

## Chapter 581

“Brother Chu! Are you crazy! He is clearly looking for death!” Zhuang Ningning’s face was filled with incomparable anger.

But Chu Huaijin looked at William with interest, and continued: “It’s a bit fun, let him go.”

This look immediately caused Zhuang Ningning to run away again. She said unhappily, “Brother Chu, would you rather see a man than me?”

William and Chu Huaijin sweated together, this woman with no brains.

The topic returned to William. Zhuang Ningning put down his legs and said to William with a cold face: “You know I am from Lingyue Villa, but you say such things in front of me. What do you mean by you! Don’t be afraid, I will immediately report to the people in Lingyue Villa, will you not be able to get out of our place?”

William smiled lightly, and said indifferently: “Then it will be a burden. If they come to me, you won’t have to lead the way.”

These words made Zhuang Ningning angry!

Obviously it is a little fresh meat with no strength, but he speaks wildly in this mouth!

Does he know what kind of dragon pond and tiger’s lair the Lingyue Villa is?

Because Grandpa had repeatedly explained himself before, Zhuang Ningning wanted to get angry but couldn’t get out.

However, she coldly said to William: “Since you want to die, I have no way to save you. Out of filial piety to Grandpa, I will tell you where Lingyue Villa is? Similarly, out of respect to Lingyue. The loyalty of the villa, I will also go back and tell the people in Lingyue Villa.”

William shrugged and said, “Well, this is better.”

After speaking, William got up, walked towards the door, and left a sentence, “I will find a hotel to take a nap, and in the evening, go to Lingyue Villa. You will send the address to my phone later. Right.”

Zhuang Ningning was so angry that she stomped her feet, pointing to William’s back and cursing, “You can go and die round and round! Excessive!”

The Chu family siblings stared at William leaving behind, thoughtfully.

Especially Chu Huaiyu, looking at such a lonely heroic figure from the back, for a moment, his eyes were a little silly.

There seemed to be another figure overlapping on William's body.

Even Chu Huaijin murmured to herself, "Is it, it looks like him?"

Chu Huaiyu showed a distressed smile, "Well, it's a bit like, no one is pretentious, pretentious, life and death are lighthearted."

Zhuang Ningning heard the conversation between the two and asked in confusion, "What are you talking about?"

Chu Huaijin looked lazy again, and said, "What did you say?"

Zhuang Ningning reacted at this time and asked eagerly: "By the way, Brother Chu, why did you let that kid pass by just now! Do you want to see that kid die? Do you know where our Lingyue Villa is?"

But Chu Huaijin was holding his head and showing a weird smile, as if he was talking to Zhuang Ningning, or he was talking to himself.

"Jianghuai has been quiet for many years, there is always someone to stir up this muddy water, I think this kid is good."

Zhuang Ningning said to Chu Huaijin gloomily: "But look at his small body, he can't even beat me, how to go... Hey, I'm so angry, men are all big pig hoofs!"

A strange color flashed on Chu Huaijin's face.

Ho ho, can't you even beat you?

This is not necessarily true.

The kid just now didn't even blink his eyes when you had your feet.

Is this calm, like someone who can't martial arts?

Interesting, interesting.

Zhuang Ningning was also in the mood for dinner. After bidding farewell to the Chu family siblings, he originally wanted to get on the locomotive and go to Lingyue Villa to inform.

But her feet reached normal, and suddenly stopped again.

She hesitated.

For some reason, she recalled the look in William's eyes when he said that he was going to step down on Lingyue Villa.

There was a kind of regret and intolerance in that eyes that were unclear.

Four eyes face each other.

Zhuang Ningning saw the look before.

Her heart suddenly calmed down.

Her anger suddenly disappeared at this moment.

She squeezed William away and threw a big bag of things on William's bed, and then her voice became cold.

She rummaged in the bag, found a pack of cigarettes, and handed it to William, "Do you smoke?"

William didn't know what the hell he was playing, and shook his head.

Zhuang Ningning dropped the cigarette and turned it in the bag again. This time he took out a bottle of wine and said, "Drinking?"

William shook his head again.

Zhuang Ningning exploded in an instant, "I said you are a big man. If you don't smoke or drink, are you still a man! Are you playing with women?"

With a black thread, William responded directly, "Do you want to play?"

The atmosphere instantly calmed down, and Zhuang Ningning also instantly calmed down.

She sat down on the sofa, then threw a bottle of canned beer to William, sighed, and said, "Let me drink two bottles with me. I will tell you my story."

William did not refuse this time, but after taking a sip, he said, "Actually, to be honest, I am not interested in your story at all."

Zhuang Ning Ningfeng opened his eyes and slapped the table, "You have to listen! You have to listen if you don't! I can't help you! Believe it or not, I will rush out now and yell at me!"

Chapter 582

William shrugged his shoulders and motioned for you to continue.

He really believed that this tiger girl could do such a frantic thing.

Zhuang Ningning opened a bottle of wine, Gudong Gudong directly dried the bottle, and hiccuped in an imaginative manner, and then began to say: "Lingyue Villa, it's not as bad as you think."

Starting with this sentence, Zhuang Ningning told her about her love to practice martial arts since she was a child, to the respect of Lingyue Villa.

“Therefore, Lingyue Villa is full of good people. In accordance with the Zhuang motto of Wencheng Wude, from the owner to us outside disciples, we all have a sincere heart of martial arts. I believe that the mind is pure. People who don’t have anything wrong can’t be bad. So, what is the misunderstanding between you, can’t it be solved?” Zhuang Ningning asked at last.

William did not answer.

Because of this answer, it is very heavy.

She was so heavy that she could never understand this girl who was obsessed with martial arts but had a simple mind.

Zhuang Ningning seemed to understand William’s thoughts, and sighed again, and said, “I will take you to Lingyue Villa in the afternoon.”

William looked at her in surprise, not thinking that she had changed sex.

But Zhuang Ningning went on to say, “Tonight, Lingyue Villa will hold a grand assessment contest. Outer disciples will be promoted to inner disciples, and inner disciples will go to the next level. I want you to see it with your own eyes. The place is actually very good.”

William didn’t expect to come up with such a thing.

He suddenly asked: “You are really believing in Lingyue Villa that all of them are good people? Just give a simple example, you look so good-looking, I don’t believe it, the people inside have no wrongs with you. Thinking about it? Even intimidating you to do something you don’t want?”

William’s words directly froze Zhuang Ningning’s face.

In a word.

There are indeed these things.

Zhuang Ningning has been a disciple of Lingyue Villa for more than three years.

Once a year in the assessment competition, it stands to reason that with her strength, she would have been promoted to the inner disciple.

But it is because of this matter of men and women.

Several of her seniors suppressed her everywhere, and suppressed her repeated application for assessment reports in a shameful relationship.

Finally, she submitted it this year...

However, Zhuang Ningning felt that these were just examples, and could not represent the majestic Lingyue Villa at all.

"I still believe in Lingyue Villa, believe by life! Believe by death!" Zhuang Ningning said this last sentence and was silent.

William stopped talking, and the two drank all the seven or eight bottles of beer in the bag.

But Zhuang Ningning was mostly drinking.

She doesn't know why, today should be a happy day.

But he was very depressed by the boy who appeared suddenly.

This kid is going to subvert her belief!

She was an irritable person, but again and again, her heart was softer than William's unspeakable eyes.

This made her more depressed.

In the end, she boiled down to listening to grandpa and not worrying about this kid.

After drinking the wine, Zhuang Ningning came sleepy and drove William off the bed directly, "I'll sleep for a while, do it yourself, don't take advantage of me while I sleep! I'm alert, any trouble I can't escape my eyes."

After speaking, she fell asleep.

