my legs too? Does he really want to go against the Wang Family?*

Upon hearing Lin Fan's order, a malevolent look crossed Li Huairen's face. “No problem!”

Then, he signaled his men to take action. A group of men advanced toward Wang Mingzhe following his order.

Wang Mingzhe was scared out of his wits when he saw the men walking toward him. He shouted immediately, “Li Huairen, are you mad?”

You're going against the Wang Family by doing this!"

*Not just Lin Fan, but Li Huai ren had lost his mind too! How is it possible that the moderately influential Li Family can fight against a wealthy and powerful family like the Wang Family? Yet, Li Huai ren actually listens to Lin Fan's order and decides to break my legs!*

However, Li Huai ren gave a snort of contempt when he heard Wang Mingzhe's threat. "The Wang Family are nothing but a bunch of lowly and insignificant bugs to Mr. Lin!" *Lin Fan is the mighty Lin Zuo of China. Who the hell does the Wang Family think they are to threaten Lin Zuo?*

However, his words caused a huge stir among the crowd in the room. *In Lin Fan's eyes, the Wang Family is just a bunch of lowly and insignificant bugs?* Lin Fan said that before, but they ignored him completely. They thought those were some boastful words from Lin Fan, who was just being arrogant and ignorant. But now, Li Huai ren said the exact same words again. So, they had to believe that it was real.

Almost immediately, everyone was horrified as they stared at Lin Fan as if they had seen a ghost; they felt really uneasy. *Exactly what kind of powerful influence the guy has that can make Li Huai ren feel so sure about this?*

Wang Mingzhe, who was standing at the side, was completely perplexed. Shock and surprise flickered in his eyes. He couldn't believe his ears. Then, he fixed his stare on Lin Fan. Suddenly, he had a bad feeling about this. *What exactly has the wimp been through all these years?*

But all of a sudden, a fierce growl escaped from Lin Fan's mouth. "Kneel now, or you shall stay kneeling forever!" The look in his eyes was cruel and unemotional.

*Thud!* Wang Mingzhe kneeled down on the floor immediately with a humiliated look on his face. Deep within his eyes, hatred and resentment appeared. Ordering a young master from a wealthy and noble family like him to kneel down was a lot more suffering than killing him. His hatred for Lin Fan intensified greatly.

However, Lin Fan couldn't care less about his feelings, for he simply said in an icy tone, "You should be glad that you're not part of the Lin Family."

If Wang Mingzhe was part of the Lin Family, he would have been a dead person by now.

However, Wang Mingzhe wasn't grateful for Lin Fan's forgiveness and compassion. On the contrary, Lin Fan's proud tone irritated him very

much. He thought it was humiliating that Lin Fan would talk to him like that. he would kill Lin Fan and crush him into pieces!

“Get lost!” Lin Fan uttered those two words coldly.

Wang Mingzhe got to his feet with a grim expression on his face. He then walked toward the door moodily and left, overwhelmed with hatred and resentment.

“Young Master Wang, save me!” At that moment, Jiang Xin was crying and screaming. She begged Wang Mingzhe to save her, but sadly, Wang Mingzhe didn't even bother to look at her at all. He left straight away, completely ignoring Jiang Xin.

Lin Fan smirked the moment he noticed this. He glared at Jiang Xin fiercely. “Now, it's time to deal with you!”

*What?* Jiang Xin's legs trembled violently when she heard this. She looked at Lin Fan in terror. “T-This has nothing to do with me!”

Annoyed by Jiang Xin's shameless denial, Lin Fan snorted out of exasperation. “You set an artist up and forced her to sleep with another man. You tried to destroy her when you failed to force her to do so, and yet you're saying that

none of these has anything to do with you?"

"I-I did all of these for her own good!" Jiang Xin argued. Her legs couldn't stop trembling. Feeling scared now, she broke into tears. She didn't expect an abandoned wimpy young master like Lin Fan would be so horrendously influential.