Listening to the sound of deep sleep, and seeing her incomparably heroic sleeping position, William only felt funny.

Is this what you mean by being alert?

You don't even feel if I throw you out now?

William shook his head, then closed his eyes on the sofa to rest.

Until the sun was about to go down, Zhuang Ningning suddenly crouched and jumped up from the bed, "What time is it!"

She had just woke up, her hair was like a chicken coop, her clothes were messy, and she didn't feel the slightest awakening beauty.

William replied: "It's four o'clock."

Zhuang Ningning suddenly became violent, "It's over! It's too late, it's too late, our assessment competition is about to start at five o'clock, I have no time to dress up."

She went straight to the bathroom and fiddled in it for ten minutes before coming out.

Although she is light and plain, she can't conceal the beauty of her peerless elegance.

She stood in front of William, and suddenly said, "I promised you before to take you to Lingyue Villa. Can you promise me one thing now?"

William asked, "What's the matter?"

"I'm taking you to let you experience the spirit of practicing martial arts in Lingyue Mountain Villa. I want you to know that the people there are all martial arts practitioners, and martial arts practitioners have martial ethics and martial ethics. Nothing bad can't go there. So you have to promise me that you are not allowed to speak unless I agree." Zhuang Ningning said seriously.

This serious look made Lu Yexin tremble slightly.

In fact, William was thinking about a question while Zhuang Ningning was sleeping.

Have you overcorrected and overturned a boatman in one stroke?

Because of Wu Jingzi and Bai Lizheng, they felt that Lingyue Villa was useless.

If this is the case, why would a girl believe it with her life?

For a moment, William nodded and agreed, "Well. Go and see first."

After Zhuang Ningning got his assurance, he pulled the landing leaf and flew into the bathroom.

"Undress." Zhuang Ningning said.

William covered her body, "What are you doing!"

However, Zhuang Ningning eagerly went to strip William's clothes, "There is no time. I have to change your outfit. If you are going to seek revenge, someone must know you. I want to turn you into a ghost that can't recognize you. That's great."

William was speechless.

It took another ten minutes to tidy up. When William came out again, he had already stuck a little beard, and his hair was messed up.

Also brought a big sunglasses.

Zhuang Ningning felt very satisfied, "This is almost the case, let's go."

She didn't allow William to refute at all, so she grabbed William's hand and rushed out again.

Along the way, Zhuang Ningning rode a locomotive and drove out of the arrogant plane.

Finally rushed to Lingyue Villa at 4:50.

Standing at the gate of Lingyue Villa, William's heartstrings moved.

A simple and generous building was in front of him, magnificent.

At the door, there are two Qilin town houses left and right.

At the door, there is also a relief of a unicorn.

The whole building is full of a sense of majesty.

Zhuang Ningning didn't care about William's emotions, and pulled William directly into it.

At this moment, in the square of Lingyue Villa, there were loud voices.

An empty martial arts field is at the very center, and many people go there.

When Zhuang Ningning was about to take William over, a courteous voice suddenly came from behind, "Little Junior Sister, you finally came over, I'm about to call you. Who is this? I seem to have never seen it before, no Our people in Lingyue Villa?"

Zhuang Ningning frowned slightly, and suddenly he took William's arm and squeezed it straight into William's arm.

Then he turned around and said diligently, "Brother Wang, formally introduce you, this is what I told you, my boyfriend."

Chapter 583

William glanced at Zhuang Ningning a little dissatisfied.

He actually doesn't like being used as a shield.

However, Zhuang Ningning showed a vicious look and glared at William.

It seems to be saying that you are not happy to take advantage of my old lady. You can't be too William.

After staring, she ignored William and looked at the two people in front of her.

And Wiliam also noticed that the two people in front of him were looking at himself with unhappy eyes.

These two people are a man and a woman.

The man was about forty years old, he looked fat and greasy, and his hair was a bit gloomy.

His eyes wandered over Wiliam, as if he wanted to see through.

The other woman, who was dressed beautifully, should be about 30 years old, but wore heavy make-up and smelled of perfume.

This woman also took the obese man's arm and looked at Wiliam with a playful look.

"Ningning, you said he is your boyfriend?" the fat man asked again.

Zhuang Ningning nodded, pretending to be shy and said: "Yes, Brother Wang, I don't want to officially introduce you to him. My boyfriend is Wiliam, Wiliam, this is Brother Wang Tiejun, this is Liu Nianru."

"What does your boyfriend do?" Wang Tiejun seemed to be very concerned about Zhuang Ningning's affairs and asked.

A trace of boredom flashed in Zhuang Ningning's eyes, but she still said softly: "My boyfriend is just an ordinary person. He heard that we are very hot today, so let me take him over to join in the hottest and have a long experience. ."

Hearing what she said, Wang Tiejun looked at Wiliam with disdain, but said kindly: "It turns out to be like this, little brother, so Yanfu, I would rather be a rare beauty. Happiness."

Wiliam's face was as usual, and he said, "Thank you."

This look made Wang Tiejun particularly unhappy.

Wang Tiejun looked at Wiliam with a hint of jealousy in his eyes. He suddenly smiled and said, "Little brother, if Ningning brings you here, I am afraid you will never see such a grand occasion in your life. Would you like me to take you around? visit?"

Wiliam shook his head and said, "No need."

Seeing Wang Tiejun's face changed again, Zhuang Ningning quickly said, "Brother Wang, don't bother you. I will just take him around."

With that, Zhuang Ningning took Wiliam's arm again.

The woman named Liu Nianru on the side suddenly made a cut and sneered: "Where did you find the little fresh meat, it looks good, fine-skinned meat, Zhuang Ningning, you old cow's skill in eating tender grass, you can what."

The words were clearly thorny, and Zhuang Ningning's face became stiff and said to them: "I will take him around first."

As she said, she pulled William and walked aside.

Wang Tiejun behind him had a vicious expression in his eyes.

Zhuang Ning would rather be a great beauty in Lingyue Villa.

Over the past few years, Wang Tiejun has tried his best to make this beautiful woman embrace him.

But this woman who doesn't know how to promote is as stubborn as a rock.

Now, even brought her boyfriend here.

Isn't this telling him deliberately, there is no drama?

Wang Tiejun also sneered at William's leaving back.

How can an ordinary man compete with himself for a big beauty?

Came today, but also came just right!

Just let you see, the deterrent power of my Lingyue Villa.

But Zhuang Ningning took William to the side and stomped his feet severely, his face full of unhappiness.

William looked at her amused, "Is this what you call a good person?"

Zhuang Ningning blushed, feeling slapped.

As soon as the front foot swore by William, a man like Wang Tiejun came on the back foot.

Isn't this for William to read a joke?

Knowing her embarrassment, William continued: "Why did you say that I was your boyfriend? I remember you have a boyfriend, right?"

William was naturally referring to the mysterious man named Chu Huaijin.

King Chu, one of the three kings of Jianghuai, this is so prestigious, why let yourself be filled?

However, Zhuang Ningning said seriously: "I cannot let the people of Lingyue Villa know about my relationship with Brother Chu. After all, Lingyue Villa and Fengyamen are a bit

wrong. Also, if it wasn't for me to say you are my boyfriend, in what capacity did you come in? Don't get cheap and sell well. When I took your arm just now, you might not enjoy it in your heart."

William had a black line, this straightforward woman had no way of communicating.

Zhuang Ningning checked the time at this time and said, "The assessment competition is about to begin. I'm going to prepare for it. You can watch it here first. Remember the agreement between us. I don't allow it. stir up trouble."

William nodded casually, and said, "I naturally know what to do?"

Zhuang Ningning looked at William in disbelief, but after all, the time was approaching, and she walked away quickly.

As soon as Zhuang Ningning left, Wang Tiejun came up immediately.

Without Zhuang Ningning, Wang Tiejun didn't have the hypocritical politeness he had before.

He stood in front of William, looked at William arrogantly, and said in a calm manner, "Boy, you can actually catch Zhuang Ningning, you are good at it."

William didn't bother to pretend, and said, "Let's talk about it, what are you looking for me?"

Seeing that this kid dared to speak to himself like this, Wang Tiejun suddenly said angrily: "Boy, do you know what this place is! Whose site is it? It's just a mere ordinary person who dare to put the score in front of me? Are you looking for death? "

But Liu Nianru, who was next to Wang Tiejun, took the initiative to move forward, trying to hook William's chin.

But it was slightly avoided by William.

Liu Nianru said proudly: "Little handsome guy, do you know what day is today?"

William only knew that today was the day of Lingyue Villa's assessment, but it was not very clear.

"Today is the day for our outer disciples to evaluate, ho ho, 30 outer disciples, only choose one to enter the inner door, can you imagine the competition here?" Wang Tiejun said actively.

William nodded.

He said again: "Ho ho, it seems that you are also a person of wit, presumably you also know that Zhuang Ningning, this stupid girl wants to worship my Lingyue Villa's obsession? If you really do it for her, we will How about being a gentleman's agreement?"

William looked at Wang Tiejun with interest, and asked, "What gentleman's agreement?"

Wang Tiejun said indifferently, "Do you know who I am? I am the nephew of Jin Lieyun, the owner of Lingyue Mountain Villa, who loves me the most. Therefore, my words are enough to change my uncle's thinking today. do you understand me?"

William smiled and said, "So, you want to help Zhuang Ningning directly reserve the number of inner disciples?"

Wang Tiejun nodded with satisfaction, "Exactly. Of course the form still needs to go."

"Then what are your conditions?" William asked.

Wang Tiejun finally revealed the fox tail and whispered: "As long as you give me your girlfriend to play for a month."

Chapter 584

William had long known that Wang Tiejun was ill-intentioned with Zhuang Ningning.

Therefore, when he heard him put forward such shameless conditions, William was not at all surprised.

He smiled and looked at Wang Tiejun.

Wang Tiejun thought that William hesitated, and immediately hit the railroad while it was hot: "Hoho, you are not a martial artist, and you don't know the position of martial artists in the arena? As long as Zhuang Ningning can officially enter Lingyue Villa, then With my care, I call the wind and rain to do whatever you want. And you, as his boyfriend, you will naturally be prosperous and wealthy in the future. Even if you perform well, I can also support you."

William looked at Wang Tiejun amused.

Need a mere rubbish to help you?

Wang Tiejun said again: "Well, it's just for casual play. Don't think you are at a disadvantage. I will give you a cuckold. Now this society is about resource sharing. That Zhuang Ningning is too ignorant. It's hard to get a foothold in the rivers and lakes, even in Lingyue Villa. As her boyfriend, you should consider her future, right?"

William laughed directly after hearing this fallacy.

At the same time, he was even more disappointed by the evil spirits of Lingyue Villa.

What kind of place can be where garbage like Wang Tiejun can be grown?

Only Zhuang Ningning, a straight-minded woman, would have expectations of Lingyue Villa.

When Wang Tiejun saw Wiliam smile, his face became stiff, and his voice became cold, "What are you laughing at? Did I say something wrong? As her boyfriend, you are so selfish and scorn her future?"

Wiliam finally spoke at this time, "Sending her to your bedside is to take care of her future? Wang Tiejun, is your head broken?"

Wang Tiejun was furious, and was about to be furious with Wiliam, but was pulled by Liu Nianru on the side, "Brother Wang, the assessment competition is about to start, don't worry about it."

Wang Tiejun waved his hand angrily and issued a final notice to Wiliam, "I'll give you one last chance! A woman is just a plaything. If you want, I can give you Nianru. You can play as long as you want. Is this the head office?"

Liu Nianru on the side heard this, but it was not like a normal woman's reaction.

Instead, she looked at Wiliam with a smile, and said softly: "Tsk tusk, what about the little fresh meat, I want to taste it too, how about this condition, is it tempting?"

But Wiliam smiled and said, "It seems that the assessment match is about to start, ugly, I was blocked from sight. And you are not ashamed, just stay cool."

In a word, the faces of the two people on the opposite side changed!

"I don't know what's good or bad! Good! I won't teach you a lesson, it seems you don't know how good Wang Tiejun is! You are watching, your beloved girlfriend, how to be humiliated by others on stage later!" Wang Tiejun felt cruel and turned away angrily.

But Liu Nianru sneered and said to Wiliam: "Little guy, you really angered Brother Wang, and Zhuang Ningning is completely finished now. And oh, let me be your kind words, Just you? I'm just playing around. What do you really think of you? I, Liu Nianruhao, said that I am also a martial artist. Are you worthy of me? Something that does not live or die."

After that, Liu Nianru took a sip, but he actually spit on Wiliam's feet.

Then she twisted her waist and caught up with Wang Tiejun.

Wiliam gently rubbed the saliva off his shoes, but his eyes became even colder.

At this time, an old man suddenly stood up on the stage and announced loudly: "Be quiet, everyone, today our Lingyue Villa's annual assessment competition has officially started. Next, we will invite our golden owner to come out."

Following his order, there was a warm applause around him.

An old man with white beard and hair and a golden robe walked out slowly.

It is Jin Lieyun.

And Wiliam also saw Huang Daoming following behind Jin Lieyun.

Jin Lieyun seemed to be lacking in interest in today's assessment competition, and after a few words at random, he returned to his seat on the high platform.

Then thirty outer disciples all appeared on the stage of performing martial arts.

The woman named Liu Nianru was impressively listed.

Then the next agenda is to invite the unicorn totem.

As the old man's voice fell, a man all over his body, holding a white jade unicorn sculpture in both hands, slowly stepped onto the martial arts stage.

This is the totem of Lingyue Villa.

Fengtian Kylin.

Seeing Fengtian Qilin coming out, everyone present bowed their heads to show respect to Fengtian Qilin.

Even Jin Lieyun is no exception.

Wiliam noticed that when Fengtian Qilin played, the most exciting person on the court was Zhuang Ningning.

When Zhuang Ningning saw Fengtian Kylin, his eyes were flushed instantly.

Her eyes are full of piety.

A kind of faith and devotion to death without regrets.

She respectfully looked at Fengtian Qilin's direction and slowly knelt down.

Everyone's eyes were focused on Zhuang Ningning.

Zhuang Ningning is not sensationalism, her belief in this life is this worshipping unicorn.

Three months ago, her savior instructed her to be loyal and sincere, and follow life and death.

When everyone saw Zhuang Ningning doing this, they all laughed.

As if looking at a fool.

Wang Tiejun, who stood beside Jin Lieyun, whispered something to Jin Lieyun.

Jin Lieyun closed his eyes and nodded slightly, as if he was agreeing to something trivial.

But with Jin Lieyun's promise, Wang Tiejun's eyes moved through the crowd and fixed on William.

He raised his head defiantly, as if to say that it is too late for you to regret now.

The ceremony is over and the assessment competition officially begins.

Zhuang Ningning's draw was relatively late, and he returned to William's side.

Her body is still trembling slightly.

She almost choked and said to William: "William, can you see it? That is the Fengtian unicorn of Lingyue Villa. A white jade carving is the spiritual pillar and driving force of the entire Villa. You can feel this kind of piety. Power?"

William wanted to tell her that she couldn't feel it.

But looking at Zhuang Ningning's pious eyes, William suddenly felt soft.