"For her own good?" A savage and murderous look flashed through Lin Fan's eyes. "I think it was for your own good! If I'm not mistaken, Wang Mingzhe promised you lots of benefits if you do this for him, right?"

Jiang Xin's petite body quivered when she heard this. Indeed, Wang Mingzhe promised to let her become a shareholder of his brokerage company if she helped him to get Zhang Yichen. She thought it wasn't such a big deal spending a night with Wang Mingzhe, so she decided to betray Zhang Yichen without any hesitation. As a precautionary measure, she even prepared an aphrodisiac, which she planned to trick Zhang Yichen into taking. After Wang Mingzhe spent the night with Zhang Yichen and took several nude photos of her, she was certain that Zhang Yichen would comply with her wishes if she used the nude photos to blackmail her. Jiang Xin's dream of becoming a shareholder was about to come true, but Lin Fan's appearance completely destroyed

everything!

"N-No! I didn't! You're making this up!" Jiang Xin turned and looked at Zhang Yichen immediately with a panicked expression on her face.

"Yichen, you have to believe me! Your boyfriend made this up to frame me! I'm telling the truth! Everything I did was for your own good! I'm just worried that you'll ruin your own future due to rash impulses. That was why I decided to stop you."

Zhang Yichen became hesitant the moment she heard Jiang Xin.

However, Lin Fan just smiled coldly. "You have a bottle of strong aphrodisiac in your pocket, which you prepared for Zhang Yichen. Also, if I'm not mistaken, you guys planned to take several nude photos of Zhang Yichen after he was done sleeping with her, so that you can use the photos to blackmail her. Am I right?"

*What? Jiang Xin looked as if she had seen a ghost. She stared at Lin Fan in disbelief. How did this guy know about my plan? He even knows that I have the aphrodisiac with me now? Does he read minds? This is absolutely unbelievable!*

From Jiang Xin's expression, Zhang Yichen realized that Lin Fan was right about the whole thing. Right at that moment, she became very

angry and her body couldn't stop trembling in anger. Tears of rage rolled down from her eyes. She always treated Jiang Xin like her own sister, but she didn't expect the latter would treat her like that. Jiang Xin basically wanted to ruin her life!

*Thud!* Jiang Xin, who didn't have any energy left to argue, went limp and fell onto the floor. She looked dejected.

"Help me! Yichen, save me! I'm sorry, I was wrong! Please, give me another chance! I dare not do it again!" Jiang Xin knelt down in front of Zhang Yichen immediately and begged for her forgiveness shamelessly.

Tears flooded Zhang Yichen's beautiful eyes as her face turned pale; she couldn't even say a word.

At that moment, Lin Fan looked at Jiang Xin coldly. "Resign from the management company and get out of the entertainment industry forever!"

Jiang Xin was struck dumb by his words when she heard him. A remorseful look appeared on her face instantly.

She worked in the entertainment industry for her entire life. Almost everything ranging from

her career, connections and all other things were in the entertainment industry. But now, Lin Fan had kicked her out of the entertainment industry. This would make her lose everything and she would have to start all over from zero again! Moreover, Jiang Xin would be nothing more than a nobody if she were to leave the popular diva Zhang Yichen! Basically, Lin Fan ruined her entire life by doing so.

It was a double whammy for Jiang Xin now. Not only did she fail to get any benefit from Wang Mingzhe, she would also have to rebuild her career from scratch again because of Lin Fan's action. Without Zhang Yichen the milch cow, she would lose her villa, luxury car and Chanel bags.

Jiang Xin regretted her actions, but too bad, it was too late. The current Jiang Xin felt really awful; she would rather die than having to suffer like this.

"No, please, give me another chance! I beg you!" Jiang Xin turned to beg Lin Fan instead. She wept so hard that one could barely hear the words coming out of her mouth.

However, Lin Fan just glanced at her in utter disgust. "Why did you do it in the first place if you knew things were going to turn out like this? Now, you're in no position to bargain with

me! Get out of my sight!"