He couldn't bear to hurt such a woman with a firm belief.

What's more, in front of her, destroying her beliefs personally is how cruel it is, more cruel than murder.

Zhuang Ningning seemed to be muttering to herself, and also seemed to be talking to William.

"Waiting for one day, I have waited for three years! The Wencheng Martial Virtue I yearn for will finally be shown in front of me. Lingyue Villa, I am here."

She looked pious, but William felt a deep discomfort.

William hardened his heart and suddenly raised his hand.

"Pop!" A loud slap in the face resounded through the audience.

"I won't beat a woman for no reason. Why, I don't bother to say. I owe you a favor."

Chapter 585

William was really upset because of Zhuang Ningning's damn piety.

If you say it better, she is pure, if you say it ugly, she is ignorance.

Ignorance!

I was deceived by Lingyue Villa, but still looked infatuated.

The more pious she was, the more irritable William was.

And this slap in the face not only calmed Zhuang Ningning, but also calmed everyone in the audience.

Zhuang Ningning looked at William in disbelief. She couldn't even think of killing him. Why would William beat herself!

No grievances and no grudges, and even oneself and him.

He actually slapped himself in front of so many people, even in front of Fengtian Qilin!

The tears of grievances immediately rolled in Zhuang Ningning's eyes.

She stubbornly kept tears in her eyes, without asking the reason, just asking: "What does it mean to owe me a favor?"

William stared at such a pitiful Zhuang Ningning, and did not speak any more.

Beating a woman is a cowardly act.

But William would not stick to the rules just because of some old conventions.

He hits women for all reasons.

Like Rebeca and others before, they all took the blame.

Now Zhuang Ningning's reasons are very complicated.

This means don't be silly, it can't be solved at all.

I hope this slap will calm Zhuang Ningning, and don't act so fanatical towards Lingyue Villa.

Because Lingyue Villa is not worth it.

Everyone at the scene stared at this completely unknown boy in a daze, wondering if it was the courage God lent him.

He even dared to beat people in Lingyue Villa.

It was still in front of Jin Zhuangzhu and Fengtian Qilin.

There is simply no forgiveness.

It was Jin Lieyun who opened his eyes and cast his eyes to William.

Huang Daoming naturally looked at William.

It's just that William was dressed up by Zhuang Ningning, sunglasses and beard were added, Huang Daoming couldn't immediately recognize that this arrogant man was William.

"Who are you?" Jin Lieyun asked William as his voice passed through the crowd.

William didn't even look at Jin Lieyun, but still looked at Zhuang Ningning in front of him.

Jin Lieyun saw a kid daring to ignore her words, and was about to get angry, but was held down by Wang Tiejun.

When Wang Tiejun saw that Zhuang Ningning was beaten, he couldn't even mention how happy he was.

Everyone doesn't know why Zhuang Ningning was beaten, but Wang Tiejun knows.

Wang Tiejun thought of a very reasonable reason instantly.

That's because this kid had confessed under his own threat, so he wanted to persuade Zhuang Ningning to give himself up.

But Zhuang Ningning was of a donkey temper and refused to agree, so the kid slapped Zhuang Ningning in full view.

well!

That's it!

It's just that, your slap seems to be a bit late.

Ho ho, I have already made a decision, you and Zhuang Ningning are waiting to regret it.

Wang Tiejun thought triumphantly, but explained to Jin Lieyun: "Uncle, that kid is Zhuang Ningning's boyfriend. I think they are just a little dispute between boy and girl friends, don't care too much."

Jin Lieyun snorted coldly, "What do you regard me as Lingyue Villa? Come here, throw that kid out of the Villa!"

But Wang Tiejun stopped, and whispered: "Uncle, don't throw it away in a hurry. I want him to watch a good show. Uncle, you can help me, okay?"

A person in his forties is actually acting like a baby to an 80-year-old man. The people around him in this scene are somewhat uncomfortable.

But Jin Lieyun seemed to really spoil you Wang Tiejun, and said helplessly: "You better not go too far."

Wang Tiejun was overjoyed and said quickly, "Thank you, uncle, it's still the best for me."

"Okay, continue the game." The referee knew, and quickly announced to continue.

In the audience, Zhuang Ningning still looked at Wiliam, and both wanted to see through each other.

After receiving such a big humiliation, Zhuang Ningning originally thought that with his violent temper, he would definitely go mad on the spot and beat up this ignorant boy.

But she didn't have it.

Because Zhuang Ningning's eyes were facing each other, Zhuang Ningning was also reading Wiliam's eyes.

In Wiliam's eyes, there was a sadness that was stronger than hers.

It seemed that he was the one who was beaten, and he was the one who was ashamed.

This strange look made Zhuang Ningning feel mad involuntarily.

She looked at Wiliam, thinking in her heart, why does he have such a look?

Why would he feel ashamed?

Who is he?

What's his secret?

What is his relationship with Lingyue Villa?

A series of questions hovered in Zhuang Ningning's heart. Thousands of words only turned into a single sentence, "I don't know who you are? But I still want to tell you that even if you slap, you can't kill me. The respect of Moon Villa."

Her words reveal the determination that she has never regretted even though she died.

On the contrary, she made up her mind even more, as if she was going to prove it to this kid!

Who is right and who is wrong?

After hearing this, Wiliam sighed and said nothing.

Since you don't believe it, use the bloody facts to teach you how to be a man.

After a while, Zhuang Ningning came to power.

Her opponent is also an outside disciple.

Zhuang Ningning had been completely aroused by William's slap, bloody and rebellious, and then fell to the ground with his opponent.

Everyone was frightened.

In fact, everyone knew that according to Zhuang Ningning's skills, he was already qualified to become an inner disciple of Lingyue Villa.

In the past three years, because of Wang Tiejun's relationship, she has stopped at the outer disciple.

She stood here this year, which represented her determination to advance into Lingyue Villa without any advances.

This is the fact!

With three hearty victories in a row, Zhuang Ningning seemed to tell everyone that this time the number of inner disciples belonged to her.

But Wang Tiejun on the stage showed a playful expression, as if watching a monkey show.

He even clamored in his heart, hit it!

The more fierce you fight, the more heartily you win, and the final result will make you feel the most painful!

Little Niangpi, you still can't see clearly, is this Lingyue Villa talking?

Offend me, is there any good fruit to eat?

After a while, Zhuang Ningning passed the test and reached the final final.

However, when she stood on the stage and looked at the opponent in front of her, she frowned directly.

The opponent turned out to be Liu Nianru!

This woman, among these thirty people, can only rank in the upper middle.

There are still several people better than her.

Why did she stand on the stage of the final?

Especially when it comes to the later “let me send it, I can’t resist the order”, the tone is full of ridicule.

Zhuang Ningning also heard it, her face flushed!

This Liu Nianru was embarrassed with Wang Tiejun, and all ghosts knew that Liu Nianru was making conditions for Wang Tiejun.

“Why? Don’t you dare? Don’t dare to step down as soon as possible, cut, my old lady is the most annoying for people like you, pretending to be justice, pretending to be noble, and pretending to be pious. That’s it, it’s actually very hypocritical. Isn’t it scary to lose face to me? Hohhhh, but that’s right, you are so pious to join, but you won’t let you in, and I’m unlearned and like to show off Yes, but you can all become inner disciples, don’t you feel very embarrassed, haha.” Liu Nianru said, seeing Zhuang Ningning’s face uncertain.

Sure enough, these words broke Zhuang Ningning’s entanglement in an instant. She looked fierce and said viciously: “Okay! Just gamble!”

“Okay! It really looks like a heroine, so let’s start.” Liu Nianru said with satisfaction.

Liu Nianru said to start, but he didn’t even start.

Instead, Zhuang Ningning was agitated by Liu Nianru and rushed straight up.

She thought that Liu Nianru would fight her for a while.

But it was unexpected that Liu Nianru flew out directly under Zhuang Ningning’s move.

Just got off the stage.

Zhuang Ningning was stunned by this unexpected scene.

When did he have such power?

Liu Nianru in the audience slowly stood up at this moment.

She couldn’t see any injuries on her body.

Even her breath was steady.

She fell to the stage, and according to the rules of the game, she had already lost.

However, Liu Nianru’s face did not see any frustration of failure.

On the contrary, she smiled, as if she was saying that the really fun things will start now.

Zhuang Ningning ignored Liu Nianru, her heart beating so fast at this moment.

Her eyes looked at the faintly-spoken Fengtian unicorn relief close at hand.

In Zhuang Ningning's heart, he never felt so close to Fengtian Kylin.

Only now, only here.

She did it.

Stand out from the thirty people and became the only one standing on the stage.

She is the biggest winner today.

When she was excited, she bowed deeply to Fengtian Qilin again.

As if to say, please take care of me from now on.

The people around also applauded Zhuang Ningning.

Zhuang Ningning's strength is really outstanding.

In today's few games, every one is a quick fight and a quick decision.

There is no suspense to win.

Three years, three years of hard work, also suffered her.

She got what she deserved.

Amidst the applause, William's expression became even more lonely.

It seemed that this day was forcing him to witness the despicable Lingyue Villa with his own eyes.

The referee on the court cleared his throat.

The people around suddenly became quiet.

Zhuang Ningning is even more peachy, anxiously waiting for the final good news.

"Well, today's assessment competition for the outer disciples is now over, and the only winner has come out. Now I announce that I will stand out from this assessment this year and become the inner disciple of Lingyue Villa. Yes!" said the referee, with a long tone.

The people around looked at Zhuang Ningning, with their hands hanging in the air, ready to applaud at any time.

"Liu Nianru!" The referee finally said out loud in one breath!

These three words made the scene suddenly quiet!

Everyone looked at the referee in surprise, and couldn't believe why it was such a fact.

Zhuang Ningning's teeth were crushed, she was clearly the winner!

Only Liu Nianru, who was in the audience, let out a silver bell-like laugh.

"Referee, why is it her! Obviously me!" Zhuang Ningning questioned the referee in disbelief.

The referee seemed to have prepared his speech a long time ago and said: "You are too harsh to be an inner disciple. On the contrary, Liu Nianru in the audience, with a heart of tolerance and compassion, she has noble morality and is worthy to become Ling. The inner disciple of Yueshan Villa."

These few words, like a shock of thunder, made Zhuang Ningning's face flushed.

She felt hot on her face.

Even more unforgettable than the slap slapped by Wiliam just now!

Ho ho, I'm too hot?

Ho ho, Liu Nianru is compassionate and tolerant, with martial virtues?

Zhuang Ningning, who spoke Wencheng Wude every day, suddenly felt dizzy at this moment.

How absurd this is!

A person with a sincere heart and dedicated to his duties just to become an inner disciple has been prevaricated by various reasons for three years!

After three years, I stand out!

But because of an unnecessary reason, he was turned away again!

On the contrary, she was a profuse and illiterate woman who became a man of noble military virtue and an inner disciple!

This strong blow made Zhuang Ningning's eyes black, and he planted directly down the stage!

Chapter 587

Watching Zhuang Ningning fall off the martial arts stage, an exclamation suddenly sounded at the scene.

However, one person steadily caught Zhuang Ningning.

This person is naturally William.

William looked at the devastated Zhuang Ningning, although he couldn't bear it, but he also felt that this was the best arrangement.

It is to let this innocent girl who does not know the heights of the world see the cruelty of this society.

Fortunately, after she became a disciple of the inner door of Lingyue Villa, she saw the dirt and dirt in this villa more deeply.

Wang Tiejun, who was beside him, let out a sneer.

The purpose was achieved.

He has endured this woman for three years!

In his world, there is not a woman who can't catch him after three years.

There is only this Zhuang Ningning who lives and lives.

Therefore, once Wang Tiejun gets angry, he will avenge his grievances on Zhuang Ningning thousands of times.

Looking at Zhuang Ningning's blood, and being crushed into a coma, he couldn't mention how happy he was.

Make you regret it!

If you can listen to me well and be my little boy, how come you have come to the point where you are today.

On the contrary, if you are obedient and obedient, don't talk about the inner disciple, just let you become a direct disciple, what's the difficulty?

Blame yourself!

The scene was silent, looking at Zhuang Ningning.

But no one dared to stand up and speak for Zhuang Ningning.

After Zhuang Ningning woke up, seeing that he was being held by William, he suddenly didn't dare to look at William's eyes.

Because her heart is still dead.

She still has the last hope.

After all, this reversal of the black and white sentence was just Wang Tiejun's act alone.

She believes that there are many people with noble military virtues in the big Lingyue Villa.

As long as she speaks righteously, she will definitely speak up for her.

She struggled to stand up from William's arms, then looked around, and said in a deep voice, "I just want to ask everyone, is the judgment made by the referee today really fair? Everyone is a martial artist, are you guys? I don't think it's someone who is abusing his power!"

Wang Tiejun laughed directly, and walked into the martial arts stage, jokingly looking at Zhuang Ningning with a look of grief and indignation, "Abuse of power? Zhuang Ningning, your heart seems really despicable. Okay, you Don't you want to ask everyone's opinions? I'll ask for you, those present, do you think the referee's judgment today is fair? Don't be afraid, just say it boldly."

These words made everyone on the scene bow their heads.

They knew Wang Tiejun's background in Lingyue Villa.

If before, there was the owner and Bai Li, Wang Tiejun wouldn't be so presumptuous.

But now, Jin Lieyun is the only one, and Wang Tiejun naturally rises.

Who else dared to question Wang Tiejun's words face to face.

They had already seen that today's incident was Wang Tiejun's ridicule of Zhuang Ningning.

And it's blatant!

But who dare to say anything!

What can you say?

Who dares to speak to a woman who can't even enter the door of Lingyue Villa?

In Zhuang Ningning's extremely expectation, everyone on the scene shook their heads and said in a deep voice: "I think today's referee is fair and there is nothing wrong with it.

"Well, I also think that Zhuang Ningning's shots were light and heavy, and seriously violated the martial ethics. He is not a good seedling of martial arts."

"Zhuang Ningning, let's just forget it. I heard that you're still aloof, but you still want to enter Lingyue Villa. Isn't this discrediting Fengtian Qilin?"

The words one by one, like a knife, were deeply pierced into Zhuang Ningning's heart.

Seeing that he raised his arms, no one dared to respond, Wang Tiejun smiled proudly.

He even said jokingly in front of Zhuang Ningning: "How? I feel wronged? That feels right, doesn't you want to enter Lingyue Villa? I won't let you in? What can you do with me? I just want to reverse the black and white under the eyes of everyone, what can you do with me? I just instruct the referee to treat you unfairly, so what? Ho ho, this world depends on your connections, who will let you have a boss Uncle, hahahaha."

His words were completely torn apart.

Zhuang Ningning's face suddenly froze on the spot.

She had no idea that Wang Tiejun was so arrogant that he would speak out all the conspiracies and tricks in front of everyone.

And no one dared to speak up!

Seeing the people around them lowered their heads, Zhuang Ningning felt only a deep chill coming.

She couldn't help but fought a cold war.

At this time, a majestic voice rang, "What's the matter?"

Zhuang Ningning looked up, but Jin Lieyun answered the phone and returned.

Jin Lieyun did not expect to receive an unexpected call.

Originally, the people above would not be able to reach Jianghuai until tomorrow, and he was appointed the owner of Lingyue Villa.

But I just received a call saying that the person above is already on his way, and will be there in a while.

This caused Jin Lieyun's heart to surge suddenly.

After today, he is the well-deserved owner of Lingyue Villa.

Seeing the strange atmosphere at the scene, Jin Lieyun couldn't help asking.

At this time, Zhuang Ningning was the first to wake up.

She stepped onto the stage of martial arts, and suddenly knelt directly toward Fengtian Qilin under the full view of everyone.

She is kneeling, sincere in her heart!

What she asks for is justice in the world!

She banged her head at Fengtian Qilin three times, and then said to Jin Lieyun: "Owner, I beg you to enforce the law impartially! Give me justice!"

"What the hell is going on?" Jin Lieyun frowned deeper.

When Wang Tiejun saw that this woman was still not giving up, he whispered a few words beside Jin Lieyun's ear.

With a lazy look, Jin Lieyun said casually: "Such a small thing makes the scene so unbearable. What do you want to show outside to see us Lingyue Villa? Just drive her away."

This random referee's words without asking the reason were like five thunderstorms, which completely stunned Zhuang Ningning.

She looked at Jin Lieyun with an indifferent face in disbelief, as if there was something in her heart, completely broken.

For the first time in her life, she felt a sense of despair.

That is the powerlessness of the collapse of faith.

That is the sorrow of obsession.

She looked at these people at the scene, and suddenly tears came out.

She has been making things difficult since just now, because she still has obsessions in her heart.

But now, she was in tears.

From the owner of Jin Lieyun, down to the insensitive crowd of onlookers, one by one turned black and white and cowardly.

This is contrary to the Wenchengwu morality she has always insisted on!

She even stared at the white Fengtian unicorn relief in front of her. For the first time, she felt that the unicorn pattern was so strange!

Even for the first time she felt that such a unicorn had a hideous face!

Suddenly she slapped herself severely, then turned her head and looked at William, tears raining down.

"I finally know why you beat me, sorry..."

Chapter 588

Zhuang Ningning got it.

William slapped her, but didn't explain the reason.

He couldn't explain this reason.

Even if I explained it, I couldn't listen to it.

Only when I feel the indifference in this world like now, can I truly understand, not to see the world with my eyes.

She looked at William standing with her hand in hand, as if he was the only one who was unique and independent in this vast sea of people.

At this moment, she actually felt that there are thousands of people in the world, although they are standing, they are living humble, worse than kneeling.

And there are thousands of people in this world, and it seems that there is only William alone, although he doesn't say a word, he shines brightly.

The light pierced Zhuang Ningning's tears even more fiercely.

She recalled all the things she had done before, even what William asked her, what she did was full of deep meaning.

If you listen to persuasion early, will it not stop there?

However, Zhuang Ningning changed his mind to think that all this was the best arrangement.

Only when you see through the coldness of human feelings can you really stand up.

William nodded to her after hearing Zhuang Ningning's words.

This girl is not hopeless.

It's not too late to get lost.

He nodded to Zhuang Ningning, and said softly, "I just understand."

Zhuang Ningning looked at William with sad eyes, as if touched by something in her heart.

She suddenly wanted to see what earth-shattering things William would do!

Didn't he threaten to step down this Lingyue Villa?

OK!

Then I fulfilled his wish and got on his boat!

At this moment, Zhuang Ningning, who was disheartened at Lingyue Villa, burst into a strong anger!

She wants to seek justice for her wrong beliefs over the years!

She suddenly asked William in a deep voice, "Didn't you say that you owe me a favor?"

William nodded, "Yes."

"You can pay me any favors in this place today, right!" Zhuang Ningning gritted his teeth and asked.

William nodded again, still saying, "Yes."

These two simple words inexplicably gave Zhuang Ningning, who was completely unreliable, courage!

The courage to fight the injustice of the world to the end.

She nodded in satisfaction, and then strode forward.

The people at the scene were all dull and didn't know what Zhuang Ningning was going to do.

Was it that she was irritated by this tragic failure so that her brain was not clear?

But the next second, an incredible exclamation suddenly sounded on the scene!

Everyone's eyes widened, and they couldn't believe what they saw before them!

Zhuang Ningning actually walked directly towards Fengtian Kylin.

She was even more in vain and tried to use this totem representing Lingyue Villa!

Lift this heavy unicorn relief with both hands on top of your head!

Quite a kind of tragic and majestic overlord!

There is only one thought in everyone's heart!

Zhuang Ningning is really crazy!

This is Fengtian Kylin!

As Lingyue Villa goes up and down, who is not respectful to this Fengtian unicorn!

It was Jin Lieyun who wanted to touch this Fengtian unicorn, he had to bathe and change clothes, burn incense and touch it.

This Zhuang Ningning had the courage to directly lift the Fengtian Kylin!

“Bold! Zhuang Ningning! You quickly put the Fengtian unicorn down for me! Are you looking for death?” Wang Tiejun was also scared into a cold sweat and shouted loudly.

At this moment, he suddenly felt a strange regret in his heart.

He forgot, this Zhuang Ningning is a strong personality.

If she was irritated to go crazy, and did anything disrespectful to Fengtian Qilin, in the end the responsibility might be held to him!

The people at the scene all raised their throats.

Jin Lieyun also frowned, got up directly from the chair, and fixed his eyes on Zhuang Ningning.

To be honest, Zhuang Ningning touched Fengtian Qilin for the first time in his life.

I thought that I would burn incense religiously and go sincerely.

But it's the immortal look like today.

But I thought that this Fengtian unicorn is as heavy as Mount Tai, and has great virtue.

Now I lift it up, but I feel as light as a feather, not worth mentioning!

“Your name is Zhuang Ningning, right? Put down the Fengtian unicorn and say something well.” Jin Lieyun said again. This time, he personally gave orders to Zhuang Ningning.

If in normal times, the owner himself speaks, Zhuang Ningning will naturally be grateful.

Now Zhuang Ningning only finds it ridiculous.

Justice and fairness among all people can't be compared to a unicorn, right!

What exactly do you believe in at Lingyue Villa!

She suddenly looked at Wiliam, her eyes burst into strong anger, “You! What do you think I want to do!”

The people at the scene looked at Wiliam again.

Wiliam just smiled indifferently, and asked, “What do you want to do?”

“I want to smash this Fengtian unicorn fiercely! If this unicorn is unfair, I will throw the unicorn! If the heaven is unfair, I will smash the sky!” Zhuang Ningning shouted sharply.

The people at the scene were so scared that they were all hairy.

But William let out a cheerful laugh, “Since it’s decided, then follow your heart. Anyway, I owe you a favor. I will help you take care of everything.”

With William’s words, Zhuang Ningning mustered up his courage again, and his face became savage.

Just as she was about to exert herself, Jin Lieyun shouted loudly, “Hold on!”

Jin Lieyun first looked at William, but he was a young man who never knew him.

But he dared to speak wildly, saying that he was all around in today’s scene!

Who on earth!

So lawless!

Jin Lieyun finally turned his gaze to Zhuang Ningning, and said in a deep voice, “Zhuang Ningning, calm down! You put down the Fengtian unicorn and talk about it! Don’t you just want to join me Lingyue Villa? Okay, I promise you now. Let you become an inner disciple immediately.”

Wang Tiejun’s face became stiff, and just as he was about to say something, Jin Lieyun gave him a hard look and glared back.

Jin Lieyun was telling the truth at this moment, and his heart also raised his throat.

If it was normal, he would not put a relief in his eyes.

Making pious movements is just to maintain the belief in the order of the villa, and to pretend to be seen by the people above.

But today, he can’t ignore it!

After all, it happened here by coincidence, and the people above are coming soon.

When the time comes to appoint himself as the owner of Lingyue Villa, an inevitable process is to bow down and worship the Qilin.

At that time, Fengtian Qilin could not be taken out, let alone the position of the owner, the entire villa would have to endure this disaster!

Therefore, he had to personally come forward to appease this crazy woman.

Zhuang Ningning heard this, but suddenly burst into laughter.

Ridiculous!

it is ridiculous!

Holding a sincere heart, but in exchange for making things difficult!

However, he was allowed to join Lingyue Villa!

Is this ridiculous?

Have worked hard for three years!

Not as good as today!

Lingyue Villa, what you want to recruit, is it the me who devoutly believes in, or the me who is not crazy and not a Buddha!

How many disgusting sins are still hidden in your villa!

She laughed and suddenly threw the Fengtian Qilin in her hand to the ground!

“boom!”

Chapter 589

This crisp sound rang in everyone's heart!

Everyone has a deafening feeling!

The Fengtian Kylin was broken!

It seems that the faith in their hearts has also been broken!

Seeing the Fengtian Qilin, which was torn apart on the ground and already out of shape, everyone felt unusually heavy breathing.

Everyone even looked at Zhuang Ningning with a decisive look, and his eyes burst into utter anger.

A mere woman, dare to be an enemy of the entire Lingyue Villa!

Jin Lieyun even shot the case directly, with a heavy killing intent in his voice!

“Catch her up for me, Ling Chi put to death!”

Jin Lieyun hates it!

It's so dying, at this crucial point, such a rebellious thing happened!

Later, the people above will come over, what will they explain?

When he thought of this, his head was big, he just wanted to cut the woman in front of him a thousand times!

Wang Tiejun was the first to rush towards Zhuang Ningning, wanting to catch Zhuang Ningning with his own hands and make merits.

But Zhuang Ningning rushed in front of William with a vigorous step.

She ignored the people coming towards her, but looked at William, and she felt relieved.

She smashed Fengtian Qilin with her own hands, and she actually had a kind of relief to see the sun.

As if it should have been done long ago.

As for what will happen next, she doesn't know.

She only knew that the man in front of her owed her a favor and allowed her a promise.

Even if you fail in the end, don't you just die?

Faith is gone, what's the point of living?

She looked at William and suddenly smiled, "Remember that you owe me a promise? Now, I agree, you can do whatever you want."

When Zhuang Ningning came before, he asked William to have her permission and not to act without authorization.

Now she agreed!

And in her heart, there was also a kind of heroism!

I want to see with my own eyes, how this kid who knows nothing better than himself is turning this Lingyue Villa upside down!

And she agreed and made William laugh.

The prodigal son will not change his head.

"Next, it's up to me." William said softly, but when the crowd gathered around, his body jumped!

Turned directly on the stage!

This vigorous skill made Zhuang Ningning's eyes shine!

This kid really knows martial arts!

by!

Seeing his weak, white face, he didn't expect him to be so agile.

When William turned to stage Wutai, the people at the scene stagnated.

What is the kid who doesn't know where this is going to do?

After William turned to Wutai, everyone around looked at him.

He took off his glasses and fake beard unhurriedly, and muttered to himself: "Wearing sunglasses in broad daylight, it really makes this blue sky turn black."

After speaking, he flung his glasses and fake beard casually, revealing his original face.

No one knew William, so there was nothing left.

But Huang Daoming yelled out directly in the groove!

He looked at the boy in disbelief, and shouted directly: "It's him! It's him! William! He's here!"

The roar made the people around and the family at a loss.

William?

Who is William?

But Jin Lieyun looked at Huang Daoming and asked, "Is he the person you talked about last night?"

Huang Daoming's face turned into a pig liver color, and he kept nodding, "Yes! It's him! It's this kid who threatens to flatten our entire Lingyue Villa!"

This sentence made the people at the scene angry.

Wang Tiejun laughed even more disdainfully, "Hahaha, what a big joke I heard! This kid, dare to speak such crazy words! Doesn't he know where our Lingyue Villa is?"

"Huh, just an ordinary person, do you want to make a couple of desperate mandarin ducks for your girlfriend?" Liu Nianru on the side also smiled.

Wang Tiejun immediately said that William was Zhuang Ningning's boyfriend.

After hearing this explanation, Jin Lieyun also sneered. It turned out to be a stunned green who was so angry that he was a beauty.

Then let me Lingyue Villa, teach you how to behave?

However, Huang Daoming was like a big enemy, and said gravely: "Owner, don't be fooled by his appearance, he is very skilled..."

Before the words fell, a loud slap rang through the audience.

It turned out that Wang Tiejun slapped Huang Daoming directly.

Wang Tiejun stared at Huang Daoming, and said angrily: "Huang Daoming, Huang Daoming, what do you mean by this? Let others have aspirations to destroy one's prestige? Not to mention the owner of Lingyue Villa, it is these hundreds of customs. Master Wu, can't it be that you can't beat a mere little brat? You're just getting better and better, and you were so scared by a young man!"

Huang Daoming covered his face and felt aggrieved in his heart.

But he didn't dare to speak anymore, anyway, everything is now in Jin Lieyun's circle, he only needs to sit on the mountain and watch the tiger fight.

Jin Lieyun stood up and looked at William with interest.

He wanted to see clearly, what kind of confidence is it that could allow a little yellow-haired boy to set foot on Lingyue Villa alone?

He was still thinking before, why this kid couldn't come?

After all, I had to stop this kid before the people above came over, so as not to run into trouble.

More importantly, this is a treasure.

That is Baixue Husheng Pills and Lanhai Washing Bixue.

If you get these two things yourself, then the dust...

Thinking of this, Jin Lieyun's eyes fell fiercely, and he shouted loudly: "This kid said he wants to level Lingyue Villa. This is provoking the majesty of our Lingyue Villa! Come, take him down for me! I have many rewards!"

Suddenly, several people rushed towards William, trying to capture William himself.

But how can William's current skills be comparable to those of the early days of foreign power?

Just like the Five Dragons and Tigers before, all Xiao Xiao who threw over was knocked down by Wiliam's three punches and kicks.

Wiliam clapped his hands and looked at Jin Lieyun, "Anything else?"

This provocative remark made Jin Lieyun furious!

"Fuck me again!"

Everyone's attention now was on Wiliam, who actually ignored Zhuang Ningning.

Zhuang Ningning stood safely aside, looking at Wiliam, his eyes suddenly changed.

She was still worried about Wiliam before, after all, Lingyue Villa was hiding the dragon and the tiger.

But I didn't think that Wiliam's skill was so good!

Seven or eight people were brought down in a few seconds!

Zhuang Ning would rather know all these people.

All of them are real warriors!

Zhuang Ningning exerted all his strength, and it was estimated that he would be able to tie with one of them.

And Wiliam, let it down in a few seconds!

Zhuang Ningning even thought that he wanted to teach him a lesson before.

I feel ashamed to think about it now.

This bottomless gap caused Zhuang Ningning to take a breath.

She looked at Wiliam in shock, wondering which mountain top this kid had come from!

Chapter 589

This crisp sound rang in everyone's heart!

Jin Lieyun stood up and looked at William with interest.

He wanted to see clearly, what kind of confidence is it that could allow a little yellow-haired boy to set foot on Lingyue Villa alone?

He was still thinking before, why this kid couldn't come?

After all, I had to stop this kid before the people above came over, so as not to run into trouble.

More importantly, this is a treasure.

That is Baixue Husheng Pills and Lanhai Washing Bixue.

If you get these two things yourself, then the dust...

Thinking of this, Jin Lieyun's eyes fell fiercely, and he shouted loudly: "This kid said he wants to level Lingyue Villa. This is provoking the majesty of our Lingyue Villa! Come, take him down for me! I have many rewards!"

Suddenly, several people rushed towards Wiliam, trying to capture Wiliam himself.

But how can Wiliam's current skills be comparable to those of the early days of foreign power?

Just like the Five Dragons and Tigers before, all Xiao Xiao who threw over was knocked down by Wiliam's three punches and kicks.

Wiliam clapped his hands and looked at Jin Lieyun, "Anything else?"

This provocative remark made Jin Lieyun furious!

"Fuck me again!"

Everyone's attention now was on Wiliam, who actually ignored Zhuang Ningning.

Zhuang Ningning stood safely aside, looking at Wiliam, his eyes suddenly changed.

She was still worried about Wiliam before, after all, Lingyue Villa was hiding the dragon and the tiger.

But I didn't think that Wiliam's skill was so good!

Seven or eight people were brought down in a few seconds!

Zhuang Ning would rather know all these people.

All of them are real warriors!

Zhuang Ningning exerted all his strength, and it was estimated that he would be able to tie with one of them.

And Wiliam, let it down in a few seconds!

Zhuang Ningning even thought that he wanted to teach him a lesson before.

I feel ashamed to think about it now.

This bottomless gap caused Zhuang Ningning to take a breath.

She looked at William in shock, wondering which mountain top this kid had come from!

Chapter 590

Following Jin Lieyun's order, several more people rushed up.

Seeing this group of people rushing up, everyone around them exclaimed in unison.

These people are very different from the people just now.

The wave of people just now was just the bottom disciple of Lingyue Villa.

But the people who go up now can be regarded as the mainstay of Lingyue Villa.

All are the best of the younger generation!

Jin Lieyun looked at these people with satisfaction and nodded.

But in the next scene, his eyes sharpened again.

These people are actually not William's opponents!

Even, the same as before!

He was thrown away directly by William!

In William's eyes, there was no difference between these people and the group of people just now.

Jin Lieyun frowned and watched this scene, suddenly feeling uneasy in his heart.

What realm is this kid!

If he can solve it with such an understatement, his realm has completely surpassed the middle stage of Wai Jin!

Could it be!

Jin Lieyun's heart twitched!

This kid is the skill of Wai Jin late!

Jin Lieyun's expression turned ugly when he thought of this.

The late stage of foreign power!

This is a rare master in Lingyue Villa.

Even, he may not be his opponent!

This kind of speculation immediately made Jin Lieyun feel strongly upset.

Although he is also a master at the late stage of Wai Jin, there is absolutely no chance of winning from this kid's understatement.

He also considered a factor, because the people above are coming today.

If he loses to this kid in public, the prestige he has accumulated will be gone.

No way!

Never do it yourself!

Let this group of cannon fodder in the villa go up and drain his energy.

Thinking of this, Jin Lieyun shouted loudly: "What are you doing in a daze! Give it all to me!"

These words awakened the people around him like a dream.

Although they were also afraid of the sudden emergence of the strength of the kid, but due to Jin Lieyun's reputation, they could only bite the bullet.

On the side of Zhuang Ningning, his chin was really about to fall to the ground.

What kind of skill is this kid!

Even cut dozens of masters, without panting!

by!

If I had known that he was so good, I would have worried about him.

William's body, flying through the crowd like a butterfly, actually defeated all those who wanted to use the human tactics.

In fact, Lu Yeda didn't have to go to battle himself.

He is the lord of unicorns, and with an order, Lingyue Villa's destruction was only a matter of one sentence.

But there was a rag in his heart.

Seeing with his own eyes that the unicorn that his grandfather had left for him all his life was so awkward, William felt a deep humiliation!

It seems that I am ashamed of Grandpa's expectations.

That's why he went into battle personally and wanted to vent his anger completely.

He was walking through the crowd, suddenly speeding up, and he was directly attacking Jin Lieyun!

Catch the thieves first!

Where did the people around you follow in Wiliam's footsteps.

And Jin Lieyun was already surrounded by people, only Huang Daoming, who had no power to bind a chicken.

Seeing Wiliam rushing, Jin Lieyun instinctively thumped, and quickly retreated.

He didn't dare to make a rash move.

But the more jealous Jin Lieyun was, the more he gave Lu Yekongzi.

It stands to reason that Jin Lieyun has stayed in this realm for many years longer than Wiliam.

His experience should be more abundant.

But just because he didn't want to take action, he was timid before fighting, and Wiliam was already a bit weaker.

Wiliam caught up with him, but a few fists came down, and Jin Lieyun was punched by Wiliam.

Naturally, Wiliam would not let Jin Lieyun go easily.

Catching up again, in front of everyone, directly stuck Jin Lieyun's neck with one hand!

When Jin Lieyun was caught by this, everyone at the scene immediately stopped.

They looked at Wiliam with shock in their eyes!

Thousands of troops and horses to take the lead!

What a special thing!

It's really a young dragon and tiger!

So many people can't even trap one person, a deep shame permeates everyone's hearts.

Zhuang Ningning saw this scene, but couldn't help but cheer up!

Sorrowful!

Too much relief!

A kind of thrill of counterattack breeds in Zhuang Ningning's heart!

If he had just made all the mistakes and had recognized such a humiliating ending, would William make a move with justice?

Can I be ashamed of myself!

This question kept asking in her heart, and she knew the answer.

William will still make a move.

It's just that it has nothing to do with her.

For the rest of her life, she will be burdened with the regret of being complacent and cannot let go.

She looked at William and her eyes were red again.

How old will this kid be next year, and he will even be taught how to be a man.

Really powerless.

This kid is far better than himself, whether in mind or strength.

"If you have something to say! Little brother! Don't be impulsive!" Jin Lieyun was arrested, and his heart was full of regret.

If I knew I would be so embarrassed in public, I might as well fight to the death!

I'm fine now, I don't even have a chance to show my fist.

William looked at Jin Lieyun jokingly, "I have nothing to say to you."

This straightforward remark made Jin Lieyun immediately stunned. He couldn't help but ask: "Little brother, I have no grievances with you at Lingyue Villa, why are you... Is it really for your girlfriend?"

William smiled softly and stopped talking, but the strength in his hand was even stronger.

Jin Lieyun's face rose to the color of pig liver.

Just when he thought he was bound to die, suddenly a panicked voice came from the door, "Owner! The people above are here, really!"

Then, under the gaze of everyone, a man wearing a black cloak walked in quickly.

This person could not see his face clearly, but on the cloak, clearly embroidered with a golden unicorn pattern with thread!

Golden Unicorn!

This golden unicorn is the symbol of the unicorn envoy!

The person above is wrong!

Those who can become a unicorn envoy, at least have their skills in the late stage of Waijin!

I am saved!

Thinking of this, Jin Lieyun worked hard and called for help loudly: "Master Qilin! Help me! Save us Lingyue Villa! Someone wants to provoke our entire Qilin situation!"

After hearing these words, the Qilin Envoy moved faster and rushed directly to the stage.

"Little guy, it's you who provoke my unicorn status?" The unicorn envoy asked William.

There was a sense of majesty in the voice.

When William saw this man coming, he left Jin Lieyun aside indifferently.

His anger was almost vented.

This unicorn came just right to clean up the mess.

Jin Lieyun thought that William was jealous, and could no longer care about the top, so he rushed in front of the unicorn ambassador, and shouted in panic: "My lord Qilin ambassador! That's the kid! This kid did something to our unicorn ambassador. Crimes are endless! I implore you to kill this kid on the spot!"
